

Amendment #1 to Council Bill 118618
Sponsor: CM O'Brien
Sustainability and Transportation Committee

Revised Section 2 – Recite proviso requirement.

Section 2. The remainder of the funds, totaling \$3,600,000, will not be appropriated until completion of the competitive process and vendor selection needed for expansion. Council anticipates that such authority will not be granted until the Seattle Department of Transportation provides a detailed spending and implementation plan and financial analysis of the expansion and long-term operations of the Bike Share program.

New Section 3 – Reporting requirement.

Section 3. Following acquisition of Pronto assets, SDOT will provide a monthly written report on bike share operations to City Council until January 2017. At a minimum, the report will include bike share ridership, program expenses and revenues, and a summary of SDOT actions to manage the bike share program.

New Section 4 – Council engagement in RFP Process.

Section 4. SDOT will incorporate feedback from the Council in developing the Request for Proposals for expansion of the bike share system.

New Section 5 – Establishing Bike Share Fund in budget.

Section 5. Council requests that the City Budget Office create a new Bike Share Fund in the development of the 2017-2018 Budget to manage expenses and revenues related to the program.

Renumber subsequent sections accordingly.
