

City of Seattle
Mayor Jenny A. Durkan

Honorable Bruce A. Harrell, President
Seattle City Council
City Hall, 2nd Floor
Seattle, WA 98199

April 2, 2019

Dear Council President Harrell:

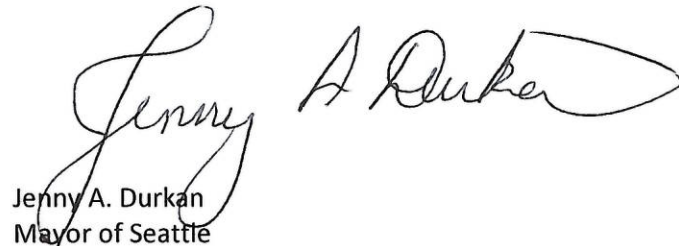

I am pleased to transmit the attached two resolutions, both relating to the 2018 Families, Education, Preschool, and Promise (FEPP) Levy, approving two partnership agreements:

- (1) Between the City of Seattle and the Seattle School District No. 1
- (2) Between the City of Seattle and the Seattle College District (Seattle Colleges).

Ordinance 125604 requires the City and its partners develop Partnership Agreements that establish the roles and responsibilities of each entity in developing the FEPP Levy Implementation and Evaluation Plan, which is being transmitted under separate cover. The Partnership Agreements with the Seattle School District and the Seattle Colleges District describe how the entities will achieve FEPP Levy outcomes and work collaboratively toward a better economic future for Seattle children. They cover items including, but not limited to, data sharing necessary for student enrollment, program evaluations and course corrections, standards for delivery of services, curriculum alignment, sharing of facilities, direct contracting, and other proactive methods for identifying and reaching students and schools most in need of support. Both Partnership Agreements have been reviewed and approved by the Levy Oversight Committee.

If you have any questions, please contact Dwane Chappelle, Director of the Department of Education and Early Learning, at (206) 684-4508.

Sincerely,

A handwritten signature in black ink that reads "Jenny A. Durkan". The signature is fluid and cursive, with the first name "Jenny" being larger and more prominent than the last name "Durkan".

Jenny A. Durkan
Mayor of Seattle
