CITY OF SEATTLE
ORDINANCE 125074
COUNCIL BILL 118713

1

3
4
5 AN ORDINANCE relating to the sale of the Pacific Place Garage condominium unit (“Garage”);
6 finding that City ownership of the Garage no longer serves municipal purposes;
7 authorizing the sale of the Garage for \$87 million to MPH PP Garage LLC; authorizing
8 the Director of Finance and Administrative Services to execute all documents and take
9 other necessary actions to complete the sale of the Garage; directing the deposit of the net
10 sale proceeds; and exempting the sale from the requirements of Resolution 29799 as
11 amended by Resolution 30862.

12
13 WHEREAS, the Pacific Place Garage condominium unit (“Garage”) and adjoining Pacific Place
14 Retail condominium unit were constructed to support the redevelopment of three square
15 blocks of downtown Seattle and to catalyze redevelopment of the overall downtown retail
16 core by contributing to increased pedestrian traffic, improved public safety, and enhanced
17 vehicular circulation; and

18 WHEREAS, Ordinance 118011 authorized the City to acquire the Garage and enter into an
19 agreement with the original developers of Pacific Place, and the City accepted the deed
20 for the Garage by Ordinance 119290 and since then has continuously operated it as a
21 commercial parking garage; and

22 WHEREAS, by offering a predictable and affordable supply of short-term parking in the heart of
23 the downtown retail core, the Garage has contributed immeasurably to the health of the
24 downtown retail core and has facilitated an increase in the City’s share of sales tax and
25 business and occupation taxes as generated by other businesses in the downtown retail
26 core; and

1 WHEREAS, the Garage is subject to recorded parking covenants and a parking agreement by
2 and amongst the City, MPH Pacific LLC (as successor to the original retail unit owner),
3 and Nordstrom, Inc. (“the Parking Agreement”); and

4 WHEREAS, the Parking Agreement governs the rates charged for short-term parking and
5 remains in effect until 2038, but is subject to a series of automatic, ten-year extensions,
6 surviving the City’s sale of the Garage; and

7 WHEREAS, the Department of Finance and Administrative Services has determined that, after
8 nearly 18 years of owning and operating the Garage, given the Parking Agreement and
9 the Garage’s stabilized operations, the original purposes for acquiring the Garage have
10 been met and no public interest is served by the City’s continued ownership of the
11 Garage; and

12 WHEREAS, FAS retained a commercial real estate broker to market the Garage and conduct
13 solicitation of inquiries and offers, which culminated in multiple offers for the Garage;
14 and

15 WHEREAS, having determined that MPH PP Garage LLC, an affiliate of the owner of the retail
16 unit, made the most favorable offer, the Director of Finance and Administrative Services
17 (“Director”) entered into a purchase and sale agreement for the sale of the Garage to
18 MPH PP Garage LLC, whereby the sale of the Garage is conditioned upon City Council’s
19 authorization of the sale by ordinance; and

20 WHEREAS, the City financed the purchase of the Garage with tax exempt bonds and the City
21 previously covenanted not to take any action that would affect the tax exempt status of
22 those bonds; and

1 WHEREAS, in order to preserve the tax exempt status of such tax exempt bonds, Council Bill
2 _____ requires the Director to take the appropriate remedial actions with
3 respect to the net disposition proceeds, as required by the applicable provisions of the
4 Internal Revenue Code, including using a portion of the net disposition proceeds to
5 defease and redeem the outstanding bonds; NOW, THEREFORE,

On or before the fifth (5th) Business Day following the Effective Date, Purchaser shall deposit with Chicago Title Insurance Company ("Escrow Agent") the cash sum of Five Million and No/100 Dollars (\$5,000,000.00) (the "Deposit") to secure Purchaser's obligations under this Agreement; provided, however, if such fifth (5th) Business Day is a Friday, the foregoing deadline for the Deposit shall automatically move to the next Business Day. (b) Deferred Maintenance Credit. At Closing, Purchaser shall be entitled to a closing credit in the amount of Five Hundred Fifty Thousand and No/100 Dollars (\$550,000.00) to compensate Purchaser for the anticipated cost of performing deferred maintenance on the Property, which credit shall be shown on the Closing Statement.

All real and personal property taxes and assessments, including condominium assessments levied under RCW 64.34.360, attributable to the year in which Closing occurs shall be prorated and adjusted as of the Closing Date (regardless of whether such taxes and special assessments are then due and payable or delinquent). Purchaser acknowledges that pursuant to RCW 84.36.010 the Real Property is not currently subject to property tax because Seller is a public entity, and that, if Closing occurs hereunder, this public entity tax exemption will not extend to Purchaser's ownership of the Real Property under RCW 84.36.010. Except as set forth below in Section 3.10, Purchaser shall be responsible for any property taxes imposed as a result of the transfer of the Real Property or cessation of exempt use, including, without limitation, supplemental taxes imposed pursuant to statute, including without limitation RCW 84.40.360, none of which shall be prorated. Seller shall be responsible for payment of all taxes and assessments with respect to the Property relating to the period prior to Closing, including, without limitation, any special assessments or LID assessments, and Purchaser shall be responsible for payment of all taxes and assessments with respect to the Property relating to the period after Closing, including, without limitation, any special assessments or LID assessments. If any tax or assessment for the year in which Closing occurs is not finally determined as of the Closing Date, then the tax figures for the immediately prior year shall be used for the purposes of proration on the Closing Date, and a

further adjustment shall be made after Closing within sixty (60) days after the bills for the applicable period are received.

3.4 Income and Expenses. Income derived from the Property and ordinary operating expenses incurred by Seller with respect to the Property shall be prorated between Seller and Purchaser as of the Closing Date, including, without limitation, income and expenses attributable to Assigned Contracts (including, the Monthly Parking Agreements) and Permitted Exceptions. Income and expenses attributable to the period prior to the Closing Date shall be for the account of Seller, and income and expenses attributable to the period on and after the Closing Date shall be for the account of Purchaser. If a third-party is in arrears in amounts due and payable under a Monthly Parking Agreement, any payments received from such third-party after the Closing Date shall be applied in the following order of priority: (i) first, to the month in which Closing occurred; (ii) then, to any month or months following the month in which Closing occurred; and (iii) then to any month or months preceding the month in which Closing occurred. If any sum, or any portion thereof, received by Seller or Purchaser after Closing is payable to the other party by reason of the foregoing allocation, the appropriate sum, less a proportionate share of any reasonable, out-of-pocket costs and expenses of collection thereof, shall be paid to the other party within thirty (30) days of receipt thereof.

3.5 Utilities. Seller shall cause all meters for electricity, gas, water, sewer or other utility usage at the Real Property to be read on the Closing Date, and Seller shall pay all charges for utilities consumed at the Real Property prior to the Closing Date; provided, however, that if and to the extent any utility charges are paid directly by a third-party (including any condominium unit owners' association) no meter reading or payment shall be required. If any utility provider is unable or refuses to read its meter on the Closing Date, all charges for those utility charges to the extent unpaid shall be prorated and adjusted as of the Closing Date based on the most recent bills therefor. Seller shall provide a notice to Purchaser five (5) days prior to the Closing Date stating (i) which utility meters will be read as of the Closing Date and (ii) a copy of the most recent bill for any utility charges which are to be prorated and adjusted as of the Closing Date as an adjustment at the Closing. If any utility meter(s) cannot be read as of the Closing Date and, therefore, the most recent bill is used to prorate and adjust as of the Closing Date as an adjustment at the Closing, then the parties agree to the extent that the amount of such prior bill proves to be more or less than the actual utility charges for the applicable pro-ration period, a further adjustment shall be made after the Closing Date within sixty (60) days after the bills for the applicable period are received.

(b) At Closing, the parties shall calculate the sum of all cash and prepaid expenses (collectively, "Association Assets") and the accounts payable and accrued liabilities (collectively, "Association Liabilities") using the Association's unaudited compilation of balance sheets for calendar year 2016. If the resulting Association Assets are greater than

Association Liabilities on the Closing Date, Seller shall be entitled to a credit at Closing equal to one-half of the difference between Association Assets and Association Liabilities. If the resulting Association Liabilities are greater than Association Assets on the Closing Date, Purchaser shall be entitled to a credit at Closing equal to one-half of the difference between Association Liabilities and Association Assets. In the event that, on or before the date that is five (5) days prior to the Closing Date, the information necessary to calculate the foregoing credit, if any, is not available, then Seller and Purchaser shall work together in good faith to determine the applicable portion of such credit, if any, using the most currently available information.

3.7 Estimates. Not later than four (4) Business Days prior to the Closing Date, Escrow Agent shall prepare an estimate of the pro-rations required under this Agreement and a computation showing such estimated pro-rations, based upon bills and other evidence Seller shall provide as may be reasonably requested by Purchaser and Escrow Agent to confirm the pro-rations for the Closing Statement. In the event that on the Closing Date the precise figures necessary for any of the foregoing adjustments are not capable of determination, then, at Seller's option, those adjustments shall be made on the basis of good faith estimates of Seller using currently available information, as reasonably approved by Purchaser. Seller and Purchaser shall each cooperate with the other diligently and promptly to correct any errors in computations or estimates under this Article 3 and shall promptly pay to the party entitled thereto any refund, credit or other payment necessary to comply with this Article 3 on demand therefor.

3.8 Adjustment Payments. The net amount of all adjustments to be made under this Article 3 shall be paid on the Closing Date in immediately available funds. All post-closing adjustments (if any) shall be made in immediately available funds.

In the event Purchaser has failed to bring an action against Seller during the one (1) year period immediately following the Closing Date, Escrow Agent shall return the entirety of the Holdback Amount to Seller promptly after the expiration of such one (1) year period. Any disputed amounts for which Purchaser has timely brought an action against Seller prior to the expiration of such one (1) year period shall be held by Escrow Agent until such action is Resolved. An action shall be "Resolved" upon the earliest to occur of (A) settlement of the action by an instrument executed in writing by Seller and Purchaser directing Escrow Agent's disposition of the disputed amounts, (B) a final judgment entered by a court of competent jurisdiction in the action directing Escrow Agent's disposition of the disputed amounts, or (C) joint written instructions of Seller and Purchaser directing Escrow Agent's disposition of the disputed amounts.

In each case, without the prior written consent of Purchaser, which may be granted or withheld in Purchaser's sole and absolute discretion. Notwithstanding the foregoing, this Section 4.3(b) shall not prevent Seller from (A) entering into or renewing any contract or agreement for services provided to the Garage Unit, so long as any (y) such contract or agreement is terminated by Seller prior to the Closing Date and is not binding upon Purchaser or any portion of the Real Property after the Closing Date or (z) Purchaser has agreed to assume such contract or agreement at Closing and Purchaser has approved the form and substance of such contract or agreement, which approval may be granted or withheld in Purchaser's sole and absolute discretion; or (B) entering into a new Monthly Parking Agreement in the ordinary course of business and on substantially similar terms as the Monthly Parking Agreements described in Schedule 4.2(i), so long as Seller delivers a copy thereof to Purchaser promptly upon execution thereof.

Seller hereby acknowledges and agrees the foregoing reference to "condition" refers to the operational status of the Property as well as the physical condition thereof.

(g) From the Effective Date through Closing, Seller shall not (i) list the Property, or any portion thereof, with any broker or otherwise solicit or make or accept any offers (whether binding or not) for the sale or other disposition of the Property, or any portion thereof, (ii) engage in negotiations (whether binding or not) with any third-party with respect to the sale or other disposition of the Property, or any portion thereof, or (iii) enter into any

contracts or agreements (whether binding or not) with any third-party with respect to the sale or other disposition of the Property, or any portion thereof.

(h) Seller shall take all actions necessary to terminate, or cause to be terminated, those certain Property Contracts identified as "To Be Terminated" on Schedule 4.3(h) attached hereto and made a part hereof, which termination(s) shall be effective on or before the Closing Date and effectuated in accordance with the applicable terms of each such agreement or contract; provided, that Seller shall have no obligation to affirmatively terminate that certain Blanket Contract dated November 15, 2013 (the "Diamond Parking Management Agreement") by and between Seller and the Joel and Julie Diamond Multigenerational Trust dba Diamond Parking ("Diamond") if Diamond has terminated the Diamond Contract or otherwise resigned as the operator of the Garage Unit and such termination or resignation will be effective on or before the Closing Date. At Closing, Seller shall assign to Purchaser those certain Property Contracts identified as the "Assigned Contracts" on Schedule 4.3(h) and the Monthly Parking Agreements (collectively, the "Assigned Contracts") pursuant to the General Assignment, which assignment shall be effective as of the Closing Date and effectuated in accordance with the applicable terms of each such Assigned Contract. Prior to Closing, Seller shall instruct Diamond in writing to execute and deliver at Closing an assignment instrument reasonably acceptable to Purchaser (the "Diamond Assignment"), pursuant to which Diamond will assign all of Diamond's right, title and interest, if any, in and to the Monthly Parking Agreements, together with all then-existing parking access cards issued with respect to the Real Property, to Purchaser, or Purchaser's designee. The Diamond Assignment shall be prepared by Purchaser prior to expiration of the Inspection Period and, if requested by Purchaser, shall include acknowledgements, made for the benefit of Purchaser, by Seller and Diamond that the Diamond Parking Management Agreement has been terminated in accordance with its terms. Except to the extent otherwise indicated on Schedule 4.3(h) or requested by Purchaser in writing prior to expiration of the Inspection Period, Seller shall cause Diamond to terminate all agreements and contracts (if any) to which Diamond is a party and which relate to the Property, which termination(s) shall be effective on or before the Closing Date and effectuated in accordance with the applicable terms of each such agreement or contract. Seller shall pay all costs and expenses required for, and resulting from, the termination of the Property Contracts to be terminated under this Section 4.3(h). Seller hereby covenants and agrees to indemnify, defend and save Purchaser harmless of and from any and all of Purchaser's costs, damages, losses, expenses, liens, claims and/or liabilities (including, without limitation, reasonable attorneys' fees) arising from Seller's failure to terminate those certain Property Contracts to be terminated effective on or before the Closing Date in accordance with this Section 4.3(h), which defense and indemnity obligations of Seller shall survive Closing for the Survival Period. At or prior to Closing, Seller shall provide Purchaser with copies of the written instructions delivered to Diamond as described above in this Section 4.3(h).

(i) In accordance with the terms and conditions of this Section 4.3(i), Seller shall cooperate with Purchaser's efforts to transition and transfer to Purchaser all equipment (except servers), data (including, but not limited to, all data with respect to all monthly parkers,

Monthly Parking Agreements and related property access cards) and software (including, but not limited to, iParc software) used in connection with the ownership, operation, use and management of the Property, together with all warranties, guaranties and licenses related thereto (including, but not limited to, Seller's license to iParc software and Armano's warranty). From and after the Effective Date through the Closing Date, Seller shall not remove, delete or modify any such equipment, data, software, warranties, guaranties or licenses, all of which shall be maintained in the same condition as exists on the Effective Date, subject only to reasonable use and wear in the ordinary course of business, unless otherwise requested by Purchaser; provided, however, prior to Closing, Seller may transfer information and data from servers located at the Property; provided, that (A) any such transferred information and data are unrelated to the Property, including, without limitation, the ownership, operation, use and management of the Property, (B) before any such transfer, the transferred information and data do not constitute a portion of the Property and (C) all such transfers shall be completed before the Closing Date. In order to ensure a seamless transition of operations at Closing, Seller shall grant Purchaser and its agents, contractors and subcontractors access to the Property beginning on the date that is thirty (30) days prior to the Target Closing Date for the purpose of installing replacement servers, completing all credit card reconfigurations and creating new and/or modified networks in advance of Closing; provided, that all such access by Purchaser and its agents, contractors and subcontractors shall be subject to the terms and conditions of this Agreement governing Purchaser's access to the Property. On the Closing Date, Seller shall transfer and assign to Purchaser all of Seller's ownership, access and use rights with respect to the items listed in the first sentence of this Section 4.3(i), together with all warranties, guaranties and licenses related thereto. From and after the Effective Date through the Closing Date, Seller shall not remove any data servers from the Property, unless and until (y) Seller provides Purchaser with no less than ten (10) Business Days' prior written notice of a date and time for Purchaser to visit the Property; and (z) during such visit, Seller and Purchaser together confirm that all equipment (except servers), data (including, but not limited to, all data with respect to monthly parkers, Monthly Parking Agreements and property access cards) and software (including, but not limited to, iParc software) have been transferred to Purchaser's replacement servers in accordance with this Section 4.3(i). At Closing, Purchaser shall be entitled to a credit of up to \$15,000.00 to reimburse Purchaser for actual third party costs incurred or reasonably expected to be incurred in connection with the transition and transfer of the items listed in the first sentence of this Section 4.3(i) and the cost of replacing servers. In accordance with an access agreement to be executed and delivered by Seller and Purchaser at Closing in a form substantially similar to the form attached hereto as Schedule 4.3(i) (the "Post-Closing Access Agreement"), during the fifteen (15)-day period immediately following Closing, Seller will be permitted access to the Garage Unit for purposes of removing Licensee's Server Equipment (to be more particularly identified and defined in the Post-Closing Access Agreement) not conveyed to Purchaser at Closing; provided, however, in no event shall Licensee's Server Equipment, or any portion thereof, include any portion of the Property to be conveyed by Seller to Purchaser at Closing pursuant to this Agreement.

(j) From and after the date that is five (5) Business Days after the expiration of the Inspection Period and until Closing hereunder, Seller shall use good faith efforts to obtain the following estoppel certificates (collectively, the "Nordstrom Estoppels"): (a) An estoppel certificate from Nordstrom under the Parking Covenant in accordance with Section 7.12 of the Parking Covenant and in substantially the same form as attached hereto as Schedule 4.3(j); and

(b) an estoppel certificate from Nordstrom under the Parking Agreement in substantially the same form as attached hereto as Schedule 4.3(j). Within five (5) Business Days after the expiration of the Inspection Period, Seller shall send the Nordstrom Estoppels to Nordstrom.

(k) From and after the Effective Date through Closing or earlier termination of this Agreement, Seller will not change the Parking Rates without the prior written consent of Purchaser, which may be granted or withheld in Purchaser's sole and absolute discretion.

(l) Prior to Closing, Seller shall work with the Association to rearm the four security doors providing access from street level to the Garage Unit, and Seller shall be responsible for its allocated share of all costs related thereto as determined under the Declaration. If the Association's work on the security doors is not complete before the Closing Date, Seller's obligation to pay its allocable share of the cost of such work shall survive Closing.

4.4 Purchaser's Representations and Warranties. Purchaser hereby represents and warrants to Seller as of the Effective Date as follows:

(a) Purchaser is duly organized and validly existing under the laws of the state of its formation or incorporation and, on the Closing Date, will be qualified to transact business in the state of Washington.

(b) No consent, waiver, approval or authorization is required from any Person (that has not already been obtained) in connection with the execution and delivery of this Agreement by Purchaser or the performance by Purchaser of the transactions contemplated hereby.

(c) Purchaser has not (i) commenced a voluntary case, or had entered against it a petition, for relief under any federal bankruptcy act or any similar petition, order or decree under any federal or state law or statute relative to bankruptcy, insolvency or other relief for debtors, (ii) caused, suffered or consented to the appointment of a receiver, trustee, administrator, conservator, liquidator or similar official in any federal, state or foreign judicial or non-judicial proceeding, to hold, administer and/or liquidate all or substantially all of its property, or (iii) made an assignment for the benefit of creditors.

(d) On the Closing Date, Purchaser will have the power to proceed to Closing and purchase the Property, and to execute, deliver and perform under any and all documents to effectuate same, including, without limitation, Purchaser's Closing Documents, and (B) Purchaser will have obtained all consents, approvals, authorizations or orders of any court or governmental agency or body or any other third-party, if any, required for Purchaser to proceed to Closing and purchase the Property from Seller, and to execute, deliver and perform under any and all documents to effectuate same, including, without limitation, Purchaser's Closing Documents.

To the extent that any reference to Purchaser contained in this Agreement is qualified by or limited to Purchaser's "knowledge" or "actual knowledge," such phrases shall mean the actual knowledge (as opposed to the imputed knowledge), without inquiry or investigation, of the fact or condition by Purchaser's Representatives. "Purchaser's Representatives" shall mean, collectively, Chad Eisenbud and David Brainerd; provided, however, that nothing contained in

this Agreement shall create any individual liability for Purchaser's Representatives and all of Purchaser's representations, warranties, obligations and liabilities contained in this Agreement are those of Purchaser, not of Purchaser's Representatives.

4.5 Purchaser's Covenants. Purchaser hereby covenants and agrees with Seller that:

(a) No later than thirty (30) days prior to the Target Closing Date, Purchaser shall instruct its proposed replacement garage operator in writing to enter into (and have in place as of the Closing Date) a collective bargaining agreement covering all hourly wage employees who will be employed by such replacement garage operator to work at the Garage Unit; and

(b) No later than ten (10) days prior to the Target Closing Date, Purchaser will instruct its replacement garage operator in writing to offer employment, commencing on the Closing Date for a period of not less than one hundred twenty (120) days, to those employees of Diamond who (i) are covered by the Collective Bargaining Agreement described in Schedule 4.2(i); (ii) were employed by Diamond at the Property as of the Effective Date and thereafter continuously through and including the Closing Date, (iii) are in good standing with Diamond and have not been suspended (with or without pay) by Diamond at any time prior to the Closing Date, and (iv) were not previously employed by Purchaser's replacement garage operator and subsequently released from such employment for any reason (collectively, "*Diamond Employees*"). Seller shall notify Purchaser in writing of all Diamond Employees satisfying the foregoing requirements no later than thirty (30) days prior to the Target Closing Date, and all Diamond Employees so identified shall be entitled to the offer of employment described in this paragraph so long as they continue to satisfy such requirements through the Closing Date. Purchaser's replacement garage operator's offer of employment to the qualifying Diamond Employees shall be at rates and with benefits consistent with the Collective Bargaining Agreement described in Schedule 4.2(i) (collectively, "*Diamond's Rates and Benefits*"). subject to such other commercially reasonable terms and conditions established by Purchaser's replacement garage operator, including, without limitation, such replacement garage operator's right to discipline and/or terminate any Diamond Employee based upon such Diamond Employee's performance during the course of operations at the Property. In no event shall Purchaser or Purchaser's replacement garage operator be obligated or required to (A) offer employment to the Diamond Employees at rates and with benefits in excess of, or in addition to, Diamond's Rates and Benefits, (B) make any severance payments to any Diamond Employee or (C) offer employment to any Person other than the Diamond Employees.

(c) Prior to Closing, Purchaser shall provide Seller with copies of the written instructions delivered to Purchaser's replacement garage operator as described above in this Section 4.5.

ARTICLE 5 - Access, Inspection, Diligence

5.1 Inspections. On November 9, 2015, Seller and Purchaser executed that certain Pacific Place Parking Garage Access Agreement, as amended by that certain First Amendment to Pacific Place Parking Garage Access Agreement with an effective date of January 8, 2016 (as so amended and as further amended, modified, restated or replaced from time to time, the "*Access Agreement*") pursuant to which Seller has agreed that Purchaser and its authorized agents or representatives shall be entitled to enter upon the Real Property during normal business hours

upon advance notice to Seller (which may be oral) to make such non-invasive and non-destructive investigations, studies and tests, including, without limitation, surveys, engineering studies, soil tests, groundwater tests and review of books and records relating to the Property in Seller's possession or control, all as Purchaser deems reasonably necessary or advisable and as more specifically set forth in this Section 5.1. For purposes of this Agreement, the "Inspection Period" shall mean the period of time commencing on the Effective Date and expiring at 5:00 p.m. pacific time on the 10th calendar day following the Effective Date or, if such date is not a Business Day, the next Business Day. Purchaser's entry upon the Real Property and inspection of the Property may be conducted (i) prior to the Effective Date in accordance with the Access Agreement and (ii) from the Effective Date through the Closing Date in accordance with this Agreement (notwithstanding expiration of the Inspection Period). Purchaser shall provide no less than twenty-four (24) hours' prior notice to Seller of its intention, or the intention of its agents or representatives, to enter the Real Property. Notwithstanding anything in this Agreement to the contrary, the parties' notices to be provided under this Section 5.1 may be given by electronic mail to the parties at the electronic mail addresses set forth in Section 12.2 below. Purchaser shall be solely responsible for paying the cost of all inspections, tests, investigations and analyses conducted pursuant to this Section 5.1. At Seller's option, Seller or its representative may accompany Purchaser or its agents or representatives while on the Real Property before the Closing Date. In conducting any inspections, investigations or tests of the Property, Purchaser and its agents and representatives shall: (i) not unreasonably disturb or interfere with Seller's use of the Property; (ii) not unreasonably interfere with the operation and maintenance of the Property; (iii) not damage any part of the Property or any Personal Property or any other real or personal property owned by a third-party; (iv) not injure or otherwise cause bodily harm to Seller, or its agents, guests, invitees, contractors or employees at the Property; (v) provide to Seller, prior to any entry onto the Property, a certificate of insurance issued by an insurance carrier having an AM Best rating of A-VII or better, naming Seller as an additional insured, and evidencing the following coverage against any claims or damages arising from the presence of Purchaser, its agents and representatives on the Real Property: commercial general liability insurance with limits of \$1,000,000 per occurrence and \$2,000,000 in the aggregate, workers compensation insurance with minimum statutory limits and employers' liability insurance with minimum limits of not less than \$1,000,000, and maintain that coverage as a condition of any entry onto the Real Property prior to Closing; (vi) pay when due the costs of all tests, investigations, and examinations done with regard to the Property; (vii) not permit or suffer any mechanic's or materialman's lien of any kind or nature to be enforced against the Property arising from the exercise of its inspection rights under this Section 5.1; and (viii) with respect to any damage to the Property or any other real or personal property, fully repair such damage to the extent (a) caused by such Inspections and (b) necessary to restore the Property or other real or personal property to the condition in which the same were found immediately before such Inspections were undertaken. Notwithstanding any other provision of this Agreement, any invasive or intrusive inspections or tests of the physical condition of the Property shall require the prior written consent of Seller, which Seller may grant or withhold in its sole discretion. At Seller's written request, Purchaser shall provide Seller information regarding the results of any invasive inspections or test, including but not limited to providing Seller copies of any written data or reports prepared with respect to the Property (collectively, the "Materials"); provided that any such Materials will be delivered for informational purposes only and Purchaser makes no representation or warranty, express or implied, as to the accuracy or completeness of any such Materials so delivered. Seller agrees that it may not rely on the Materials for any purpose and

shall not assert any claim against any preparer of the Materials alleging error or inaccuracy with regard to any of the Materials. The Materials shall not include any appraisals, budgets, internal reports, valuations, economic evaluations or market and economic feasibility studies of the Property, reports regarding the Property prepared by Purchaser or any of Purchaser's employees, agents, lenders, consultants, investors, prospective investors, members, partners, auditors, attorneys, accountants, advisors, and other professionals, and prospective lenders (and their advisors) for the internal use or for the information of the investors in such party, partnership or entity related information, any documents pertaining to equity financing, any documents or materials subject to nondisclosure and/or confidentiality agreements, any documents or materials subject to an attorney client privilege or the work product doctrine and any other proprietary information not related to the physical condition or operations of the Property. Purchaser hereby agrees to indemnify, defend and hold Seller and all of its elected officials, officers, directors, agents, employees, attorneys, representatives and contractors, harmless from and against any and all liens, claims, causes of action, damages, liabilities and expenses (including reasonable attorneys' fees) to the extent arising from (A) any inspections or tests performed upon the Property pursuant to the rights granted under this Section 5.1 or the presence of Purchaser and/or its employees, consultants, agents or contractors on the Real Property or (B) any violation of the provisions of this Section 5.1; provided, however, such indemnity obligation of Purchaser shall not (1) apply to the extent any such liens, claims, causes of action, damages, liabilities and expenses (including reasonable attorneys' fees) are caused by the willful misconduct or negligence of Seller or another indemnified Person, (2) make Purchaser liable to remediate any pre-existing conditions or liabilities discovered by Purchaser and/or its employees, consultants, agents or contractors or (3) obligate Purchaser to defend or indemnify any indemnified Person for any such liens, claims, causes of action, damages, liabilities and expenses (including reasonable attorneys' fees) arising from such pre-existing conditions, so long as any such conditions are not exacerbated by Purchaser and/or its employees, consultants, agents or contractors; and, in the event of any such exacerbation, any related obligation or liability of Purchaser hereunder shall be limited to the extent of such exacerbation. For the sole purpose of giving effect to Purchaser's defense and indemnity obligations under this Section 5.1, to the maximum extent permitted by applicable law, Purchaser hereby waives its industrial insurance immunity, if any, under Washington law for claims brought by its employees, but only with respect to and for the benefit of Seller and its elected officials, officers, directors, agents, employees, representatives and contractors. The foregoing waiver has been mutually negotiated between Seller and Purchaser and is not intended to waive any immunity which Purchaser may have for claims made directly against Purchaser by its employees. Purchaser's defense and indemnity obligations under this Section 5.1 shall survive expiration or termination of this Agreement, but only as to any third-party claim arising from property damage or bodily injury occurring prior to the Closing Date in connection with Purchaser's inspection of the Property.

5.2 Due Diligence Materials. Seller has arranged for Purchaser to access the information and materials listed on Schedule 5.2 attached hereto (collectively, the "Due Diligence Materials") prior to the Effective Date in an electronic data room (the "Data Room"). Purchaser acknowledges receipt of access to the Data Room as of the Effective Date. After the Effective Date, to the extent in Seller's possession or control, Seller shall promptly make the following available to Purchaser in the Data Room: (i) all documents, instruments and materials responsive to Purchaser's Due Diligence Checklist shown on Schedule 5.2 that are not in the Data Room as of the Effective Date, (ii) any amendments, modifications and/or supplements to

the Due Diligence Materials that are not in the Data Room as of the Effective Date and (iii) any other documents, instruments and materials requested by Purchaser that are not in the Data Room as of the Effective Date and are reasonably necessary for Purchaser to complete its due diligence with respect to the Property. The term "Due Diligence Materials" shall include all documents, instruments and materials to be made available by Seller pursuant to the immediately preceding sentence. Seller disclaims any express or implied obligation to undertake independent investigation of any of the Due Diligence Materials prepared by any Person other than Seller, and Seller does not warrant the accuracy or completeness of any Due Diligence Materials that have been prepared by third-parties, provided that any such third-party materials will be delivered to Purchaser without intentional alteration or omission by Seller. Subject to the terms of any confidentiality agreement agreed to by Purchaser with respect to the Property, all Due Diligence Materials made available to Purchaser under this Agreement shall be held in strict confidence, but may be disclosed to Purchaser's investors, prospective investors, members, partners, employees, agents, attorneys, accountants, advisors, and other professionals, lenders and prospective lenders (and their advisors) in accordance with the terms of such confidentiality agreement, and either promptly returned to Seller or destroyed by Purchaser (with written confirmation of such destruction to Seller) if Closing does not occur.

5.3 Purchaser's Right to Terminate During Inspection Period. In Purchaser's sole discretion, Purchaser may, by written notice to Seller given at any time prior to the expiration of the Inspection Period terminate this Agreement and decline to proceed with the transaction described herein, in which event, Escrow Agent shall return the Deposit to Purchaser and neither party shall have any further rights or obligations under this Agreement, except those which expressly survive termination of this Agreement. Unless Purchaser has provided written notice to Seller prior to expiration of the Inspection Period that Purchaser will terminate this Agreement and will not proceed to Closing, the termination right described in this paragraph shall be deemed waived and, except as otherwise set forth herein, the Deposit shall be deemed non-refundable to Purchaser, and the parties shall proceed to Closing in accordance with, and subject to, the terms and conditions of this Agreement.

5.4 Property Conveyed "AS-IS, WHERE-IS." Except as expressly set forth in this Agreement and in Seller's Closing Documents, neither Seller nor any agent, employee, officer, director, attorney, broker, contractor, representative or property manager of Seller have made, and Seller specifically disclaims, any warranties, representations or guaranties of any kind or character, express or implied, statutory, oral or written, past, present or future, with respect to the Property or the Improvements. Except as expressly set forth in this Agreement and in Seller's Closing Documents, Purchaser acknowledges it has not relied upon and will not rely upon, either directly or indirectly, any representation or warranty of Seller (except those provided for in this Agreement and in Seller's Closing Documents) or any of its respective agents, employees, officers, directors, attorneys, brokers, contractors, representatives or property managers and acknowledges that no such representations have been made except as expressly set forth in this Agreement and in Seller's Closing Documents.

ARTICLE 6 - Title and Survey

6.1 Title and Survey Review. Prior to the Effective Date, Escrow Agent prepared a preliminary commitment for title insurance covering the Real Property (the "Title Report") and Purchaser commissioned an initial ALTA survey of the Real Property (the "Survey"), copies of

which have been delivered to Purchaser and Seller. Prior to the Effective Date, Purchaser delivered to Seller certain written objections ("Title Objections") to the Title Report and Survey; provided that Purchaser is not obligated to make written objection to any lien or other monetary encumbrance against the Real Property that may be resolved at Closing solely by Seller's payment of money ("Monetary Liens") and the Title Objections and any New Title Objections shall be deemed to include all such Monetary Liens. Seller shall cause all Monetary Liens to be paid in full at Closing; provided, however that Seller shall not be obligated to make payment towards any Monetary Liens for LIDs or similar charges, taxes or assessments attributable to periods after Closing. In the event that any title matter not previously disclosed by the Title Report or Survey is disclosed to Purchaser prior to Closing (in either event, a "New Exception"), then Purchaser shall promptly notify Seller and Purchaser shall have ten (10) Business Days after receiving notice of such New Exception to submit such written objections to New Exceptions as Purchaser may wish ("New Title Objections"). Seller shall propose its plan to resolve (a) the Title Objections within five (5) days after the Effective Date and (b) any New Title Objections within five (5) days after Seller's receipt thereof. Within five (5) days after receiving the applicable proposal from Seller, Purchaser shall either accept or reject Seller's proposed resolution as to each Title Objection and New Title Objection, as applicable. If Seller fails to timely propose a resolution of any particular Title Objection or New Title Objection, as applicable, Seller shall be deemed to have declined to take any action with respect thereto. If (y) Seller declines, or is deemed to have declined, to take any action with respect to any particular Title Objection or New Title Objection or (z) Purchaser timely rejects Seller's proposed resolution for any particular Title Objection or New Title Objection, Purchaser may, at any time within ten (10) days after the deadline for Seller's response to such Title Objection or New Title Objection, terminate this Agreement and receive a refund of the Deposit, whereupon neither party shall have any further rights or obligations under this Agreement, except those which expressly survive termination of this Agreement. Seller shall not cause or permit any title matter to be recorded against the Real Property after the Effective Date without Purchaser's consent, which may be withheld in Purchaser's sole discretion. As used in this Agreement, the term "Permitted Exceptions" shall mean: (i) any title matter described in the Title Report or Survey as to which Purchaser failed to timely deliver a Title Objection; (ii) any New Exception disclosed to Purchaser prior to Closing as to which Purchaser failed to timely deliver a New Title Objection; (iii) any title matter described in a Title Objection or a New Title Objection that Seller declines, or is deemed to have declined, to address (unless Purchaser terminates this Agreement in accordance with this Section 6.1); (iv) liens for real property taxes, assessments and charges not yet due and payable; and (v) any other title matter that Purchaser expressly agrees to be an exception from coverage under the Title Policy. Notwithstanding any other provision of this Agreement, notices to be given under this Section 6.1 may be given by electronic mail to the parties, their respective legal counsel and Escrow Agent at the electronic mail addresses set forth in Section 12.2.

6.2 Required State of Title. At Closing, Seller shall convey to Purchaser marketable fee simple title to the Real Property by bargain and sale deed in the form attached hereto as Schedule 8.2(a), subject only to the Permitted Exceptions and provisions of existing building zoning laws. The provisions of this Section 6.2 shall survive the Closing. For all purposes of this Agreement, a title exception shall be deemed "discharged," "resolved" or "released" by Seller if such title exception has been discharged and removed of record, or otherwise addressed by Seller pursuant to a plan approved by Purchaser under Section 6.1.

6.3 Personal Property. At Closing, Seller shall convey the Personal Property to Purchaser (except any excluded Personal Property described in Schedule 6.3) by the Bill of Sale.

ARTICLE 7 - Conditions to Seller's and Purchaser's Performance

7.1 Seller's Closing Conditions. The obligations of Seller to close the transaction contemplated by this Agreement are subject to the following closing conditions (any of which may be waived in whole or in part by Seller in its discretion):

(a) The passage of an authorizing ordinance authorizing Seller's sale of the Property to Purchaser on the terms described in this Agreement (the "Authorizing Ordinance") by the Seattle City Council ("City Council") and such Authorizing Ordinance becoming effective law. No later than the 14th calendar day following the last day of the Inspection Period, or if such date is not a Business Day then the next Business Day thereafter, Seller shall submit to the Mayor of the City of Seattle ("Mayor") for his transmittal to City Council the proposed Authorizing Ordinance with contemporaneous notice to Purchaser of such submittal. Purchaser acknowledges that approval of the Authorizing Ordinance is made at the discretion of a majority of the members of the City Council and failure of the Authorizing Ordinance to be passed by the City Council and subsequently to become effective shall not constitute a default by Seller under this Agreement, except if FAS acts or fails to act with the intent of hindering or prohibiting approval or passage of the Authorizing Ordinance. Seller shall keep Purchaser reasonably informed as to the status of the Authorizing Ordinance. If City Council has not passed the Authorizing Ordinance before the Target Closing Date, Purchaser may elect, by delivering written notice to Seller on or before the Target Closing Date, either to terminate this Agreement or to extend the Target Closing Date one time only to a date occurring on or prior to December 31, 2016. If City Council passes the Authorizing Ordinance prior to the Target Closing Date (as may be extended by Purchaser under this Section 7.1(a)), but the Authorizing Ordinance will not be effective as of the Target Closing Date, the parties shall proceed to Closing (subject to the terms and conditions of this Agreement) and the Target Closing Date shall be automatically extended until the date that is five (5) days after the date the Authorizing Ordinance becomes effective; provided, however, if the Authorizing Ordinance is passed by City Council, but prior to the effectiveness thereof, a petition for referendum is filed with the Office of the City Clerk of Seattle (the "City Clerk") with respect to the Authorizing Ordinance, then (y) if the King County Records and Elections Division issues a determination that the petition is invalid or insufficient, the parties shall proceed to Closing (subject to the terms and conditions of this Agreement) and the Target Closing Date shall be automatically extended until the date that is five (5) days after the Authorizing Ordinance becomes effective, or (z) if the King County Records and Elections Division issues a Certificate of Sufficiency with respect to the petition for referendum, then Purchaser shall have the absolute right by written notice to Seller, which notice must be delivered to Seller within ten (10) days following the issuance of the Certificate of Sufficiency, to (A) immediately terminate this Agreement or (B) extend the Target Closing Date until the public ballot vote on the Authorizing Ordinance. If the Target Closing Date is extended to the public ballot vote and the Authorizing Ordinance is approved, the parties shall proceed to Closing (subject to the terms and conditions of this Agreement) and the Target Closing Date shall be automatically extended until the date that is five (5) days after the Authorizing Ordinance becomes effective. If the Target Closing Date is extended to the public ballot vote and the Authorizing Ordinance does not become effective, either Purchaser or Seller may terminate this Agreement upon five (5) days' written notice to the other party. Notwithstanding anything to

the contrary contained above in this Section 7.1(a), if the Authorizing Ordinance has not become effective as of the date that is nine (9) months immediately following the Effective Date, then Purchaser shall have the absolute right by written notice to Seller, which notice must be delivered to Seller within ten (10) days thereof, to immediately terminate this Agreement. If this Agreement is terminated pursuant to an express termination right granted by the provisions of this Section 7.1(a), Escrow Agent shall return the Deposit to Purchaser and neither party shall have any further rights or obligations under this Agreement, except those which expressly survive termination of this Agreement.

(b) No action, suit or legal or administrative proceedings shall have been instituted by or before any governmental authorities seeking to enjoin the transactions contemplated by this Agreement;

(c) The Association shall have delivered to Seller and Purchaser a written statement from the Association (the "Condominium Certification") certifying to Seller and Purchaser (together with Purchaser's successors or assigns under this Agreement) the amount of any unpaid assessments by owed by Seller under the Condominium Documents;

(d) Purchaser shall have delivered to Seller reasonable evidence that Purchaser's replacement garage operator has caused to be in place the collective bargaining agreement described in Section 4.5 above and has made the offer of employment to Diamond's Employees described therein; provided, however, if Purchaser has not received the reasonable evidence to satisfy this Section 7.1(d) before the date that is two (2) Business Days prior to the then-scheduled Target Closing Date, then Purchaser shall have the one (1)-time right under this Section 7.1(d) to extend the then-scheduled Target Closing Date up to thirty (30) days by delivering written notice to Seller before 5:00 pm Pacific Time on the date that is two (2) Business Days prior to the then-scheduled Target Closing Date;

(e) The representations and warranties made by Purchaser in this Agreement shall be true and correct in all material respects as of the Closing Date with the same force and effect as though such representations and warranties had been made as of the Closing Date;

(f) Purchaser shall have delivered to Escrow Agent all funds, documents and instruments required to be delivered by Purchaser hereunder; and

(g) Purchaser shall have performed in all material respects all covenants and obligations required by this Agreement to be performed by Purchaser on or prior to the Closing Date.

If any of the foregoing conditions in this Section 7.1 is not satisfied at Closing, then Seller shall have the right to (A) terminate this Agreement by providing written notice to Purchaser, in which case, neither party shall have any further rights or obligations under this Agreement, except those which expressly survive such termination, or (B) waive any condition in this Section 7.1 (except passage of the Authorizing Ordinance as set forth in Section 7.1(a) above) at or prior to Closing. If Seller terminates this Agreement pursuant to the immediately preceding sentence as the result of any failed condition listed in subsections (c)-(g) of this Section 7.1, then (i) that portion of the Deposit equal to five percent (5%) of the Purchase Price shall be disbursed to Seller, but only if Seller is entitled to receive such sum in accordance with

Section 11.3 below, otherwise the Deposit shall be returned to Purchaser, and (ii) neither party shall have any further rights or obligations under this Agreement, except those which expressly survive such termination.

7.2 Purchaser's Closing Conditions. The obligations of Purchaser to consummate the transaction contemplated by this Agreement are subject to the following closing conditions (any of which may be waived in whole or in part by Purchaser in its discretion):

(a) The representations and warranties made by Seller in this Agreement shall be true and correct in all material respects on and as of the Closing Date with the same force and effect as though such representations and warranties had been made as of the Closing Date;

(b) Seller shall have performed in all material respects all covenants and obligations required by this Agreement to be performed by Seller on or prior to the Closing Date, including, without limitation, execution and delivery of Seller's Closing Documents to Escrow Agent;

(c) Except in the event of a Closing described in Section 9, there shall have occurred no material adverse change in the condition of the Property (including but not limited to the physical or environmental conditions thereof);

(d) Except for the payment of the premiums due Escrow Agent for its issuance of an ALTA 2006 standard coverage Owner's Policy of Title Insurance (or if Purchaser obtains and provides to Escrow Holder a recently prepared ALTA/ACSM survey of the Property, an ALTA Extended Coverage Owner's Policy of Title Insurance) insuring Purchaser's title to the Real Property in the amount of the Purchase Price and subject only to the Permitted Exceptions (the "Title Policy"), Escrow Agent shall be unconditionally committed to issue the Title Policy with no "gap" to Purchaser at Closing;

(e) No action, suit or legal or administrative proceedings shall have been instituted by or before any governmental authorities seeking to enjoin the transactions contemplated by this Agreement;

(f) The Association shall have delivered the Condominium Certification to Seller and Purchaser.

(g) The Authorizing Ordinance shall have been passed and shall have become effective law in accordance with Section 7.1(a) above.

(h) Seller shall have delivered the Amano Consent to Purchaser in a form reasonably acceptable to Purchaser.

If any of the foregoing conditions is not satisfied at Closing, then Purchaser shall have the right (A) to terminate this Agreement by providing written notice to Seller, in which case the Deposit shall be refunded to Purchaser and neither party shall have any further rights or obligations under this Agreement, except those which expressly survive such termination, or (B) to waive any condition in this Section 7.2 and proceed to Closing.

ARTICLE 8 - Closing

8.1 Escrow Closing. The consummation of the transaction contemplated in this Agreement (the "Closing") shall occur on or before the Target Closing Date through an escrow closing arrangement at the offices of Escrow Agent or such other mutually agreed upon location. The "Target Closing Date" is July 28, 2016, as such date may be extended in accordance with the terms and conditions of this Agreement. Purchaser may unilaterally elect to extend the Target Closing Date to August 29, 2016 by delivering notice to Seller no later than July 18, 2016 and, in such event, the dates of "December 31, 2016" and "January 1, 2017" set forth in Section 4 of the Assumption of Parking Agreements shall be deemed amended to read "January 31, 2017" and "February 1, 2017" respectively. If the Target Closing Date falls on a Friday or a day that is not a Business Day, the Target Closing Date shall automatically move to the next Business Day. The date on which Closing actually occurs and Seller's deed to Purchaser is recorded shall be the "Closing Date."

8.2 Seller's Closing Deliverables. On or before the Closing Date, Seller shall deliver each of the following items to Escrow Agent (collectively, "Seller's Closing Documents"):

(i) Such other instruments as Seller or Escrow Agent may reasonably request to effectuate the transaction contemplated by this Agreement without additional liability or expense to Purchaser.

ARTICLE 9 - Casualty and Condemnation

(a) Casualty. Seller agrees to give Purchaser prompt notice of any fire or other casualty affecting the Property, or any portion thereof, between the Effective Date and the Closing. If any of portion of the Property is damaged by fire, earthquake or any other casualty event prior to Closing and the cost to repair exceeds (i) \$500,000 if the casualty is an uninsured

casualty or (ii) \$1,000,000 if the casualty is an insured casualty (each a "Major Casualty"), then either Purchaser or Seller may, at its option by written notice to the other party within twenty (20) days after the date of Seller's notice to Purchaser of the casualty (and if necessary, the Closing Date shall be extended to give the parties the full twenty (20) day period to make such election and to obtain insurance settlement agreements with Seller's insurers), elect to either (i) terminate this Agreement, in which case the Deposit shall be refunded to Purchaser, and neither party shall have any further rights or obligations under this Agreement, other than those that expressly survive termination or (ii) proceed to Closing pursuant to the subsequent terms of this Section 9(a). If Purchaser and Seller each timely makes its election to proceed to Closing pursuant to this paragraph and the casualty is insured, then the Closing shall take place as provided herein (subject to the extension of Closing as provided above), the Purchase Price shall be reduced by an amount equal to Seller's deductible under its insurance policies, and Seller shall assign to Purchaser at the Closing all of Seller's interest in and to any casualty insurance proceeds on account of the occurrence, including, without limitation, the proceeds of any business interruption or loss of rental insurance. If Purchaser and Seller each timely makes its election to proceed to Closing pursuant to this paragraph and the casualty is uninsured, then the Closing shall take place as provided herein. Purchaser shall accept the Property in its condition at Closing and the Purchase Price shall be reduced by the estimated cost to repair, as reasonably determined by the parties working with such consultants and contractors as they may engage to jointly prepare such estimate. If either Purchaser or Seller does not timely make an election pursuant to this Section 9(a), such party shall be deemed to have elected to terminate this Agreement, in which case the Deposit shall be refunded to Purchaser, and neither party shall have any further rights or obligations under this Agreement, other than those that expressly survive termination. If, before Closing, the Property is damaged by (A) a fire or other casualty that is not a Major Casualty or (B) an uninsured casualty and Seller repairs the damage before Closing, then Purchaser may not terminate this Agreement, and if the casualty is insured but the damage has not been fully repaired before Closing to Purchaser's satisfaction in its sole discretion, the Purchase Price shall be reduced by an amount equal to Seller's deductible under its insurance policies, and Seller shall assign to Purchaser at the Closing all of Seller's interest in and to any casualty insurance proceeds on account of the occurrence, including, without limitation, the proceeds of any business interruption or loss of rental insurance.

(b) Condemnation. In the event that all or any portion of the Property shall be taken in condemnation or under the right of eminent domain prior to the Closing Date, Seller shall promptly notify Purchaser thereof. Within ten (10) Business Days after receipt of the foregoing notice (and if necessary the Closing Date shall be automatically extended to give Purchaser the full ten (10) Business Day period to make such election), Purchaser shall notify Seller, electing either: (a) to proceed with this transaction and Closing in accordance with this Agreement notwithstanding such condemnation; or (b) to terminate this Agreement, receive a refund of the Deposit and neither party shall have any further rights or obligations under this Agreement except for those that expressly survive termination. If Purchaser elects to proceed with this transaction pursuant to clause (a) above, there shall be no reduction in the Purchase Price and Seller shall (i) deliver to Purchaser at the Closing, or as soon thereafter as available, any proceeds actually received by Seller attributable to the Property from such condemnation or eminent domain proceeding, and (ii) transfer and assign to Purchaser any and all rights Seller may have with respect to payments by or from and with respect to recovery against any party for damages or compensation relating to the Property on account of such condemnation or eminent

domain proceeding. A failure by Purchaser to notify Seller in writing within ten (10) Business Days after receiving written notice of such taking shall be deemed an election to proceed under clause (b) above. If Purchaser elects to proceed under clause (a) above, Seller shall not compromise, settle or adjust any claims to such award without Purchaser's prior written consent. Purchaser shall have the sole right after Closing to negotiate and otherwise deal with the condemning authority in respect of such matter.

The provisions of this Article 9 shall survive Closing.

ARTICLE 10 - Brokerage Commissions

10.1 Representations and Indemnity. Seller and Purchaser each mutually represent and warrant to the other that they have not dealt with, and are not obligated to pay, any fees or commissions to any broker in connection with the transaction contemplated by this Agreement other than Holliday, Fenoglio Fowler, L.P. and Craig Kinzer & Co., d/b/a Kinzer Partners and Kinzer Real Estate Services (collectively, the "Brokers"). Seller is solely responsible for compensating the Brokers pursuant to separate agreements. Each party hereby agrees to indemnify and hold harmless the other party from and against any and all liability, cost, damage or expense on account of any claim for a brokerage commission or finder's fee made by any other Person or entity claiming through such indemnifying party. Each of Purchaser and Seller hereby indemnifies and holds harmless the other from all loss, cost and expenses (including reasonable attorneys' fees and expenses) arising out of a breach of its representation or undertaking set forth in this Section 10.1. The provisions of this Section 10.1 shall survive Closing or the earlier termination of this Agreement.

ARTICLE 11 - Default, Termination and Remedies

11.1 Purchaser's Remedies for Seller Default. So long as Purchaser has performed all of its obligations and is not in default hereunder beyond any applicable notice and cure periods, if, at or prior to Closing, Seller fails to perform its obligations pursuant to this Agreement for any reason except failure by Purchaser to perform its obligations hereunder, or if before Closing, Seller causes or permits any of Seller's representations or warranties to be untrue and fails, within five (5) Business Days after Purchaser's written notice thereof to Seller, to take further action necessary to make the applicable representation or warranty true and correct, then Purchaser may, as its sole and exclusive remedy (but without prejudice to Purchaser's rights and remedies with respect to any of Seller's indemnification obligations hereunder) either: (i) terminate this Agreement by giving Seller timely written notice of its election and recover the Deposit, together with Purchaser's actual, third-party costs (collectively, "Out of Pocket Costs") not to exceed Two Hundred Thousand and 00/100 dollars (\$200,000.00) incurred in connection with the negotiation and documentation of this Agreement, Purchaser's conduct of inspections, tests and other due diligence activities relating to the Property and costs incurred by Purchaser in preparation for Closing on the purchase of the Property (which costs shall include, but not be limited to, Purchaser's fees payable to its attorneys, engineers, surveyors and environmental consultants); or (ii) bring suit to compel specific performance of Seller's obligations under this Agreement. Any suit seeking specific performance of Seller's obligations under this Agreement must be commenced within forty-five (45) days after the scheduled Closing Date or shall thereafter be barred. In no event shall Purchaser seek or be entitled to recover punitive damages or consequential damages against Seller, and Purchaser hereby waives any claim for recovery of

punitive damages or consequential damages. The provisions of this Section 11.1 shall survive any termination of this Agreement.

11.2 No Recourse to City of Seattle. Purchaser shall have no recourse under this Agreement to any assets or property of Seller other than the Property and the proceeds from Seller's sale of the Property, including, without limitation, the Holdback Amount, for the payment or collection of any judgment, arbitral award, fee or cost or for any other obligation or claim arising out of or based upon this Agreement requiring the payment of money by Seller.

11.3 Seller's Remedies for Purchaser Default. So long as Seller has performed all of its obligations and is not in default hereunder beyond any applicable notice and cure periods, and all of Purchaser's Closing conditions contained in Section 7.2 above have been satisfied or waived, if Purchaser defaults in its obligation to purchase the Property on the terms required hereunder, Seller shall be entitled to terminate this Agreement and receive from the Deposit an amount of money equal to five percent (5%) of the Purchase Price as liquidated damages in lieu of all other remedies available to Seller at law or in equity for such default (but without prejudice to Seller's rights and remedies with respect to any of Purchaser's indemnification obligations hereunder). Seller and Purchaser agree that the damages resulting to Seller as a result of such default by Purchaser are difficult or impossible to ascertain and the liquidated damages set forth in this Section 11.3 constitute Purchaser's and Seller's reasonable estimate of such damages and not a penalty to Purchaser. In no event shall Seller seek or be entitled to punitive damages or consequential damages against Purchaser, and Seller hereby waives any claim for recovery of punitive damages or consequential damages. The provisions of this Section 11.3 shall survive any termination of this Agreement.

11.4 Intent of Damages Limitation. Notwithstanding the foregoing provisions of this Article 11, any limitation on remedies provided for in this Article 11 shall be in addition to and not in lieu of any defense or indemnity obligation of Seller or Purchaser provided for in this Agreement, Seller's Closing Documents and/or Purchaser's Closing Documents, as applicable, and shall not otherwise preclude enforcement of any obligations, liabilities, representations or warranties that survive Closing pursuant to this Agreement, Seller's Closing Documents and/or Purchaser's Closing Documents, as applicable (subject, however, in each event, to any express time and/or liability limitations contained in this Agreement, Seller's Closing Documents and/or Purchaser's Closing Documents, as applicable).

ARTICLE 12 - Miscellaneous

12.1 Assignment. Purchaser may assign or transfer its rights under this Agreement only to an Affiliate, a joint venture entity in which it has an interest, successor by operation of law, wholly owned subsidiary, entity controlled by Purchaser or under common control with Purchaser and to any entity owning or purchasing all or substantially all of the assets of Purchaser; provided Purchaser shall first notify Seller of the proposed transfer and shall deliver to Seller such reasonable documentary evidence as Seller may request in order to confirm that Purchaser's proposed assignment complies with the conditions described in this Section 12.1. Otherwise, Purchaser shall not transfer or assign its rights under this Agreement without Seller's prior written consent, which may be granted or withheld in Seller's sole discretion. The covenants and agreements contained in this Agreement shall extend to, bind and inure to the benefit of the permitted successors and assigns of Purchaser. As used herein, "Affiliate" shall mean (i) any Person that directly or indirectly controls, is controlled by or is under common

control with Purchaser or Madison Realty Partnership LLC or (ii) any investment vehicle or entity (including, without limitation, an income trust, real estate investment trust or other publicly-traded or quasi-public entity), the sponsor of which is Purchaser or any Person that directly or indirectly controls, is controlled by or is under common control with Purchaser and/or Madison Realty Partnership LLC. For purposes hereof, "control" shall mean the right to directly or indirectly control the management and the day to day operation of the applicable entity, subject to customary "major decision" rights of investors in such entity.

12.2 Notices. Any notice required or permitted to be delivered under this Agreement shall be in writing and shall be deemed given on the earlier of actual receipt or (i) when delivered, if delivered by hand during regular business hours, (ii) three (3) days after being sent by United States Postal Service, registered or certified mail, postage prepaid, return receipt requested and first class mail, postage prepaid, or (iii) the next business day if sent by a reputable national overnight express mail service that provides tracing and proof of receipt or refusal of items mailed. 12.5 No Third-Party Beneficiaries. 12.6 Amendments. This Agreement may be amended only by a written instrument executed by Seller and Purchaser (or Purchaser's permitted assignee or permitted transferee).

12.7 Integration. This Agreement (including the schedules and exhibits) embodies the entire agreement between Seller and Purchaser with respect to the transactions contemplated in this Agreement. There are no understandings, covenants, agreements, representations or warranties between Seller and Purchaser with regard to the Property or the transactions contemplated by this Agreement other than those set forth herein.

12.8 Choice of Law; Venue. This Agreement shall be construed under and in accordance with the laws of the State of Washington without regard to otherwise applicable principles of conflicts of laws. Any action arising out of this Agreement must be commenced in King County Superior Court or the United States District Court for the Western District of Washington. Each party consents to the jurisdiction of those courts in any such action and the laying of venue in the State of Washington.

12.9 Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which shall be an original but such counterparts together shall constitute one and the same instrument notwithstanding that both Purchaser and Seller are not signatories to the same counterpart.

12.10 Exculpation for Liability. None of Purchaser's direct or indirect partners, shareholders, members, owners or affiliates, any officer, manager, director, employee or agent of the foregoing, or any affiliate or controlling Person thereof have any personal liability of any kind or nature, nor shall Seller have the right to receive any judgment or otherwise recover against the assets of the aforesaid, under or arising out of or in any way relating to this Agreement or the Property and the transactions contemplated under this Agreement, whether based on contract, common law, statute, equity or otherwise. Seller hereby waives for itself and anyone who may claim by, through or under Seller any and all rights to sue or recover on account of any such alleged personal liability or to receive any judgment or otherwise recover against the assets of any of Purchaser's direct or indirect partners, shareholders, members, owners or affiliates, any officer, manager, director, employee or agent of the foregoing, or any affiliate or controlling Person.

12.16 Confidentiality.

(a) Purchaser recognizes that as part of the process of obtaining City Council approval of the Authorizing Ordinance, this Agreement and information relating to the material terms of the transaction contemplated herein will be made public. Additionally, Purchaser recognizes that Seller is a public entity and is obligated to make records available to the public in accordance with the Washington State Public Records Act, Chapter 42.56 RCW (the "Act"). If, as part of this transaction, Purchaser provides Seller with information reflected in documents, and/or records which Purchaser wishes to remain confidential or believes are exempt from disclosure under the Act, Purchaser shall identify the documents and records in writing as 'confidential' at the time of the disclosure to Seller ("Confidential Information"). Seller shall limit the use of the Confidential Information to internal City purposes and shall not voluntarily release Purchaser's Confidential Information to the general public.

(b) If (i) Seller receives any public disclosure request under the Act and Seller's response to such request will include documents, information and/or records identified by Purchaser in writing as Confidential Information, or (ii) Seller is otherwise required or compelled to disclose any Confidential Information under applicable law, rule or regulation, legal process, subpoena, court order, civil investigative demand, or request of other legal or regulatory authority, then Seller shall promptly provide Purchaser with written notice of such disclosure request or requirement, as applicable, and Seller shall not disclose the Confidential Information for fifteen (15) Business Days in order to permit Purchaser time to seek a protective order or injunction preventing the release and disclosure of the Confidential Information. If Purchaser obtains an injunction or other court-ordered protective order, then Seller shall not release or disclose any of the Confidential Information pursuant to such order. Purchaser acknowledges that Seller shall not assert an exemption or seek a protective order on Purchaser's behalf. Seller shall not oppose Purchaser's effort to seek any protective order or other restriction or limitation on the release or disclosure of the Confidential Information.

(d) The provisions of this Section 12.16 shall survive the expiration or earlier termination of this Agreement and, if the Closing occurs hereunder, the Closing.

ARTICLE 13 - Escrow Terms

13.1 Deposit - Duties of Escrow Agent. The Deposit shall be held by Escrow Agent, in trust, on the terms hereinafter set forth:

(a) Escrow Agent shall deposit the Deposit in an interest-bearing, federally insured commercial bank account.

(b) Escrow Agent shall deliver the Deposit to Seller or to Purchaser, as the case may be, under the following conditions:

(i) To Seller on the Closing Date, provided, Closing shall occur pursuant to this Agreement; or

(ii) To Seller upon receipt of written demand therefor given after expiration of the Inspection Period in accordance with this Agreement ("*Seller's Demand for Deposit*") stating (A) that Purchaser is in default hereunder, (B) the facts and circumstances underlying such default and (C) that Seller is entitled to receive the Deposit in accordance with the terms of this Agreement; provided, however, that Escrow Agent shall not honor such demand until more than ten (10) days after Purchaser's receipt from Escrow Agent of a copy of such demand in accordance with the provisions of Section 13.1(c) of this Agreement, nor thereafter if Escrow Agent shall have received a Notice of Objection (as defined in Section 13.1(c) of this Agreement) from Purchaser within such ten (10)-day period; or

(iii) To Purchaser promptly upon receipt of written demand therefor (with a copy to Seller) stating that this Agreement has terminated, or been deemed terminated, on or before the expiration of the Inspection Period in accordance with Section 5.3 hereof; or

(iv) To Purchaser upon receipt of written demand therefor ("*Purchaser's Demand for Deposit*") stating (A) that Seller is in default hereunder, (B) the facts and circumstances underlying such default and (C) that Purchaser is entitled to receive the Deposit in accordance with the terms of this Agreement; provided, however, that Escrow Agent shall not honor such demand until more than ten (10) days after Seller's receipt from Escrow Agent of a copy of such demand in accordance with the provisions of Section 13.1(c) of this Agreement, nor thereafter if Escrow Agent shall have received a Notice of Objection from Seller within such ten (10)-day period.

(c) Within two (2) Business Days of the receipt by Escrow Agent of a Seller's Demand for Deposit or a Purchaser's Demand for Deposit, Escrow Agent shall send a copy thereof to the other party by overnight mail via a recognized courier service such as Federal Express, with a signature required for delivery, and otherwise as provided in this Agreement. The other party shall have the right to object to the delivery of the Deposit by sending written notice (the "*Notice of Objection*") of such objection to Escrow Agent by overnight mail via a recognized courier service such as Federal Express, with a signature required for delivery, which Notice of Objection shall be deemed null and void and ineffective if such Notice of Objection is not received by Escrow Agent within the ten (10)-day period described in Section 13.1(b) of this Agreement. Such Notice of Objection shall set forth the basis for objecting to the delivery of the Deposit. Upon receipt of a Notice of Objection, Escrow Agent shall promptly send a copy thereto to the party who sent the written demand.

(d) In the event Escrow Agent shall have received the Notice of Objection within the ten (10)-day period described in Section 13.1(b) of this Agreement, Escrow Agent shall continue to hold the Deposit until (i) Escrow Agent receives a joint written notice from Seller and Purchaser directing the disbursement of the Deposit, in which case Escrow Agent shall then disburse the Deposit in accordance with such direction, or (ii) in the event of litigation between Seller and Purchaser, Escrow Agent shall deliver the Deposit to the clerk of the court in

which said litigation is pending, or (iii) Escrow Agent takes such affirmative steps as Escrow Agent may, at Escrow Agent's option, elect in order to terminate Escrow Agent's duties, including, but not limited to, depositing the Deposit into the registry of the King County Superior Court and bringing an action for interpleader, the costs thereof to be borne by whichever of Seller or Purchaser is not the substantially prevailing party therein.

PACIFIC PLACE GARAGE POST-CLOSING ACCESS AGREEMENT

THIS PACIFIC PLACE GARAGE ACCESS AGREEMENT (this "Access Agreement") is by and between and MPH PP GARAGE LLC, a Delaware limited liability company ("Owner"), and the City of Seattle, acting by and through its Department of Finance and Administrative Services ("Licensee"), effective as of [_____, ____] (the "Effective Date").

RECITALS

WHEREAS, Owner owns the Pacific Place Garage condominium unit located at 1612 Sixth Avenue in Seattle, Washington and legally described below (the "Property").

WHEREAS, on or about the date hereof, Licensee has sold the Property to Owner and certain equipment owned by Licensee described on Exhibit A attached hereto and made a part hereof (collectively, "Licensee's Server Equipment") remains on the Property.

WHEREAS, Licensee now desires to remove Licensee's Server Equipment and Owner agrees to permit Licensee to access the Property for the sole purpose of removing Licensee's Server Equipment, all on the terms and conditions herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants and the conditions herein, the parties hereto agree as follows:

- 1. Effective Date. This Access Agreement shall be effective on the Effective Date.
- 2. Description of the Property. The Property is legally described as follows:

Garage Unit, Pacific Place, a condominium, according to the Declaration thereof recorded August 27, 1998 under recording No. 9808271807, and amendments thereto, said unit is located on Survey Map and Plans filed in Volume 151 of Condominiums, at Pages 1 through 7, Recorder's File No. 9808271806, records of King County.

3. Access. Subject to the terms and conditions of this Access Agreement, Owner grants Licensee and its agents, contractors, consultants, employees and representatives (collectively, "Permitted Invitees") permission to enter upon the Property during normal business hours for the following purposes: to remove Licensee's Server Equipment. Such entry and removal of Licensee's Server Equipment may be conducted commencing on the Effective Date and terminating on the date which is fifteen (15) days next following the Effective Date. Licensee shall provide not less than twenty-four (24) hours' advance notice of its intention, or the intention of any other Permitted Invitee, to enter the Property, which notice may be given by electronic mail at the address set forth in Section 9 below. Licensee shall be solely responsible for paying the cost of removing Licensee's Server Equipment pursuant to this Access Agreement. At Owner's option, Owner or its representative may accompany any Permitted

Invitee while on the Property. In conducting the removal of Licensee's Server Equipment at the Property, Licensee and all other Permitted Invitees shall not: (i) unreasonably disturb or interfere with Owner's use of the Property; (ii) unreasonably interfere with the operation and maintenance of the Property; (iii) damage any part of the Property or any personal property owned or held by Owner or any other real or personal property owned by a third-party; and (iv) injure or otherwise cause bodily harm to Owner, or its agents, guests, invitees, contractors or employees at the Property.

- 4. Intentionally Deleted.

5. Insurance. Prior to entry upon the Property by Licensee or any other Permitted Invitee, Licensee shall obtain commercial general liability insurance coverage in the amounts described below and provide to Owner a certificate of insurance issued by an insurance carrier having an AM Best rating of A-VII or better and evidencing the following coverage against any claims or damages arising from the presence of Licensee or any other Permitted Invitee on the Property pursuant to this Access Agreement: commercial general liability insurance with limits of \$1,000,000 per occurrence and \$2,000,000 in the aggregate and workers compensation insurance with minimum statutory limits and employers' liability insurance with minimum limits of not less than \$1,000,000. Licensee shall maintain the insurance coverage described in this section at all times as a condition of any entry onto the Property. Licensee shall cause its commercial general liability policy to be endorsed to name Owner, its property manager, parking operator and lenders as additional insureds thereunder, and Licensee shall provide reasonable evidence (in the form of an endorsement or Certificate of Insurance) of such insurance prior to any Permitted Invitee's entry upon the Property. By signature below, Licensee represents that it maintains a program of self-insurance ("SIR") for third party liability which complies with applicable law. Owner acknowledges and accepts Licensee's self-insurance program in lieu of the requirements in this Section, which shall only apply if Licensee discontinues the SIR at any time during this Access Agreement. Any SIR and/or deductible shall be treated the same as if it were valid and collectible insurance and shall be the responsibility of Licensee.

6. Damage; No liens. In exercising its access rights and removing Licensee's Server Equipment at the Property pursuant to this Access Agreement (collectively, the "Licensee Work"), Licensee shall (i) pay when due the costs of all Licensee Work; (ii) not permit or suffer any mechanic's or materialman's lien of any kind or nature to be enforced against the Property; and (iii) with respect to any damage to the Property or any other real or personal property, fully repair such damage to the extent (a) caused by the Licensee Work and (b) necessary to restore the Property or other real or personal property to the condition in which the same were found immediately before the Licensee Work were undertaken. The provisions of this Section 6 shall survive the expiration or earlier termination of Licensee's rights under this Access Agreement.

7. Indemnity and Release. Licensee hereby agrees to indemnify, defend and hold Owner and all of its affiliates, Owner's property manager, Owner's parking operator and each of their respective managers, members, partners, directors, officers, employees and contractors, if any (each, an "Indemnified Party"), harmless from and against any and all liens, claims, causes of action, damages, liabilities and expenses (including reasonable attorneys' fees) (collectively, "Liabilities") to the extent arising from (i) any Licensee Work or the presence of Licensee or any other Permitted Invitee upon the Property or (ii) Licensee's violation of the provisions of this Access Agreement or failure to perform any of its obligations hereunder; provided, however,

such indemnity obligation of Licensee shall not (a) apply to the extent any such Liabilities are caused by the willful misconduct or negligence of an Indemnified Party. (b) make Licensee liable to remediate any pre-existing conditions or liabilities discovered by Licensee or any other Permitted Invitee or (c) obligate Licensee to defend or indemnify any Indemnified Party for any Liabilities arising from such pre-existing conditions so long as any such conditions are not exacerbated by a Permitted Invitee; and, in the event of any such exacerbation, any related obligation or liability of Licensee hereunder shall be limited to the extent of such exacerbation. For the sole purpose of giving effect to Licensee's defense and indemnity obligations under this Section 7, to the maximum extent permitted by applicable law, Licensee hereby waives its industrial insurance immunity, if any, under Washington law for claims brought by its employees, but only with respect to and for the benefit of the Indemnified Parties. The foregoing waiver has been mutually negotiated between Owner and Licensee and is not intended to waive any immunity which Licensee may have for claims made directly against Licensee by its employees. All Permitted Invitees shall access the Property solely at their own risk and Owner shall have no responsibility for any (i) damage to the personal property of any Permitted Invitee, or (ii) personal injury suffered by any Permitted Invitee, and Licensee, on behalf of itself and all other Permitted Invitees, hereby releases Owner from any liability arising from such damage or injury, except to the extent caused by the willful misconduct or negligence of an Indemnified Party. The provisions of this Section 7 shall survive the expiration or earlier termination of Licensee's rights under this Access Agreement.

8. Assignments. Licensee may not assign its rights under this Access Agreement except with the prior written consent of Owner, which consent may be given or withheld in Owner's sole discretion.

PARKING COVENANTS

(Pine Street Complex)
(Seattle, Washington)

These Parking Covenants (hereinafter referred to as the "Parking Covenants") are made effective as of April 1, 1996, by and among PINE STREET DEVELOPMENT L.L.C., a Washington limited liability company ("PSD"), and COMMUNITY DEVELOPMENT PROPERTIES, KING COUNTY II, INC., a Delaware non-profit corporation ("CDP"), as co-covenants (PSD and CDP are hereinafter together referred to as "Developer"), and NORDSTROM, INC., a Washington corporation (hereinafter referred to as "Nordstrom").

RECITALS

1. Developer has entered into binding, non-contingent contracts to acquire the land and improvements commonly known as the Systems Parking Garage Block between Pine and Olive Streets and Sixth and Seventh Avenues, and which is described on Exhibit A-1 attached hereto (the "Systems Block"). Following execution of these Parking Covenants, Developer shall, on or before October 15, 1996, acquire fee simple title to the Systems Block at its sole cost and expense.
2. These Parking Covenants shall attach to and bind the Systems Block and Developer's interest therein immediately upon but not before the Developer's acquisition of title to the Systems Block. The Systems Block will be subjected to a plan of condominium ownership pursuant to which the ownership of the Parking Garage will be separated from the ownership of the Systems Block Retail (the "Condominium"). When the Condominium becomes effective upon filing of the Condominium Declaration (the "Declaration"), these Parking Covenants shall attach to and bind the Parking Garage Condominium unit and the Systems Block Retail Condominium unit with such rights and obligations as are described in these Parking Covenants.
3. Nordstrom owns the land and improvements commonly known as the Frederick & Nelson Building, located north of Pine Street between Fifth and Sixth Avenues, and which is described on Exhibit A-2 attached hereto (the "F&N Property").
4. PSD is the fee owner and lessee of the land and improvements commonly known as the Nordstrom Department Store (the "Old Nordstrom Store") and the Seaboard Building, located between Pike and Pine Streets and Fourth and Fifth Avenues (the "Seaboard Building") (collectively the Old Nordstrom Store and the Seaboard Building are referred to as the "Nordstrom Properties").
5. PSD has leased and subleased the Nordstrom Properties to Nordstrom to enable Nordstrom to remain in possession of the Nordstrom Properties while Nordstrom renovates the F&N Property (the "F&N Renovation") for use as a Nordstrom department store and Nordstrom corporate offices.

9701270429

6. After the opening of the new Nordstrom department store in the F&N Property PSD will redevelop the Nordstrom Properties for use as retail stores, and an office building (the "Redevelopment").

7. Developer will raze the existing improvements on the Systems Block and construct a multi-level parking garage (the "Parking Garage") on the Systems Block which will provide automobile parking for at least 1,200 multi passenger motor vehicles (including valet parking for up to 240 vehicles), and will construct a five (5) level (at or above grade) retail and entertainment complex on a parcel above and adjacent to the Parking Garage (the "Systems Block Retail") which will be connected to the new Nordstrom store to be opened within the F&N Property by a skybridge (the "Skybridge") connecting the fourth level of the F&N Property with the third level of the Systems Block Retail.

8. Developer and Nordstrom have executed these Covenants and have placed these Covenants in escrow to be effective only upon the satisfaction of various conditions which include (a) the closing of the purchase of the F&N Property and the exchange between Nordstrom and PSD of the Nordstrom Properties for the F&N Property; (b) the execution and delivery of a Construction Operation and Reciprocal Easement Agreement entered into between Nordstrom and Developer pursuant to which Nordstrom has promised to Developer to redevelop the F&N Property and to operate a retail store of at least 200,000 square feet of floor area for twenty years, and PSD has promised to Nordstrom to redevelop the Nordstrom Properties, and CDP and PSD have agreed to construct a 1,200 car parking garage on the Systems Block, and PSD has promised to Nordstrom to develop at least 300,000 square feet of gross leasable floor area of retail space on the Systems Block Retail and to operate the retail space on the Systems Block and the Nordstrom Properties for twenty years, (c) the execution and delivery of the Parking Agreement by the Developer, The City of Seattle, a first-class city of the State of Washington (the "City") and Nordstrom, (d) the execution and delivery of the Umbrella Agreement between the City, CDP and PSD, (e) the execution and delivery of a Facade Easement burdening the F&N Property in a form approved by Nordstrom, and (f) the execution of a lease from PSD to Nordstrom of the Nordstrom Properties for the period of time from the closing of escrow until Nordstrom vacates the Nordstrom Properties after opening its new store on the F&N Property.

9. The execution and delivery of these Parking Covenants and the execution and delivery of the other documents referred to in Recital 8 above, as well as the approval by the City of the form of these Parking Covenants are conditions to the closing of the escrow of the documents for the transaction referred to above and to the redevelopment of the Systems Block, the F&N Property and the Nordstrom Properties.

10. CDP will, after causing the Parking Garage to be Operated for at least one year after the date the Parking Garage is first opened for business to the public, transfer the Parking Garage to the City or its designee pursuant to a lease purchase agreement pursuant to RCW 35.42.010 to 35.42.090 inclusive, or other appropriate instruments, subject to, among other things, the City's agreement to operate the Parking Garage in accordance with these Parking Covenants and the Parking Agreement attached hereto as Exhibit B as it may be amended in

9701270429

accordance with its terms (the "Parking Agreement"), but PSD will retain ownership of the Systems Block Retail.

11. Developer and Nordstrom desire to enter into these Parking Covenants to induce the Developer to acquire and redevelop the Systems Block, to induce PSD to acquire and redevelop the Nordstrom Properties, to induce Nordstrom to acquire and redevelop the F&N Property, and to provide for covenants relating to the construction, operation and maintenance of the Parking Garage as part of a multi-use complex which includes the Nordstrom Store, the Redeveloped Nordstrom Properties and the Systems Block Improvements.

NOW, THEREFORE, for good and valuable consideration, including the mutual promises, covenants and agreements herein contained, the Parties agree as follows:

ARTICLE I
DEFINITIONS

As used in these Parking Covenants, the following terms have the following meanings:

Section 1.1 Common Area

"Common Area" means the Skybridge and all areas within the Systems Block Retail that are or are to be made available for the nonexclusive use, convenience and benefit of all Occupants and their respective Permittees.

Section 1.2 Complex

"Complex" means the redeveloped Nordstrom Properties, the Systems Block, and the F&N Property, together with all buildings and other improvements constructed at any time thereon.

Section 1.3 Floor Area

"Floor Area" means, from time to time, the aggregate of the actual number of square feet of floor space in any building located within the Complex, exclusively appropriated or designated for use by a Person pursuant to a lease, license or otherwise, whether or not actually occupied.

Floor Area includes:

- (a) basement space and subterranean areas;
- (b) balcony and mezzanine space; and
- (c) space occupied by columns, stairs, escalators, dumb-waiters, conveyors or other interior equipment within the building involved (except as excluded below);

Notwithstanding the foregoing provisions of this Section, Floor Area shall not include:

9701270429

(aa) the upper levels of any permanent or temporary multi-deck stock areas;

(bb) areas used exclusively to house mechanical, electrical, telephone, telecommunication, computer, air-conditioning and similar equipment and spaces, and any garbage (or other waste) collecting area or waste bailing or compacting area;

(cc) truck loading areas;

(dd) any Common Area;

(ee) parking stalls within the Parking Garage;

Floor Area shall be measured from the exterior faces of the exterior walls (including basement walls), except that where party and interior-common walls are involved, the Floor Area shall be measured from the center thereof instead of from the exterior faces thereof.

Section 1.4 Occupant

"Occupant" or "Occupants" means each of Nordstrom, the Retail Owner, the Garage Owner, and any other Person entitled by lease, license or otherwise to use and occupy Floor Area within the Complex, or one or more of them, as the context may require.

Section 1.5 Opening Date

"Opening Date" means the date the new Nordstrom Store actually opens for business to the public in the F&N Property.

Section 1.6 Operate, Operating, Operation

"Operate", or "Operating", or "Operation" means: (a) with respect to the Nordstrom Store, that the Nordstrom Store is open to the general public for business for retail purposes during its business hours except while it is not so open for business by reason of damage or destruction, the events described in Article 3, or while temporarily not so open for business by reason of repairs, remodeling or reconstruction (subject to the provisions of the REA) or by reason of such reasonable interruptions as may be incidental to the conduct of business; (b) with respect to the retail stores and entertainment facilities within the Systems Block, that retail stores and/or entertainment facilities therein are open to the general public for retail business during business hours which are normal for the Complex, except while any are not so open for business by reason of damage or destruction, the events described in Article 3, or while temporarily not so open for business by reason of repairs, remodeling or reconstruction (subject to the provisions of the REA), or by reason of such reasonable interruptions as may be incidental to the conduct of business; and (c) with respect to the Parking Garage, that the Parking Garage is available for the parking of vehicles and is being operated and maintained in accordance with the terms of these Parking Covenants and the Parking Agreement, except while it is not so open for business by reason of damage or destruction, the events described in Article 3, or while temporarily not so open for business by reason of repairs, remodeling or reconstruction (subject to the provisions of Section 2.10), or by reason of such reasonable interruptions as may be incidental to the

conduct of business. The terms of this Section are merely definitional, and shall not be deemed to create independent covenants for any of the Parties.

Section 1.7 Parcel

"Parcel", or "Parcels" means the Nordstrom Properties, the F&N Property, the Parking Garage and the Systems Block Retail, or any combination or portions thereof, as the context may require.

Section 1.8 Party

"Party" or "Parties" means (i) Developer and any successor Person(s) acquiring the interest of Developer in or to any portion of the Systems Block, and (ii) Nordstrom and any successor Person(s) acquiring the interest of Nordstrom in the F&N Property. The "Party" as to a Parcel shall not include a bond trustee or any other Person who has an interest in the Parcel solely as security for an obligation. If the ownership of a Parcel is held by a nominee, bond trustee, or trustee for security purposes, a sale-leaseback- lessor, or other party whose interest does not entitle such party to possession or use of the Parcel, such Person shall not be the Party as to that Parcel, and the Person who is entitled to the possession or use of the Parking Garage shall be considered to be the Party. For purposes of this definition, the tenants of space leases of a Party's Parcel shall not be considered to be the Party with respect to such Parcel, and the landlord of the space leases shall be the Party with respect to such Parcel. The Party with respect to the F&N Property is referred to in these Covenants as the "F&N Owner," the Party with respect to the Systems Block Retail is referred to in these Covenants as the "Retail Owner," and the Party with respect to the Parking Garage is referred to in these Covenants as the "Garage Owner." When the Condominium is formed, CDP shall then become the Garage Owner. Upon conveyance by a Party of its interest in its respective Parcel, the new Party with respect to such Parcel shall become bound by and entitled to the benefits of these Covenants, and the former owner shall be released from its unaccrued obligations hereunder subject to the terms of Section 2.6 of these Covenants.

Section 1.9 Permittees

"Permittees" means all Occupants and their respective officers, directors, employees, agents, partners, members, managers, contractors, customers, visitors, invitees, licensees and concessionaires.

Section 1.10 Person

"Person" or "Persons" means individuals, partnerships, associations, corporations, municipal corporations, municipalities and any other form of business organization, or one or more of them, as the context may require.

The Scheduled Opening Date for the Parking Garage, and the portion of the Common Area

Section 1.12: Nordstrom Store

From and after the Opening Date "Nordstrom Store" means Nordstrom's department or specialty store located within the F&N Property.

PARKING REQUIREMENTS

Section 2.1 Design of Parking Garage

Plans for the Parking Garage shall be prepared by Developer and shall be subject to approval of Nordstrom in accordance with the requirements of the Construction, Operation and Reciprocal Easement Agreement, dated as of _____, 1996 entered into between Nordstrom and the Developer (the "REA"), and by City in accordance with the requirements of the Umbrella Agreement between the Developer and the City dated as of _____, 1996 (the "Umbrella Agreement"), and shall conform to the design standards set forth in Exhibit C attached hereto. The final plans and specifications for the Parking Garage when approved by Nordstrom and the City as required above shall be referred to herein as the "Approved Plans."

Section 2.2 Construction of Parking Garage

Developer shall construct and open the Parking Garage for business to the general public on or before the Scheduled Opening Date for the Nordstrom Store as the Scheduled Opening Date may be extended pursuant to the REA and in accordance with the requirements of the REA.

Section 2.3 Access

The Retail Owner and Garage Owner shall each as to their respective Parcels, commencing on the date the Parking Garage and any Common Areas of the Systems Block Retail (or portions thereof) are completed and continuing throughout the term of this Agreement, (a) keep open to the public the means of access between the Parking Garage and the Common Areas of the Systems Block Retail at all times when the Common Areas of the Systems Block Retail (or any portion thereof) are open to the public, and (b) allow access between the Parking Garage and the Common Areas of the Systems Block Retail by persons authorized to enter the Common Areas of the Systems Block Retail after such Common Area is closed for business to the public by access card or other keyed entry system at all times. The Parties recognize that at times of low demand, the obligation of the Retail Owner and Garage Owner to provide access from the Common Area to the Parking Garage shall not require the Retail Owner or the Garage Owner, respectively, to operate more elevators than needed to meet the demand for elevator service. The Parties to these Parking Covenants shall also have the right of access to the Parking Garage for the purposes and to the extent allowed pursuant to the Parking Agreement.

The Garage Owner reserves the right to close off the Parking Garage for such reasonable periods of time as may be (i) legally necessary to prevent the acquisition of prescriptive rights by anyone or (ii) necessary to effect repairs, renovation and restoration required herein; provided, however, before closing off any material part of the Parking Garage as provided above, the Garage Owner must give Notice to the other Parties to these Parking Covenants of its intention to do so and must coordinate its closing with the other Parties so that no unreasonable interference with the Operation of the businesses of the other Parties occurs.

Section 2.4 Maintenance and Operation of Parking Garage

The Garage Owner shall, at all times prior to the Expiration Date, at its sole cost and expense cause the Parking Garage to be Operated and maintained (including routine repairs) by a professional parking garage operator as a parking garage for the public parking of at least 1,200 multi-passenger motor vehicles (of which up to 240 may be valet parked) (i) in accordance with the requirements of these Parking Covenants and the Parking Agreement, and (ii) in first-class order, condition and repair in accordance with practices prevailing in first-class urban regional shopping centers including multi-level parking garages. The obligations of the Garage Owner to cause the Parking Garage to be maintained in first-class condition (which are contained in these Parking Covenants and in the Parking Agreement) shall include the obligation to make capital improvements which are necessary to keep the Parking Garage a first-class parking garage, but shall not be interpreted to require the Garage Owner to make or cause to be made capital improvements to the Parking Garage which could not reasonably be expected to pay for themselves over the useful life of such improvements through enhancements in revenue and/or reductions of operating expenses expected to result from such improvements (when compared to the results which could be reasonably expected if the capital improvements were not made). Pursuant to the Parking Agreement, the Retail Owner and the Condominium Association shall have maintenance responsibilities with respect to the Parking Garage elevators, security, and the Concourse Level of the Systems Block Retail.

The obligations of the Garage Owner described in this Section shall be and remain in effect from the date the Parking Garage is first opened for business to the public (or the date it is required to be open if earlier) until the Expiration Date.

Section 2.5 Use Restrictions

The Parking Garage shall be used as a first-class parking garage for the parking of vehicles by members of the general public in accordance with the Parking Agreement and for no other purpose. The prior sentence shall not be interpreted to prohibit the operation of a first-class automobile detailing service in the Parking Garage in accordance with the Parking Agreement. Notwithstanding the provisions of this Section, if (i) the Garage Owner is the City, and (ii) the Parking Garage is "Fully Utilized" (as that term is defined below) ten (10) days or less during the preceding calendar year, then the City shall have the right to use the lowest floor of the Parking Garage for parking of City vehicles during the subsequent calendar year. The Parking Garage will be deemed to be "Fully Utilized" on any day that the peak parking usage within the Parking Garage is equal to or greater than the total number of parking spaces within the Parking Garage minus the number of parking spaces located on the lowest floor of the Parking Garage. Utilization of the Parking Garage shall be reviewed by the Garage Owner and the Parties on an annual basis to determine whether the Parking Garage has been Fully Utilized less than ten days during the preceding calendar year. If, however, in an existing year the Parking Garage is Fully Utilized on ten (10) days or more, the City's right to park its vehicles in the Parking Garage shall cease, until the criteria set forth above are again satisfied, and the entire Parking Garage shall again be devoted to parking of vehicles by members of the general public as soon as reasonably practicable after notice has been given to the Garage Owner which states (a) that the Parking Garage has been Fully Utilized on ten (10) days or more, (b) the dates

9701270429

9701270429

upon which such events occurred, and (c) that the City's right to park its vehicles in the Garage has terminated.

So as not to interfere with efficient pedestrian traffic flow within the Parking Garage, and to the extent permitted by law, there shall be no sales conducted within the Parking Garage without the prior written consent of Nordstrom and the Retail Owner, and no kiosks, pushcarts or other merchandising units or obstructions shall be placed in the Parking Garage.

The restrictions described in this Section shall be and remain in effect from the date of these Parking Covenants until the Expiration Date.

Section 2.6 Transfer of Parking Garage

Upon the recording of the Condominium Declaration, the interests of the Developer in the Systems Block as co-tenants shall be partitioned-in-kind such that CDP shall become the Garage Owner and PSD shall become the Retail Owner. Notwithstanding the foregoing and the provisions of Section 1.8, as the co-tenant with CDP in the Systems Block, PSD covenants to the other Parties to these Covenants that in the event CDP fails to perform any obligations of CDP as Garage Owner, or sustain any representation or warranty made by CDP to the other Parties, as set forth in these Covenants, whether made by CDP alone or as a tenant in common with PSD, PSD shall cure or shall cause the cure of such failure and shall be liable therefor. After the first anniversary of the date the Parking Garage is first opened for business to the public, and in accordance with the Umbrella Agreement, the Garage Owner may transfer title and possession of the Parking Garage to the City or its designee pursuant to a lease purchase agreement, executed under the provisions of RCW 35.42.010 - .090 or other instruments. Upon transfer of the Parking Garage to the City, both PSD and CDP will be released from all unaccrued liabilities and obligations with respect to the Parking Garage. This Section is not intended to override the provisions of Article 13 of the REA with respect to the obligations and liability of PSD relating to the Systems Block Retail.

Section 2.7 Property Insurance

The Garage Owner shall carry (or cause to be carried, as provided in the Condominium documentation or otherwise) a policy of fire and extended coverage property insurance on the Parking Garage. Such insurance shall be carried commencing as of the date construction of the Parking Garage is commenced and continuing throughout the term of these Parking Covenants. At any time that any construction work is being performed upon the Parking Garage, the Garage Owner shall carry or cause to be carried builder's risk insurance upon the improvements under construction within the Parking Garage.

All policies carried under this Section:

- (1) shall be carried with financially responsible insurance companies;
- (2) shall be in an amount at least equal to ninety percent (90%) of the replacement cost (exclusive of cost of excavations, foundations, and footings) of the Improvements being insured;

(3) shall insure against loss or damage from causes that are from time to time included as covered risks under standard insurance industry practices within the classification of broad form fire and extended coverage, and specifically against the following perils: fire, windstorm, hail, cyclone, tornado, riots, riot attending a strike, civil commotion, malicious mischief, vandalism, aircraft, vehicle, smoke damage and sprinkler leakage and, earthquake and explosion; and

(4) shall contain a provision that the same may not be canceled without at least thirty (30) days' prior written notice being given by the insurer to the other Parties to the Parking Covenants.

Fire and extended coverage insurance proceeds paid to the Garage Owner by reason of damage to or destruction of the Parking Garage shall be used by such owner to restore the Parking Garage to the extent such restoration is required pursuant to these Parking Covenants. Nothing in this Agreement is intended to prohibit the City from self-insuring its personal property in accordance with the terms of the Umbrella Agreement.

Section 2.8 Duty to Carry Liability Insurance

The Garage Owner shall carry (or cause to be carried, as provided in the Condominium documentation or otherwise) throughout the term of these Parking Covenants, commercial general liability insurance covering the Parking Garage. Such insurance shall have combined single limits of not less than \$10,000,000 for personal injury, death or property damage. The insurance policies required pursuant to this section:

- (1) shall be carried with financially responsible insurance companies;
- (2) shall provide that the same may not be canceled or reduced in amount or coverage without at least thirty (30) days' prior written notice being given by the insurer to each of the other Party; and
- (3) shall name the Retail Owner, each Person who has a direct or indirect ownership interest in the Retail Owner, and the respective mortgagees of such persons, as additional insureds.
- (4) The minimum insurance coverage amounts set forth above shall be subject to review by the Parties on the fifth anniversary of the date the Parking Garage is first opened for business to the public, and on each subsequent fifth anniversary during the term of these Covenants in order to determine the adequacy of such amounts in light of the then existing circumstances.

Section 2.9 Certificate of Insurance

The Garage Owner shall, on the request of another Party, promptly furnish the requesting Party a certificate evidencing the owner's compliance with the insurance coverage requirements of this Article. The Garage Owner shall not be required during any given one hundred eighty

Notwithstanding the foregoing, Retail Owner shall have the right to place directory and informational signs in the elevators which serve the Parking Garage identifying Occupants of the Complex. Such directory and informational signs shall not contain advertising, but may provide a listing of Occupants of the Complex and maps and directions to their businesses. Paper signs and/or stickers utilized as signs, and signs of a temporary nature (other than normal precautionary signs used in connection with maintenance), of whatever composition or material, are not permitted within the Parking Garage after the Opening Date.

Section 2.14 Real Estate Taxes

The Garage Owner shall pay (or cause to be paid) before delinquency all real estate taxes and assessments (herein collectively called "Taxes") levied and due with respect to the Parking Garage.

Section 2.15 Conformity to Law

The Garage Owner, at its sole expense, shall promptly comply or cause compliance with all laws and governmental orders, regulations or requirements (hereinafter called "Laws") which may at any time be applicable to the Parking Garage, including the Americans With Disabilities Act, subject to the right, after prior Notice to the other Parties, to contest by appropriate legal or administrative proceedings diligently conducted in good faith, in its name, the validity or application of any of the above and may delay compliance therewith until a final decision has been rendered in such proceedings and appeal therefrom is no longer possible, provided that such delay shall not render the Complex or any part thereof liable to forfeiture, involuntary sale or loss, result in involuntary closing of any business conducted within the Complex (including the Parking Garage or any business of an Occupant) or subject any of the other Parties to criminal liability.

**ARTICLE 3
EXCUSES FOR NONPERFORMANCE**

Notwithstanding anything contained in these Parking Covenants, each Party shall be excused from performing any obligation under these Parking Covenants, and any delay in the performance of any obligation under these Parking Covenants shall be excused, if and so long as the performance of the obligation is prevented, delayed or otherwise hindered by acts of God, fire, earthquake, floods, explosion, actions of the elements, war, riots, mob violence, inability to procure labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, actions of labor unions, condemnation, court orders, operation of law, orders of governmental or military authorities, or any other cause, whether similar or dissimilar to the foregoing, not within the control of such Party (other than lack of or inability to procure monies to fulfill its commitments and obligations under these Parking Covenants).

**ARTICLE 4
NOTICES AND APPROVAL**

Section 4.1 Notice to Parties

Each notice, demand, request, consent, approval, disapproval, designation or other communication (all of the foregoing are herein referred to as a "Notice") that a Party gives to any other Party shall be in writing and shall be given or made or communicated by (i) United States Mail registered or certified mail, postage prepaid, return receipt requested, (ii) any nationally recognized overnight carrier or express mail service (such as Airborne, Federal Express, or DHL) which provides receipts to indicate delivery, or (iii) by facsimile transmission followed by hard copy or by overnight courier service in all cases addressed as follows:

subject to the right of a Party to designate a different address by Notice similarly given at least ten (10) days in advance. Unless specifically stated to the contrary elsewhere in these Parking Covenants, any Notice shall be deemed to have been given, made or communicated as the case may be, on the date the same was delivered or delivery was attempted.

Section 4.2 Form and Effect of Notice

Every Notice given to a Party or other Person must state (or be accompanied by a cover letter that states):

- (1) Notice is given;

(2) the period of time within which the recipient of the Notice must respond thereto, or if no response is required, a statement to that effect; and

(3) if applicable, that the failure to object to the Notice within a stated period of time will be deemed to be the equivalent of the recipient's approval of or consent to the subject matter of the Notice.

In no event shall a recipient's approval of or consent to the subject matter of a Notice be deemed to have been given by its failure to object thereto if such Notice (or the accompanying cover letter) did not fully comply with the requirements of Subparagraph 4.2(3) immediately preceding.

**ARTICLE 5
AMENDMENT**

These Parking Covenants may be amended or otherwise modified only in writing, signed and acknowledged by the Parties. The Parties acknowledge that the Developer has agreed pursuant to the Umbrella Agreement not to amend these Parking Covenants without the consent of the City so long as the City has a right to acquire the Parking Garage. No amendment or other modification of these Parking Covenants shall require any consent or approval on the part of any Person other than a Party.

**ARTICLE 6
EXPIRATION DATE**

6.1 Expiration Date. These Parking Covenants shall remain in full force until the "Expiration Date," which shall be the earlier of (i) the ninety ninth (99th) anniversary of the Opening Date or (ii) the date when the retail department store or specialty store containing at least 200,000 square feet of Floor Area on the F&N Property has ceased to be Operated and the Systems Block Retail has ceased to be Operated.

6.2 Termination If Garage Not Needed. If during the fortieth year after the date that the Parking Garage is first opened for business to the public (the "Fortieth Year"), less than an average of one hundred and twenty (120) vehicles per day use the Parking Garage (unless such low level of use is caused by an event described in Article 3 of this Agreement) and if the Garage Owner is the City, then the Garage Owner shall have the right to cease to Operate the Parking Garage as a Parking Garage in accordance with the terms of these Covenants and the Parking Agreement. Such right may be exercised by written notice to the other Parties to these Covenants, given within one hundred and eighty (180) days after the end of the Fortieth Year.

ARTICLE 7
MISCELLANEOUS

Section 7.1 Exhibits

Each reference herein to an Exhibit refers to the applicable Exhibit that is attached to these Parking Covenants, which Exhibit may be amended by the Parties from time to time in accordance with the provisions of Article 5. All such Exhibits constitute a part of these Parking Covenants and by this Section are expressly made a part hereof.

Section 7.2 References to Articles, Sections, Subsections

All references herein to a given Article, Section, Subsection, Paragraph or Subparagraph refer to the Article, Section, Subsection, Paragraph or Subparagraph of these Parking Covenants (unless otherwise specified).

Section 7.3 Table of Contents and Captions

The table of contents and captions of these Parking Covenants are inserted only as a matter of convenience and for reference. They do not define, limit or describe the scope of intent of these Parking Covenants, and they shall not affect the interpretation hereof.

Section 7.4 Locative Adverbs

The locative adverbs "herein", "hereunder", "hereto", "hereby", "hereinafter", and like words wherever the same appear herein, mean and refer to these Parking Covenants in its entirety and not to any specific Article, Section, Subsection, Paragraph or Subparagraph hereof.

Section 7.5 Parking Covenants for Exclusive Benefit of Parties

Except as specifically set forth herein, the provisions of these Parking Covenants are for the exclusive benefit of the Parties (as defined in Section 1.8), and not for the benefit of any third Person. These Parking Covenants shall not be deemed to have conferred any rights upon any third Person.

Section 7.6 Waiver of Default

A waiver of any default by a Party must be in writing and no such waiver shall be implied from any omission by a Party to take any action in respect of such default. No express written waiver of any default shall affect any default or cover any period of time other than the default and period of time specified in such express waiver. One or more written waivers of any default in the performance of any provision of these Parking Covenants shall not be deemed to be a waiver of any subsequent default in the performance of the same provision or any other term or provision contained herein. The consent or approval by a Party to, or of any act or request by, another Party requiring consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar acts or requests. The rights and remedies given to a Party by these Parking Covenants shall be deemed to be cumulative and no one of such rights or remedies shall be exclusive of any of the others, or of any other right or remedy at law or in equity which a Party might otherwise have by virtue of a default under these Parking Covenants, and the exercise of one such right or remedy by a Party shall not impair such Party's standing to exercise any other right or remedy.

Section 7.7 Payment on Default and Lien

If under these Parking Covenants a Party is compelled or elects to pay any sum of money or do any acts that require the payment of money by reason of another Party's failure or inability to perform any of the provisions of these Parking Covenants to be performed by such other Party, the defaulting Party shall promptly upon demand reimburse the paying Party for such sums, and all such sums shall bear interest at the rate (the "Interest Rate") of one percent (1%) per annum over the then existing "Prime Rate" from time to time published in The Wall Street Journal (the "Prime Rate") (but in no event exceeding the maximum rate per annum permitted by Washington law) from the date of expenditure until the date of such reimbursement. Any other sums payable by any Party to any other Party under these Parking Covenants that shall not be paid when due shall bear interest at the rate of one percent (1%) per annum over the then existing Prime Rate (but in no event exceeding said maximum annual rate) from the due date of payment thereof.

Section 7.8 No Partnership, Joint Venture or Principal-Agent Relationship

Neither anything in these Parking Covenants nor any acts of the Parties shall be deemed by the Parties, or by any third Person, to create the relationship of principal and agent, or of partnership, or of joint venture, or of any association between the Parties, and no provisions of these Parking Covenants are intended to create or constitute any Person a third party beneficiary hereof.

Section 7.9 Successors

These Parking Covenants shall be binding upon and inure to the benefit the Parties (as defined in Section 1.8) and the successors to the interests the Parties in their respective Parcels, except as set forth in Section 1.8.

Section 7.10 Severability

If any provision of these Parking Covenants shall to any extent be invalid or unenforceable, the remainder of these Parking Covenants (or the application of such provision to Persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected thereby, and each provision of these Parking Covenants, unless specifically conditioned upon such invalid or unenforceable provision, shall be valid and enforceable to the fullest extent permitted by law.

Section 7.11 Governing Law and Venue

These Parking Covenants shall be construed and governed in accordance with Washington law. Venue shall be in the Superior Court of the State of Washington, in and for King County.

Section 7.12 Estoppel Certificate

Each Party hereby severally covenants that upon written request of any other Party, it will issue to such other Party, or to any mortgagee, or any other Person specified by such requesting Party, an estoppel certificate stating: (i) whether the Party to whom the request has been directed knows of any default under the Parking Covenants, and if there are known defaults, specifying the nature thereof; (ii) whether to its knowledge the Parking Covenants have been assigned, modified or amended in any way (and if it has, then stating the nature thereof);

9701270429

9701270429

and (iii) that to the Party's knowledge the Parking Covenants as of that date are in full force and effect. A Party delivering such certificate shall not have any liability to any other Person arising out of any inaccuracy or omission of information in or from such certificate, but such party shall be estopped from taking a position against the Person to whom such certificate was delivered which is inconsistent with the statement made in the certificate.

Section 7.13 Covenants Run with the Land

These Parking Covenants shall attach to and bind the Systems Block and Developer's interest therein immediately upon but not before the Developer's acquisition of title to the Systems Block. It is intended that the covenants, agreements, promises and duties of each Party as set forth in these Parking Covenants shall be construed as covenants and not as conditions, and that, to the fullest extent legally possible, all such covenants shall run with the land or constitute equitable servitudes as between the Parcel of the respective covenantor, as the servient tenement, and the Parcel of the respective covenantee, as the dominant tenement.

Unless the context indicates otherwise, every covenant, agreement and promise of each Party as set forth in these Parking Covenants shall be deemed a covenant, agreement and promise made for the benefit of each of the other Parties; and every duty of each Party as set forth in these Parking Covenants shall be deemed to run to and for the joint and several benefit of the other Parties.

Section 7.14 Default Shall Not Permit Termination of Parking Covenants; Grace Periods

No default under these Parking Covenants shall entitle any Party to cancel or otherwise rescind these Parking Covenants; provided, however, that this limitation shall not affect any other rights or remedies that the Parties may have by reason of any default under these Parking Covenants.

Section 7.15 Right to Enjoin

In the event of any violation or threatened violation of any of the provisions of these Parking Covenants by a Party or Occupant, any other Party shall have the right to apply to a court of competent jurisdiction for an injunction against such violation or threatened violation.

Section 7.16 Rights and Privileges with Respect to Liens

These Parking Covenants and the rights and privileges of the Parties with respect to each other Party and all Parcels in the Complex shall in all events be superior and senior to any lien placed upon any Parcel, including the lien of any Mortgage. Any amendments or modification hereof, whenever made, shall be deemed superior and senior to any and all liens, including the lien of Mortgages, the same as if the same had been executed concurrently herewith.

If a Party has a Mortgage which requires the Mortgagee's consent to any amendment of these Parking Covenants and such Mortgagee has given notice of the existence of such Mortgage to all of the other Parties to these Parking Covenants in accordance with Article 4 hereof, the consent, in writing, of such Mortgagee to any proposed amendment, which consent shall not be unreasonably withheld, must be obtained in order for such amendment to be enforceable against or binding upon such Mortgagee. Nothing herein contained shall constitute an agreement by any

Party that the Parking Covenants cannot be amended without the prior approval of another Party's Mortgagee.

Section 7.17 Counterparts

These Parking Covenants may be signed in several counterparts, each of which shall be deemed an original, and all such counterparts shall constitute one and the same instrument.

The signature of a Party to any counterpart may be removed and attached to any other counterpart. Any counterpart to which is attached the signatures of all Parties shall constitute an original of these Parking Covenants.

Section 7.18 Time Periods

Whenever a time period is specified in this Agreement for the performance of some action or requirement or for the giving of a notice, by stating that such action is to be taken within a specified period of time after, from, following, or of some other event or date, such action, requirement or notice may be performed or given at any time within such time period up to and including the last day of the time period specified. For example, if an action must be taken "within thirty (30) days after" a specified event, such action may be taken at any time up to and including thirty days after the specified event. All periods of time referred to herein shall include all Saturdays, Sundays and state or national holidays, unless the period of time specifies business days, provided that if the date or last date to perform any act or give any notice shall fall on a Saturday, Sunday or state or national holiday, such act or notice may be timely performed or given on the next succeeding day, which is not a Saturday, Sunday or state or national holiday.

Section 7.19 Integration

These Parking Covenants set forth the entire agreement between the Parties with respect to the construction and operation of the Parking Garage and there are no covenants, promises, agreements, conditions or understandings, either oral or written between them other than as set forth herein (including all exhibits hereto), in the Parking Agreement, the Umbrella Agreement or the condominium declaration.

Section 7.20 Interpretation. Each Party to this Agreement and its counsel have reviewed and revised this Agreement. The normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or of any amendments to this Agreement.

9701270429

9701270429

IN WITNESS WHEREOF, each of the Parties have caused its duly authorized officers to sign these Parking Covenants as of the date set forth in the first paragraph.

PARKING AGREEMENT

This PARKING AGREEMENT (this "Agreement") is made and entered into as of this 1st day of April, 1996 by and among PINE STREET DEVELOPMENT L.L.C., a Washington limited liability company ("PSD") and COMMUNITY DEVELOPMENT PROPERTIES, King County II, Inc., a Delaware non-profit corporation ("CDP"), as co-tenants (PSD and CDP as co-tenants are referred to collectively as the "Developer"), THE CITY OF SEATTLE, a first-class city of the State of Washington (the "City"), and NORDSTROM, INC., a Washington corporation ("Nordstrom").

RECITALS

1. This Agreement describes the operation and management of a parking garage (the "Parking Garage") to be constructed by Developer on the Systems Block in downtown Seattle, Washington. The Parking Garage is to be constructed by Developer in accordance with the terms and provisions of: (a) this Agreement, (b) the Parking Covenants, and (c) the Umbrella Agreement.

2. Developer has entered into binding, non-contingent contracts to acquire the land and improvements commonly known as the Systems Parking Garage Block between Pine and Olive Streets and Sixth and Seventh Avenues (the "Systems Block"). Following execution of this Agreement, Developer shall, on or before October 15, 1996, acquire fee simple title to the Systems Block at its sole cost and expense.

3. The Parties to this Agreement have executed this Agreement and have placed it in escrow to be effective only upon the satisfaction of various conditions which include (a) the closing of the purchase of the F&N Property and the exchange between Nordstrom and PSD of the Nordstrom Properties for the F&N Property; (b) the execution and delivery of a Construction, Operation and Reciprocal Easement Agreement entered into between Nordstrom and Developer pursuant to which Nordstrom has promised to Developer to redevelop the F&N Property and to operate a retail store of at least 200,000 square feet of floor area for twenty years, and PSD has promised to Nordstrom to redevelop the Nordstrom Properties, and Developer has promised to Nordstrom to construct a 1,200 vehicle parking garage on the Systems Block, and develop at least 300,000 square feet of gross leasable floor area of retail space on the Systems Block and PSD has promised to Nordstrom to operate the retail space on the Systems Block and the Nordstrom Properties for twenty years, (c) the execution and delivery of the Parking Covenants by the Developer and Nordstrom, (d) the execution and delivery of the Umbrella Agreement between the City and the Developer, (e) the execution and delivery of a Facade Easement burdening the F&N Property in a form approved by Nordstrom and the City, (f) the execution of a lease from PSD to Nordstrom of the Nordstrom Properties for the period of time from the closing of escrow until Nordstrom vacates the Nordstrom Properties after opening its new store on the F&N Property, and (g) the acquisition by the Developer of the Systems Block.

4. The execution and delivery of this Parking Agreement and the execution and delivery of the other documents referred to in Recital 3 above, as well as the approval by the

9701270429

City of the form of the Parking Covenants, are conditions to the closing of the escrow of the documents for the transaction referred to above and to the redevelopment of the Systems Block, the F&N Property and the Nordstrom Properties.

5. Nordstrom will, after the closing of the escrow referred to in Recital 3 above, own the land and improvements commonly known as the Frederick & Nelson Building, located north of Pine Street between Fifth and Sixth Avenues (the "F&N Property").

6. PSD will be, after the closing of the escrow referred to in Recital 3 above, the fee owner and lessee of the land and improvements commonly known as the Nordstrom Department Store and the Seaboard Building, located between Pike and Pine Streets and Fourth and Fifth Avenues (collectively the Old Nordstrom Store and the Seaboard Building are referred to as the "Nordstrom Properties").

7. Developer will construct or cause to be constructed the Parking Garage and the Systems Block Retail on the Systems Block in accordance with the requirements of the REA, the Parking Covenants and the Umbrella Agreement.

8. The Systems Block will be subjected to a plan of condominium ownership pursuant to which the ownership of the Parking Garage will be separated from the ownership of the Systems Block Retail. When the Condominium is formed, the Parking Covenants and this Agreement will bind the Parking Garage Condominium Unit and the Systems Block Retail Condominium Unit. After the Condominium is formed CDP will become the Garage Owner and PSD will become the Retail Owner.

9. CDP will, after operating or causing to be operated the Parking Garage for at least one year after the date the Parking Garage is first opened for business to the public, transfer the Parking Garage to the City or its designee pursuant to a lease purchase agreement pursuant to RCW 35.42.010 to 35.42.090 inclusive, or other appropriate instruments, subject to, among other things, the City's agreement to operate the Parking Garage in accordance with the Parking Covenants and this Parking Agreement.

10. Developer, Nordstrom and the City desire to enter into this Parking Agreement to induce PSD to acquire and redevelop the Systems Block and the Nordstrom Properties, to induce Nordstrom to acquire and redevelop the F&N Property, and to provide for the effective and successful operation and maintenance of the Parking Garage, which will encourage short-term parking in the downtown retail core thereby alleviating traffic congestion, and will also contribute to the revitalization of the downtown Seattle retail core.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

ARTICLE I

INTRODUCTION AND TERM

1.1. Defined Terms. All capitalized terms which are used herein but which are not otherwise defined herein shall have the meanings ascribed to such term in Annex 1 attached hereto and made a part hereof.

1.2. Introduction. The Parking Garage is to be operated in accordance with this Agreement. The primary intent of this Agreement is to describe the general methods of operation and standards of maintenance for the Parking Garage, which methods of operation are intended to, among other things, (a) provide safe, accessible parking for customers of the Complex and the retail core; (b) ensure simple ingress, egress, and location identification, including directional signage within the Parking Garage indicating the way to the Occupants; and (c) maximize the availability of short-term, public parking within the Parking Garage. Except for the portions of the Parking Garage used for valet parking and/or Required Long-Term Parking as hereinafter provided for in this Agreement, the Parking Garage shall be operated as a self-park, public parking garage.

1.3. Term. This Agreement shall become effective upon the acquisition of the Systems Block by the Developer or its successors and assigns. The Parking Garage shall be operated in accordance with the terms of this Agreement from and after the date that the Parking Garage is first opened for business to the public, and shall remain in effect for an "Initial Term" of forty (40) years from the Leasing Date. The term of this Agreement shall be automatically renewed for additional terms of ten (10) years unless the Garage Owner (if the Garage Owner is the City) elects, by written notice of the Garage Owner's election to terminate this Agreement, given to the other Parties to this Agreement not more than five (5) years prior to the end of the Initial Term or the extension period then in effect and not less than four years and one half (4 1/2) years prior to the end of the Initial Term or the extension period then in effect. Such election to terminate the term of this Agreement may only be made if the Garage Owner is the City. If the Garage Owner elects, in the manner described above, to terminate this Agreement, the termination shall be effective upon the last day of the Initial Term or the extension period then in effect. The term of this Agreement shall automatically expire, unless earlier terminated pursuant to this Section 1.3, upon the termination or expiration of the Parking Covenants.

1.4. Termination If Garage Not Needed. If during the twelve month period immediately preceding the end of the Initial Term, less than an average of one hundred and twenty (120) vehicles per day use the Parking Garage (unless such low level of use is caused by an event described in Section 1.3.3 of this Agreement) and if the Garage Owner is the City, then the Garage Owner shall have the right to cease to operate the Parking Garage as a Parking Garage in accordance with the terms of this Agreement. Such right may be exercised by written notice to the other Parties to this Agreement, given within one hundred and eighty (180) days after the end of the Initial Term.

9701270429

9701270429

ARTICLE 2

PARKING OVERSIGHT COMMITTEE

2.1 Formation of Parking Oversight Committee. A Parking Oversight Committee ("Committee") shall be formed no later than sixty (60) days before the opening of the Parking Garage; and shall be maintained throughout the term of this Agreement. The Committee will consist of the F&N Owner, the Garage Owner, the Retail Owner (or their respective designees) and one other Occupant from the Complex selected by the Retail Owner from time to time. Upon a termination of the Parking Covenants the F&N Owner shall no longer be a member of the Committee. If the Garage Owner is also the Retail Owner (or an Affiliate of the Retail Owner) or the F&N Owner (or an Affiliate of the F&N Owner), said Party shall be represented by only one member on the Committee. The Committee shall meet at least quarterly or as otherwise determined by the Committee.

2.2 Purpose of Committee. The purpose of the Committee is solely to provide guidance and advice to the Garage Owner on matters related to Parking Garage operation. Except as provided in this Agreement or in the Parking Covenants, the Garage Owner shall make operational decisions relating to the Parking Garage subject only to the provisions of this Agreement, the Parking Covenants and applicable law. If the Committee gives advice to the Garage Owner, the Garage Owner shall consider the advice of the Committee before taking action on the subject about which such advice was given.

ARTICLE 3

PARKING GARAGE SIGNAGE AND GRAPHICS

Before the Parking Garage is first opened to the public, the Garage Owner shall install directional signage in the Parking Garage and the Retail Owner shall install directional signage in the Concourse level of the Systems Block Retail which indicates directions to the Occupants of the F&N Property and the Systems Block Retail, and which has been approved by the F&N Owner. The Garage Owner shall not alter or remove (other than for purposes of maintenance) any signage indicating the way to the F&N Property or the Systems Block Retail, without first obtaining the written consent of the F&N Owner or the Retail Owner respectively. The designation or denomination of the Parking Garage shall not be made or changed without the approval of all of the Parties to this Agreement.

ARTICLE 4

SPECIAL USE AND MONTHLY PARKING

4.1 Required Long-Term Parking Requirements. Pursuant to the Master Use Permit approved by the City for the Systems Block project ("MUP"), the Garage Owner shall provide 135 regular and 35 carpool spaces, each of which will be rented for use by the same owner or motor vehicle for six hours or more and generally shall be used by a person who commutes to work by private motor vehicle ("Required Long-Term Parking"). Contracts between the

Garage Owner and members of the general public (who may be Occupants or individuals who work for Occupants) for Required Long-Term Parking for a term of thirty days or less are referred to herein as "Monthly Long-Term Parking Contracts." The contracts between the Garage Owner and Occupants and the contracts between the Garage Owner and members of the general public designated by the Retail Owner for Required Long-Term Parking for a term of more than thirty (30) days, are referred to herein as the "Special Use Long-Term Parking Contracts." The definition of Required Long-Term Parking may be changed in the future, provided such change is consistent with the City's Land Use Code, is agreed to by the Parties to this Agreement, and is approved by the Department of Construction and Land Use of the City.

From the date the Parking Garage is first opened for business to the public (the "Garage Opening Date") to the Leasing Date, the Garage Owner shall rent 171 spaces in the Parking Garage for Required Long-Term Parking in accordance with the requirements of the City's Land Use Code and with the MUP. Such rentals may be to members of the general public, Occupants or to the Retail Owner pursuant to Monthly Long-Term Parking Contracts or the Special Use Long-Term Parking Contracts. On the Leasing Date, the Garage Owner shall assign to the City all then existing Monthly Long-Term Parking Contracts and, if entered into, the Special Use Long-Term Parking Contracts. The City shall assume such contracts in accordance with their terms; provided that (a) the City has previously approved the form of such contracts and (b) the contracts are neither in default nor entered into in violation of the terms of this Agreement. The City expects Monthly Long-Term Parking Contracts (up to a maximum of 171 parking spaces) to be available on a first-come, first-served basis. The Monthly Long-Term Parking Contracts shall reserve to the Garage Owner the right to terminate or change the terms of such contracts on not less than thirty (30) days prior notice. Except as provided in Section 4.4, only the Retail Owner shall have the right to modify or terminate the Special Use Long-Term Parking Contracts.

4.2 Special Use Parking. Notwithstanding any other provision of this Agreement to the contrary, for so long as there are outstanding tax-exempt obligations, the proceeds of which financed the transfer to the City or its designee of the Parking Garage, the total number of parking spaces under Special Use Valet Parking Contracts and Special Use Long-Term Parking Contracts shall not exceed 108 parking stalls. In addition to entering into the Special Use Long-Term Parking Contracts, prior to the Leasing Date, the Garage Owner may enter into one or more contracts for a term of more than thirty (30) days with Occupants of the Complex for short term valet parking to be operated by a valet parking operator selected by the F&N Owner and/or Retail Owner, respectively (each, a "Special Use Valet Parking Contract"). The total number of spaces leased under Special Use Valet Parking Contracts shall not exceed 60 spaces. On the Leasing Date, the Garage Owner shall assign and the City shall assume all Special Use Valet Parking Contracts; provided that (a) the City has previously approved such contracts and (b) the contracts are neither in default nor entered into in violation of the terms of this Agreement.

4.3 Contract Approval. The City shall have no obligation to assume any Monthly Long-Term Parking Contract, Special Use Long-Term Parking Contract or Special Use Valet Parking Contract on the Leasing Date unless the form and substance of such contract has been approved by the City. The City shall not unreasonably withhold or delay its consent to such

9701270429

9701270429

contracts, and if any such contract is submitted to the City for its approval, and the City fails to disapprove such contract within fifteen (15) days after such contract is submitted to the City for its approval, such contract shall be deemed to have been approved by the City.

4.4 Tax-Exempt Status. The City shall have the right to modify this Agreement, the Monthly Long-Term Parking Contracts, the Special Use Long-Term Parking Contracts and the Special Use Valet Parking Contracts, if, in the reasonable opinion of the City's bond counsel, such modification or amendment is necessary to permit or preserve the tax-exempt status of interest payable on or with respect to any outstanding Certificates of Participation to be executed and delivered or other tax-exempt obligations to be issued by the City in connection with the transfer of the Parking Garage to the City, or with respect to any such debt instruments that are outstanding, but only if and to the minimum extent required to permit or preserve such tax-exempt status. If, at any time after the Leasing Date, the Retail Owner receives written notice from the City that its bond counsel reasonably requires that the Long-Term Monthly Parking Contracts be modified in order to permit or preserve the tax-exempt status of debt issued or to be issued to finance the City's acquisition of the Garage, then the City shall enter into Special Use Long-Term Parking Contracts with Occupants identified by the Retail Owner, that grants the Occupants designated the right to convert, at the Retail Owner's discretion, any Long-Term Monthly Parking Contracts to Special Use Long-Term Parking Contracts, provided that after such conversion the total number of Special Use Long-Term Parking Contracts, including Special Use Valet Parking Contracts, does not exceed 108 parking spaces.

ARTICLE 5

ARTICLE 7

MAINTENANCE AND OPERATION

7.1 Maintenance and Operation by Garage Owner. Except as provided in this Agreement, the Garage Owner shall cause the Parking Garage Operator to Operate the Parking Garage solely as a first-class parking garage for the parking of motor vehicles by members of the general public (including Required Long-Term Parking required by the Land Use Code of the City and valet parking) in accordance with the standards of this Agreement, the Parking Covenants, the Umbrella Agreement and the Condominium Declaration. The Garage Owner shall maintain the Parking Garage in a first-class condition and state of repair in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers, and including, but not limited to the items of maintenance, upkeep and operation described below. By way of example, Annex 2 contains a maintenance schedule which is consistent with industry standards for the operation of a multi-level parking garage in first-class urban regional shopping centers as of the date of this Agreement. The operation of a first-class automobile detailing service in the Parking Garage shall be permitted so long as such service is operated in a manner which is consistent with the other provisions of this Agreement and does not reduce the capacity of the Parking Garage below 1,200 motor vehicles.

7.1.1 The Parking Garage shall be operated and open for public parking on each day at least forty-five minutes (3/4 hour) before the opening of the earlier to open of the F&N Owner (or any portion thereof) or any Occupant of a portion of the Complex (or any portion thereof), and shall remain open at least until one and one half (1.5) hours after the later to close of the F&N Owner (or any portion thereof) or any Occupant of the Complex (or any portion thereof). The Garage Owner may extend the operating hours of the Parking Garage beyond the minimum hours listed above. Vehicles with Monthly Long-Term Parking Contracts or Special Use Long-Term Parking Contracts, or subcontracts under the Special Use Long-Term Parking Contracts shall have access to the Parking Garage on a 24-hour-a-day basis.

7.1.2 All sidewalks, walkways, stairways, elevators, roadways and parking surfaces inside the Parking Garage, including its entrances and exits, shall be kept and maintained in a good, safe and clean condition.

7.1.3 Snow, ice, surface water and debris shall be promptly removed if inside the Parking Garage, or its entrances and exits.

7.1.5 All public rest rooms, if any, and any other common use facilities shall be maintained and kept in a first-class and sanitary condition.

9701270429

9701270429

9701270429

7.1.6 Adequate lighting is one of the most important safety features of the Parking Garage, and a strong maintenance program is necessary to preserve the lighting levels in the Parking Garage. Parking Garage lighting shall be repaired, replaced and renewed as may be necessary, including prompt replacement of burned out or defective bulbs or tubes with a color index of at least 63 and the implementation of a group-relamping program in accordance with the manufacturer's recommendation. Illumination levels inside the Parking Garage shall be maintained, as required by the Parking Covenants.

7.1.7 The Parking Garage shall be spot painted as necessary and fully repainted at least once each seven years.

7.1.8 Ventilation equipment, traffic control equipment, lighting systems, electrical systems, sprinkler and life-safety systems, and mechanical systems of the Parking Garage shall be repaired and replaced as necessary to keep them in first-class condition.

7.1.9 Signs and light fixtures shall be mechanically swept, washed with high pressure washing equipment, and routinely cleaned as necessary to keep them in first-class condition.

7.1.10 Structural maintenance, treatment of concrete as required, and repair and replacement of expansion joints shall be performed as required.

7.1.12 Oil and other fluids shall be removed from the surfaces of the Parking Garage, including its entrances and exits on a periodic basis as reasonably necessary, and the floor of the Parking Garage shall be washed with high pressure water at least semi-annually.

7.1.13 The Parking Garage shall be operated in a manner that will minimize delays by users of the Parking Garage who are attempting to exit. Garage Owner shall utilize a "Pay-on-Foot" system, requiring customers to pay their parking fees before returning to their cars. The Pay-on-Foot cashier station shall be staffed by up to four (4) cashiers at one time (as needed to accommodate demand from users of the Parking Garage) and will be constructed and equipped by Developer in an area near the Parking Garage elevators on the Concourse level of the Systems Block Retail, as shown on the Approved Plans and Specifications. Two (2) automated pay stations ("APS Stations") will be constructed and installed by the Developer in an area located near or around the cashier booth as shown on the Approved Plans and Specifications, allowing Parking Garage users an automated payment option. The APS Stations to be constructed by the Developer shall include bill changers and accept credit cards. The cashier or APS Stations return the "paid" parking ticket to the customer encoded with a grace period with sufficient time to return to the car and exit the garage. Upon reaching the gate, the customer inserts the encoded "paid" ticket into a machine opening the gate. The average time at the gate under normal operation is expected to be less than fifteen seconds.

9701270429

7.1.14 The Garage Owner shall adequately staff, or cause to be adequately staffed, cashier booth(s) during the hours of operation of the Parking Garage in order to ensure users a minimum of delay in exiting. During normal week-day operation, staffing levels should be established such that customers do not typically wait more than one (1) minute in queue to pay a cashier.

7.1.15 APS Stations shall be maintained in first-class condition, including the bill-changing and credit card options integrated into the machines. The APS Stations shall be maintained on a contract to provide for same-day repair of any breakdowns or malfunctions.

7.1.16 When the Parking Garage is first opened for business to the public, and thereafter during the first year of operation of the Parking Garage, the Parking Garage Owner shall provide a marketing and education program aimed at familiarizing the users of the Garage with the "Pay-on-Foot" payment system.

7.1.17 Public attitudes towards the Parking Garage operations are important to the success of its operation. The Garage Owner (at the Garage Owner's sole cost and expense) shall, during the first year the Parking Garage is opened to the public and every year thereafter, employ a qualified independent parking consultant to conduct a customer-satisfaction survey of users and potential users of the Parking Garage. The survey shall query patrons of the Parking Garage on such areas as hours of operation, security, wait-times to pay, convenience of the valet parking service, parking rates, ingress and egress, personnel friendliness and professionalism, maintenance, etc. The results of the surveys shall be provided to the Committee.

7.2 Maintenance by Retail Owner. The Retail Owner shall provide (and, upon formation of the Condominium Association, the Developer shall cause the Condominium Association to provide) the maintenance described below in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers.

7.2.1 Sidewalks and other Condominium Common Area pedestrian walk areas accessing the Parking Garage shall be cleaned by hand and small machine.

7.2.2 Elevators in the Parking Garage shall be maintained in first-class condition including (1) checking elevators daily, and (2) contracting with a licensed elevator maintenance firm to maintain the elevators in first-class condition. To minimize inconvenience to users of the Parking Garage and Occupants where practicable, maintenance to the elevators within the Parking Garage, other than emergency repairs, shall be performed during hours when the F&N Owner and the Occupants of the Systems Block Retail are not open. The Retail Owner shall provide (or cause to be provided by the Condominium Association) elevator maintenance for the Parking Garage elevators, including the elevator pressurization systems and shall enter into a comprehensive preventative elevator maintenance contract with a reputable, qualified elevator maintenance company. The Retail Owner shall maintain or cause the Condominium Association to maintain the elevators in the Systems Block Retail to at least the same standards as are set forth in this section with respect to the maintenance of the elevators serving the Parking Garage. The cost of the maintenance of the elevators serving the Parking Garage shall be allocated to the

Garage Owner and the cost of maintenance of the elevators serving the Systems Block Retail shall be allocated to the Retail Owner.

7.2.3 The Retail Owner shall maintain (or cause to be maintained by the Condominium Association) the Concourse level, where the Parking Garage and the Systems Block Retail share Condominium Common Area as established in the Condominium Declaration, including the drop-off and pick-up area, in first-class condition, order and repair, and in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers.

7.3 First-Class Maintenance. The obligations of the Garage Owner to maintain the Parking Garage in first-class condition (which are contained in the Parking Covenants and in this Parking Agreement) shall include the obligation to make capital improvements which are necessary to keep the Parking Garage a first-class parking garage, but shall not be interpreted to require the Garage Owner to make capital improvements to the Parking Garage which could not reasonably be expected to pay for themselves over the useful life of such improvements through enhancements in revenue and/or reductions of operating expenses reasonably expected to result from such improvements (when compared to the results which could be reasonably expected if the capital improvements were not made). The parties to this Agreement agree that the Garage Owner may set aside reasonable reserves for such capital improvements.

ARTICLE 8

SHOPPER'S PARKING INCENTIVE AND VALIDATION PROGRAMS

8.1 Overview. The Parties to this Agreement recognize that participation in a shopper's incentive and/or parking validation program ("Parking Validation Program") will help to relieve traffic congestion and improve traffic circulation in downtown Seattle and will help to revitalize downtown Seattle. Consistent with its intention to encourage short-term downtown retail parking, while recognizing the City's responsibility to repay its debt obligations issued to finance the acquisition of the Parking Garage, the City is committed to participation in a Parking Validation Program for the Parking Garage.

8.2 Validation Conditions. The Developer and Retail Owner shall use reasonable and diligent efforts to encourage Occupants of the Systems Block Retail and retail and entertainment Occupants of the Nordstrom Properties to participate in the Parking Validation Program operated by the Downtown Seattle Association (the "DSA") or other downtown merchants' associations that might replace the DSA. The City shall determine whether the Merchant Validation Conditions Precedent have been satisfied on the first day of the first full month which occurs on or after the first anniversary of the Leasing Date (the "Test Date"). The City shall notify the Committee whether the Merchant Validation Conditions were satisfied on the Test Date within fifteen (15) days after the Test Date, and shall provide the Committee with information supporting such determination. If the Merchant Validation Conditions Precedent have been satisfied as of the Test Date, the City hereby agrees so long as the City is the Garage Owner and so long as the Merchant Validation Conditions Precedent (as hereinafter defined) are satisfied on each successive Test Date, that the City shall match, dollar for dollar, contributions to the

Parking Validation Program made by Occupants, commencing as of a date which is no sooner than fifteen (15) days and no later than forty five (45) days after the Test Date. For example, if a customer receives a parking token, voucher, or coupon from a participating Complex merchant worth \$1.00, the City agrees to match the value of the token, coupon or voucher, by deducting an additional dollar from the published parking rate in the Parking Garage. As used herein the term "Merchant Validation Conditions Precedent" shall mean: (a) that the Occupant of the retail store on the F&N Property participates in the Parking Validation Program; (b) Occupants (including the Occupant of the retail store on the F&N Property) occupying at least sixty percent (60%) of the then open and operating retail and entertainment square footage in the Complex are participating in the Parking Validation Program; and (c) the Parking Garage Net Revenue exceeds Parking Garage Debt Service for the twelve (12) month period ending on the day prior to the Test Date. The determination of whether or not the Merchant Validation Conditions Precedent have been satisfied shall be made as of the anniversary of the Test Date. If such determination indicates that any change in the Parking Validation Program is necessary, the City shall provide thirty (30) days notice of such change to the Committee, and the change shall be implemented by the City as of the date which is forty-five (45) days after such anniversary. The Retail Owner shall obtain from the F&N Owner and the Occupants of the Nordstrom Properties the information required pursuant to Section 8.2(b) above and shall provide such information to the City within five (5) days after each Test Date.

ARTICLE 9

PARKING RATES

9.1 Introduction. One of the primary reasons for the City's involvement in the Parking Garage is to provide additional, convenient, short-term parking in downtown Seattle. The City is committed to operating the Parking Garage, including the setting of parking rates, so as to encourage short-term parking downtown, consistent with the City's financial responsibilities to meet all costs associated with the Parking Garage. In addition, the City also recognizes the importance of activity in downtown Seattle during evenings and on weekends for public safety and other public purposes, and is committed to encouraging evening and week-end parking to stimulate public activity in the downtown area. Parking rates shall be established pursuant to this Article 9 in a manner which is consistent with the goal of encouraging short-term parking in downtown Seattle. The provisions of Sections 9.1.1 through 9.1.5 are applicable to all of this Article 9.

9.1.1 Implementation Date. Several of the restrictions on Parking Rates outlined in Section 9.3 are based on the financial performance of the Garage in the prior year. The Parties recognize that a period of time will be required to determine the actual financial performance of the Garage for the prior year. In these cases, rate changes will be implemented by the Garage Owner no sooner than thirty (30) days following the completion of final unaudited financial statements showing the Parking Garage's Net Revenue after Debt Service for the previous operating year, and such rate changes shall remain in effect until further changed pursuant to this Article 9. The Garage Owner shall provide the Committee with thirty (30) days notice, together with supporting financial information relating to any rate change, prior to

9701270429

9701270429

implementing any rate changes that are related to the prior year's financial performance of the Parking Garage.

9.1.2 Notice Period for Other Rate Changes. Except as provided for in Section 9.1.1, the Garage Owner shall provide the Committee with sixty (60) days notice prior to any other rate increase imposed by the Garage Owner, together with supporting financial information relating to such rate change.

9.1.3 Rate Reductions. Nothing in this Agreement shall limit the ability of the Garage Owner to reduce parking rates at any time.

9.1.4 Rate Roundoffs. Notwithstanding any limitations in this Agreement, the Garage Owner may round off rates to the nearest Twenty-Five Cents (\$0.25) in order to simplify collection.

9.1.5 Rate Uniformity. All parking rates for the Parking Garage shall be uniform and generally applicable within the same category of customers.

9.2 Parking Rates Prior to Leasing Date. Before the Leasing Date, the Garage Owner shall set parking rates and charges for the Parking Garage to encourage short-term parking. Unless the Parking Garage is at Daytime Full Capacity or Evening Full Capacity, such rates shall not exceed those rates attached as Schedule A to this Agreement. If the Parking Garage is at Daytime Full Capacity, the Garage Owner may raise daytime parking rates at its discretion. If the Parking Garage is at Evening Full Capacity, the Garage Owner may raise evening parking rates at its discretion.

9.3 Parking Rates After the Leasing Date. After the Leasing Date, the Garage Owner shall have full authority to set parking rates subject only to the limitations expressly identified in this Agreement. In general, the Garage Owner shall set parking rates for the Parking Garage in the absence of other factors, so as to encourage short-term parking and use of the Parking Garage. The Garage Owner shall not raise parking rates if it appears probable that such an increase would result in lower revenue and significantly fewer cars parking in the Parking Garage. Rates for daytime, evening, weekend and Owner Valet Parking will be established in compliance with the requirements of Sections 9.3.1 and 9.3.2. Rates for Required Long-Term Parking will be established in compliance with the requirements of Section 9.3.3. Wholesale Valet charges for Special Use Valet parking will be established in compliance with the requirements of Section 9.3.4. As used in this Section 9.3, the term "First Lease Year" shall mean the period commencing on the Leasing Date and ending on the date twelve (12) full calendar months thereafter, the term "Second Lease Year" shall mean the period commencing on the first day following the last day of the First Lease Year and ending on the day that is twelve (12) full calendar months thereafter and the term "Third Lease Year" shall mean the period commencing the first day following the last day of the Second Lease Year and ending on the day that is twelve (12) full calendar months thereafter.

9.3.1 Parking Rates if Parking Garage not Full. Unless the Parking Garage is at Daytime Full Capacity or Evening Full Capacity, daytime, evening, weekend, and Owner

Valet parking rates shall be established as follows and shall be implemented as described in Section 9.1.1.

9.3.1.1 Parking Rates for the First Lease Year. For the First Lease Year rates shall not exceed those shown on Schedule B plus an adjustment to reflect changes in the Index between the Beginning Index and the Index published most recently prior to the earlier to occur of the Leasing Date or the date that the City locks-in the rate of interest that will be charged on the financing of the acquisition of the Parking Garage by the City.

9.3.1.2 Parking Rates for the Second Lease Year. For the Second Lease Year, parking rates will depend on the financial performance of the Parking Garage during the First Lease Year. If the Parking Garage Net Revenue after Debt Service for the First Lease Year shows a loss of One Hundred Thousand Dollars (\$100,000) or more, the Garage Owner may set parking rates at its discretion. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the First Lease Year shows a profit or shows a loss of less than One Hundred Thousand Dollars (\$100,000), the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed fifty percent (50%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will Garage Owner be required to reduce rates below those actually charged during the First Lease Year.

9.3.1.3 Parking Rates for the Third Lease Year. For the Third Lease Year, parking rates will depend on the financial performance of the Parking Garage during the Second Lease Year. If the Parking Garage Net Revenue after Debt Service for the Second Lease Year shows a loss of Three Hundred Eighty-Five Thousand Dollars (\$385,000) or more, the Garage Owner may set parking rates at its discretion. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the Second Lease Year shows a profit or shows a loss of less than Three Hundred Eighty-Five Thousand Dollars (\$385,000), the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed fifty percent (50%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will the Garage Owner be required to reduce rates below the rates actually charged during the First Lease Year.

9.3.1.4 Parking Rates For Subsequent Years. For each year following the Third Lease Year, parking rates will depend on the financial performance of the Parking Garage during the previous Lease Year. If the Parking Garage Net Revenue after Debt Service for the previous year is zero or is a loss of any amount, the Garage Owner may set parking rates at its discretion, consistent with a commitment to encourage short-term parking in and use of the Parking Garage. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the previous year shows a profit, the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed eighty (80%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will Owner be required to reduce rates below those

charged during the First Lease Year. If the City ceases to be the Garage Owner, and subject to Section 9.3.2, daytime (daily and weekend) parking charges shall not exceed eighty percent (80%) of market rates, evening parking charges shall not exceed eighty (80%) of market rates, and Owner Valet charges shall not exceed one hundred percent (100%) of market rates.

9.3.2 Parking Rates if the Parking Garage is Full. Notwithstanding any other provision of this Agreement to the contrary, if during any year after the Leasing Date, the Parking Garage is operating at Daytime Full Capacity, the Garage Owner may henceforth set daytime (daily and weekend) rates and Owner Valet parking rates at any level, provided that the Garage Owner reasonably expects that the new rates will not cause the Parking Garage to operate more than seven percent (7%) below Daytime Full Capacity during the subsequent twelve (12) months. If during any year after the Leasing Date, the Parking Garage is operating at Evening Full Capacity, the Garage Owner may henceforth set evening parking rates at any level, provided that the Garage Owner reasonably expects that the new rates will not cause the Parking Garage to operate more than seven percent (7%) below Evening Full Capacity during the following twelve (12) months.

9.3.3 Required Long-Term Parking Rates. The Garage Owner shall set rates for Required Long-Term Parking, including Monthly Long-Term Parking Contracts and Special Use Long-Term Parking Contracts. These rates shall not exceed one hundred percent (100%) of average market rates for similar parking in the Seattle downtown core.

9.3.4 Special Use Valet Rates. The Garage Owner shall set charges for providing the Special Use Valet Parking spaces called for in this Agreement, which shall be known as "Wholesale Valet Charges." Wholesale Valet Charges shall be expressed as a cost per stall per day. The Garage Owner may raise Wholesale Valet Charges from time to time, to a rate per stall per day which shall not exceed to the sum of (i) the annual debt service on the Parking Garage plus (ii) the other fixed costs of maintaining and operating the Parking Garage, divided by the product of (a) 1,200 times (b) (365) (but in setting such Wholesale Valet Charges, the Garage Owner shall consider, among other factors, the impact that such charges will have upon the use of the Parking Garage). The actual fixed costs of maintaining and operating the Parking Garage for the prior twelve month period, shall be used for purposes of establishing the fixed costs of maintaining and operating the Parking Garage. Prior to the Leasing Date, Wholesale Valet Charges shall not exceed market rates for wholesale valet parking stalls in downtown Seattle.

10.3.2 Location of Special Use Valet Parking. Retail Owner and/or the Occupant of the F&N Building shall agree in advance to lease specific valet blocks by section or partial section where a logical break occurs. Valet blocks located in the highest elevation in the Parking Garage shall be rented before blocks in lower elevations. In addition, the location of the Special Use Valet Parking pick-up areas which are to be located within the Systems Block and the location and size of the areas within the Parking Garage to be used for such valet parking services shall be limited to the specific locations therefor as shown on the Approved Plans and Specifications.

9701270429

10.3.5 Indemnification and Insurance. The operator operating the Special Use Valet Parking (the "Special Use Valet Parking Operator") shall (i) defend, indemnify and hold harmless the Garage Owner from and against all claims and all costs, expenses and liabilities (including reasonable attorneys' fees) incurred in connection with the operation of the Special Use Valet Parking, (ii) carry contractual liability insurance in an amount at least equal to Ten Million Dollars (\$10,000,000.00) covering its obligations pursuant to subsection (i) above naming the Garage Owner as an additional insured, and (iii) carry comprehensive general liability insurance, including an automobile liability endorsement in an amount of at least equal to Ten Million Dollars (\$10,000,000.00) naming the Garage Owner as an additional insured. The minimum insurance coverage amounts set forth above shall be subject to review by the Parties on the fifth anniversary of the Garage Opening Date, and on each subsequent fifth anniversary during the term of this Agreement in order to determine the adequacy of such amounts in light of the then existing circumstances.

ARTICLE 11

The Garage Owner shall, within forty-five (45) days after each anniversary of the Leasing Date, deliver to the Committee annual financial reports with respect to the Parking Garage, in such detail as is reasonably required to provide the Parties to this Agreement information necessary to determine Gross Receipts, Net Revenue, Operating Expenses, Parking Garage Debt Service and the profit or loss earned or incurred by the Garage Owner from the operation of the Parking Garage during the preceding twelve month period and to establish the fixed and variable costs of operating the Parking Garage. In performing any action pursuant to this Section, the Condominium Association shall act with reasonable promptness, shall make a reasonable attempt to notify the defaulting Party or its representative as soon as reasonably possible, and shall give notice to all other Parties of such cure of the alleged default. Such notice, notwithstanding any other provision of this Agreement, need not be in writing if the giving of a written notice would not be reasonably possible under the circumstances, so long as such notice is given to a responsible official of each of the other Parties. Telephonic notice shall be followed by written confirmation as soon as reasonably possible.

(c) If the Condominium Association commences to cure an alleged default, it shall prosecute any work performed by it under this Section diligently to completion.

Unless specifically stated to the contrary elsewhere in this Agreement, any Notice shall be deemed to have been given, made or communicated as the case may be, on the date the same was delivered or delivery was attempted.

13.3 Excuses for Nonperformance. Notwithstanding anything contained in this Agreement, any delay in the performance of any obligation under this Agreement shall be excused, if and so long as the performance of the obligation is prevented, delayed or otherwise hindered by acts of God, fire, earthquake, floods, explosion, actions of the elements, war, riots, mob violence, inability to procure labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, actions of labor unions, condemnation, court orders, operation of law, orders of governmental or military authorities, or any other cause, whether similar or dissimilar to the foregoing, not within the control of such Party (other than

lack of or inability to procure monies to fulfill its commitments and obligations under this Agreement).

13.4 References to Articles, Sections, Subsections. All references herein to a given Article, Section, Subsection, Paragraph or Subparagraph refer to the Article, Section, Subsection, Paragraph or Subparagraph of this Agreement.

13.7 Agreement for Exclusive Benefit of Parties. Except as specifically set forth herein, the provisions of this Agreement are for the exclusive benefit of the Garage Owner, the Retail Owner, the F&N Owner, and, until the Leasing Date, the City and not for the benefit of any third Person. This Agreement shall not be deemed to have conferred any rights upon any third Person.

13.8 Waiver of Default. A waiver of any default by a Party must be in writing and no such waiver shall be implied from any omission by a Party to take any action in respect of such default. No express written waiver of any default shall affect any default or cover any period of time other than the default and period of time specified in such express waiver. One or more written waivers of any default in the performance of any provision of this Agreement shall not be deemed to be a waiver of any subsequent default in the performance of the same provision or any other term or provision contained herein. The consent or approval by a Party to, or of any act or request by, another Party requiring consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar acts or requests.

13.9 No Partnership, Joint Venture or Principal-Agent Relationship. Neither anything in this Agreement nor any acts of the Parties shall be deemed by the Parties, or by any third Person, to create the relationship of principal and agent, or of partnership, or of joint venture, or of any association between the Parties, and no provisions of this Agreement are intended to create or constitute any Person a third party beneficiary hereof.

13.10 Successors. This Agreement shall be binding upon and inure to the benefit of the Garage Owner, the Retail Owner, the F&N Owner, and, until the Leasing Date, the City, and not for the benefit of any third Person. Upon conveyance by a Party of its interest in its respective Parcel, the new Party with respect to such Parcel shall become bound by and entitled to the benefits of these Covenants, and the former owner shall be released from its unaccrued obligations hereunder. Notwithstanding the foregoing, as the co-tenant with CDP in the Systems Block, PSD covenants to the other Parties to this Agreement that in the event CDP fails to

perform any obligations of CDP as Garage Owner, or sustain any representation or warranty made by CDP to the other Parties, as set forth in this Agreement, whether made by CDP alone or as a tenant in common with PSD, PSD shall cure or shall cause the cure of such failure and shall be liable therefor. Upon transfer of the Parking Garage to the City, both PSD and CDP will be released from their unaccrued liabilities and obligations with respect to the Parking Garage. This section is not intended to override the provisions of Article 13 of the REA with respect to the obligations and liabilities of PSD relating to the Systems Block Retail.

13.11 Severability. If any provision of this Agreement shall to any extent be invalid or unenforceable, the remainder of this Agreement (or the application of such provision to Persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected thereby, and each provision of this Agreement, unless specifically conditioned upon such invalid or unenforceable provision, shall be valid and enforceable to the fullest extent permitted by law.

If the Index has changed so that the base year differs from that used in this Section, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics, to the 1982-84 base. If the Index is discontinued or revised during the term of this Agreement, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

PARKING AGREEMENT

This PARKING AGREEMENT (this "Agreement") is made and entered into as of this 1st day of April, 1996 by and among PINE STREET DEVELOPMENT L.L.C., a Washington limited liability company ("PSD") and COMMUNITY DEVELOPMENT PROPERTIES, King County II, Inc., a Delaware non-profit corporation ("CDP"), as co-tenants (PSD and CDP as co-tenants are referred to collectively as the "Developer"), THE CITY OF SEATTLE, a first-class city of the State of Washington (the "City"), and NORDSTROM, INC., a Washington corporation ("Nordstrom").

RECITALS

1. This Agreement describes the operation and management of a parking garage (the "Parking Garage") to be constructed by Developer on the Systems Block in downtown Seattle, Washington. The Parking Garage is to be constructed by Developer in accordance with the terms and provisions of: (a) this Agreement, (b) the Parking Covenants, and (c) the Umbrella Agreement.

2. Developer has entered into binding, non-contingent contracts to acquire the land and improvements commonly known as the Systems Parking Garage Block between Pine and Olive Streets and Sixth and Seventh Avenues (the "Systems Block"). Following execution of this Agreement, Developer shall, on or before October 15, 1996, acquire fee simple title to the Systems Block at its sole cost and expense.

3. The Parties to this Agreement have executed this Agreement and have placed it in escrow to be effective only upon the satisfaction of various conditions which include (a) the closing of the purchase of the F&N Property and the exchange between Nordstrom and PSD of the Nordstrom Properties for the F&N Property; (b) the execution and delivery of a Construction, Operation and Reciprocal Easement Agreement entered into between Nordstrom and Developer pursuant to which Nordstrom has promised to Developer to redevelop the F&N Property and to operate a retail store of at least 200,000 square feet of floor area for twenty years, and PSD has promised to Nordstrom to redevelop the Nordstrom Properties, and Developer has promised to Nordstrom to construct a 1,200 vehicle parking garage on the Systems Block, and develop at least 300,000 square feet of gross leasable floor area of retail space on the Systems Block Retail and PSD has promised to Nordstrom to operate the retail space on the Systems Block and the Nordstrom Properties for twenty years, (c) the execution and delivery of the Parking Covenants by the Developer and Nordstrom, (d) the execution and delivery of the Umbrella Agreement between the City and the Developer, (e) the execution and delivery of a Facade Easement burdening the F&N Property in a form approved by Nordstrom and the City, (f) the execution of a lease from PSD to Nordstrom of the Nordstrom Properties for the period of time from the closing of escrow until Nordstrom vacates the Nordstrom Properties after opening its new store on the F&N Property, and (g) the acquisition by the Developer of the Systems Block.

4. The execution and delivery of this Parking Agreement and the execution and delivery of the other documents referred to in Recital 3 above, as well as the approval by the

City of the form of the Parking Covenants, are conditions to the closing of the escrow of the documents for the transaction referred to above and to the redevelopment of the Systems Block, the F&N Property and the Nordstrom Properties.

5. Nordstrom will, after the closing of the escrow referred to in Recital 3 above, own the land and improvements commonly known as the Frederick & Nelson Building, located north of Pine Street between Fifth and Sixth Avenues (the "F&N Property").

6. PSD will be, after the closing of the escrow referred to in Recital 3 above, the fee owner and lessee of the land and improvements commonly known as the Nordstrom Department Store and the Seaboard Building, located between Pike and Pine Streets and Fourth and Fifth Avenues (collectively the Old Nordstrom Store and the Seaboard Building are referred to as the "Nordstrom Properties").

7. Developer will construct or cause to be constructed the Parking Garage and the Systems Block Retail on the Systems Block in accordance with the requirements of the REA, the Parking Covenants and the Umbrella Agreement.

8. The Systems Block will be subjected to a plan of condominium ownership pursuant to which the ownership of the Parking Garage will be separated from the ownership of the Systems Block Retail. When the Condominium is formed, the Parking Covenants and this Agreement will bind the Parking Garage Condominium Unit and the Systems Block Retail Condominium Unit. After the Condominium is formed CDP will become the Garage Owner and PSD will become the Retail Owner.

9. CDP will, after operating or causing to be operated the Parking Garage for at least one year after the date the Parking Garage is first opened for business to the public, transfer the Parking Garage to the City or its designee pursuant to a lease purchase agreement pursuant to RCW 35.42.010 to 35.42.090 inclusive, or other appropriate instruments, subject to, among other things, the City's agreement to operate the Parking Garage in accordance with the Parking Covenants and this Parking Agreement.

10. Developer, Nordstrom and the City desire to enter into this Parking Agreement to induce PSD to acquire and redevelop the Systems Block and the Nordstrom Properties, to induce Nordstrom to acquire and redevelop the F&N Property, and to provide for the effective and successful operation and maintenance of the Parking Garage, which will encourage short-term parking in the downtown retail core thereby alleviating traffic congestion, and will also contribute to the revitalization of the downtown Seattle retail core.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

ARTICLE 1

INTRODUCTION AND TERM

1.1 Defined Terms. All capitalized terms which are used herein but which are not otherwise defined herein shall have the meanings ascribed to such term in Annex 1 attached hereto and made a part hereof.

1.2 Introduction. The Parking Garage is to be operated in accordance with this Agreement. The primary intent of this Agreement is to describe the general methods of operation of and standards of maintenance for the Parking Garage, which methods of operation are intended to, among other things, (a) provide safe, accessible parking for customers of the Complex and the retail core; (b) ensure simple ingress, egress, and location identification, including directional signage within the Parking Garage indicating the way to the Occupants; and (c) maximize the availability of short-term, public parking within the Parking Garage. Except for the portions of the Parking Garage used for valet parking and/or Required Long-Term Parking as hereinafter provided for in this Agreement, the Parking Garage shall be operated as a self-park, public parking garage.

1.3 Term. This Agreement shall become effective upon the acquisition of the Systems Block by the Developer or its successors and assigns. The Parking Garage shall be Operated in accordance with the terms of this Agreement from and after the date that the Parking Garage is first opened for business to the public, and shall remain in effect for an "Initial Term" of forty (40) years from the Leasing Date. The term of this Agreement shall be automatically renewed for additional terms of ten (10) years unless the Garage Owner (if the Garage Owner is the City) elects, by written notice of the Garage Owner's election to terminate this Agreement, given to the other Parties to this Agreement not more than five (5) years prior to the end of the Initial Term or the extension period then in effect and not less than four years and one half (4 1/2) years prior to the end of the Initial Term or the extension period then in effect. Such election to terminate the term of this Agreement may only be made if the Garage Owner is the City. If The Garage Owner elects, in the manner described above, to terminate this Agreement, the termination shall be effective upon the last day of the Initial Term or the extension period then in effect. The term of this Agreement shall automatically expire, unless earlier terminated pursuant to this Section 1.3, upon the termination or expiration of the Parking Covenants.

1.4 Termination If Garage Not Needed. If during the twelve month period immediately preceding the end of the Initial Term, less than an average of one hundred and twenty (120) vehicles per day use the Parking Garage (unless such low level of use is caused by an event described in Section 1.3.3 of this Agreement) and if the Garage Owner is the City, then the Garage Owner shall have the right to cease to Operate the Parking Garage as a Parking Garage in accordance with the terms of this Agreement. Such right may be exercised by written notice to the other Parties to this Agreement, given within one hundred and eighty (180) days after the end of the Initial Term.

ARTICLE 2

PARKING OVERSIGHT COMMITTEE

2.1 Formation of Parking Oversight Committee. A Parking Oversight Committee ("Committee") shall be formed no later than sixty (60) days before the opening of the Parking Garage and shall be maintained throughout the term of this Agreement. The Committee will consist of the F&N Owner, the Garage Owner, the Retail Owner (or their respective designees) and one other Occupant from the Complex selected by the Retail Owner from time to time. Upon a termination of the Parking Covenants the F&N Owner shall no longer be a member of the Committee. If the Garage Owner is also the Retail Owner (or an Affiliate of the Retail Owner) or the F&N Owner (or an Affiliate of the F&N Owner), said Party shall be represented by only one member on the Committee. The Committee shall meet at least quarterly or as otherwise determined by the Committee.

2.2 Purpose of Committee. The purpose of the Committee is solely to provide guidance and advice to the Garage Owner on matters related to Parking Garage operation. Except as provided in this Agreement or in the Parking Covenants, the Garage Owner shall make operational decisions relating to the Parking Garage subject only to the provisions of this Agreement, the Parking Covenants and applicable law. If the Committee gives advice to the Garage Owner, the Garage Owner shall consider the advice of the Committee before taking action on the subject about which such advice was given.

ARTICLE 3

PARKING GARAGE SIGNAGE AND GRAPHICS

Before the Parking Garage is first opened to the public, the Garage Owner shall install directional signage in the Parking Garage and the Retail Owner shall install directional signage in the Concourse level of the Systems Block Retail which indicates directions to the Occupants of the F&N Property and the Systems Block Retail, and which has been approved by the F&N Owner. The Garage Owner shall not alter or remove (other than for purposes of maintenance) any signage indicating the way to the F&N Property or the Systems Block Retail, without first obtaining the written consent of the F&N Owner or the Retail Owner respectively. The designation or denomination of the Parking Garage shall not be made or changed without the approval of all of the Parties to this Agreement.

ARTICLE 4

SPECIAL USE AND MONTHLY PARKING

4.1 Required Long-Term Parking Requirements. Pursuant to the Master Use Permit approved by the City for the Systems Block project ("MUP"), the Garage Owner shall provide 136 regular and 35 carpool spaces, each of which will be rented for use by the same owner or motor vehicle for six hours or more and generally shall be used by a person who commutes to work by private motor vehicle ("Required Long-Term Parking"). Contracts between the

Garage Owner and members of the general public (who may be Occupants or individuals who work for Occupants) for Required Long-Term Parking for a term of thirty days or less are referred to herein as "Monthly Long-Term Parking Contracts." The contracts between the Garage Owner and Occupants and the contracts between the Garage Owner and members of the general public designated by the Retail Owner for Required Long-Term Parking for a term of more than thirty (30) days, are referred to herein as the "Special Use Long-Term Parking Contracts." The definition of Required Long-Term Parking may be changed in the future, provided such change is consistent with the City's Land Use Code, is agreed to by the Parties to this Agreement, and is approved by the Department of Construction and Land Use of the City.

From the date the Parking Garage is first opened for business to the public (the "Garage Opening Date") to the Leasing Date, the Garage Owner shall rent 171 spaces in the Parking Garage for Required Long-Term Parking in accordance with the requirements of the City's Land Use Code and with the MUP. Such rentals may be to members of the general public, Occupants or to the Retail Owner pursuant to Monthly Long-Term Parking Contracts or the Special Use Long-Term Parking Contracts. On the Leasing Date, the Garage Owner shall assign to the City all then existing Monthly Long-Term Parking Contracts and, if entered into, the Special Use Long-Term Parking Contracts. The City shall assume such contracts in accordance with their terms; provided that (a) the City has previously approved the form of such contracts and (b) the contracts are neither in default nor entered into in violation of the terms of this Agreement. The City expects Monthly Long-Term Parking Contracts (up to a maximum of 171 parking spaces) to be available on a first-come, first-served basis. The Monthly Long-Term Parking Contracts shall reserve to the Garage Owner the right to terminate or change the terms of such contracts on not less than thirty (30) days prior notice. Except as provided in Section 4.4, only the Retail Owner shall have the right to modify or terminate the Special Use Long-Term Parking Contracts.

4.2 Special Use Parking. Notwithstanding any other provision of this Agreement to the contrary, for so long as there are outstanding tax-exempt obligations, the proceeds of which financed the transfer to the City or its designee of the Parking Garage, the total number of parking spaces under Special Use Valet Parking Contracts and Special Use Long-Term Parking Contracts shall not exceed 108 parking stalls. In addition to entering into the Special Use Long-Term Parking Contracts, prior to the Leasing Date the Garage Owner may enter into one or more contracts for a term of more than thirty (30) days with Occupants of the Complex for short term valet parking to be operated by a valet parking operator selected by the F&N Owner and/or Retail Owner, respectively (each, a "Special Use Valet Parking Contract"). The total number of spaces leased under Special Use Valet Parking Contracts shall not exceed 60 spaces. On the Leasing Date, the Garage Owner shall assign and the City shall assume all Special Use Valet Parking Contracts; provided that (a) the City has previously approved such contracts and (b) the contracts are neither in default nor entered into in violation of the terms of this Agreement.

4.3 Contract Approval. The City shall have no obligation to assume any Monthly Long-Term Parking Contract, Special Use Long-Term Parking Contract or Special Use Valet Parking Contract on the Leasing Date unless the form and substance of such contract has been approved by the City. The City shall not unreasonably withhold or delay its consent to such

contracts, and if any such contract is submitted to the City for its approval, and the City fails to disapprove such contract within fifteen (15) days after such contract is submitted to the City for its approval, such contract shall be deemed to have been approved by the City.

4.4 Tax-Exempt Status. The City shall have the right to modify this Agreement, the Monthly Long-Term Parking Contracts, the Special Use Long-Term Parking Contracts and the Special Use Valet Parking Contracts, if, in the reasonable opinion of the City's bond counsel, such modification or amendment is necessary to permit or preserve the tax-exempt status of interest payable on or with respect to any outstanding Certificates of Participation to be executed and delivered or other tax-exempt obligations to be issued by the City in connection with the transfer of the Parking Garage to the City, or with respect to any such debt instruments that are outstanding, but only if and to the minimum extent required to permit or preserve such tax-exempt status. If, at any time after the Leasing Date, the Retail Owner receives written notice from the City that its bond counsel reasonably requires that the Long-Term Monthly Parking Contracts be modified in order to permit or preserve the tax-exempt status of debt issued or to be issued to finance the City's acquisition of the Garage, then the City shall enter into Special Use Long-Term Parking Contracts with Occupants identified by the Retail Owner, that grants the Occupants designated the right to convert, at the Retail Owner's discretion, any Long-Term Monthly Parking Contracts to Special Use Long-Term Parking Contracts, provided that after such conversion the total number of Special Use Long-Term Parking Contracts, including Special Use Valet Parking Contracts, does not exceed 108 parking spaces.

ARTICLE 5

SECURITY

5.1 Security. Retail Owner shall provide (and, upon the formation of the Condominium Association, Developer shall cause the Condominium Association to provide) security for the Parking Garage at a level consistent with the practice prevailing in the operation of similar first-class urban multi-use complexes and at a level consistent with the level and quality of security which the Retail Owner provides within the Systems Block Retail. The security described in the preceding sentence shall be furnished by: (a) foot and/or vehicular patrols by uniformed security personnel; (b) monitored closed-circuit television; and (c) a monitored audio system installed at elevators and other critical locations. Assistance call boxes shall be located on each level of the Parking Garage and shall be monitored by security. Security monitoring shall be on a twenty-four (24) hour a day basis. Stairwell towers shall be alarmed and secured, for use by the public only in emergencies.

ARTICLE 6

OPERATOR SELECTION

6.1 Parking Garage Operator Selection. The selection and performance of the Parking Garage Operator is critical to the successful execution of this Agreement. The Parking Garage Operator shall be selected by Garage Owner and shall be: (a) any entity which is a nationally recognized manager of parking garages with substantial experience operating multi-level parking

garages in first-class urban regional shopping centers and which meets the selection and performance criteria set forth below; or (b) any entity which has continuously operated as a manager, for not less than five years before the date of determination, at least three garages similar in size, character, scope and quality to the Parking Garage, and whose uses are substantially the same as uses currently in effect for the Parking Garage with substantial experience operating multi-level parking garages in first-class urban regional shopping centers and which meets the selection and performance criteria set forth below; or (c) a local affiliate of any of the foregoing which meets the selection and performance criteria set forth below. The Parking Garage Operator shall demonstrate that it has consistently met the following standards in the operation of similar parking structures in first-class urban regional shopping centers (and, in the case of a renewal of the Parking Garage Operator's contract, in the operation of the Parking Garage):

- (i) Customer Satisfaction. The Parking Garage Operator shall demonstrate the Operator's operations capability to provide customer service consistent with similar first-class urban regional shopping centers;
- (ii) Staffing and Training. The Parking Garage Operator shall demonstrate the ability to monitor and perform staffing of cashier booths in order to meet demand and keep typical customer waiting times to less than one (1) minute at the cashier booth or as close to one (1) minute as practicable given the construction and design of the cashier booths and pay stations, and the ability to use revenue control system equipment and software in use in the Parking Garage;
- (iii) Employee Appearance and Attitude. The Parking Garage Operator shall demonstrate that it employs a high energy staff which is professional, courteous, tidy in appearance, friendly and helpful;
- (iv) Financial Stability. The Parking Garage Operator shall not have had any prior bankruptcies, and must have at least One Million Dollars (\$1,000,000) in annual income, and net worth of at least Three Million Dollars (\$3,000,000) (all of such amounts are expressed in 1996 Dollars);
- (v) Revenue Capture. The Parking Garage Operator shall demonstrate through audit reports of all parking garages operated by the Parking Garage Operator that its revenue capture rate meets the highest standards in the industry;
- (vi) Reports. The Parking Garage Operator shall demonstrate that its reports have been prepared and delivered in a timely manner, are accurate and are easy to comprehend;
- (vii) Maintenance and Graphics. The Parking Garage Operator shall demonstrate that garages that it maintains and all signage therein are kept clean and neat and in first-class condition, appearance and repair, including cleaning and repainting of the Parking Garage as required;

(viii) Adequacy of Budget. The proposed budget of the Parking Garage Operator shall be clearly adequate, and the Parking Garage Operator shall demonstrate that, in its prior operations of similar multi-level parking garages in urban regional shopping centers, such Parking Garage Operator's budgets have been consistent with its actual operating results;

(ix) Customer Complaints. The Parking Garage Operator shall agree to make customer feedback cards designed by the Committee readily available at all cashier booths and APS stations for a period of five (5) days, including one weekend once during each calendar quarter. The Parking Garage Operator shall agree to make the results of the survey available to the Committee promptly after the completion of the survey, and shall agree to promptly correct any deficiencies noted in the customer feedback cards. The Parking Garage Operator shall agree to operate the Parking Garage in a manner that will result in at least eighty five percent (85%) of customer comments rated above "poor" or "fair."

(x) Liability Insurance. The Parking Garage Operator shall demonstrate its ability to secure liability insurance meeting the standards set forth in Section 2.8 of the Parking Covenants and Exhibit F to the Umbrella Agreement.

(xi) Renewals of Operator Contract. In considering a Parking Garage Operator's proposal to renew its contract as the Parking Garage Operator, the Garage Owner's adherence to the standards set forth in this Section, and to the requirements of this Agreement and the Parking Covenants during its operation of the Parking Garage shall be an additional selection criteria.

The Parking Garage Operator's contract shall have a term of not more than three (3) years, shall incorporate the performance and selection criteria and other terms of this Agreement and the Parking Covenants which are applicable to the Operation and maintenance of the Parking Garage as requirements of the Garage Operator, and shall provide for the Garage Owner to have the right to correct deficiencies in management or terminate the Garage Operator's contract in the event that the Garage Operator fails to operate the Parking Garage in accordance with the requirements of the Parking Garage Operator's contract. If at any time the Parking Garage Operator fails to meet the performance and selection criteria set forth in this Agreement, and such failures are not cured within the grace periods set forth in Article 12 of this Agreement, the Garage Owner shall enforce its rights in the Parking Garage Operator's contract to require the failures to be corrected or shall terminate the Parking Garage Operator and select a new Parking Garage Operator which meets the standards set forth in this Agreement.

All Garage Owners shall select Parking Garage Operators in compliance with the selection criteria set forth above and applicable requirements of Washington State, City and federal law (which shall include the requirements of RCW 35.86A.120, so long as the Garage Owner is the City). In the event of any conflict between the selection criteria set forth above and applicable law, the provisions of applicable law shall prevail to the extent of such conflict.

6.2 Owner Valet Operator Selection. The selection and performance of the valet operator (the "Owner Valet Operator") operating the Owner Valet Service (as hereinafter

defined) is critical to the successful execution of this Agreement. The Owner Valet Operator shall be selected by Garage Owner and shall be: (a) any entity that is a nationally recognized valet parking manager with substantial experience operating valet parking services in multi-level parking garages in first-class urban regional shopping centers and which meets the selection and performance criteria set forth below; (b) an entity that specializes in valet parking services and has continuously operated as a valet parking manager, for not less than five years before the date of determination, at least three separate valet services similar in size, character, scope and quality to the valet service in the Parking Garage and whose uses are substantially the same as uses currently in effect for the Parking Garage and which meets the selection and performance criteria set forth below; or (c) a local affiliate of the foregoing which meets the selection and performance criteria set forth below. The Owner Valet Operator shall demonstrate that it has consistently met the following standards in the operation of similar valet parking services in first-class urban regional shopping centers (and, in the case of a renewal of the Owner Valet Operator's contract, in the operation of the Owner Valet Service):

- (i) Customer Satisfaction. The Owner Valet Operator shall demonstrate the Operator's operations capability to provide customer service consistent with a first-class urban regional shopping center;
- (ii) Staffing and Training. The Owner Valet Operator shall demonstrate the ability to monitor and perform staffing of valet drop off and pick up locations in order to meet demand and keep typical customer waiting times to less than two (2) minutes at the valet pick up and drop off point in the Concourse, and to less than four (4) minutes at valet pick up and drop off points on the block immediately to the west of the Parking Garage, and the Owner Valet Operator shall demonstrate its staff's ability to use revenue control system equipment and software;
- (iii) Employee Appearance and Attitude. The Owner Valet Operator shall demonstrate that it employs a high energy staff which is professional, courteous, tidy in appearance, friendly and helpful;
- (iv) Financial Stability. The Owner Valet Operator shall not have had any prior bankruptcies, and must have at least Seven Hundred Fifty Thousand Dollars (\$750,000) in annual income, and net worth of at least One Million Dollars (\$1,000,000) (all of such amounts are expressed in 1996 Dollars);
- (v) Revenue Capture. The Owner Valet Operator shall demonstrate through audit reports of all valet services operated by the Owner Valet Operator that its revenue capture rate meets the highest standards in the industry;
- (vi) Reports. The Owner Valet Operator shall demonstrate that its reports have been prepared and delivered in a timely manner, are accurate and are easy to comprehend;
- (vii) Adequacy of Budget. The proposed budget of the Owner Valet Operator shall be clearly adequate, and the proposed Owner Valet Operator shall demonstrate that, in its prior valet operations in similar multi-level parking garages in urban regional shopping

centers, such proposed Owner Valet Operator's budgets have been consistent with its actual operating results;

(ix) Customer Complaints. The Owner Valet Operator shall agree to make customer feedback cards designed by the Committee readily available at all valet pick-up and drop-off locations for a period of five (5) days, including one weekend once during each calendar quarter. The Owner Valet Operator shall agree to make the results of the survey available to the Committee promptly after the completion of the survey, and shall agree to promptly correct any deficiencies noted in the customer feedback cards. The Owner Valet Garage Operator shall agree to operate the Owner Valet Service in a manner that will result in at least eighty five percent (85%) of customer comments rated above "poor" or "fair."

(x) Liability Insurance. The Owner Valet Operator shall demonstrate its ability to secure liability insurance meeting the standards set forth in Section 10.3.5 and Exhibit F to the Umbrella Agreement.

(xi) Renewals of Operator Contract. In considering an Owner Valet Operator's proposal to renew its contract as the Owner Valet Operator, the Garage Owner's adherence to the standards set forth in this Section, and to the requirements of this Agreement and the Parking Covenants during its operation of the Parking Garage shall be an additional selection criteria.

The Owner Valet Operator's contract shall have a term of not more than three (3) years, and shall incorporate the performance and selection criteria and other terms of this Agreement and the Parking Covenants which are applicable to the Operation and maintenance of the Parking Garage as requirements of the Owner Valet Operator, and shall provide for the Garage Owner to have the right to correct deficiencies in management or terminate the Owner Valet Operator's contract in the event that the Owner Valet Operator fails to operate the Parking Garage in accordance with the requirements of the Owner Valet Operator's contract. If at any time the Owner Valet Operator fails to meet the performance and selection criteria set forth in this Agreement, and such failures are not cured within the grace periods set forth in Article 12 of this Agreement, the Garage Owner shall enforce its rights in the Owner Valet Operator's contract to require the failures to be corrected or shall terminate the Owner Valet Operator and select a new Owner Valet Operator which meets the standards set forth in this Agreement.

All Garage Owners shall select Owner Valet Operators in compliance with the selection criteria set forth above and applicable requirements of Washington State, City and federal law and, (which shall include the requirements of RCW 35.86A.120, so long as the Garage Owner is the City). In the event of any conflict between the selection criteria set forth above and applicable law, the provisions of applicable law shall prevail to the extent of such conflict.

6.3 Compliance With Federal Tax Guidelines. After the Leasing Date, and for so long as there are outstanding tax-exempt obligations, the proceeds of which have financed the Garage Owner's acquisition of the Parking Garage, contracts with the Parking Garage Operator and the

Owner Valet Operator shall also comply with IRS management contract rules pertaining to facilities financed with the proceeds of tax exempt obligations.

ARTICLE 7

MAINTENANCE AND OPERATION

7.1 Maintenance and Operation by Garage Owner. Except as provided in this Agreement, the Garage Owner shall cause the Parking Garage Operator to Operate the Parking Garage solely as a first-class parking garage for the parking of motor vehicles by members of the general public (including Required Long-Term Parking required by the Land Use Code of the City and valet parking) in accordance with the standards of this Agreement, the Parking Covenants, the Umbrella Agreement and the Condominium Declaration. The Garage Owner shall maintain the Parking Garage in a first-class condition and state of repair in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers, and including, but not limited to the items of maintenance, upkeep and operation described below. By way of example, Annex 2 contains a maintenance schedule which is consistent with industry standards for the operation of a multi-level parking garage in first-class urban regional shopping centers as of the date of this Agreement. The operation of a first-class automobile detailing service in the Parking Garage shall be permitted so long as such service is operated in a manner which is consistent with the other provisions of this Agreement and does not reduce the capacity of the Parking Garage below 1,200 motor vehicles.

7.1.1 The Parking Garage shall be operated and open for public parking on each day at least forty-five minutes (3/4 hour) before the opening of the earlier to open of the F&N Owner (or any portion thereof) or any Occupant of a portion of the Complex (or any portion thereof), and shall remain open at least until one and one half (1.5) hours after the later to close of the F&N Owner (or any portion thereof) or any Occupant of the Complex (or any portion thereof). The Garage Owner may extend the operating hours of the Parking Garage beyond the minimum hours listed above. Vehicles with Monthly Long-Term Parking Contracts or Special Use Long-Term Parking Contracts, or subcontracts under the Special Use Long-Term Parking Contracts shall have access to the Parking Garage on a 24-hour-a-day basis.

7.1.2 All sidewalks, walkways, stairways, elevators, roadways and parking surfaces inside the Parking Garage, including its entrances and exits, shall be kept and maintained in a good, safe and clean condition.

7.1.3 Snow, ice, surface water and debris shall be promptly removed if inside the Parking Garage, or its entrances and exits.

7.1.4 All graphics, traffic and directional signs and pavement and striping shall be kept clean, distinct and legible, and replaced as necessary, including restriping of parking lot markings at least once per year.

7.1.5 All public rest rooms, if any, and any other common use facilities shall be maintained and kept in a first-class and sanitary condition.

7.1.6 Adequate lighting is one of the most important safety features of the Parking Garage, and a strong maintenance program is necessary to preserve the lighting levels in the Parking Garage. Parking Garage lighting shall be repaired, replaced and renewed as may be necessary, including prompt replacement of burned out or defective bulbs or tubes with a color index of at least 65 and the implementation of a group-relamping program in accordance with the manufacturer's recommendation. Illumination levels inside the Parking Garage shall be maintained as required by the Parking Covenants.

7.1.7 The Parking Garage shall be spot painted as necessary and fully repainted at least once each seven years.

7.1.8 Ventilation equipment, traffic control equipment, lighting systems, electrical systems, sprinkler and life-safety systems and mechanical systems of the Parking Garage shall be repaired and replaced as necessary to keep them in first-class condition.

7.1.9 Signs and light fixtures shall be mechanically swept, washed with high pressure washing equipment, and routinely cleaned as necessary to keep them in first-class condition.

7.1.10 Structural maintenance, treatment of concrete as required, and repair and replacement of expansion joints shall be performed as required.

7.1.11 All areas of the Parking Garage shall be kept clean and free from graffiti, and any graffiti shall be promptly removed and the surface restored to its condition prior to the application of the graffiti.

7.1.12 Oil and other fluids shall be removed from the surfaces of the Parking Garage, including its entrances and exits on a periodic basis as reasonably necessary, and the floor of the Parking Garage shall be washed with high pressure water at least semi-annually.

7.1.13 The Parking Garage shall be operated in a manner that will minimize delays by users of the Parking Garage who are attempting to exit. Garage Owner shall utilize a "Pay-on-Foot" system, requiring customers to pay their parking fees before returning to their cars. The Pay-on-Foot cashier station shall be staffed by up to four (4) cashiers at one time (as needed to accommodate demand from users of the Parking Garage) and will be constructed and equipped by Developer in an area near the Parking Garage elevators on the Concourse level of the Systems Block Retail, as shown on the Approved Plans and Specifications. Two (2) automated pay stations ("APS Stations") will be constructed and installed by the Developer in an area located near or around the cashier booth as shown on the Approved Plans and Specifications, allowing Parking Garage users an automated payment option. The APS Stations to be constructed by the Developer shall include bill changers and accept credit cards. The cashier or APS Stations return the "paid" parking ticket to the customer encoded with a grace period with sufficient time to return to the car and exit the garage. Upon reaching the gate, the customer inserts the encoded "paid" ticket into a machine opening the gate. The average time at the gate under normal operation is expected to be less than fifteen seconds.

7.1.14 The Garage Owner shall adequately staff, or cause to be adequately staffed, cashier booth(s) during the hours of operation of the Parking Garage in order to ensure users a minimum of delay in exiting. During normal week-day operation, staffing levels should be established such that customers do not typically wait more than one (1) minute in queue to pay a cashier.

7.1.15 APS Stations shall be maintained in first-class condition, including the bill-changing and credit card options integrated into the machines. The APS Stations shall be maintained on a contract to provide for same-day repair of any breakdowns or malfunctions.

7.1.16 When the Parking Garage is first opened for business to the public, and thereafter during the first year of operation of the Parking Garage, the Parking Garage Owner shall provide a marketing and education program aimed at familiarizing the users of the Garage with the "Pay-on-Foot" payment system.

7.1.17 Public attitudes towards the Parking Garage operations are important to the success of its operation. The Garage Owner (at the Garage Owner's sole cost and expense) shall, during the first year the Parking Garage is opened to the public and every year thereafter, employ a qualified independent parking consultant to conduct a customer satisfaction survey of users and potential users of the Parking Garage. The survey shall query patrons of the Parking Garage on such areas as hours of operation, security, wait-times to pay, convenience of the valet parking service, parking rates, ingress and egress, personnel friendliness and professionalism, maintenance, etc. The results of the surveys shall be provided to the Committee.

7.2 Maintenance by Retail Owner. The Retail Owner shall provide (and, upon formation of the Condominium Association, the Developer shall cause the Condominium Association to provide) the maintenance described below in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers.

7.2.1 Sidewalks and other Condominium Common Area pedestrian walk areas accessing the Parking Garage shall be cleaned by hand and small machine.

7.2.2 Elevators in the Parking Garage shall be maintained in first-class condition including (1) checking elevators daily, and (2) contracting with a licensed elevator maintenance firm to maintain the elevators in first-class condition. To minimize inconvenience to users of the Parking Garage and Occupants where practicable, maintenance to the elevators within the Parking Garage, other than emergency repairs, shall be performed during hours when the F&N Owner and the Occupants of the Systems Block Retail are not open. The Retail Owner shall provide (or cause to be provided by the Condominium Association) elevator maintenance for the Parking Garage elevators, including the elevator pressurization systems and shall enter into a comprehensive preventative elevator maintenance contract with a reputable, qualified elevator maintenance company. The Retail Owner shall maintain or cause the Condominium Association to maintain the elevators in the Systems Block Retail to at least the same standards as are set forth in this section with respect to the maintenance of the elevators serving the Parking Garage. The cost of the maintenance of the elevators serving the Parking Garage shall be allocated to the

Garage Owner and the cost of maintenance of the elevators serving the Systems Block Retail shall be allocated to the Retail Owner.

7.2.3 The Retail Owner shall maintain (or cause to be maintained by the Condominium Association) the Concourse level, where the Parking Garage and the Systems Block Retail share Condominium Common Area as established in the Condominium Declaration, including the drop-off and pick-up area in first-class condition, order and repair, and in accordance with industry standards for the operation and maintenance of multi-level parking garages located in first-class urban regional shopping centers.

7.3 First-Class Maintenance. The obligations of the Garage Owner to maintain the Parking Garage in first-class condition (which are contained in the Parking Covenants and in this Parking Agreement) shall include the obligation to make capital improvements which are necessary to keep the Parking Garage a first-class parking garage, but shall not be interpreted to require the Garage Owner to make capital improvements to the Parking Garage which could not reasonably be expected to pay for themselves over the useful life of such improvements through enhancements in revenue and/or reductions of operating expenses reasonably expected to result from such improvements (when compared to the results which could be reasonably expected if the capital improvements were not made). The parties to this Agreement agree that the Garage Owner may set aside reasonable reserves for such capital improvements.

ARTICLE 8

SHOPPER'S PARKING INCENTIVE AND VALIDATION PROGRAMS

8.1 Overview. The Parties to this Agreement recognize that participation in a shopper's incentive and/or parking validation program ("Parking Validation Program") will help to relieve traffic congestion and improve traffic circulation in downtown Seattle and will help to revitalize downtown Seattle. Consistent with its intention to encourage short-term downtown retail parking, while recognizing the City's responsibility to repay its debt obligations issued to finance the acquisition of the Parking Garage, the City is committed to participation in a Parking Validation Program for the Parking Garage.

8.2 Validation Conditions. The Developer and Retail Owner shall use reasonable and diligent efforts to encourage Occupants of the Systems Block Retail and retail and entertainment Occupants of the Nordstrom Properties to participate in the Parking Validation Program operated by the Downtown Seattle Association (the "DSA") or other downtown merchants' associations that might replace the DSA. The City shall determine whether the Merchant Validation Conditions Precedent have been satisfied on the first day of the first full month which occurs on or after the first anniversary of the Leasing Date (the "Test Date"). The City shall notify the Committee whether the Merchant Validation Conditions were satisfied on the Test Date within fifteen (15) days after the Test Date, and shall provide the Committee with information supporting such determination. If the Merchant Validation Conditions Precedent have been satisfied as of the Test Date, the City hereby agrees so long as the City is the Garage Owner and so long as the Merchant Validation Conditions Precedent (as hereinafter defined) are satisfied on each successive Test Date, that the City shall match, dollar for dollar, contributions to the

Parking Validation Program made by Occupants, commencing as of a date which is no sooner than fifteen (15) days and no later than forty five (45) days after the Test Date. For example, if a customer receives a parking token, voucher, or coupon from a participating Complex merchant worth \$1.00, the City agrees to match the value of the token, coupon or voucher, by deducting an additional dollar from the published parking rate in the Parking Garage. As used herein the term "Merchant Validation Conditions Precedent" shall mean: (a) that the Occupant of the retail store on the F&N Property participates in the Parking Validation Program; (b) Occupants (including the Occupant of the retail store on the F&N Property) occupying at least sixty percent (60%) of the then open and operating retail and entertainment square footage in the Complex are participating in the Parking Validation Program; and (c) the Parking Garage Net Revenue exceeds Parking Garage Debt Service for the twelve (12) month period ending on the day prior to the Test Date. The determination of whether or not the Merchant Validation Conditions Precedent have been satisfied shall be made as of the anniversary of the Test Date. If such determination indicates that any change in the Parking Validation Program is necessary, the City shall provide thirty (30) days notice of such change to the Committee, and the change shall be implemented by the City as of the date which is forty-five (45) days after such anniversary. The Retail Owner shall obtain from the F&N Owner and the Occupants of the Nordstrom Properties the information required pursuant to Section 8.2(b) above and shall provide such information to the City within five (5) days after each Test Date.

ARTICLE 9

PARKING RATES

9.1 Introduction. One of the primary reasons for the City's involvement in the Parking Garage is to provide additional, convenient, short-term parking in downtown Seattle. The City is committed to operating the Parking Garage, including the setting of parking rates, so as to encourage short-term parking downtown, consistent with the City's financial responsibilities to meet all costs associated with the Parking Garage. In addition, the City also recognizes the importance of activity in downtown Seattle during evenings and on weekends for public safety and other public purposes, and is committed to encouraging evening and week-end parking to stimulate public activity in the downtown area. Parking rates shall be established pursuant to this Article 9 in a manner which is consistent with the goal of encouraging short-term parking in downtown Seattle. The provisions of Sections 9.1.1 through 9.1.5 are applicable to all of this Article 9.

9.1.1 Implementation Date. Several of the restrictions on Parking Rates outlined in Section 9.3 are based on the financial performance of the Garage in the prior year. The Parties recognize that a period of time will be required to determine the actual financial performance of the Garage for the prior year. In these cases, rate changes will be implemented by the Garage Owner no sooner than thirty (30) days following the completion of final unaudited financial statements showing the Parking Garage's Net Revenue after Debt Service for the previous operating year, and such rate changes shall remain in effect until further changed pursuant to this Article 9. The Garage Owner shall provide the Committee with thirty (30) days notice, together with supporting financial information relating to any rate change, prior to

implementing any rate changes that are related to the prior year's financial performance of the Parking Garage.

9.1.2 Notice Period for Other Rate Changes. Except as provided for in Section 9.1.1, the Garage Owner shall provide the Committee with sixty (60) days notice prior to any other rate increase imposed by the Garage Owner, together with supporting financial information relating to such rate change.

9.1.3 Rate Reductions. Nothing in this Agreement shall limit the ability of the Garage Owner to reduce parking rates at any time.

9.1.4 Rate Roundoffs. Notwithstanding any limitations in this Agreement, the Garage Owner may round off rates to the nearest Twenty-Five Cents (\$0.25) in order to simplify collection.

9.1.5 Rate Uniformity. All parking rates for the Parking Garage shall be uniform and generally applicable within the same category of customers.

9.2 Parking Rates Prior to Leasing Date. Before the Leasing Date, the Garage Owner shall set parking rates and charges for the Parking Garage to encourage short-term parking. Unless the Parking Garage is at Daytime Full Capacity or Evening Full Capacity, such rates shall not exceed those rates attached as Schedule A to this Agreement. If the Parking Garage is at Daytime Full Capacity, the Garage Owner may raise daytime parking rates at its discretion. If the Parking Garage is at Evening Full Capacity, the Garage Owner may raise evening parking rates at its discretion.

9.3 Parking Rates After the Leasing Date. After the Leasing Date, the Garage Owner shall have full authority to set parking rates subject only to the limitations expressly identified in this Agreement. In general, the Garage Owner shall set parking rates for the Parking Garage in the absence of other factors, so as to encourage short-term parking and use of the Parking Garage. The Garage Owner shall not raise parking rates if it appears probable that such an increase would result in lower revenue and significantly fewer cars parking in the Parking Garage. Rates for daytime, evening, weekend and Owner Valet Parking will be established in compliance with the requirements of Sections 9.3.1 and 9.3.2. Rates for Required Long-Term Parking will be established in compliance with the requirements of Section 9.3.3. Wholesale Valet charges for Special Use Valet parking will be established in compliance with the requirements of Section 9.3.4. As used in this Section 9.3, the term "First Lease Year" shall mean the period commencing on the Leasing Date and ending on the date twelve (12) full calendar months thereafter, the term "Second Lease Year" shall mean the period commencing on the first day following the last day of the First Lease Year and ending on the day that is twelve (12) full calendar months thereafter and the term "Third Lease Year" shall mean the period commencing the first day following the last day of the Second Lease Year and ending on the day that is twelve (12) full calendar months thereafter.

9.3.1 Parking Rates if Parking Garage not Full. Unless the Parking Garage is at Daytime Full Capacity or Evening Full Capacity, daytime, evening, weekend, and Owner

Valet parking rates shall be established as follows and shall be implemented as described in Section 9.1.1.

9.3.1.1 Parking Rates for the First Lease Year. For the First Lease Year rates shall not exceed those shown on Schedule B plus an adjustment to reflect changes in the Index between the Beginning Index and the Index published most recently prior to the earlier to occur of the Leasing Date or the date that the City locks-in the rate of interest that will be charged on the financing of the acquisition of the Parking Garage by the City.

9.3.1.2 Parking Rates for the Second Lease Year. For the Second Lease Year, parking rates will depend on the financial performance of the Parking Garage during the First Lease Year. If the Parking Garage Net Revenue after Debt Service for the First Lease Year shows a loss of One Hundred Thousand Dollars (\$100,000) or more, the Garage Owner may set parking rates at its discretion. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the First Lease Year shows a profit or shows a loss of less than One Hundred Thousand Dollars (\$100,000), the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed fifty percent (50%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will Garage Owner be required to reduce rates below those actually charged during the First Lease Year.

9.3.1.3 Parking Rates for the Third Lease Year. For the Third Lease Year, parking rates will depend on the financial performance of the Parking Garage during the Second Lease Year. If the Parking Garage Net Revenue after Debt Service for the Second Lease Year shows a loss of Three Hundred Eighty-Five Thousand Dollars (\$385,000) or more, the Garage Owner may set parking rates at its discretion. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the Second Lease Year shows a profit or shows a loss of less than Three Hundred Eighty-Five Thousand Dollars (\$385,000), the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed fifty percent (50%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will the Garage Owner be required to reduce rates below the rates actually charged during the First Lease Year.

9.3.1.4 Parking Rates For Subsequent Years. For each year following the Third Lease Year, parking rates will depend on the financial performance of the Parking Garage during the previous Lease Year. If the Parking Garage Net Revenue after Debt Service for the previous year is zero or is a loss of any amount, the Garage Owner may set parking rates at its discretion, consistent with a commitment to encourage short-term parking in and use of the Parking Garage. Except as provided in Section 9.3.2 hereof, if the Parking Garage Net Revenue after Debt Service for the previous year shows a profit, the Garage Owner shall set rates such that daytime (daily and weekend) parking charges do not exceed eighty percent (80%) of market rates, evening parking charges do not exceed eighty (80%) of market rates, and Owner Valet charges do not exceed one hundred percent (100%) of market rates. Notwithstanding the foregoing, in no case will Owner be required to reduce rates below those

charged during the First Lease Year. If the City ceases to be the Garage Owner, and subject to Section 9.3.2, daytime (daily and weekend) parking charges shall not exceed eighty percent (80%) of market rates, evening parking charges shall not exceed eighty (80%) of market rates, and Owner Valet charges shall not exceed one hundred percent (100%) of market rates.

9.3.2 Parking Rates if the Parking Garage is Full. Notwithstanding any other provision of this Agreement to the contrary, if during any year after the Leasing Date, the Parking Garage is operating at Daytime Full Capacity, the Garage Owner may henceforth set daytime (daily and weekend) rates and Owner Valet parking rates at any level, provided that the Garage Owner reasonably expects that the new rates will not cause the Parking Garage to operate more than seven percent (7%) below Daytime Full Capacity during the subsequent twelve (12) months. If during any year after the Leasing Date, the Parking Garage is operating at Evening Full Capacity, the Garage Owner may henceforth set evening parking rates at any level, provided that the Garage Owner reasonably expects that the new rates will not cause the Parking Garage to operate more than seven percent (7%) below Evening Full Capacity during the following twelve (12) months.

9.3.3 Required Long-Term Parking Rates. The Garage Owner shall set rates for Required Long-Term Parking, including Monthly Long-Term Parking Contracts and Special Use Long-Term Parking Contracts. These rates shall not exceed one hundred percent (100%) of average market rates for similar parking in the Seattle downtown core.

9.3.4 Special Use Valet Rates. The Garage Owner shall set charges for providing the Special Use Valet Parking spaces called for in this Agreement, which shall be known as "Wholesale Valet Charges." Wholesale Valet Charges shall be expressed as a cost per stall per day. The Garage Owner may raise Wholesale Valet Charges from time to time, to a rate per stall per day which shall not exceed the sum of (i) the annual debt service on the Parking Garage plus (ii) the other fixed costs of maintaining and operating the Parking Garage, divided by the product of (a) 1,200 times (b) (365) (but in setting such Wholesale Valet Charges, the Garage Owner shall consider, among other factors, the impact that such charges will have upon the use of the Parking Garage). The actual fixed costs of maintaining and operating the Parking Garage for the prior twelve month period, shall be used for purposes of establishing the fixed costs of maintaining and operating the Parking Garage. Prior to the Leasing Date, Wholesale Valet Charges shall not exceed market rates for wholesale valet parking stalls in downtown Seattle.

ARTICLE 10

VALET PARKING

10.1 Introduction. The Garage Owner shall provide space to valet park 240 cars in the Parking Garage in the areas designated on the Approved Plans and Specifications. All designated valet sections located in the highest elevation of the Parking Garage shall be used before valet sections in lower elevations of the Parking Garage.

10.2 Owner Valet Service. The Garage Owner shall offer valet parking on a first-come first-served basis to the general public (the "Owner Valet Service") through the Owner Valet Operator selected by the Garage Owner pursuant to the selection criteria set forth in Section 6.2. Such valet service shall be located at the Concourse valet drop-off and pick-up locations designated on the Approved Plans and Specifications, and on the block immediately to the west of the Parking Garage. The incremental cost of providing the more than one valet location on the block to the West of the Parking Garage shall be charged solely to the F&N Owner. The Garage Owner shall accept towards payment of the valet parking charge, parking validation tokens, coupons, vouchers or other credits being offered through the Parking Validation Program. Valet parking demand relating to the Owner Valet Service shall be monitored by the Owner Valet Operator such that designated Owner Valet Service valet spaces not in use by valet customers shall, where practicable, be released for short-term, self-parking customers.

10.3 Special Use Valet Parking. Notwithstanding anything to the contrary in this Agreement and subject to the "special use" restrictions listed in Article 4 hereof, the Garage Owner shall, upon the request of either Retail Owner or the F&N Owner, lease to the Retail Owner and/or the F&N Owner for operation by a valet parking operator selected by the Retail Owner and/or the F&N Owner (as the case may be) a portion of the valet areas designated on the Approved Plans and Specifications to be used by or on behalf of the Retail Owner and/or the F&N Owner for valet parking for their respective customers ("Special Use Valet Parking"). Such valet parking services, shall comply with the following conditions:

10.3.1 Number of Spaces Allocated to Special Use Valet Parking. The total number of spaces to be available to or on behalf of Retail Owner and/or the F&N Owner for Special Use Valet Parking shall not exceed 60 and shall in any case be subject to the restriction set forth in Section 4.2 above.

10.3.2 Location of Special Use Valet Parking. Retail Owner and/or the Occupant of the F&N Building shall agree in advance to lease specific valet blocks by section or partial section where a logical break occurs. Valet blocks located in the highest elevation in the Parking Garage shall be rented before blocks in lower elevations. In addition, the location of the Special Use Valet Parking pick-up areas which are to be located within the Systems Block and the location and size of the areas within the Parking Garage to be used for such valet parking services shall be limited to the specific locations therefor as shown on the Approved Plans and Specifications.

10.3.3 Term of Special Use Valet Parking Leases. Special Use Valet Parking spaces shall be rented for a term of thirty (30) days or more with the right to renew such monthly lease on five days written notice to the Garage Owner.

10.3.4 Valet Parking Rates. Valet parking rates charged to valet parking patrons by Occupants of the Complex who utilize the Special Use Valet Parking Spaces, may be set at the discretion of the Retail Owner or the F&N Owner (as the case may be) utilizing the Special Use Valet Parking Spaces, except that such rates shall not be lower than the valet parking rates charged by the Owner Valet Operator.

10.3.5 Indemnification and Insurance. The operator operating the Special Use Valet Parking (the "Special Use Valet Parking Operator") shall (i) defend, indemnify and hold harmless the Garage Owner from and against all claims and all costs, expenses and liabilities (including reasonable attorneys' fees) incurred in connection with the operation of the Special Use Valet Parking, (ii) carry contractual liability insurance in an amount at least equal to Ten Million Dollars (\$10,000,000.00) covering its obligations pursuant to subsection (i) above naming the Garage Owner as an additional insured, and (iii) carry comprehensive general liability insurance, including an automobile liability endorsement in an amount of at least equal to Ten Million Dollars (\$10,000,000.00) naming the Garage Owner as an additional insured. The minimum insurance coverage amounts set forth above shall be subject to review by the Parties on the fifth anniversary of the Garage Opening Date, and on each subsequent fifth anniversary during the term of this Agreement in order to determine the adequacy of such amounts in light of the then existing circumstances.

ARTICLE 11

REPORTS

11.1 Reports. The Garage Owner shall, within forty-five (45) days after each anniversary of the Leasing Date, deliver to the Committee annual financial reports with respect to the Parking Garage, in such detail as is reasonably required to provide the Parties to this Agreement information necessary to determine Gross Receipts, Net Revenue, Operating Expenses, Parking Garage Debt Service and the profit or loss earned or incurred by the Garage Owner from the operation of the Parking Garage during the preceding twelve month period and to establish the fixed and variable costs of operating the Parking Garage. Such report shall be certified by the chief financial officer of the Garage Owner. In addition, the Garage Owner shall deliver to the Committee all reports received by the Garage Owner from the Parking Garage Operator and the Owner Valet Operator promptly following their receipt by the Garage Owner.

ARTICLE 12

DEFAULTS AND REMEDIES

12.1 Failure of Performance - Cure by Condominium Association.

(a) If any Party to this Agreement or the Parking Garage Operator shall fail or neglect to perform any act or thing herein required to be performed by it hereunder pursuant to Article 3 or Sections 7.1.2 through 7.1.12, Section 7.1.15, Section 7.2, Annex 2, or other failures by such Person to perform physical maintenance of the Parking Garage in accordance with Section 7.1, and such failure shall continue for a period of thirty (30) days following notice from a Party to this Agreement or the Condominium Association specifying the act or thing to be performed and the Party is not in good faith diligently working to cure any such default, then the Condominium Association may (but shall not be required to) perform or pay the same, and the defaulting Party on demand, shall reimburse the Condominium Association for the cost thereof within forty-five (45) days after written demand therefor.

(b) If the Condominium Association or its representatives shall reasonably deem that an emergency is occurring or has occurred so that a failure to perform an obligation hereunder requires immediate curing, then only such notice as is hereinafter provided shall be required, and the Condominium Association may act promptly and take such action as is necessary to cure the alleged default. In performing any action pursuant to this Section, the Condominium Association shall act with reasonable promptness, shall make a reasonable attempt to notify the defaulting Party or its representative as soon as reasonably possible, and shall give notice to all other Parties of such cure of the alleged default. Such notice, notwithstanding any other provision of this Agreement, need not be in writing if the giving of a written notice would not be reasonably possible under the circumstances, so long as such notice is given to a responsible official of each of the other Parties. Telephonic notice shall be followed by written confirmation as soon as reasonably possible.

(c) If the Condominium Association commences to cure an alleged default, it shall prosecute any work performed by it under this Section diligently to completion.

(d) Garage Owner and Retail Owner shall cause the Condominium Declaration to provide for the right of the Condominium Association to exercise the remedies described in this Section 12.1, and such provisions of the Condominium Declaration shall not be amended without the prior written consent of the Parties to this Agreement.

12.2 Remedies. Each of the Parties shall have the right, in the event of an uncured failure or neglect by another Party to this Agreement to perform such Party's covenants and obligations under this Agreement, subject to the expiration of all cure rights provided for in Section 12.1, to exercise any or all rights and remedies available to it in law or equity including, without limitation, a suit for damages or the institution of proceedings for specific performance, and an injunction to compel such Party to observe or perform its covenants and obligations hereunder.

ARTICLE 13

ATTACHMENT 2

SECOND AMENDMENT TO PARKING AGREEMENT

This Second Amendment to Parking Agreement ("Second Amendment") is made and entered into as of _____, 1998 by and among Pine Street Development L.L.C., a Washington limited liability company ("PSD") and Community Development Properties, King County II, Inc., a Delaware non-profit corporation ("CDFP"), The City of Seattle, a first class city of the State of Washington (the "City"), and Nordstrom, Inc., a Washington corporation ("Nordstrom").

RECITALS

- 1. On April 1, 1996, the parties to this Second Amendment entered into a Parking Agreement ("Parking Agreement") describing the operation and management of the Parking Garage (as defined in the Parking Agreement) located between Pine and Olive Streets and Sixth and Seventh Avenues in downtown Seattle, Washington.
2. The Parking Agreement contemplated amendments as necessary to permit interest on obligations issued by the City in connection with the beneficial transfer of the Parking Garage to the City to be tax-exempt.
3. On June 29, 1998, the parties to this Second Amendment entered into the First Amendment to Parking Agreement ("First Amendment") to modify the parking rate schedules contained in the Parking Agreement.
4. The parties to this Second Amendment desire to further amend the Parking Agreement to ensure that debt that may be incurred by the City to finance the beneficial transfer of the Parking Garage to the City complies with federal law regarding tax-exempt debt.

NOW, THEREFORE, for good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, the parties amend the Parking Agreement as follows:

AGREEMENT

- 1. Parking Oversight Committee. Section 2.2 is amended to read as follows:

Purpose of Committee. The purpose of the Committee is solely to provide guidance and advice to the Garage Owner on matters related to Parking Garage operation. Except as provided in this Agreement or in the Parking Covenants, the Garage Owner shall make operational decisions relating to

NOTICE: IF THE DOCUMENT IN THIS FRAME IS LESS CLEAR THAN THIS NOTICE IT IS DUE TO THE QUALITY OF THE DOCUMENT.

the Parking Garage subject only to the provisions of this Agreement, the Parking Covenants and applicable law. If the Committee gives advice to the Garage Owner, the Garage Owner shall consider the advice of the Committee before taking action on the subject about which such advice was given, but shall be free to accept or reject such advice in whole or in part in making operational decisions relating to the Parking Garage.

- 2. Maintenance and Operation. Section 7.1.1 is amended to read as follows:

To meet the parking needs of the general public, including visitors, customers and employees carrying on activities in the downtown Seattle retail core, the Parking Garage shall be operated and open for public parking on each day at least forty-five minutes (3/4 hour) before the opening of the earliest to open of: (a) the F&N Owner (or any portion thereof), (b) any Occupant of the Complex (or any portion thereof), or (c) other reasonably representative establishments in the downtown Seattle retail core selected by the Garage Owner, and shall remain open at least until one and one half (1.5) hours after the latest to close of: (a) the F&N Owner (or any portion thereof), (b) any Occupant of the Complex (or any portion thereof), or (c) other reasonably representative establishments in the downtown Seattle retail core selected by the Garage Owner. The Garage Owner may extend the operating hours of the Parking Garage beyond the minimum hours listed above. Vehicles with Monthly Long-Term Parking Contracts or Special Use Long-Term Parking Contracts, or subcontracts under the Special Use Long-Term Parking Contracts shall have access to the Parking Garage on a 24-hour-a-day basis.

- 3. Parking Incentive and Validation Programs

A. The title of Article 8 is amended to read "Parking Incentive and Validation Programs".

- B. Section 8.1 is amended to read as follows:

Overview. The Parties to this Agreement recognize that participation in a parking incentive and/or validation program ("Parking Validation Program") will help to relieve traffic congestion and improve traffic circulation in downtown Seattle, will help to revitalize downtown Seattle, and will increase both the volume of short-term parking in the

Parking Garage and the related Parking Garage revenues accruing to the Garage Owner.

C. Section 8.2 is amended to read, in its entirety, as follows:

Validation Conditions. The Developer and Retail Owner shall use reasonable and diligent efforts to encourage Occupants of the Systems Block and retail and entertainment Occupants of the Nordstrom Properties to participate in the existing Parking Validation Program operated by the Downtown Seattle Association, which already has approximately 300 participants, or other similar downtown associations that might replace the Downtown Seattle Association (the "Program Sponsor"). Because of the additional volume of short-term parking and related Parking Garage revenues that reasonably can be expected to be produced by participation in a Parking Validation Program (over and above the volume of short-term parking and related revenues that would otherwise accrue to the City but for such participation), the City as Garage Owner agrees to participate in a Parking Validation Program; provided, that (a) the Parking Validation Program is open to participation by any establishment in downtown Seattle; (b) there is no difference in the non-discounted parking rates for Parking Garage use: presenting tokens and those not presenting tokens; and (c) the payment by the Program Sponsor or its bank to the City on behalf of the Parking Garage user (through redemption of the token or tokens) shall be at the same rate as for any other garage owner participating in the Parking Validation Program (currently ninety cents (\$0.90) for each one dollar (\$1.00) in nominal value of tokens, and which shall not be less than seventy-five cents (\$0.75) for each one dollar (\$1.00) in nominal value of tokens), which the Parties agree reflects a reasonable and customary volume discount in connection with the additional short-term parking and related revenues reasonably expected to be produced through participation in a Parking Validation Program.

4. **Parking Rates.** Section 9.1 is amended to read as follows:

Introduction. One of the primary reasons for the City's involvement in the Parking Garage is to provide additional, convenient, short-term parking in downtown Seattle. The City is committed to operating the Parking Garage, including the setting of parking rates, so as to encourage short-term

parking downtown, consistent with the City's financial responsibilities to meet all costs associated with the Parking Garage. In addition, the City also recognizes the importance of activity in downtown Seattle during evenings and on weekends for public safety and other public purposes, and is committed to encouraging evening and weekend parking to stimulate public activity in the downtown area. Parking rates shall be established pursuant to this Article 9 in a manner which is consistent with the City's goals of: (a) encouraging short-term parking and related public activity in downtown Seattle, and (b) operating the Garage in a fiscally prudent manner principally to provide affordable parking to the general public to the greatest practicable extent consistent with the City's obligations to meet operation and maintenance expenses, debt service requirements, and renewal and replacement needs of the Parking Garage. The sole purpose of this Article 9 is to evidence, in financial terms that are consistent with the City's financial responsibilities as owner of the Parking Garage, the limited extent to which the City is willing to encourage short-term parking and related public activity that is beneficial to the public health and welfare of the City by providing a parking facility that is available for use by members of the general public at rates that in certain circumstances may be lower than prevailing market rates. Nothing in this Article 9 shall be deemed to confer upon the Committee, the Retail Owner, the F&N Owner or any Occupant of the Complex other than the City, so long as the City is the Garage Owner, any right to control or approve parking rates for use of the Parking Garage. The provisions of Section 9.1.1 through 9.1.5 are applicable to all of this Article 9.

Sections 9.1.1 through 9.1.5 are unchanged.

5. **Valet Parking.** Section 10.2 is amended to read as follows:

Owner Valet Service. The Garage Owner shall offer valet parking on a first-come first-served basis to the general public (the "Owner Valet Service") through the Owner Valet Operator selected by the Garage Owner pursuant to the selection criteria set forth in Section 6.2. Such valet service shall be located at the Concourse valet drop-off and pick-up locations designated on the Approved Plans and Specifications. The Garage Owner at its discretion also may offer valet parking on a first-come, first-served basis to the general public from any other suitable valet drop-off and pick-up location in downtown Seattle not served by any
