SPU Cedar River SE Pipeline Road Easement, SPU R/W File # **636-604**

**EASEMENT AGREEMENT**

THIS EASEMENT AGREEMENT is made this \_\_\_ day of \_\_\_\_\_, 2019 by and between The City of Seattle, a municipal corporation of the State of Washington, through the Seattle Public Utilities department (“Grantor”), and LITTLE GREEN VALLEY, LLC, a Washington limited liability company, NANCY J. GLEASON; RON L. NICKELL, AKA RONALD L. NICKELL and SANDRA FLINT NICKELL, husband and wife; WILLIAM H. FLINT; THE HEIRS OF CHARLES EUGENE FLINT; and JOAN H. ZIMMERMAN (collectively hereafter “Grantee”).

**Recitals**

- A. Grantor either owns or has an easement over a 120-foot wide tract of land commonly known as SE Pipeline Road in King County, Washington, legally described on the attached Exhibit A (“Grantor’s Property”). Grantor also owns two water supply mains located under SE Pipeline Road and may install additional utilities (such existing and future facilities are hereafter referred to as “City Facilities”) on, above or below Grantor’s Property.
- B. Grantee is the owner of certain real property located to the east of Grantor’s Property in King County, Washington, legally described on the attached Exhibit B (“Grantee’s Property”).
- C. Grantee uses a road located on a portion of the Grantor’s Property for ingress to and egress from Grantee’s Property, described on the attached Exhibit C (“Easement Area”).

D. Grantee has asserted a claim of right to use the road as alleged in the matter of Little Green Valley, LLC, et. al. vs. City of Seattle, King County, et. al., under King County Superior Court Cause No. 17-2-18955-3 KNT (“Lawsuit”), including against the unknown heirs of Christen Peterson, deceased, and all other unknown persons claiming any right, title, estate, lien or interest in Grantor’s Property (collectively “Unknown Heirs”).

E. Grantor and Grantee desire to resolve and settle the Lawsuit by entering into this Easement Agreement to grant, without warranty, certain easement rights for ingress and egress across Grantor’s Property for ingress to and egress from Grantee’s Property on the terms and conditions set forth below.

F. The City of Seattle has authorized granting this easement by Ordinance \_\_\_\_\_;

### **Agreement**

Now, therefore, in consideration of the mutual terms and conditions contained in this Agreement, and for other valuable consideration, the legal sufficiency of which is hereby acknowledged, Grantor and Grantee agree as follows:

**1. Access Easement.** Grantor hereby grants without warranty to Grantee, its assigns, guests, heirs, invitees, lessees, licensees, permittees and successors, a perpetual non-exclusive easement over, across and through the Easement Area for the sole purpose of ingress to and egress from the Grantee’s Property, described on the attached Exhibit D (Easement), subject to the restrictions and reservations below and as otherwise set forth in this Agreement:

- a. Grantee's use of the Easement Area is only for the limited purposes expressly set forth in this Agreement, and shall not be enlarged, expanded or increased in intensity without the Grantor’s prior written consent.
- b. Grantee shall not acquire any right or interest in the Easement Area, or to the occupancy of the same, or any part thereof, as to Grantor other than as set forth herein.
- c. Grantee shall not interfere with the security or the present or future use by the City for municipal purposes, including utility purposes.
- d. Any use of the Easement Area for oversize or overweight vehicles is not permitted without Grantor’s prior written consent.
- e. Regular parking in the Easement Area is not permitted.
- f. Grantee shall not use the Easement Area in any way that harms or poses a risk of harm to City Facilities.
- g. The Easement Area may be subject to other authorized uses and pre-existing rights, and the Grantee shall not interfere with access or use by other such authorized uses and rights.
- h. Use for ingress and egress shall be limited to routine vehicle use for residential purposes for up to eight (8) residences. In no instance is vehicular traffic for commercial business uses allowed, nor is use of the Easement Area allowed to serve increased

development upon Grantor's Property or any adjacent property.

**2. Compensation.** Consideration for this Easement Agreement includes the terms and conditions described herein and the settlement of the pending Lawsuit. In addition, Grantee shall pay \$3,500.00 to Grantor as compensation and reimbursement for Grantor's administrative costs related to preparation of legislation and recording fees.

**3. Maintenance.** Grantor maintains the SE Pipeline Road located on Grantor's Property. At Grantor's request, Grantee shall pay Grantor for Grantee's pro rata share of such maintenance costs. Grantee's pro rata share shall be determined based upon any increase in maintenance costs incurred by Grantor due to Grantee's usage of the road. Grantee acknowledges the SE Pipeline Road is currently open for use by the general public and provides access to the 153-acre Peterson Lake Natural Area owned by King County, a co-defendant in the Lawsuit; notwithstanding the foregoing, except as to Grantee Grantor reserves the right to prohibit public use of SE Pipeline Road and nothing set forth herein shall be deemed or considered a dedication. Grantee shall promptly notify Grantor of any defects or unsafe conditions on Grantor's Property, provided that Grantor shall have no obligation to repair or correct the same.

**4. Release and Assumption of Risk.** Grantee agrees that Grantor and its officers, employees, agents and assign shall not be liable for any injury, loss, damage, or expense to Grantee its assigns, guests, heirs, invitees, lessees, licensees, permittees and successors, or their property, that results from or relates in any way to their presence or activities on or about the Grantor's Property, and including but not limited to the condition of the road or the Grantor's activities on Grantor's Property. Grantee hereby forever RELEASES and DISCHARGES Grantor and its officers, employees, agents, and assign from any claims, demands, suits and actions, for any such injury, loss, damage or expense, even if caused wholly or in part by the negligence of the Grantor or its officers, employees, agents or assigns.

This release includes, without limitation, any injury, loss, damage or expense resulting from: any defect or other condition of the Grantor's Property, whether obvious or concealed; any hazardous or toxic substance on or about Grantor's Property; any actions or omissions any other person on or about the Grantor Property; and any actions or omissions of the Grantor, including without limitation any failure of the Grantor to warn of any condition of the Grantor Property and any lack of security. Grantee hereby ASSUMES THE RISK of any injury, loss, damage or expense related to any of the matters described in this release.

"Injury, loss, damage or expense" as used herein includes, without limitation, death, disability, bodily injury, personal injury, property damage, loss of use or value, property theft, and liability to third parties, in each case whenever occurring, whether known or unknown, and whether foreseen or unforeseen.

**5. Indemnity.** Grantee agrees that it shall defend, indemnify and hold Grantor harmless from all claims, demands, suits and actions for any injury, loss, damage or expense which arises from or relates to Grantee's use of Grantor's Property, except to the extent that such injury or harm is caused by the sole negligence of Grantor.

**6. Grantee Representations and Warranties.** To the extent that Grantor may only have an easement over portions of Grantor's Property, Grantee hereby represents and warrants that it has acquired, through prescription or otherwise, rights of ingress and egress over such portions of Grantor's Property from Unknown Heirs, and Grantee shall indemnify, defend and hold Grantor harmless from any assertion from Unknown Heirs that this Easement Agreement exceeds the scope of the City's rights.

**7. No Liens.** Neither Grantee nor Grantee's agents shall have the authority to subject Grantor's Property to any lien, claim or other encumbrance for material, labor, equipment, fees or other charges, and Grantee expressly agrees Grantee shall defend, indemnify and hold the Grantor harmless from and against any such liens, claims or other encumbrances, including attorneys' fees, costs and other expenses arising out of or incurred as a result of any such liens, claims or other encumbrances.

**8. Runs with the Land; Binding upon Successors.** All terms and conditions and the easement contained in this Agreement shall constitute and operate as covenants running with the land and shall be binding upon and inure to the benefit of Grantor, Grantee and their respective heirs, successors and assigns.

**9. Amendment.** This Agreement may be amended only by a written instrument recorded with the King County Recorder's office and executed by Grantor and Grantee or their respective heirs, successors or assigns.

**10. Remedies.** In the event of any breach or threatened breach of this Agreement by either Grantor or Grantee, Grantor and Grantee shall have the right to sue for damages, for specific performance and/or to enjoin such breach or threatened breach, the parties agreeing that the failure of any party to perform its obligations under this Agreement will cause irreparable damage to the other party. In no event shall the failure of either party to seek relief for any breach or threatened breach of this Agreement constitute a waiver of that party's right to seek relief for any other or further breach or threatened breach.

**11. No Termination upon Breach.** It is expressly agreed that no breach of this Agreement shall entitle either party to cancel, rescind or otherwise terminate this Agreement; provided, however, that this provision shall not limit or otherwise affect any other right or remedy which such party may have by reason of any breach of this Agreement.

**12. Exhibits.** All Exhibits attached to this Agreement shall be deemed incorporated by their references.

**13. Reservation of Rights.** Grantor shall have the right to enter upon said Easement Area at any and all times for the purpose of the security, operation, maintenance, construction, reconstruction, and protection of the existing and future City Facilities, including the right to temporarily close the ingress and egress in the Easement Area when necessary for City's operational needs, in which event Grantor will attempt to provide a minimum of 24 hours advance notice to Grantee.

**14. Entire Agreement.** This Easement Agreement and all attachments and exhibits constitute the entire agreement between the parties concerning the terms and conditions of the easement and other rights/obligations provided for herein. There are no oral or other written agreements, promises, conditions, representations or understandings of any kind made as conditions or inducements to the execution of this Agreement except a may be expressly provided in this Agreement.

**15. Construction.** The section headings throughout this Agreement are for convenience and reference only and the words contained in them shall not be held to expand, modify, amplify or aid in the interpretation, construction or meaning of this Agreement. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identification of the person or persons, entity or entities may require. Grantor and Grantee have been represented by legal counsel in this transaction and accordingly hereby waive the general rule of construction that an agreement may be construed against its drafter.

**16. City Council Approval.** This Agreement is conditional upon approval by the Seattle City Council. If City Council does not adopt an ordinance approving of this Agreement, it shall be deemed null and void ab initio.
