- Recommends that the Council not pass CB 119377, which would reestablish a Business License Tax (B&O Tax) deductibility of income received by life science research organizations from grants, contracts, and sub-awards from government sources. The City offered this same deduction for 5 years (June 2012 – June 2017) under Ordinance 123877. This will increase general fund revenues in 2019 by \$400,000 and \$500,000 in 2020. GS 30-4-B-1 proposes to use \$150,000 from these revenues in 2019. This green sheet would use the remaining \$250,000 in 2019 and \$500,000 in 2020. Green sheets 33-6-C-1, 41-1-A-1, and 42-8-A-1 also propose use of this resource. If green sheet 33-6-C-1 or green sheet 42-8-A-1 pass, this green sheet would not be balanced. If green sheet 41-1-A-1 passes, this green sheet could be unbalanced;
- Requires that the Seattle Fire Department (SFD) modify their vendor contracts for staffing at special events to achieve cost recovery, that would result in increases general fund revenues of a minimum of \$300,000 in both 2019 and in 2020. Green sheet 33-6-C-1, 41-4-A-1, and 42-5-A-1 also propose to use this resource; if either 33-6-C-1 or 42-5-A-1 pass, this green sheet would not be balanced. If green sheet 41-1-A-1 passes, this green sheet could be unbalanced; and
- Requires passage of green sheet 36-3-A-1 that would free up \$406,000 from the 2003 Fire Facilities Fund (34440) ending unreserved fund balance. Green sheets 14-94-A-2, 15-5-B-1, 15-21-A-1, 33-6-B-1, 33-6-C-1, and 41-1-A-1 also propose use of the resources freed up in green sheet 36-3-A-1; if 14-94-A-2, 15-5-B-1, 15-21-A-1, 33-6-B-1, or 33-6-C-1 pass, this green sheet would not be balanced. If green sheet 41-1-A-1 passes, this green sheet could be unbalanced.
