Budget Action description:

This green sheet adds a new 35th Ave. S.W. Paving project (Project ID TBD) to the Seattle Department of Transportation's (SDOT's) 2019-2024 Capital Improvement Program (CIP).

The 35th Ave S.W. Paving project was identified in the 2015 Arterial Paving Plan for construction in 2023, but it was not included in SDOT's revised 2018 Arterial Paving Plan. The 2018 cost estimate for this project is $34.2 million for 8.4 lane-miles of paving. The CIP project page identifies $35 million of "to be determined" funding in 2023 for this project.
