<b>Background:</b> I truly believe that by having this opportunity I will do my best to contribute my experience as someone who has lived in the North end for almost 10 years, but also one who has lived, worked (as an interpreter and Community Liaison) and more importantly understands other areas of the City. Additionally, I'd like to bring the living experience of a first generation immigrant who didn't know how to access government and at some point made the decision to move his family of 5 (including 3 small children) out of Seattle due to the increasing pressures in the city. My intent is to be objective and not lose sight of the Equity Objectives and Drives outlined in Part 3 of the ED Implementation Plan (OPCD, 2016). Last but not least, I pledge to listen, collaborate with other board members, read and make the majority of the meetings, if not all, as I have done with other groups in the past.
