LEG	Venkataraman/4-5382	

* Note that the Summary and Fiscal Note describes the version of the bill or resolution as introduced; final legislation including amendments may not be fully described.

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to termination of residential rental tenancies; providing a defense to evictions occurring within six months after the termination of the Mayor’s residential eviction moratorium as amended by Resolution 31938; amending Section 22.206.160 of the Seattle Municipal Code; declaring an emergency; and establishing an immediate effective date; all by a 3/4 vote of the City Council.

Summary and background of the Legislation: The COVID-19 state of emergency has caused illness and loss of income from employment. To prevent individuals and families from falling into homelessness because they cannot afford to pay rent due to COVID-19, this bill prohibits evictions based on the non-payment of rent that would result in someone vacating their unit within six months after the expiration of the Mayor’s eviction moratorium.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? Yes No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation amend the Adopted Budget? Yes No

Does the legislation have other financial impacts to the City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?

If so, describe the nature of the impacts. This could include increased operating and maintenance costs, for example.

No

Is there financial cost or other impacts of *not* implementing the legislation?

Estimate the costs to the City of not implementing the legislation, including estimated costs to maintain or expand an existing facility or the cost avoidance due to replacement of an existing facility, potential conflicts with regulatory requirements, or other potential costs or consequences.

If more people are evicted, more could end up in homelessness and exacerbate the existing risk of individuals experiencing homelessness of contracting and transmitting COVID-19.

4. OTHER IMPLICATIONS

a. Does this legislation affect any departments besides the originating department?

If so, please list the affected department(s) and the nature of the impact (financial, operational, etc.).

The Seattle Department of Construction and Inspections will enforce this ordinance.

b. Is a public hearing required for this legislation?

If yes, what public hearing(s) have been held to date, and/or what public hearing(s) are planned/required in the future?

No.

c. Does this legislation require landlords or sellers of real property to provide information regarding the property to a buyer or tenant?

If yes, please describe the measures taken to comply with RCW 64.06.080.

The MRSC summary will be updated to link to the updated ordinance if adopted.

d. Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

For example, legislation related to sale of surplus property, condemnation, or certain capital projects with private partners may require publication of notice. If you aren't sure, please check with your lawyer. If publication of notice is required, describe any steps taken to comply with that requirement.

No

e. Does this legislation affect a piece of property?

If yes, and if a map or other visual representation of the property is not already included as an exhibit or attachment to the legislation itself, then you must include a map and/or other visual representation of the property and its location as an attachment to the fiscal note. Place a note on the map attached to the fiscal note that indicates the map is intended for illustrative or informational purposes only and is not intended to modify anything in the legislation.

No

f. Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities? What is the Language Access plan for any communications to the public?

If yes, please explain how this legislation may impact vulnerable or historically disadvantaged communities. Using the racial equity toolkit is one way to help determine the legislation's impact on certain communities. If any aspect of the legislation involves communication or outreach to the public, please describe the plan for communicating with non-English speakers.

Historically disadvantaged communities are already at a disproportionate risk of eviction as well as more heavily impacted by public health emergencies. This legislation will help individuals in those populations remain housed.

g. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s).

This answer should highlight measurable outputs and outcomes.

No
