13. DAMAGE OR DESTRUCTION

If the Premises are partially or wholly destroyed or damaged by fire, earthquake, or other casualty, the City at its sole discretion may elect to repair, restore, or rebuild the Premises or any portion thereof, in which event the City shall promptly commence such repairs as will restore the Premises to the condition immediately preceding the casualty as nearly as reasonably possible. Notwithstanding the foregoing, if (i) more than fifty percent (50%) of the Premises are damaged as a result of the casualty; or (ii) repair and restoration cannot reasonably be completed within eighteen (18) months from the date of the casualty; (iii) the casualty occurs during the final two (2) years of the Term; or (iv) the insurance proceeds plus the deductible and any funds contributed by JPLBC are insufficient to restore the Premises; or (v) the City fails to notify JPLBC of the City's election to restore the Premises within 30 days after such casualty, then either JPLBC or the City may terminate this Agreement upon 30 days' written notice to other specifying the effective date of such termination, and in such event, JPLBC shall promptly deliver to the City all insurance proceeds payable on account of the damage to the building in which the Premises are located.

From the date of the casualty through completion of repairs (or termination of this Agreement, if applicable), the Use Fee shall be abated in the same proportion that the unusable portion bears to the whole of the Premises, as the City may reasonably determine, unless JPLBC's negligence or that of its agents, invitees, or guests, or JPLBC's breach of this Agreement caused or contributed to the casualty, in which event there shall be no abatement.

The City shall not be liable to JPLBC for damages, compensation, or other sums for inconvenience, loss of business, or disruption resulting from any repairs to or restoration of any portion of the Premises. In no event shall the City be required to repair or replace any equipment, inventory, fixture, or other personal property located on the Premises and owned or maintained by JPLBC or other users of the Premises.

14. CONDEMNATION

If any part of the Premises is taken or condemned, and a part thereof remains susceptible of occupation hereunder, this Agreement shall, as to the part so taken, terminate as of that date and title shall vest in the condemning authority. The Use Fee payable by JPLBC to the City shall be adjusted so that JPLBC shall pay only for that useable portion of square feet remaining after the condemnation, but in such event the City shall have the option to terminate this Agreement by notice to JPLBC within thirty (30) days of the date when title to the part so condemned vests in the condemning authority. If part or all of the Premises is taken or condemned, all compensation awarded upon such condemnation or taking shall go to the City, and JPLBC shall have no claim, and shall irrevocably assign and transfer to the City any right to compensation or damages payable by reason of the condemnation.

15. COMPLIANCE WITH LAW

15.1. General Requirements. JPLBC shall comply with all applicable laws of the United States and the State of Washington; the Charter and Ordinances of the City of Seattle; and rules, regulations, orders and directives of their administrative agencies and officers thereof now existing or hereafter enacted or promulgated. 15.3. Equality of Treatment. JPLBC shall conduct its business in a manner that assures fair, equal, and nondiscriminatory treatment at all times, in all respects, to all persons in accordance with all applicable laws, ordinances, resolutions, rules, and regulations. Any failure to comply with this provision shall be a material breach of this Agreement.

15.4. Nondiscrimination. JPLBC shall comply with all applicable equal employment opportunity and nondiscrimination laws of the United States, the State of Washington, and the City of Seattle, including but not limited to Chapters 14.04, 14.10, and 20.42 of the Seattle Municipal Code (SMC), as they may be amended; and rules, regulations, orders, and directives of the associated administrative agencies and their officers.

15.5. Prevailing Wages. JPLBC agrees that the undertaking of any construction, alteration, improvement, enlargement, repair, demolition, maintenance, and the performance of janitorial service activity by janitors, rug shampooers, floor waxers, and window cleaners is subject to the requirements of RC.W. 16.2. Hazardous Substances. JPLBC shall not cause to occur upon the Premises or permit the Premises to be used to generate, produce, manufacture, refine, transport, treat, store, handle, dispose, transfer, or process any hazardous substances, as defined by any State or Federal law, except in compliance with all applicable Laws and

16.3. Environmental Testing and Annual Inspection. JPLBC shall permit the City access to the Premises upon reasonable notice for the purpose of conducting annual inspections and environmental testing at the City's expense. JPLBC shall not conduct, or permit others to conduct, environmental testing on the Premises without the Superintendent's prior written approval. JPLBC shall provide a copy of all test results to the City upon receipt.

16.4. Violation of Environmental Standards. City's Remedial Rights. If JPLBC violates any of the conditions concerning the presence or use of hazardous substances or the handling or storing of hazardous wastes, JPLBC shall promptly take such action as is necessary to mitigate and correct the violation. If JPLBC does not act in a prudent and prompt manner, the City reserves the right, but not the obligation, to come onto the Premises and to take such action as deemed necessary to ensure compliance or to mitigate the violation. In addition, the City shall be entitled to full reimbursement from JPLBC for any costs resulting from the violation including, but not limited to, costs of clean-up or other remedial activities, fines, penalties assessed directly against the City, injuries to third persons or other properties, and loss of revenues resulting from an inability to allow other persons or entities to use or occupy the Premises due to its environmental condition as the result of JPLBC's violation (even if such loss of revenue occurs after the expiration or earlier termination of this Agreement).

17. LIENS AND ENCUMBRANCES

JPLBC shall keep the Premises free and clear of any liens and encumbrances arising or growing out of its use and occupancy of the Premises. If, because of any act or omission of JPLBC, any mechanic or other lien or order for payment of money shall

be filed against the Premises, JPLBC shall promptly notify the City of the same and, at JPLBC's sole expense, cause the same to be discharged or bonded within thirty (30) days after the date of notice of such filing. At the City's request, JPLBC shall furnish the City written proof of payment of any item that would or might constitute the basis for such a lien on the Premises if not paid.

18. RECORDS, BOOKS AND DOCUMENTS/REPORTING

- 18.1. Accounting Records.** JPLBC shall maintain books, records, documents and other evidence of accounting procedures and practices, which sufficiently and properly reflect all revenue as well as direct and indirect costs of any nature expended in the performance of this Agreement. These records shall be subject at all reasonable times to inspection, review, or audit in King County by personnel duly authorized by DPR, City, the Office of the State Auditor, and other officials so authorized by law, rule, regulation, or contract.
- 18.2. Annual Financial Report.** JPLBC shall submit to DPR an annual financial report of operations prepared by a reputable accounting firm or bookkeeper within ninety (90) days after the end of each of its fiscal years during the Term. Such annual report shall cover JPLBC's fiscal year and include all tests, findings and financial reports in accordance with generally accepted accounting procedures (GAAP). If DPR in its sole discretion is not satisfied in any way with the financial report provided by JPLBC, DPR may require, by not less than 90 days' prior notice to JPLBC, that such financial report be compiled by an independent certified public accountant.
- 18.3. Over and Under-payments.** If, through any audit or otherwise, JPLBC is found to have made any overpayment or underpayment hereunder, the Superintendent shall notify JPLBC of the amount of the over or under-payment. Any over-payment shall be a credit against any fees and charges subsequently due or shall be refunded to JPLBC, at its option; under-payments shall be immediately due and payable and shall be delinquent if not paid within ten (10) days after the date of such notice.
- 18.4. Retention of Records.** JPLBC shall retain all books, records, documents, and other material relevant for six (6) years after the expiration or termination of this Agreement, and make them available for inspection by persons authorized under this

Agreement at such times and on such forms as the City may require. The provisions of this Article shall survive the expiration or earlier termination of this Agreement.

19. ENTRY & INSPECTION OF PREMISES

DPR or its agents shall have the right to inspect and to show the Premises to other prospective users at all reasonable times, and to enter the same for purposes of cleaning, repairing, altering, or improving the Premises but this right shall impose no obligation on DPR to make any inspection, repair, or improvement.

20. SIGNS AND ADVERTISING

- 20.1. Signs, Generally.** Except for existing signs and except on one or more existing exterior bulletin boards, JPLBC shall not inscribe, post, place, or in any manner display any sign, notice, picture, poster, or any advertising matter whatsoever anywhere in or about the Premises without the Superintendent's prior written consent. - 20.4. Recognition.** When applicable, JPLBC shall include a statement in its printed materials stating, "We would like to thank Seattle Parks and Recreation for providing a location for the Jefferson Park Lawn Bowling Club." JPLBC shall also list DPR and the DPR logo in the "Thanks to our sponsors" section of its quarterly or other event schedule(s).

21. INSOLVENCY

If (i) JPLBC becomes insolvent and a receiver takes possession of all or any part of JPLBC's assets, or (ii) JPLBC makes a general assignment for the benefit of creditors, or (iii) JPLBC takes any action under any insolvency or bankruptcy act, and, if such action continues for a period of thirty (30) days, JPLBC shall be in breach of this Agreement, and DPR may, at its election and without notice, terminate

this Agreement. In that event, DPR shall be entitled to immediate possession of the Premises.

Any assignee or transferee approved by DPR must accept and assume, in writing, all the terms and conditions of this Agreement. Any transfer of this Agreement by merger, consolidation, transfer of assets, or liquidation shall constitute an assignment hereunder.
- 22.2. No Waiver.** The Superintendent's consent to any assignment or transfer shall not waive the need for consent to any subsequent assignment or transfer.

23. TERMINATION

23.1. Process for Termination of Agreement.

- **For Cause.** Either party may terminate this Agreement if the other party has materially breached the Agreement and such breach has not been corrected to the reasonable satisfaction of the dissatisfied party within the time stated in this Agreement or, if no time is stated, then within thirty (30) days after notice of breach has been provided to such other party. If, however, the nature of such party's obligation is such that more than thirty (30) days are required for performance, then such party shall not be in default if it commences performance within such thirty (30) day period and diligently seeks to remedy the default or deficiency.
- **For Reasons beyond the Control of the Parties.** Either party may terminate this Agreement without recourse by the other party where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as but not limited to: acts of nature; war or warlike operations; civil

commotion; riot; labor dispute including strike, walkout, or lockout; sabotage; or superior governmental regulation or control.

- **For DPR's Convenience.** If DPR determines at any time that the Premises should no longer be available for use by JPLBC, it may terminate upon ninety (90) days' written notice to JPLBC.
- **For JPLBC's Convenience.** If JPLBC determines, at any time, that the Premises are no longer required for its use, it may terminate Agreement upon ninety (90) days' written notice to DPR.

24. NOTICE OF TERMINATION

24.1. Notice of Termination. Notice of termination, other than conveniences of either party as mentioned in Section 23 above, shall be given, in writing, by the party terminating this Agreement to the other party not less than five (5) days prior to the effective date of termination.

24.2. City Remedies for Material Breach. If the City terminates this Agreement for cause, DPR, in addition to other rights or remedies that it may have, shall have the right to re-enter said Premises and to make necessary alterations and repairs to restore the Premises to the condition desired by DPR, and authorize others to temporarily use and occupy the Premises, all at JPLBC's cost and expense. No temporary use or relating of the Premises following JPLBC's material breach of this Agreement shall relieve JPLBC from liability for the Use Fees JPLBC is required to pay hereunder unless the Superintendent determines otherwise.

25. VACATING OF PREMISES

Upon the expiration or earlier termination of this Agreement, JPLBC shall return the Premises, together with all DPR-approved capital improvements made thereto and fixtures installed therein, in good condition, except for normal wear and tear, unless the City consents otherwise. All right, title and interest of JPLBC in the Premises including but not limited to the Improvements installed therein shall vest in the City without the need for any action by either party hereto except that JPLBC shall provide the City with a deed or bill of sale for the same at the City's request.

JPLBC shall remove any portable personal property that is easily removed and confirmed as JPLBC's and if there is damage to the Premises as a result of the removal, then JPLBC shall restore them to their pre-existing condition. If JPLBC fails to remove its personal property from the Premises, DPR shall have the right, but not the obligation, to remove the same and may store it in any place selected by DPR, including but not limited to a public warehouse, at JPLBC's sole expense and risk and such property shall be subject to sale, without notice to JPLBC, after it has been stored for a period of thirty (30) days or more. The proceeds of such sale shall be applied first, to the cost of such sale; second, to the payment of the charges for storage, if any; and third, to the payment of any other sums of money that may be due from JPLBC to the City. The balance, if any, shall be paid to JPLBC.

26. VISUAL ARTIST RIGHTS ACT

JPLBC shall not, without the prior, express, written consent of the Superintendent, install on or integrate into, or permit any other person or entity to install on or integrate into, any portion of the Premises any "work of visual art." The Superintendent's consent to the installation of any such artwork may be granted, granted upon one or more conditions, or withheld in the Superintendent's discretion.
- b. **JPLBC's Indemnification of City Against Liability under Visual Artists Rights Act of 1990.** If the Superintendent has not given such official consent to the installation or integration of any work of visual art on or into the Premises, JPLBC shall protect, defend, and hold the City harmless from and

Commercial General Liability (CGL) written on an occurrence form at least as broad as ISO CG 00 01, with Minimum Limits of Liability:

\$1,000,000 per Occurrence

\$2,000,000 General Aggregate

\$2,000,000 Products/Completed Operations Aggregate

\$1,000,000 Personal/Advertising Injury Liability

\$1,000,000 Damage to Premises Rented to You

Employers Liability / Washington Stop

\$1,000,000 Each Accident/Each Disease/Policy Limit

Alternatively, may be evidenced as Employer’s Liability insurance under Part B of a Workers Compensation insurance policy.

Coverage shall include: Premises and Operations; Broad Form Property Damage (Including Completed Operations); Liability assumed under an Insured Contract (including tort liability of another assumed in a business contract); Personal Injury and Advertising Liability; Independent Contractors; Severability of Interest Clause; Waiver of Subrogation endorsement in favor of Owner as required by contract; General Aggregate Limits of Insurance shall apply separately; “Claims Made” and “Modified Occurrence” policy forms are not acceptable.

The limits of liability described above are minimum limits of liability only. Regardless of provisions to the contrary under the terms of any insurance policy maintained by JPLBC, the specification of any such minimum limits shall neither be (1) intended to establish a maximum limit of liability to be

maintained by JPLBC regarding this Agreement, nor (2) construed as limiting the liability of any of JPLBC's insurers, which must continue to be governed by the stated limits of liability of the relevant insurance policies.

Automobile Liability insurance at least as broad as ISO CA 00 01 including coverage for owned, non-owned, leased or hired vehicles as applicable, with a minimum limit of \$1,000,000 each accident for bodily injury and property damage.

Workers' Compensation insurance securing JPLBC's liability for industrial injury to its employees in accordance with the provisions of Title 51 of the Revised Code of Washington.

Property Insurance under which the Jefferson Park Lawn Bowling Facility buildings and the JPLBC's furniture, trade fixtures, equipment and inventory ("Business Personal Property") and all alterations, additions and improvements that JPLBC makes to the Premises are insured throughout the Term in an amount not less than the replacement cost new thereof, against the following hazards: (i) loss from the perils of fire and other risks of direct physical loss (including earthquake for the buildings), not less broad than provided by the insurance industry standard "Causes of Loss - Special Form" (ISO form CP 1030 or equivalent); (ii) loss or damage from water leakage or sprinkler systems now or hereafter installed in or on the Premises; (iii) loss or damage by explosion of steam boilers, pressure vessels, or above-ground oil or gasoline storage tanks or similar apparatus now or hereafter installed on the Premises; (iv) loss from business interruption or extra expense, with sufficient coverage to provide for the payment of Rent and Additional Charge and other fixed costs during any interruption of JPLBC's business. Coverage shall contain a waiver of coinsurance or agreed amount endorsement(s). City shall be named as a loss payee, as its interest may appear, as respects property insurance covering the buildings and alterations, additions and improvements under such policy.

Crime Insurance: Crime Fidelity, Theft, Disappearance & Destruction Liability (to include Employee theft, wire transfer, forgery & mail coverage, and client coverage): with minimum limit \$250,000 per occurrence and in the aggregate. The policy shall cover "client's property," not just when legally liable and shall have a Joint Loss Payee Endorsement in favor of the City of Seattle.

In the event that the City deems insurance to be inadequate to protect JPLBC and the City, JPLBC shall increase coverages and/or liability limits as the City shall deem reasonably adequate within sixty (60) days after the date of written notice.

2. Terms and Conditions for JPLBC's Insurance.

The City of Seattle as Additional Insured: "The City of Seattle" shall be named as an additional insured under each policy required by this Agreement, using ISO form #CG 20 12, CG 20 26 or equivalent, and shall be given at least 45 days' prior notice of any change, cancellation, expiration or renewal of the policy. JPLBC's insurance shall be primary and non-contributory to any insurance maintained by or available to the City. The term "insurance" in this paragraph shall include insurance, self-insurance (whether funded or unfunded), alternative risk transfer techniques, capital market solutions or any other form of risk financing.

Endorsements Prohibited: JPLBC's insurance policy shall include a "separation of insureds" or "severability" clause that applies coverage separately to each insured and additional insured, except with respect to the limits of the insurer's liability. JPLBC's insurance policy shall not contain any provision, exclusion or endorsement that limits, bars, or effectively precludes the City of Seattle from coverage or asserting a claim under the JPLBC's insurance policy on the basis that the coverage or claim is brought by an insured or additional insured against an insured or additional insured under the policy. JPLBC's CGL policy shall NOT include any of the following Endorsements (or their equivalent endorsement or exclusions): (a) Contractual Liability Limitation, (CGL Form 21 39 or equivalent), b) Amendment Of Insured Contract Definition, (CGL Form 24 26 or equivalent), (c) Limitation of Coverage to Designated Premises or Project, (CGL Form 21 44 or equivalent), (d) any endorsement modifying or deleting the exception to the Employer's Liability exclusion, (e) any "Insured vs. Insured" or "cross-liability" exclusion, and (f) any type of punitive, exemplary or multiplied damages exclusion. JPLBC's failure to comply with any of the requisite insurance provisions shall be a material breach of, and grounds for, the immediate termination of the Agreement with the City of Seattle; or if applicable, and at the discretion of the City of Seattle, shall serve as grounds for the City to procure or renew insurance coverage with any related costs of premiums to be repaid by JPLBC or reduced and/or offset against the Agreement.

Cancellation Notice: Coverage shall not be cancelled without forty-five (45) day written notice of such cancellation, except ten (10) day written notice as respects cancellation for non-payment of premium, to the City at its notice address except as may otherwise be specified in Revised Code of Washington (RCW) 48.18.290 (Cancellation by insurer). The City and JPLBC mutually agree that for the purpose of RCW 48.18.290 (1) (b), for both liability and property insurance the City is deemed to be a “mortgagee, pledge, or other person shown by (the required insurance policies) to have an interest in any loss which may occur thereunder.”

Minimum Security Requirements: Each insurance policy required hereunder shall be (1) subject to reasonable approval by City that it conforms with the requirements of this Section, and (2) be issued by an insurer rated A–:VIII or higher in the then-current A. M. Best's Key Rating Guide and licensed to do business in the State of Washington unless procured under the provisions of chapter 48.15 RCW (Unauthorized insurers).

Deductible or Self-Insured Retention: Any deductible or self-insured retention (“S.I.R.”) must be disclosed to, and shall be subject to reasonable approval by the City. JPLBC shall cooperate to provide such information as the City may reasonably deem to be necessary to assess the risk bearing capacity of the JPLBC to sustain such deductible or S.I.R. The cost of any claim falling within a deductible or S.I.R. shall be the responsibility of JPLBC. If a deductible or S.I.R. for CGL or equivalent insurance is not “fronted” by an insurer but is funded and/or administered by JPLBC or a contracted third-party claims administrator, JPLBC agrees to defend and indemnify the City to the same extent as the City would be protected as an additional insured for primary and non-contributory limits of liability as required herein by an insurer.

JPLBC’s Fire/Legal Liability insurance: During such time as JPLBC is engaged in the performance of the Improvements or other renovation of the Premises, JPLBC shall maintain in full force and effect “All Risks” Builder’s Risk Property insurance or equivalent for the portion of the Premises under renovation, including fire and flood, on a replacement cost new basis subject to a deductible of no more than \$50,000 each loss. In the event of a claim under the builder’s risk policy, JPLBC or its contractor(s) shall be responsible for paying any deductible under the policy if JPLBC

or any of its agents, employees, or contractors is responsible for the loss or damage. It shall be JPLBC's responsibility to properly coordinate with the City's Risk Management Division the placement of Builder's Risk Property insurance prior to any new construction on, or structural alteration of, the Premises.

Waiver of Subrogation: Unless such waiver would void the property insurance coverage to be provided pursuant to this section, the City and JPLBC waive all subrogation rights each may have against the other, or any subtenant, for damages caused by fire or other perils to the extent covered by property insurance obtained pursuant to this section or other property insurance applicable to the Premises, except such rights as they have to proceeds of such insurance held by the City or the JPLBC or both as fiduciary. This waiver of subrogation shall be effective to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, whether or not the person or entity paid the insurance premium directly or indirectly, and whether or not the person or entity has an insurable interest in the property damaged.

Evidence of Insurance: On or before the Commencement Date, and thereafter not later than the last business day prior to the expiration date of each such policy, the following documents must be delivered to City at its notice address as evidence of the insurance coverage required to be maintained by JPLBC:

Certification of insurance documenting compliance with the coverage, minimum limits and general requirements specified herein; and

- A copy of all policies' declarations pages, showing the insuring company, policy effective dates, limits of liability and the Schedule of Forms and Endorsements specifying all endorsements listed on the policy including any company-specific or manuscript endorsements;
- A copy of the CGL insurance policy provision(s) and endorsements expressly including the City of Seattle and its officers, elected officials, employees, agents and volunteers as additional insureds (whether on ISO Form CG 20 26 or an equivalent additional insured or blanket additional insured policy wording), showing the policy number, and the original signature and printed name of the representative of the insurance company authorized to sign such endorsement;

Pending receipt of the documentation specified in this Section. JPLBC may provide a copy of a current complete binder. An ACORD certificate of insurance will not be accepted in lieu thereof.

Evidence of Insurance as set forth above, shall be issued to:

The certificate holder shall be:

The City of Seattle c/o Seattle Parks and Recreation
800 Maynard Avenue South, #300
Seattle, WA 98134
with an electronic copy to terri.burns@seattle.gov

Assumption of Property Risk: The placement and storage of JPLBC's Business Personal Property in or about the Premises shall be the responsibility, and at the sole risk, of JPLBC.

Adjustments of Claims: JPLBC shall provide for the prompt and efficient handling of all claims for bodily injury, property damage or theft arising out of the activities of the JPLBC under this Agreement.

JPLBC's Responsibility: The procuring of the policies of insurance required by this Agreement shall not be construed to limit the JPLBC's liability hereunder. Notwithstanding said insurance, the JPLBC shall be obligated for the full and total amount of any damage, injury or loss caused by negligence of the JPLBC, or any of its agents, officers and employees or through use or occupancy of the Premises.

EXHIBIT “E” PUBLIC BENEFIT AND REPORTING REQUIREMENTS

Jefferson Park Lawn Bowling Clubhouse and Green is managed by Jefferson Park Lawn Bowling Club (JPLBC) through a long-term agreement with the Department of Parks and Recreation (DPR). The mutually beneficial relationship between DPR and the JPLBC aligns with DPR’s vision of creating “healthy people, healthy environment and strong communities.”

JPLBC maintains the clubhouse and green as well as promotes active recreation within the community by managing opportunities to participate and enjoy lawn bowling and access to the clubhouse.

The partnership with JPLBC saves the City annually in grounds maintenance and facility management cost (2017 valued at \$330,000). In exchange, the City provides the space to JPLBC for lower-than-market rent and requires that JPLBC provide additional public benefits to the community.

Public Benefit

JPLBC public benefits are to provide free access to the facility and greens, community outreach, lessons, rentals, and to maintain and make improvements to the clubhouse and greens. JPLBC can use paid or volunteer time to provide these services to the community. The service labor, either paid or volunteer, to provide these services to the community, can be counted towards their annual public benefits. The service value for all volunteer hours will be calculated using the Washington State value of Volunteer Time (Volunteer Rate) as reported on the Independent Sector. The Independent Sector will be used to determine the hourly value for each hour submitted on the public benefit report. The Volunteer Rate for 2017 is \$24.14 which is being used to demonstrate the monetary value of service that the volunteers provide.

Listed below is the public benefit provided by the JPLBC described more in depth with a minimum commitment per year that the JPLBC and DPR agreed would be appropriate value for the use of the Jefferson Park Lawn Bowling Green and Facility.

1) Public Drop-in Access to the Greens and Clubhouse:

JPLBC will provide drop-in access to the greens and clubhouse for the public to play lawn bowling which includes lessons, if needed. The days and times for public access will be consistent and predictable. The public drop-in hours will be posted on their website. JPLBC will provide a minimum of 150 drop-in hours per year which will require a minimum of 300 hours of paid or volunteer support. Service Value for Drop-In Access is determined by the annual cost to operate facility divided by public access hours to determine hourly value. In 2017 the hourly amount calculated to provide service is \$21.40 per hour. The Volunteer Value is calculated using the 2017 rate of \$24.14 per hour.

Service Value: \$3,210.00

Volunteer Value: \$7,242.00

2) Community Outreach

Jefferson Park Lawn Bowling Club will provide outreach to organizations whose mission is to serve low-income youth, underrepresented communities, seniors, including low-income housing providers and/or other nonprofits. Each organization in the Priority Audience will receive an annual invitation to receive a free group lesson and/or the use of the space as a meeting facility from JPLBC. Any organization not listed in the Priority Audience who has similar mission as those listed will also be able to receive a free group lesson and/or the use of the space as a meeting facility. JPLBC will promote this opportunity on their website and other marketing materials and in signage posted at the JPLBC. In addition, DPR will provide information to the public about such lessons and the use of the space as a meeting or event facility on the DPR Public Benefits website, neighborhood blogs, at community centers and other DPR facilities, libraries, and neighborhood service centers. DPR will work with the Department of Neighborhoods in disseminating this information. JPLBC is required to provide a minimum of 20 hours of paid or volunteer support to provide this service.

JPLBC will make initial contact with the organizations listed below. This is in addition to the broader outreach efforts referenced in the paragraph above.
