Environment

<u>Bill Details</u>	<u>Status</u>	<u>Sponsor</u>
<p>Low Carbon Fuel Standard</p> <p><u>E2SHB 1110</u> Directs the Department of Ecology to adopt a rule establishing a Clean Fuels Program (Program) to limit greenhouse gas emissions per unit of transportation fuel energy to 10 percent below 2017 levels by 2028 and 20 percent below 2017 levels by 2035.</p> <p>Passed the House 52-44 on 1/30</p>	S Environment, En	Fitzgibbon

On-demand transportation emissions

H Approps

Fitzgibbon

[SHB 2310](#)
(SB 6399)

Reducing emissions from vehicles associated with on-demand transportation services. Requires certain service providers arranging for the transportation of people and food delivery to submit information to the Department of Ecology regarding vehicle miles driven and greenhouse gas emissions. Requires providers develop plans to meet greenhouse gas emission reduction goals by 2023. Requires providers to develop plans to minimize financial impacts to drivers.

Community property/clean energy

H Approps

Duerr

[SHB 2405](#)
(SB 6222)

Creates a commercial property assessed clean energy and resiliency (C-PACER) program that facilitates a partnership for the financing of energy efficiency retrofits and new construction. Authorizes a capital provider (private entity) to provide financing for qualifying capital improvements such as energy efficiency, water conservation, renewable energy, and resiliency projects which are repaid through assessments on property.

Greenhouse gas emissions

H Env & Energy

Fitzgibbon

* [HB 2892](#)

Revises the definitions of emission standard to include direct or indirect releases of emissions of contaminants into the ambient air. Authorizes the Department of Ecology to require persons who produce or distribute fossil fuels that emit greenhouse gases to comply with air quality and emissions standards or emission limits on greenhouse gases.

Upcoming Events: Environment & Energy (House) Public Hearing 2/3 @ 1:30 pm, Environment & Energy (House) Exec Session 2/4 @ 3:30 pm

Heating oil insurance

S 2nd Reading

Wellman

[SSB 6256](#)
(SHB 2424)

Directs the Pollution Liability Insurance Agency (PLIA) to design and implement a process to close out existing claims under the Heating Oil Pollution Liability Insurance Program. Prohibits the Heating Oil Pollution Liability Insurance Program from registering heating oil tanks for coverage after July 1, 2020. States the intent of the Legislature that the Underground Storage Tank Revolving Loan and Grant Program be used to assist owners and operators of heating oil tanks to remediate past releases and prevent future releases. Modifies the circumstances in which the State Treasurer may transfer funds from the Pollution Liability Insurance Program Trust Account into the PLIA Underground Storage Tank Revolving Account.

Upcoming Events: Capital Budget (House) Public Hearing 2/4 @ 8:00 am, Capital Budget (House) Exec Session 2/6 @ 1:30 pm

General Government**Bill Details****Status****Sponsor**[HB 2414](#)**Digital equity**

H Inn, Tech & E

Gregerson

Modeled after the federal bill, this bill would address broadband adoption and would support local digital inclusion plans and efforts, reaching vulnerable populations.

Facial recognition services

S Rules 2

Nguyen

Concerning the use of facial recognition services. Requires state or local government agencies (agencies) to develop an accountability report and an annual report that meet certain requirements on the use of a facial recognition service (service). Specifies agency requirements regarding public notification, testing prior to deployment, independent testing for accuracy across distinct subpopulations, and service operator training. Prohibits the use of a service for ongoing surveillance, except in support of law enforcement and pursuant to a search warrant or agency director determination under certain conditions. Specifies disclosure and record keeping requirements. Establishes a facial recognition task force.

[SSB 6280](#)**Personal data**

S Ways & Means

Carlyle

2020 Privacy Act. Provides Washington residents with the consumer personal data rights of access, correction, deletion, data portability, and opt out of the processing of personal data for specified purposes.

[SSB 6281](#)**Health Care****Bill Details****Status****Sponsor****Opioid reversal co-prescription**

H HC/Wellness

Macri

[HB 2337](#)
(SB 6447)

The bill would require a practitioner that prescribes a patient an opioid of 50 morphine milligrams or greater to also prescribe the patient an opioid overdose reversal (OOR) medication, or confirm the patient has a current prescription for OOR medication.

Mental health coverage

H HC/Wellness

Macri

[HB 2338](#)

Prohibiting discrimination in health care coverage. Expands health coverage mental health parity requirements. Expands health insurance nondiscrimination provisions.

Ambulance quality assurance fee

H Approps

Tharinger

[*HB 2846](#)
(SB 6534)

Creating an ambulance transport quality assurance fee. The fee will be used to provide additional reimbursement to ambulance transport providers, support quality improvement efforts, and pay for administrative costs.

Upcoming Events: Appropriations (House) Public Hearing 2/5 @ 3:30 pm, Health & Long Term Care (Senate) Exec Session 2/3 @ 1:30 pm

Lovelett

[SSB 6309](#)

Expanding access to nutritious food. Subject to available funds, the DOH must distribute a fruit and vegetable benefit of at least \$32 per summer farmers market season to each eligible participant in the WIC Farmers' Market Nutrition Program.

[SSB 6313](#)

Allows persons to vote in a primary election if they are 17 years old, but will be 18 by the general election. Requires that DOL provide an automated process for 16 and 17 year olds to sign up to register to vote. Requires that public universities, if requested by the student government, and certain public university branch campuses open student engagement centers to provide ballots.

Transportation

Bill Details

Status

Sponsor

Local transportation revenue

H Trans

Ramos

[HB 2362](#)
(SB 6652)

Creates a new 2 percent transportation utility tax, increases in the existing transportation benefit district sales tax authority to 0.4 percent and makes it councilmanic, and allows local governments to impose a five cent gas.

Auto. traffic safety cameras

S Transportation

Liias

Establishing additional uses for automated traffic safety cameras for traffic congestion reduction and increased safety.

[SB 5789](#)
(ESHB 1793)

Allows automated traffic safety cameras to be used to detect the following: Stoplight violations; railroad crossing violations; stopping when traffic obstructed violations; stopping at intersection or crosswalk violations; public transportation only lane violations; stopping, standing, or parking violations at locations restricted for emergency response vehicle entry or exit or the boarding or disembarking of public transportation vehicles, including public ferries. Specifies that a public transportation vehicle is any motor vehicle, streetcar, train, trolley vehicle, ferry boat, or other device, vessel, or vehicle owned or operated by a transit authority that is used for carrying passengers and that operates on established routes.

Councilmember Strauss, Chief Scoggins (SFD), and Captain Sean O'Donnell (SPD) testified in support at the public hearing in the Senate last week. The House version passed 56-40 on 1/30.

Regional transit authorities

S Transportation

Liias

*[SB 6606](#)

Requires Sound Transit to transition from the 1996 car tab valuation schedule to the 2006 valuation schedule, which would reduce ST revenue by \$1 billion, or \$2.9 billion long term if they bond to replace the immediate lost revenue. Retains the existing 1.1% MVET that was repealed by I-976. By making a legislative change to an Initiative the bill requires a 2/3 vote of the Legislature.

Upcoming Events: Transportation (Senate) Public Hearing 2/4 @ 3:30 pm
