

Proposed Amendment 1 to Resolution 31808

Section 1, first sentence, insert the word “vehicle” between the words for-hire and companies.

Section 1. The City Council requests that taxicab companies, for-hire vehicle companies, and transportation network companies (TNCs) provide the Director of Finance and Administrative Services the following data for each driver associated with each company at any time in calendar year 2017: the total number of hours the driver worked, or in the case of TNCs, were active on the companies’ platform, the total duration of trips the drivers completed, the total value of the fares charged, and the total compensation to each driver for calendar year 2017.
