Budget Action description:

This green sheet recommends passage of C.B. 118542-relating to the Seattle Public Utilities (SPU) Solid Waste Bond Ordinance.

The proposed ordinance authorizes issuance of $22 million of 25-year fixed-rate bonds in early to mid-2016. The Bond proceeds will fund about 18 month of the solid waste capital program including completion of the North Transfer Station project. Debt service on the bonds is expected to be $1.5 million per year starting in 2016. Projected rates incorporate the debt service costs associated with this bond sale.
