1. POSSESSION. In the event of the inability of the Lessor to deliver possession of the Premises, or any portion thereof, at the time of the commencement of the Initial Term of this lease, the City, at its option, may elect to retain the lease and insist upon possession or to cancel this lease as a result of the Lessor's failure to deliver possession. The Lessee shall have possession of the Premises as defined in Lease Agreement Part A- Signature Form, Section 2.

2. ACCESS. City shall allow Lessor or Lessor's agent access at all reasonable times to said Premises to inspect. This provision shall not be construed as an agreement on the part of Lessor to make such repairs, additions or alterations or a waiver of City's right of quiet enjoyment.

3. UTILITIES AND OTHER SERVICES. The City shall provide or shall otherwise pay for, when due, all costs for providing all utilities and other services needed by the City on or to the Premises including but not limited to electricity, water, sewer and garbage. The City shall pay all charges for utility installations and modifications thereto occasioned by the City's requirements.

4. CARE OF PREMISES. The Premises shall at all times be kept and used by the City, at its sole expense, in accordance with the laws of the State of Washington and ordinances of The City of Seattle, and in accordance with all duly authorized directions, rules, and regulations of the Health Officer, Fire Marshal or other proper officer of the City of Seattle.

5. MAINTENANCE REPAIRS. The Premises have been inspected by both parties and are accepted by the City in their existing condition as of the commencement date of this lease, without reservation except for latent defects or environmental conditions on the Premises not reasonably discoverable by inspection at the time of taking possession. Except as otherwise provided for herein, the City, at its sole expense, shall keep and preserve the Premises in good repair.

6. COMPLIANCE WITH LAW

(a) General Requirement. Each party shall perform its obligations under this Lease in compliance with all applicable laws of the United States and the State of Washington; the Charter and ordinances of The City of Seattle; and rules, regulations, orders, and directives of their administrative agencies and the officers thereof.

(b) Licenses and Similar Authorizations. The Lessor and/or the City, when applicable, shall secure and maintain in full force and effect during the term of this Agreement, all required licenses, permits, and similar legal authorizations, and comply with all requirements thereof.

(c) Taxes. Unless otherwise specified in Part A. hereof, Lessor shall pay, before delinquency, all taxes, levies and assessments on the Premises. This is a lease for real property and rent compensation for the same.

7. INDEMNIFICATION. Lessor shall indemnify, defend and hold City harmless from all claims for accident or injury caused to persons or property to the extent caused, by the fault or neglect of Lessor or any of its employees, agents, licensees or tenants; or occurring in, on, or about any portion of the structure of which the Premises form a part that is under the control of Lessor or its employees, agents, licensees or

Att 1 – FS 31 Interim Site Lease

V1a

tenants; or caused by any fault or defect inherent in said structure or any defect in or malfunction thereof not discernable by reasonable inspection. City will indemnify, defend and hold Lessor harmless from all claims for accident or injury caused to persons or property within the Premises, or caused by the fault or neglect of City or any of its employees, agents, licensees or subtenants to the extent of the fault or neglect of City. All personal property of City on said Premises shall be at the risk of and the responsibility of City. This is a commercial transaction and the parties hereby expressly waive any and all defense of immunity (or any similar defense) to which either may be entitled.

8. SIGNS. The City may place identification signs or symbols that are required by applicable laws upon the Premises without obtaining Lessor's prior written approval. The City may place other identification signs or symbols upon the Premises, subject to the prior approval of the Lessor; and permission to place such signs shall not be unreasonably withheld, conditioned or delayed by Lessor.

9. ALTERATIONS, ADDITIONS AND IMPROVEMENTS. Any alteration, addition or improvement that is made solely for the convenience of the City or any of its employees or agents, or of the program to be conducted on the Premises shall be at the sole cost and expense of the City or the program being conducted on the Premises.

10. TERMINATION.

(a) Notwithstanding any other provision herein, in the event that either party to this lease defaults in the performance of any of the terms, provisions, covenants and agreements to be kept, observed and performed as provided in the following sections:

Part A – §4 TERM  
§5 RENT

Part B – §3 CARE OF PREMISES  
§4 MAINTENANCEREPAIRS

and such default is not corrected within forty-five (45) days after the receipt of written notice thereof from the other party, then the nonbreaching party may, at its option, immediately terminate this lease, without notice or other proceedings, and in such event the Lessor may also reenter and take possession of the Premises. Damages may be claimed for a default in the performance of the other lease obligations, but such default shall not be cause for termination of this lease unless such default is repeated upon three or more occasions and a notice to comply is provided after each such instance.

(b) It is understood that funds for the payment of the rent herein are allocated out of monies received by the City from tax sources and/or other governmental entities and that funding for the program that occupies the Premises can be increased, changed, decreased, or eliminated by executive or legislative action. Therefore, it is agreed by the Lessor and the City that notwithstanding any other provision herein, in the event said funding and/or program is increased, changed, decreased, or eliminated, or in the judgment of the executive or legislative authority of the City, continuation of the lease to its full term would be an unnecessary expenditure of public funds, then the City may terminate this lease without further obligation to the Lessor, after the City has provided the Lessor with written notice of such termination at least ninety (90) days prior to the effective date thereof and documentation of such executive or legislative action.

11. SURRENDER OF PREMISES. In the case of a dispute between the parties, jurisdiction over such dispute shall be with the Superior Court of King County, Washington.

13. NOTICES. All notices to be given by either of the parties hereto to the other party, including but not limited to invoices, shall be in writing and may either be delivered personally (which delivery may be by reliable overnight courier service with evidence of delivery), or may be deposited in the United States Mail, postage prepaid, as either certified or regular mail, addressed as specified in Part A hereof or to such other respective addresses as either party may from time to time designate in writing.

14. RELATIONSHIP. In no event shall the City be construed or held to have become in any way or for any purpose a partner, associate, or joint venturer of the Lessor or any party associated with the Lessor in the conduct of the Lessor's business or otherwise. This lease does not constitute the Lessor as the agent or legal representative of the City for any purpose whatsoever.

15. AMENDMENTS. The parties hereto expressly reserve the right to renegotiate any and all of the provisions hereof from time to time as may be necessary and to amend this lease accordingly; provided, however, that no alteration or modification of the terms or conditions hereof shall be valid and binding unless made in writing and signed by the authorized representative of the parties hereto.

16. NO WAIVER OF DEFAULT. The City does not waive full compliance with the terms and conditions of this lease by the payment of rent. No waiver of default by either party of any of the terms, covenants, and conditions hereof to be performed, kept and observed by the other party shall be construed as, or operated as, a waiver of any subsequent default or of any of the terms, covenants, and conditions herein contained, to be performed, kept and observed by the other party.

17. BINDING EFFECT. This lease shall be binding upon the heirs, successors, assigns, and all other parties legally empowered with signatory rights of any or all of the parties hereto.

18. INVALIDITY OF PROVISIONS. Should any term, provision, condition or other portion of this lease be held to be inoperative, invalid or void, the same shall not affect any other term, provision, condition or other portion of this lease; and the remainder of this lease shall be effective as if such term, provision, condition or portion had not been contained herein.
