

CITY OF SEATTLE
ORDINANCE 126483
COUNCIL BILL 120199

AN ORDINANCE relating to the municipal water system of The City of Seattle; adopting a system or plan of additions and betterments to and extensions of the existing municipal water system; authorizing the issuance and sale of water system revenue bonds in one or more series for the purposes of paying part of the cost of carrying out that system or plan, providing for the reserve requirement, and paying the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; describing the lien of the bonds; creating certain accounts of the City relating to the bonds; amending certain definitions set forth in Ordinance 125714, the Omnibus Refunding Ordinance; authorizing the issuance of water system refunding revenue bonds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the “City”) owns, maintains, and operates a municipal water system as part of Seattle Public Utilities (the “Municipal Water System”), which Municipal Water System has from time to time required various additions, improvements, betterments, and extensions; and

WHEREAS, the City desires to acquire and construct a system or plan of further additions, improvements, and betterments to, and extensions of the Municipal Water System (the “Plan of Additions”) as described in this ordinance, and needs to borrow funds to pay a portion of the costs of carrying out such Plan of Additions; and

WHEREAS, the City currently has outstanding certain water system revenue bonds (as identified in Exhibit A to this ordinance, the “Outstanding Parity Bonds”). Pursuant to the ordinances authorizing their issuance (the “Outstanding Parity Bond Ordinances”), the City reserved the right to issue additional bonds (“Future Parity Bonds”) having a charge and lien on the net revenue of the Municipal Water System on a parity of lien with those Outstanding Parity Bonds, and is permitted to issue such Future Parity Bonds upon satisfaction of certain conditions (the “Parity Conditions”); and

1 WHEREAS, the City has determined that it is in the best interest of the City and its ratepayers to
2 authorize the issuance and sale, subject to the provisions of this ordinance, of water
3 system revenue bonds as Parity Bonds to pay part of the cost of carrying out the Plan of
4 Additions, to provide for the reserve requirement, and to pay the costs of issuance of
5 those bonds; NOW, THEREFORE,

6 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

7 Section 1. **Definitions**. In this ordinance, the following capitalized terms shall have the
8 meanings set forth in this section:

9 “**Accreted Value**” means, with respect to any Capital Appreciation Bond, (a) as of any
10 Valuation Date, the amount determined for such Valuation Date in accordance with the
11 applicable Parity Bond Documents, and (b) as of any date other than a Valuation Date, the sum
12 of (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction,
13 the numerator of which is the number of days having elapsed from the preceding Valuation Date
14 and the denominator of which is the number of days from such preceding Valuation Date to the
15 next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues
16 during any semiannual period in equal daily amounts on the basis of a year of 12 30-day months,
17 and (B) the difference between the Accreted Values for such Valuation Dates.

18 “**Adjusted Annual Debt Service**” for any fiscal year means Annual Debt Service minus
19 (a) an amount equal to ULID Assessments due in that year and not delinquent, (b) an amount
20 equal to earnings from investments in the Reserve Subaccount, and (c) Annual Debt Service
21 provided for by Parity Bond proceeds.

22 “**Adjusted Gross Revenue**” means, for any period, Gross Revenue (a) plus withdrawals
23 from the Rate Stabilization Account made during that period, and (b) minus ULID Assessments

1 collected, earnings from investments in the Reserve Subaccount, and deposits into the Rate
2 Stabilization Account made during that period.

3 **“Adjusted Net Revenue”** means Adjusted Gross Revenue less Operating and
4 Maintenance Expense.

5 **“Annual Debt Service”** for any calendar year means the sum of the amounts required in
6 such calendar year to pay the interest due in such calendar year on all Parity Bonds outstanding,
7 excluding interest to be paid from the proceeds of the sale of Parity Bonds or other bonds; the
8 principal of all outstanding Serial Bonds due in such calendar year; and the Sinking Fund
9 Requirements, if any, for such calendar year. Additionally, for purposes of calculating and
10 determining compliance with the Coverage Requirement, the Reserve Requirement and the
11 conditions for the issuance of Future Parity Bonds and/or entering into Parity Payment
12 Agreements, the following shall apply:

13 (a) **Calculation of Interest Due Generally.** Except as otherwise provided below,
14 interest on any series of Parity Bonds shall be calculated based on the actual amount of accrued,
15 accreted, or otherwise accumulated interest that is payable in respect of that series taken as a
16 whole, at the rate or rates set forth in the applicable Parity Bond Documents.

17 (b) **Capital Appreciation Bonds.** For purposes of this definition, the principal and
18 interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity
19 or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and
20 unpaid and accruing interest or principal in such manner and during such period of time as is
21 specified in the Parity Bond Documents applicable to such Capital Appreciation Bonds.

22 (c) **Variable Interest Rate Bonds.** The amount of interest deemed to be payable on any
23 series of Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate

1 on those bonds would be equal to the rate that is 90 percent of the average RBI during the four
2 calendar quarters preceding the quarter in which the calculation is made.

3 **(d) Interest on Parity Bonds With Respect to Which a Payment Agreement is in**
4 **Force.** Debt service on Parity Bonds with respect to which a Payment Agreement is in force
5 shall be based on the net economic effect on the City expected to be produced by the terms of the
6 Parity Bonds and the terms of the Payment Agreement. For example, if the net economic effect
7 of the Payment Agreement and a series of Parity Bonds otherwise bearing interest at a variable
8 rate is to produce an obligation bearing interest at a fixed interest rate, the relevant series of
9 bonds shall be treated as fixed interest rate bonds. And if the net economic effect of the Payment
10 Agreement and a series of Parity Bonds otherwise bearing interest at a fixed rate is to produce an
11 obligation bearing interest at a variable interest rate, the relevant series of bonds shall be treated
12 as Variable Interest Rate Bonds. Accordingly, the amount of interest deemed to be payable on
13 any Parity Bonds with respect to which a Payment Agreement is in force shall be an amount
14 equal to the amount of interest that would be payable at the rate or rates stated in or determined
15 pursuant to the applicable Parity Bond Documents, plus Payment Agreement Payments, minus
16 Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment
17 Agreement Receipts and Payment Agreement Payments under a Payment Agreement that
18 includes a variable rate component determined by reference to a pricing mechanism or index that
19 is not the same as the pricing mechanism or index used to determine the variable rate interest
20 component on the Parity Bonds to which the Payment Agreement is related, it shall be assumed
21 that the fixed rate used in calculating Payment Agreement Payments will be equal to 105 percent
22 of the fixed rate specified by the Payment Agreement and that the pricing mechanism or index
23 specified by the Payment Agreement is the same as the pricing mechanism or index specified by

1 the applicable Parity Bond Documents. Notwithstanding the other provisions of this definition,
2 the City shall not be required to (but may in its discretion) take into account in determining
3 Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

4 **(e) Parity Payment Agreements.** For any period during which Payment Agreement
5 Payments on a Parity Payment Agreement are taken into account in determining Annual Debt
6 Service on related Parity Bonds under paragraph (d) of this definition, no additional debt service
7 shall be taken into account with respect to that Parity Payment Agreement. However, for any
8 Parity Payment Agreement during a period in which Payment Agreement Payments are not taken
9 into account under paragraph (d) because the Parity Payment Agreement is not then related to
10 any outstanding Parity Bonds, payments on that Parity Payment Agreement shall be taken into
11 account as follows:

12 **(i) If City is Obligated to Make Payments Based on Fixed Rate.** If the City is
13 obligated to make Payment Agreement Payments based on a fixed rate and the Qualified
14 Counterparty is obligated to make payments based on a variable rate index, it shall be assumed
15 that payments by the City will be based on the assumed fixed payor rate, and that payments by
16 the Qualified Counterparty will be based on a rate equal to the average rate determined by the
17 variable rate index specified by the Parity Payment Agreement during the four calendar quarters
18 preceding the quarter in which the calculation is made.

19 **(ii) If City is Obligated to Make Payments Based on Variable Rate Index.** If
20 the City is obligated to make Payment Agreement Payments based on a variable rate index and
21 the Qualified Counterparty is obligated to make payments based on a fixed rate, it shall be
22 assumed that payments by the City will be based on a rate equal to the average rate determined
23 by the variable rate index specified by the Parity Payment Agreement during the four calendar

1 quarters preceding the quarter in which the calculation is made, and that the Qualified
2 Counterparty will make payments based on the fixed rate specified by the Parity Payment
3 Agreement.

4 (f) **Balloon Bonds.** For purposes of calculating debt service on any Balloon Bonds, it
5 shall be assumed that the principal of those Balloon Bonds, together with interest thereon at a
6 rate equal to the assumed RBI-based rate set forth in subsection (c) of this definition, will be
7 amortized in equal annual installments over a term of 30 years.

8 (g) **Adjustments for Defeased Bonds.** For purposes of calculating and determining
9 compliance with the Coverage Requirement, the Reserve Requirement, and the Parity
10 Conditions, Annual Debt Service shall be adjusted as set forth in subsection 21(d) of this
11 ordinance.

12 “**Authorized Denomination**” means \$5,000 or any integral multiple thereof within a
13 maturity of a Series, or such other minimum authorized denomination as may be specified in the
14 applicable Bond Documents.

15 “**Average Annual Debt Service**” means, at the time of calculation, the sum of the
16 Annual Debt Service remaining to be paid to the last scheduled maturity of the applicable series
17 of Parity Bonds divided by the number of years such bonds are scheduled to remain outstanding.

18 “**Balloon Bonds**” means any series of Parity Bonds, the aggregate principal amount
19 (including Sinking Fund Requirements) of which becomes due and payable in any calendar year
20 in an amount that constitutes 25 percent or more of the initial aggregate principal amount of such
21 series of Parity Bonds.

22 “**Beneficial Owner**” means, with regard to a Bond, the owner of any beneficial interest
23 in that Bond.

1 **“Bond Counsel”** means a lawyer or a firm of lawyers, selected by the City, of nationally
2 recognized standing in matters pertaining to bonds issued by states and their political
3 subdivisions.

4 **“Bond Documents”** means (a)(i) with respect to any Series of the Bonds, this ordinance
5 (including any amendatory or supplemental ordinances), and (ii) with respect to a series of Parity
6 Bonds other than a Series of the Bonds, the applicable Parity Bond Ordinance(s); (b) the
7 authenticated bond form; and (c) the written agreement(s) setting forth the Bond Sale Terms and
8 additional terms, conditions, or covenants pursuant to which such bond was issued and sold, as
9 set forth in any one or more of the following (if any): (i) a sale resolution, (ii) a bond purchase
10 contract (as defined in the applicable authorizing ordinance), (iii) a bond indenture or a fiscal
11 agent or paying agent agreement (other than the State fiscal agency contract), and (iv) a direct
12 purchase or continuing covenant agreement.

13 **“Bond Insurance”** means any municipal bond insurance policy, guaranty, surety bond,
14 or similar credit enhancement device providing for or securing the payment of all or part of the
15 principal of and interest on any Parity Bonds, issued by an insurance company licensed to
16 conduct an insurance business in any state of the United States (or by a service corporation
17 acting on behalf of one or more such insurance companies), or by any other financial institution
18 qualified to provide such credit enhancement device.

19 **“Bond Purchase Contract”** means a written offer to purchase a Series of the Bonds
20 pursuant to certain Bond Sale Terms, which offer has been accepted by the City in accordance
21 with this ordinance. In the case of a competitive sale, the Purchaser’s bid for a Series, together
22 with the official notice of sale and a Pricing Certificate confirming the Bond Sale Terms, shall
23 comprise the Bond Purchase Contract.

1 **“Bond Register”** means the books or records maintained by the Bond Registrar for the
2 purpose of registering ownership of each Bond.

3 **“Bond Registrar”** means the Fiscal Agent (unless the Director of Finance appoints a
4 different person to act as bond registrar with respect to a particular Series), or any successor
5 bond registrar selected in accordance with the Registration Ordinance.

6 **“Bond Sale Terms”** means the terms and conditions for the sale of a Series of the Bonds
7 approved by the Director of Finance consistent with the parameters set forth in Section 5 of this
8 ordinance, including the amount, date or dates, denominations, interest rate or rates (or
9 mechanism for determining the interest rate or rates), payment dates, final maturity, redemption
10 rights, price, and other terms, conditions, or covenants. In connection with a negotiated sale or
11 private placement, the Bond Sale Terms shall be set forth in the Bond Purchase Contract; in
12 connection with a competitive sale, the Bond Sale Terms shall be set forth in a Pricing
13 Certificate.

14 **“Bonds”** means the water system revenue bonds issued pursuant to this ordinance.

15 **“Book-Entry Form”** means a fully registered form in which physical bond certificates
16 are registered only in the name of the Securities Depository (or its nominee), as Registered
17 Owner, with the physical bond certificates held by and immobilized in the custody of the
18 Securities Depository (or its designee), where the system for recording and identifying the
19 transfer of the ownership interests of the Beneficial Owners in those Bonds is neither maintained
20 by nor the responsibility of the City or the Bond Registrar.

21 **“Capital Appreciation Bond”** means any Parity Bond, all or a portion of the interest on
22 which is compounded and accumulated at the rates or in the manner, and on the dates, set forth in
23 the applicable Bond Documents and is payable only upon redemption or on the maturity date of

1 such Parity Bond. A Parity Bond that is issued as a Capital Appreciation Bond, but which later
2 converts to an obligation on which interest is paid periodically, shall be a Capital Appreciation
3 Bond until the conversion date and thereafter shall no longer be a Capital Appreciation Bond, but
4 shall be treated as having a principal amount equal to its Accreted Value on the conversion date.
5 For purposes of computing the principal amount of Parity Bonds held by the Owner of any
6 Capital Appreciation Bond in connection with any notice, consent, request, or demand, the
7 principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value at the
8 time that such notice, consent, request, or demand is given or made.

9 **“Capital Improvement Program”** or **“CIP”** means those portions of the City’s “2021-
10 2026 Capital Improvement Program” relating to the Municipal Water System, adopted by
11 Ordinance 126237, together with any previously adopted capital improvement program. For
12 purposes of this ordinance, the CIP includes all amendments, updates, supplements, or
13 replacements that may be adopted from time to time by ordinance.

14 **“City”** means The City of Seattle.

15 **“City Council”** means the City Council of the City, as duly and regularly constituted
16 from time to time.

17 **“Code”** means the Internal Revenue Code of 1986, or any successor thereto, as amended
18 at any time, and regulations thereunder.

19 **“Construction Account”** means the account or subaccount created in the Water System
20 Construction Account within the Water Fund for the deposit of proceeds of the Bonds, pursuant
21 to Section 12 of this ordinance.

22 **“Continuing Disclosure Agreement”** means, for each Series sold in an offering subject
23 to federal securities regulations requiring a written undertaking to provide continuing disclosure,

1 a continuing disclosure agreement entered into pursuant to Section 23 of this ordinance, in
2 substantially the form attached to this ordinance as Exhibit B.

3 **“Contract Resource Obligation”** means an obligation of the City that is designated as a
4 Contract Resource Obligation and is entered into in accordance with Section 20 of this
5 ordinance.

6 **“Coverage Requirement”** means Adjusted Net Revenue equal to at least 1.25 times
7 Adjusted Annual Debt Service on all Parity Bonds then outstanding.

8 **“Covered Parity Bonds”** means all Outstanding Parity Bonds, each Series of the Bonds,
9 and each series of Future Parity Bonds. *From and after the Reserve Covenant Date, the term*
10 *“Covered Parity Bonds” shall exclude each series of Parity Bonds for which the applicable*
11 *Bond Documents provide that, from and after the Reserve Covenant Date, such series shall no*
12 *longer be treated as a series of Covered Parity Bonds and shall no longer be secured by the*
13 *amounts in the Reserve Subaccount.*

14 **“DTC”** means The Depository Trust Company, New York, New York.

15 **“Defeasible Bonds”** means any outstanding Parity Bonds that are eligible to be defeased
16 pursuant to the Omnibus Defeasance Ordinance.

17 **“Director of Finance”** means the Director of the Finance Division of the Department of
18 Finance and Administrative Services, or any other officer who succeeds to substantially all of the
19 responsibilities of that office.

20 **“Event of Default”** has the meaning assigned to that term in subsection 25(a) of this
21 ordinance.

22 **“Fiscal Agent”** means the fiscal agent of the State, as the same may be designated by the
23 State from time to time.

1 **“Future Parity Bond Ordinance”** means any ordinance passed by the City Council
2 providing for the issuance and sale of a series of Future Parity Bonds, and any other ordinance
3 amending or supplementing the provisions of any such ordinance.

4 **“Future Parity Bonds”** means, with reference to any Series, all revenue bonds and
5 obligations of the Municipal Water System (other than that Series and any other Parity Bonds
6 then outstanding), issued or entered into after the Issue Date of such Series, the payment of
7 which constitutes a charge and lien on Net Revenue equal in priority with the charge and lien
8 upon such revenue for the payment of the amounts required to be paid into the Parity Bond
9 Account in accordance with Section 15 of this ordinance. Future Parity Bonds may include
10 Parity Payment Agreements and any other obligations issued in compliance with the Parity
11 Conditions.

12 **“Government Obligations”** means, unless otherwise limited in the Bond Documents for
13 a particular Series of the Bonds, any government obligation as that term is defined in
14 RCW 39.53.010, as amended at any time.

15 **“Gross Revenue”** means (a) all income, revenues, receipts and profits derived by the
16 City through the ownership and operation of the Municipal Water System; (b) the proceeds
17 received by the City directly or indirectly from the sale, lease or other disposition of any of the
18 properties, rights or facilities of the Municipal Water System; (c) Payment Agreement Receipts,
19 to the extent that such receipts are not offset by Payment Agreement Payments; and (d) the
20 investment income earned on money held in any fund or account of the City, including any bond
21 redemption funds and the accounts therein, in connection with the ownership and operation of
22 the Municipal Water System. Gross Revenue does not include: (a) income derived from
23 investments irrevocably pledged to the payment of any defeased bonds payable from Gross

1 Revenue; (b) investment income set aside for or earned on money in any fund or account created
2 or maintained solely for the purpose of complying with the arbitrage rebate provisions of the
3 Code; (c) any gifts, grants, donations, or other funds received by the City from any State or
4 federal agency or other person if such gifts, grants, donations, or other funds are the subject of
5 any limitation or reservation imposed by the donor or grantor or imposed by law or
6 administrative regulation to which the donor or grantor is subject, limiting the application of
7 such funds in a manner inconsistent with the application of Gross Revenue hereunder; (d) the
8 proceeds of any borrowing for capital improvements (or the refinancing thereof); (e) the
9 proceeds of any liability or other insurance, including but not limited to insurance proceeds
10 compensating the City for the loss of a capital asset, but excluding business interruption
11 insurance or other insurance of like nature insuring against the loss of revenues; (f) general *ad*
12 *valorem* taxes, excise taxes and special assessments (other than ULID Assessments), including
13 interest and penalties thereon; and (g) earnings of any separate utility system that may be created,
14 acquired, or constructed by the City pursuant to Section 19 of this ordinance.

15 **“Independent Utility Consultant”** means an independent person or firm having a
16 favorable reputation for skill and experience with municipal water systems of comparable size
17 and character to the Municipal Water System in such areas as are relevant to the purpose for
18 which they were retained.

19 **“Issue Date”** means, with respect to a Bond, the initial date on which that Bond is issued
20 and delivered to the initial Purchaser in exchange for its purchase price.

21 **“Letter of Representations”** means the Blanket Issuer Letter of Representations
22 between the City and DTC dated October 4, 2006, as amended at any time, or an agreement with
23 a substitute or successor Securities Depository.

1 **“MSRB”** means the Municipal Securities Rulemaking Board.

2 **“Maximum Annual Debt Service”** means, at the time of calculation, the maximum
3 amount of Annual Debt Service that shall become due in the current calendar year or in any
4 future calendar year with respect to the Parity Bonds then outstanding.

5 **“Municipal Water System”** means the water system of the City as it now exists, and all
6 additions thereto and betterments and extensions thereof at any time made, together with any
7 utility systems of the City hereafter combined with the Municipal Water System. The Municipal
8 Water System shall not include any separate utility system that may be created, acquired or
9 constructed by the City as provided in Section 19 of this ordinance.

10 **“Net Revenue”** means, for any period, Gross Revenue less Operating and Maintenance
11 Expense.

12 **“Omnibus Defeasance Ordinance”** means Ordinance 126226, as amended at any time,
13 authorizing the defeasance of Defeasible Bonds (as such ordinance may be amended from time
14 to time) or any future ordinance pursuant to which the Bonds (or any Series of the Bonds) are
15 designated as Defeasible Bonds.

16 **“Omnibus Refunding Ordinance”** means Ordinance 125714, as amended at any time,
17 authorizing the issuance of Refunding Parity Bonds (as such ordinance may be amended from
18 time to time), or any future ordinance pursuant to which the Bonds (or any Series of the Bonds)
19 are designated as “Refundable Bonds.”

20 **“Operating and Maintenance Expense”** means all expenses incurred by the City in
21 causing the Municipal Water System to be operated and maintained in good repair, working
22 order and condition, including without limitation: (a) deposits, premiums, assessments or other
23 payments for insurance, if any, on the Municipal Water System; (b) payments into pension

1 funds; (c) State-imposed taxes; (d) amounts due under Contract Resource Obligations in
2 accordance with Section 20 of this ordinance; (e) payments made to another person or entity for
3 the receipt of water supply or transmission or other commodity or service; and (f) payments with
4 respect to any other expenses of the Municipal Water System that are properly treated as
5 Operating and Maintenance Expense under generally accepted accounting principles applicable
6 to municipal corporations, including payments (other than payments out of proceeds of Parity
7 Bonds or other obligations not issued to pay current expenses of the Municipal Water System)
8 into reasonable reserves for items of operating or maintenance expense the payment of which is
9 not immediately required. Operating and Maintenance Expense does not include: depreciation,
10 amortization or other similar recognitions of non-cash expense items made for accounting
11 purposes only including non-cash pension expense; taxes levied or imposed by the City or
12 payments in lieu of City taxes; payments of claims or judgments; or capital additions or capital
13 replacements of the Municipal Water System.

14 **“Outstanding Parity Bond Ordinances”** means those ordinances authorizing the
15 issuance and sale of the Outstanding Parity Bonds, as identified in Exhibit A to this ordinance.

16 **“Outstanding Parity Bonds”** means those outstanding Parity Bonds identified in
17 Exhibit A to this ordinance. When used in reference to a particular date (or in reference to a
18 particular series of Parity Bonds), Outstanding Parity Bonds shall mean those Parity Bonds,
19 including any Parity Bonds issued subsequent to the effective date of this ordinance, that are
20 outstanding as of that date (or as of the Issue Date of the referenced series of Parity Bonds).

21 **“Owner”** means, without distinction, the Registered Owner and the Beneficial Owner of
22 a Bond.

1 **“Parity Bond Account”** means the Water Revenue Parity Bond Account created by
2 Ordinance 116705 in the Water Fund for the purpose of paying and securing payment of the
3 principal of and interest on Parity Bonds.

4 **“Parity Bond Documents”** means those Bond Documents applicable to a series of Parity
5 Bonds.

6 **“Parity Bond Ordinance”** means any ordinance passed by the City Council providing
7 for the issuance and sale of a series of Parity Bonds, and any other ordinance amending or
8 supplementing the provisions of any Parity Bond Ordinance.

9 **“Parity Bonds”** means the Outstanding Parity Bonds, each Series of the Bonds, and any
10 Future Parity Bonds then outstanding. Parity Bonds may include Parity Payment Agreements in
11 accordance with Section 17 of this ordinance.

12 **“Parity Certificate”** means a certificate delivered pursuant to Section 17 of this
13 ordinance for purposes of satisfying the Parity Conditions in connection with the issuance of
14 Future Parity Bonds.

15 **“Parity Conditions”** means (a) for purposes of establishing that a Series of the Bonds
16 may be issued on parity with the Parity Bonds outstanding as of the Issue Date of such Series,
17 the conditions for issuing Future Parity Bonds set forth in the Parity Bond Ordinances relating to
18 those Parity Bonds that are then outstanding; and (b) for purposes of issuing Future Parity Bonds
19 on parity with a Series of the Bonds, the conditions described in subsection (a) of this definition
20 together with the conditions set forth in Section 17 of this ordinance.

21 **“Parity Payment Agreement”** means a Payment Agreement that is entered into in
22 compliance with the Parity Conditions and under which the City’s payment obligations are
23 expressly stated to constitute a charge and lien on Net Revenue equal in rank with the charge and

1 lien upon such Net Revenue required to be paid into the Parity Bond Account to pay and secure
2 the payment of interest on Parity Bonds. For purposes of determining percentages of ownership
3 of Parity Bonds under this ordinance or under applicable Parity Bond Documents, Parity
4 Payment Agreements shall be deemed to have no principal amount, and any notice, consent, or
5 similar rights (if any) shall be determined only as set forth in the applicable Parity Payment
6 Agreement.

7 **“Payment Agreement”** means a written agreement entered into by the City and a
8 Qualified Counterparty, as authorized by any applicable laws of the State, for the purpose of
9 managing or reducing the City’s exposure to fluctuations or levels of interest rates, or for other
10 interest rate, investment, or asset or liability management purposes, and that provides for (i) an
11 exchange of payments based on interest rates, ceilings, or floors on such payments; (ii) options
12 on such payments; (iii) any combination of the foregoing; or (iv) any similar device. A Payment
13 Agreement may be entered into on either a current or forward basis. A Payment Agreement must
14 be entered into in connection with (or incidental to) the issuance, incurring, or carrying of
15 particular bonds, notes, bond anticipation notes, commercial paper, or other obligations for
16 borrowed money (which may include leases, installment purchase contracts, or other similar
17 financing agreements or certificates of participation in any of the foregoing).

18 **“Payment Agreement Payments”** means the amounts periodically required to be paid
19 by the City to a Qualified Counterparty pursuant to a Payment Agreement.

20 **“Payment Agreement Receipts”** means the amounts periodically required to be paid by
21 a Qualified Counterparty to the City pursuant to a Payment Agreement.

22 **“Permitted Investments”** means any investments or investment agreements permitted
23 for the investment of City funds under the laws of the State, as amended from time to time.

1 **“Plan of Additions”** means, together, the CIP and the Water System Plan, as modified
2 from time to time. The Plan of Additions includes (a) the purchase and installation of all
3 materials, supplies, appliances, equipment and facilities; (b) the acquisition of all permits,
4 franchises, property and property rights, and other capital assets; and (c) all engineering,
5 consulting and other professional services and studies (whether performed by the City or by
6 other public or private entities), each as necessary or convenient to carry out the Plan of
7 Additions. The Plan of Additions includes all amendments, updates, supplements or
8 replacements to the CIP or the Water System Plan, all of which automatically shall constitute
9 amendments to the Plan of Additions. The Plan of Additions also may be modified to include
10 other improvements, without amending the CIP or the Water System Plan, if the City determines
11 by ordinance that those amendments or other improvements constitute a system or plan of
12 additions to or betterments or extensions of the Municipal Water System.

13 **“Pricing Certificate”** means a certificate executed by the Director of Finance as of the
14 pricing date confirming the Bond Sale Terms for the sale of a Series of Bonds to the Purchaser in
15 a competitive sale, in accordance with the parameters set forth in Section 5 of this ordinance.

16 **“Principal and Interest Subaccount”** means the subaccount of that name created in the
17 Parity Bond Account for the payment of the principal of and interest on Parity Bonds.

18 **“Purchaser”** means the entity or entities who have been selected by the Director of
19 Finance in accordance with this ordinance to serve as underwriter, purchaser or successful bidder
20 in a sale of any Series.

21 **“Qualified Counterparty”** means a party (other than the City or a party related to the
22 City) who is the other party to a Payment Agreement, (a)(i) whose senior debt obligations are
23 rated in one of the three highest rating categories of each Rating Agency (without regard to any

1 gradations within a rating category), or (ii) whose obligations under the Payment Agreement are
2 guaranteed for the entire term of the Payment Agreement by a bond insurer or other institution
3 that has been assigned a credit rating in one of the two highest rating categories of each Rating
4 Agency; and (b) who is otherwise qualified to act as the other party to a Payment Agreement
5 under any applicable laws of the State.

6 **“Qualified Insurance”** means any Bond Insurance that, as of the time of issuance of
7 such credit enhancement device, is provided by an entity rated in one of the two highest rating
8 categories (without regard to any gradations within a rating category) by at least two nationally
9 recognized rating agencies.

10 **“Qualified Letter of Credit”** means any letter of credit, standby bond purchase
11 agreement, or other liquidity facility issued by a financial institution for the account of the City
12 in connection with the issuance of any Parity Bonds, which institution maintains an office,
13 agency or branch in the United States and, as of the time of issuance of such instrument, is rated
14 in one of the two highest rating categories (without regard to any gradations within such rating
15 categories) by at least two nationally recognized rating agencies.

16 **“RBI”** means *The Bond Buyer* Revenue Bond Index or comparable index, or, if no
17 comparable index can be obtained, 80 percent of the interest rate for actively traded 30-year
18 United States Treasury obligations.

19 **“Rate Stabilization Account”** means the account of that name created in the Water Fund
20 pursuant to Ordinance 116705 and redesignated for accounting purposes as the Revenue
21 Stabilization Subfund of the Water Fund pursuant to Ordinance 120875.

22 **“Rating Agency”** means any nationally recognized rating agency then maintaining a
23 rating on a series of then outstanding Parity Bonds at the request of the City.

1 **“Record Date”** means, unless otherwise defined in the Bond Documents, in the case of
2 each interest or principal payment date, the Bond Registrar’s close of business on the 15th day of
3 the month preceding the interest or principal payment date. With regard to redemption of a Bond
4 prior to its maturity, the Record Date shall mean the Bond Registrar’s close of business on the
5 day prior to the date on which the Bond Registrar sends the notice of redemption to the
6 Registered Owner(s) of the affected Bonds.

7 **“Refundable Bonds”** means Parity Bonds that may be refunded pursuant to the Omnibus
8 Refunding Ordinance. For purposes of this definition, each Series of the Bonds issued pursuant
9 to this ordinance is designated as a series of Refundable Bonds.

10 **“Refunding Parity Bonds”** means Future Parity Bonds that satisfy the applicable Parity
11 Conditions and are issued pursuant to the Omnibus Refunding Ordinance, or other Future Parity
12 Bond Ordinance, for the purpose of refunding any Refundable Bonds.

13 **“Registered Owner”** means, with respect to a Bond, the person in whose name that
14 Bond is registered on the Bond Register. For so long as a Series of the Bonds is in Book-Entry
15 Form under the Letter of Representations, the Registered Owner of such Series shall mean the
16 Securities Depository.

17 **“Registration Ordinance”** means Ordinance 111724 establishing a system of
18 registration for the City’s bonds and other obligations pursuant to Seattle Municipal Code
19 Chapter 5.10, as amended at any time.

20 **“Reserve Covenant Date”** means the earlier of (a) the date on which the City has
21 obtained consents of the requisite percentage of Registered Owners of the Parity Bonds then
22 outstanding, in accordance with the provisions of the applicable Outstanding Parity Bond
23 Documents; or (b) the date on which all of the following Outstanding Parity Bonds have been

1 redeemed or defeased: Water System Revenue Bonds, 2010A (Taxable Build America Bonds –
2 Direct Payment); Water System Improvement and Refunding Revenue Bonds, 2010B; Water
3 System Refunding Revenue Bonds, 2012; and Water System Improvement and Refunding
4 Revenue Bonds, 2015.

5 **“Reserve Requirement”** means the lesser of (a) Maximum Annual Debt Service on all
6 Parity Bonds outstanding at the time of calculation, or (b) 1.25 times Average Annual Debt
7 Service on all Parity Bonds outstanding at the time of calculation. In no event shall the Reserve
8 Requirement exceed 10 percent of the proceeds of each series of Parity Bonds then outstanding,
9 determined as of the Issue Date of each such series. *From and after the Reserve Covenant Date,*
10 *the Reserve Requirement shall mean the lesser of (a) Maximum Annual Debt Service on all*
11 *Covered Parity Bonds outstanding at the time of calculation, or (b) 1.25 times Average Annual*
12 *Debt Service on all Covered Parity Bonds outstanding at the time of calculation. In no event*
13 *shall the Reserve Requirement exceed the sum of 10 percent of the proceeds of each series of*
14 *Covered Parity Bonds then outstanding, determined as of the Issue Date of each such series.*

15 **“Reserve Security”** means any Qualified Insurance or Qualified Letter of Credit
16 obtained by the City to satisfy part or all of the Reserve Requirement, and which is not
17 cancelable on less than three years’ notice.

18 **“Reserve Subaccount”** means the subaccount of that name created in the Parity Bond
19 Account for the purpose of securing the payment of the principal of and interest on Parity Bonds.

20 **“Rule 15c2-12”** means Rule 15c2-12 promulgated by the SEC under the Securities
21 Exchange Act of 1934, as amended.

22 **“SEC”** means the United States Securities and Exchange Commission.

1 **“Securities Depository”** means DTC, any successor thereto, any substitute securities
2 depository selected by the City, or the nominee of any of the foregoing. Any successor or
3 substitute Securities Depository must be qualified under applicable laws and regulations to
4 provide the services proposed to be provided by it.

5 **“Serial Bonds”** means Parity Bonds maturing in specified years, for which no Sinking
6 Fund Requirements are mandated.

7 **“Series”** means a series of the Bonds issued pursuant to this ordinance.

8 **“Sinking Fund Account”** means any account created in the Parity Bond Account to
9 amortize the principal or make mandatory redemptions of Term Bonds.

10 **“Sinking Fund Requirement”** means, for any calendar year, the principal amount and
11 premium, if any, of Term Bonds required to be purchased, redeemed, paid at maturity or paid
12 into any Sinking Fund Account for such calendar year, as established pursuant to the Bond
13 Documents relating to such Term Bonds.

14 **“State”** means the State of Washington.

15 **“State Auditor”** means the office of the Auditor of the State or such other department or
16 office of the State authorized and directed by State law to make audits.

17 **“Tax Credit Subsidy Bond”** means any Taxable Bond that is designated by the City as a
18 tax credit bond pursuant to the Code, and which is further designated as a “qualified bond” under
19 Section 6431 or similar provision of the Code, and with respect to which the City is eligible to
20 claim a Tax Credit Subsidy Payment.

21 **“Tax Credit Subsidy Payment”** means a payment by the federal government with
22 respect to a Tax Credit Subsidy Bond.

1 **“Tax-Exempt Bond”** means any Parity Bond, the interest on which is intended, as of the
2 Issue Date, to be excludable from gross income for federal income tax purposes.

3 **“Taxable Bond”** means any Parity Bond, the interest on which is not intended, as of the
4 Issue Date, to be excludable from gross income for federal income tax purposes.

5 **“Term Bond”** means any Parity Bond that is issued subject to mandatory redemption
6 prior to its maturity in Sinking Fund Requirements.

7 **“ULID”** means a utility local improvement district of the City created for the acquisition
8 or construction of additions to and betterments and extensions of the Municipal Water System.

9 **“ULID Assessments”** means all assessments levied and collected in a ULID, if and only
10 if those assessments are pledged to be paid into the Parity Bond Account, in which case they
11 shall be included in Gross Revenue. ULID Assessments shall include all installments of
12 principal, payments of interest, and penalties and interest on delinquencies, but shall not include
13 any prepaid assessments paid into a construction fund or account.

14 **“Valuation Date”** means, with respect to any Capital Appreciation Bond, the date or
15 dates, determined as set forth in the Parity Bond Documents relating to the relevant series of
16 Parity Bonds, on which specific Accreted Values are assigned to that Capital Appreciation Bond.

17 **“Variable Interest Rate”** means any interest rate that fluctuates during the stated term of
18 a Parity Bond (or during a stated period during which the Parity Bond is designated as a Variable
19 Interest Rate Bond), whether due to a remarketing, a market index reset, or other mechanism set
20 forth in the applicable Bond Documents. The Bond Documents for any Series of the Bonds
21 bearing interest at a Variable Interest Rate shall set forth: (a) the available method(s) of
22 computing interest (the “interest rate modes”); (b) the particular period or periods of time (or
23 manner of determining such period or periods of time) for which each value of such Variable

1 Interest Rate (or each interest rate mode) shall remain in effect; (c) provisions for conversion
2 from one interest rate mode to another and for setting or resetting the interest rates; and (d) the
3 time or times upon which any change in such Variable Interest Rate (or any conversion of
4 interest rate modes) shall become effective.

5 **“Variable Interest Rate Bond”** means, for any period of time, any Parity Bond that
6 bears interest at a Variable Interest Rate during that period. A Parity Bond shall not be treated as
7 a Variable Interest Rate Bond if the net economic effect of: (a) interest rates on a particular series
8 of Parity Bonds, as set forth in the applicable Bond Documents, and (b) either (i) interest rates on
9 another series of Parity Bonds issued at substantially the same time, or (ii) a Payment Agreement
10 related to that particular series of Parity Bonds, is to produce obligations that bear interest at a
11 fixed rate. A Parity Bond with respect to which a Payment Agreement is in force shall be treated
12 as a Variable Interest Rate Bond if the net economic effect of the Payment Agreement is to
13 produce an obligation that bears interest at a Variable Interest Rate.

14 **“Water Fund”** means the fund of that name into which is paid the Gross Revenue of the
15 Municipal Water System.

16 **“Water System Plan”** means the long-range water system plan known as the 2013
17 Water System Plan adopted by the City in Ordinance 124071, as that plan may be amended,
18 updated, supplemented, or replaced from time to time.

19 Section 2. **Adoption of Plan of Additions**. The City specifies, adopts, and orders the
20 Plan of Additions to be carried out as generally provided for in the documents comprising the
21 Plan of Additions. The estimated cost of the Plan of Additions, as near as may be determined, is
22 declared to be \$727 million, of which approximately \$88 million is expected to be financed from
23 proceeds of the Bonds and investment earnings thereon.

1 Section 3. **Authorization of Bonds; Due Regard Finding.**

2 (a) **The Bonds.** The City is authorized to issue Municipal Water System revenue bonds,
3 payable from the sources described in Section 13 of this ordinance, in the maximum principal
4 amount stated in Section 5 of this ordinance, to provide funds (a) to pay part of the cost of
5 carrying out the Plan of Additions; (b) to provide for the Reserve Requirement (if any); (c) to
6 capitalize interest on (if necessary) and pay the costs of issuance of the Bonds; and (d) for other
7 Municipal Water System purposes approved by ordinance. The Bonds may be issued in one or
8 more Series and may be combined with other Municipal Water System revenue bonds (including
9 Refunding Parity Bonds) authorized separately. The Bonds shall be designated Water System
10 Revenue Bonds and shall be numbered separately and shall have any name, year, and series or
11 other label as deemed necessary or appropriate by the Director of Finance.

12 (b) **City Council Finding.** The City Council finds that, in creating the Parity Bond
13 Account and in fixing the amounts to be paid into it in accordance with this ordinance and the
14 parameters for the Bond Sale Terms set forth in Section 5 of this ordinance, the City Council has
15 exercised due regard for the cost of operation and maintenance of the Municipal Water System,
16 and is not setting aside into the Parity Bond Account a greater amount than in the judgment of
17 the City Council, based on the rates established from time to time consistent with subsection
18 16(b) of this ordinance, will be sufficient, in the judgment of the City Council, to meet all
19 expenses of operation and maintenance of the Municipal Water System and to provide the
20 amounts previously pledged for the payment of all outstanding obligations payable out of Gross
21 Revenues and pledged for the payment of the Bonds. Therefore, the City Council finds that the
22 issuance and sale of the Bonds is in the best interest of the City and in the public interest.

1 Section 4. **Manner of Sale of Bonds.** The Director of Finance may provide for the sale
2 of each Series by competitive sale, negotiated sale, limited offering, or private placement and
3 may select and enter into agreements with remarketing agents or providers of liquidity with
4 respect to Variable Interest Rate Bonds. The Purchaser of each Series shall be chosen through a
5 selection process acceptable to the Director of Finance. The Director of Finance is authorized to
6 specify a date and time of sale and a date and time for the delivery of each Series; in the case of a
7 competitive sale, to provide an official notice of sale including bid parameters and other bid
8 requirements, and to provide for the use of an electronic bidding mechanism; to determine
9 matters relating to a forward or delayed delivery of the Bonds; and to determine such other
10 matters and take such other action as, in the Director’s determination, may be necessary,
11 appropriate, or desirable in order to carry out the sale of each Series. Each Series must be sold on
12 Bond Sale Terms consistent with the parameters set forth in Section 5 of this ordinance.

13 Section 5. **Appointment of Designated Representative; Bond Sale Terms.**

14 (a) **Designated Representative.** The Director of Finance is appointed to serve as the
15 City’s designated representative in connection with the issuance and sale of the Bonds in
16 accordance with RCW 39.46.040(2) and this ordinance.

17 (b) **Parameters for Bond Sale Terms.** The Director of Finance is authorized to approve,
18 on behalf of the City, Bond Sale Terms for the sale of the Bonds in one or more Series, and, in
19 connection with each such sale, to execute a Bond Purchase Contract (or, in the case of a
20 competitive sale, a Pricing Certificate) confirming the Bond Sale Terms and such related
21 agreements as may be necessary or desirable, consistent with the following parameters:

22 (i) **Maximum Principal Amount.** The maximum aggregate principal amount of
23 all Series of the Bonds authorized by this ordinance is not to exceed \$88 million.

1 (ii) **Date or Dates.** Each Bond shall be dated its Issue Date, as determined by the
2 Director of Finance. The initial Issue Date (without restricting any reissuance date with respect
3 to a Series of Variable Interest Rate Bonds) may be no later than December 31, 2024.

4 (iii) **Denominations.** The Bonds shall be issued in Authorized Denominations.

5 (iv) **Interest Rate(s).** Each Bond shall bear interest from its Issue Date or from
6 the most recent date to which interest has been paid or duly provided, whichever is later, unless
7 otherwise provided in the Bond Documents. Each Series of the Bonds shall bear interest at one
8 or more fixed interest rates or Variable Interest Rates. The net interest cost for any fixed rate
9 Series may not exceed a rate of 10 percent per annum. The Bond Documents for any Series may
10 provide for multiple interest rates and interest rate modes, and may provide conditions and
11 mechanisms for the Director of Finance to effect a conversion from one mode to another.
12 Nothing in this ordinance shall be interpreted to prevent the Bond Documents for any Series
13 from including a provision for adjustments to interest rates during the term of the Series upon the
14 occurrence of certain events specified in the applicable Bond Documents.

15 (v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director
16 of Finance. Principal shall be payable on dates acceptable to the Director of Finance, which shall
17 include payment at the maturity of each Bond, in accordance with any Sinking Fund
18 Requirements applicable to Term Bonds, and otherwise in accordance with any redemption or
19 tender provisions.

20 (vi) **Final Maturity.** Each Bond shall mature no later than 40 years after its Issue
21 Date.

1 (vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include
2 redemption and tender provisions, as determined by the Director of Finance in the Director’s
3 discretion, consistent with Section 8 of this ordinance and subject to the following:

4 (A) **Optional Redemption.** The Director of Finance may designate any
5 Bond as subject to optional redemption prior to its maturity. Any Bond that is subject to optional
6 redemption prior to maturity must be callable on at least one or more dates occurring not more
7 than 10½ years after the Issue Date, consistent with subsection 8(a) of this ordinance.

8 (B) **Mandatory Redemption.** The Director of Finance may designate any
9 Bond as a Term Bond, subject to mandatory redemption prior to its maturity on the dates and in
10 principal payment amounts set forth in Sinking Fund Requirements, consistent with subsection
11 8(b) of this ordinance.

12 (C) **Extraordinary Redemptions.** The Director of Finance may
13 designate any Bond as subject to extraordinary optional redemption or extraordinary mandatory
14 redemption upon the occurrence of an extraordinary event, as such event or events may be set
15 forth in the applicable Bond Documents, consistent with subsection 8(c) of this ordinance.

16 (D) **Tender Options.** The Director of Finance may designate any
17 Variable Interest Rate Bond as subject to tender options, as set forth in the applicable Bond
18 Documents.

19 (viii) **Price.** The Director of Finance may approve in the Bond Sale Terms an
20 aggregate purchase price for each Series of the Bonds that is, in the Director’s judgment, the
21 price that produces the most advantageous borrowing cost for the City, consistent with the
22 parameters set forth in this ordinance and in any applicable bid documents.

1 **(ix) Other Terms and Conditions.**

2 **(A) Expected Life of Capital Facilities.** As of the Issue Date of each
3 Series, the Director of Finance must additionally find to the Director’s satisfaction that the
4 average expected life of the capital facilities to be financed with the proceeds (or allocable share
5 of proceeds) of that Series must exceed the weighted average maturity of such Series (or share
6 thereof) allocated to financing those capital facilities.

7 **(B) Parity Conditions Satisfied.** As of the Issue Date of each Series, the
8 Director of Finance must find that the Parity Conditions have been met or otherwise satisfied, so
9 that such Series is permitted to be issued as Parity Bonds.

10 **(C) Additional Terms, Conditions, and Agreements.** The Bond Sale
11 Terms for any Series may provide for Bond Insurance, a Reserve Security, Qualified Letter of
12 Credit, credit enhancement, or for any other Payment Agreement as the Director of Finance may
13 find necessary or desirable. The Bond Sale Terms for any Series may provide for multiple
14 interest rate modes and may include provisions for conversion from any interest rate mode to any
15 other mode. To that end, the Bond Sale Terms may include such additional terms, conditions,
16 and covenants as may be necessary or desirable, including but not limited to: restrictions on
17 investment of Bond proceeds and pledged funds (including any escrow established for the
18 defeasance of the Bonds); provisions for the conversion of interest rate modes; provisions for the
19 reimbursement of a credit enhancement provider or Qualified Counterparty; and requirements to
20 give notice to or obtain the consent of a credit enhancement provider or a Qualified
21 Counterparty. The Director of Finance is authorized to execute, on behalf of the City, such
22 additional certificates and agreements as may be necessary or desirable to reflect such terms,
23 conditions, and covenants.

1 (D) **Reserve Requirement.** The Bond Sale Terms must establish whether
2 the Series is to be treated as Covered Parity Bonds and must establish the method of providing
3 for the Reserve Requirement, consistent with Section 15 of this ordinance.

4 (E) **Tax Status of the Bonds.** The Director of Finance may determine
5 that any Series of the Bonds may be designated or qualified as Tax-Exempt Bonds, Taxable
6 Bonds, or Tax Credit Subsidy Bonds, consistent with Section 22 of this ordinance.

7 Section 6. **Bond Registrar; Registration and Transfer of Bonds.**

8 (a) **Registration of Bonds; Bond Registrar.** The Bonds shall be issued only in
9 registered form as to both principal and interest and shall be recorded on the Bond Register. The
10 Fiscal Agent is appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise
11 determined by the Director of Finance.

12 (b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be
13 kept, sufficient books for the registration and transfer of the Bonds, which shall be open to
14 inspection by the City at all times. The Bond Register shall contain the name and mailing address
15 of the Registered Owner of each Bond and the principal amount and number of each of the
16 Bonds held by each Registered Owner.

17 The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds
18 transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to
19 serve as the City’s paying agent for the Bonds and to carry out all of the Bond Registrar’s powers
20 and duties under this ordinance and the Registration Ordinance.

21 The Bond Registrar shall be responsible for its representations contained in the Bond
22 Registrar’s certificate of authentication on the Bonds. The Bond Registrar may become an
23 Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the

1 extent permitted by law, may act as depository for and permit any of its officers or directors to
2 act as members of, or in any other capacity with respect to, any committee formed to protect the
3 rights of Owners.

4 Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized
5 Denomination of an equal aggregate principal amount and of the same Series, interest rate and
6 maturity. Bonds may be transferred only if endorsed in the manner provided thereon and
7 surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an Owner or
8 transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during
9 the period between the Record Date and the corresponding interest payment or principal
10 redemption date.

11 (c) **Securities Depository; Book-Entry Form.** Unless otherwise determined by the
12 Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the
13 name of the Securities Depository. The Bonds so registered shall be held fully immobilized in
14 Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of
15 Representations. Neither the City nor the Bond Registrar shall have any responsibility or
16 obligation to participants of the Securities Depository or the persons for whom they act as
17 nominees with respect to the Bonds regarding the accuracy of any records maintained by the
18 Securities Depository or its participants of any amount in respect of principal of or interest on the
19 Bonds, or any notice that is permitted or required to be given to Registered Owners hereunder
20 (except such notice as is required to be given by the Bond Registrar to the Securities
21 Depository). Registered ownership of a Bond initially held in Book-Entry Form, or any portion
22 thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any

1 substitute Securities Depository appointed by the City or such substitute Securities Depository's
2 successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form.

3 Upon the resignation of the Securities Depository from its functions as depository, or
4 upon a determination by the Director of Finance to discontinue utilizing the then-current
5 Securities Depository, the Director of Finance may appoint a substitute Securities Depository. If
6 the Securities Depository resigns from its functions as depository and no substitute Securities
7 Depository can be obtained, or if the Director of Finance determines not to utilize a Securities
8 Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be
9 transferred only as provided herein.

10 Nothing in this ordinance shall prevent the Bond Sale Terms from providing that a Series
11 of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and
12 that the Bonds of such Series shall be registered as of their Issue Date in the names of the
13 Owners thereof, in which case ownership may be transferred only as provided in this ordinance.

14 (d) **Lost or Stolen Bonds.** In case any Bond shall be lost, stolen or destroyed, the Bond
15 Registrar may authenticate and deliver a new bond or bonds of like amount, date, tenor, and
16 effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses
17 and charges of the City in connection therewith and upon filing with the Bond Registrar evidence
18 satisfactory to the Bond Registrar that such bond or bonds were actually lost, stolen or destroyed
19 and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to
20 both.

21 Section 7. **Payment of Bonds.**

22 (a) **Payment.** Each Bond shall be payable in lawful money of the United States of
23 America on the dates and in the amounts as provided in the Bond Documents applicable to that

1 Series. Principal of and interest on each Bond issued as a Parity Bond shall be payable solely out
2 of the Parity Bond Account and shall not be a general obligation of the City. No Bonds of any
3 Series shall be subject to acceleration under any circumstances.

4 (b) **Bonds Held In Book-Entry Form.** Principal of and interest on each Bond held in
5 Book-Entry Form shall be payable in the manner set forth in the Letter of Representations.

6 (c) **Bonds Not Held In Book-Entry Form.** Interest on each Bond not held in Book-
7 Entry Form shall be payable by electronic transfer on the interest payment date, or by check or
8 draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the
9 address appearing on the Bond Register on the Record Date. The City, however, is not required
10 to make electronic transfers except pursuant to a request by a Registered Owner in writing
11 received at least ten days prior to the Record Date and at the sole expense of the Registered
12 Owner. Principal of each Bond not held in Book-Entry Form shall be payable upon presentation
13 and surrender of the Bond by the Registered Owner to the Bond Registrar.

14 Section 8. **Redemption and Purchase of Bonds.**

15 (a) **Optional Redemption.** All or some of the Bonds may be subject to redemption prior
16 to their stated maturity dates at the option of the City at the times and on the terms set forth in the
17 applicable Bond Documents.

18 (b) **Mandatory Redemption.** All or some of the Bonds of any Series may be designated
19 as Term Bonds, subject to mandatory redemption in Sinking Fund Requirements, as set forth in
20 the applicable Bond Documents. If not redeemed or purchased at the City's option prior to
21 maturity, Term Bonds (if any) must be redeemed, at a price equal to 100 percent of the principal
22 amount to be redeemed plus accrued interest, on the dates and in the years and Sinking Fund
23 Requirements as set forth in the applicable Bond Documents. If the City optionally redeems or

1 purchases a Term Bond prior to maturity, the principal amount of that Term Bond that is so
2 redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against
3 the remaining Sinking Fund Requirements for that Term Bond in the manner as directed by the
4 Director of Finance. In the absence of direction by the Director of Finance, credit shall be
5 allocated to the remaining Sinking Fund Requirements for that Term Bond on a *pro rata* basis.

6 (c) **Extraordinary Redemption Provisions.** All or some of the Bonds of any Series
7 may be subject to extraordinary optional or extraordinary mandatory redemption prior to
8 maturity upon the occurrence of an extraordinary event, at the prices, in the principal amounts,
9 and on the dates, all as set forth in the applicable Bond Documents.

10 (d) **Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of the
11 outstanding Bonds of a Series are to be redeemed at the option of the City, the Director of
12 Finance shall select the maturity or maturities to be redeemed. If less than all of the principal
13 amount of a maturity of the selected Series is to be redeemed and, if such Series is held in Book-
14 Entry Form, the portion of such maturity to be redeemed shall be selected for redemption by the
15 Securities Depository in accordance with the Letter of Representations. If the Series is not then
16 held in Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the
17 Bond Registrar randomly in such manner as the Bond Registrar shall determine. All or a portion
18 of the principal amount of any Bond that is to be redeemed may be redeemed in any applicable
19 Authorized Denomination. If less than all of the outstanding principal amount of any Bond is
20 redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the
21 Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered
22 Owner) of the same Series, maturity, and interest rate in any Authorized Denomination in the
23 aggregate principal amount to remain outstanding.

1 (e) **Purchase.** The City reserves the right and option to purchase any or all of the Bonds
2 at any time at any price acceptable to the City plus accrued interest to the date of purchase.

3 Section 9. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth in
4 the applicable Bond Documents, the City must cause notice of any intended redemption of
5 Bonds to be given not fewer than 20 nor more than 60 days prior to the date fixed for redemption
6 by first class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the
7 address appearing on the Bond Register on the Record Date, and the requirements of this
8 sentence shall be deemed to have been fulfilled when notice has been mailed as so provided,
9 whether or not it is actually received by the Owner of any Bond. Interest on Bonds called for
10 redemption shall cease to accrue on the date fixed for redemption unless the Bond or Bonds
11 called are not redeemed when presented pursuant to the call.

12 In the case of an optional or extraordinary optional redemption, the notice may state that
13 the City retains the right to rescind the redemption notice and the related optional redemption of
14 Bonds by giving a notice of rescission to the affected Registered Owners at any time on or prior
15 to the scheduled optional redemption date. Any notice of optional redemption that is rescinded
16 by the Director of Finance shall be of no effect, and the Bonds for which the notice of optional
17 redemption has been rescinded shall remain outstanding.

18 Section 10. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at its
19 maturity or redemption date, the City shall be obligated to pay, solely from the Parity Bond
20 Account and the other sources pledged in this ordinance, interest on that Bond at the same rate
21 provided on that Bond from and after its maturity or redemption date until that Bond, including
22 principal, redemption premium (if any), and interest, is paid in full or until sufficient money for

1 its payment in full is on deposit in the Parity Bond Account and that Bond has been called for
2 payment by giving notice of that call to the Registered Owner of that Bond.

3 Section 11. **Form and Execution of Bonds.** The Bonds shall be typed, printed, or
4 reproduced in a form consistent with the provisions of this ordinance and State law; shall be
5 signed by the Mayor and Director of Finance, either or both of whose signatures may be manual
6 or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or
7 printed thereon.

8 Only Bonds bearing a certificate of authentication in substantially the following form
9 (with the designation, year, and Series adjusted consistent with this ordinance), manually signed
10 by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of
11 this ordinance: “This Bond is one of the fully registered The City of Seattle, Washington, [Water
12 System Revenue Bonds], [Year], [Series], described in [this ordinance].” The authorized signing
13 of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has
14 been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

15 If any officer whose manual or facsimile signature appears on a Bond ceases to be an
16 officer of the City authorized to sign bonds before the Bond bearing the officer’s manual or
17 facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that
18 Bond nevertheless may be authenticated, delivered, and issued and, when authenticated, issued,
19 and delivered, shall be as binding on the City as though that person had continued to be an
20 officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City
21 by any person who, on the actual date of signing of the Bond, is an officer of the City authorized
22 to sign bonds, although the person did not hold the required office on the date of issuance of that
23 Series of the Bonds.

1 Section 12. **Construction Account; Deposit of Proceeds.** An account to be known as
2 the Water System Construction Subaccount, 2022, is created in the Water System Construction
3 Account within the Water Fund. After depositing accrued interest (if any) into the Principal and
4 Interest Subaccount and depositing amounts necessary to provide for the Reserve Requirement
5 (if any) into the Reserve Subaccount, the remaining principal proceeds of the sale of a Series of
6 the Bonds shall be deposited into the Construction Account (or such other fund or account as
7 may be directed by the Director of Finance) to be used (a) to pay part of the costs of carrying out
8 the Plan of Additions, and (b) to pay capitalized interest on (if necessary) and the costs of
9 issuance of the Series. Until needed to pay such costs, the City may invest principal proceeds and
10 interest thereon temporarily in any Permitted Investments, and the investment earnings may, as
11 determined by the Director of Finance, be either (a) retained in the Construction Account to be
12 spent for the purposes of that account, or (b) deposited in the Parity Bond Account.

13 Section 13. **Security for the Bonds; Parity with Outstanding Parity Bonds.** The
14 Bonds shall be special limited obligations of the City payable from and secured solely by the Net
15 Revenue (including all ULID Assessments, if any) and money in the Parity Bond Account and
16 the subaccounts therein, *except that from and after the Reserve Covenant Date, money in the*
17 *Reserve Subaccount shall secure only Covered Parity Bonds.* The Net Revenue (including all
18 ULID Assessments, if any) is pledged to make the payments into the Parity Bond Account
19 required by this ordinance. This pledge constitutes a charge and lien upon such Net Revenue
20 prior and superior to all other liens and charges whatsoever.

21 The Bonds shall be issued on parity with the Outstanding Parity Bonds and all Future
22 Parity Bonds, without regard to date of issuance or authorization and without preference or
23 priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds

1 or other obligations that are a charge or lien upon Net Revenue subordinate to the payments
2 required to be made from Net Revenue into the Parity Bond Account and the subaccounts
3 therein. The City covenants that, for as long as any Bond is outstanding, it will not issue any
4 other revenue obligations (or create any special fund or account therefor), that will have any
5 priority over or that will rank on a parity with the payments required in respect of the Parity
6 Bonds, and that it will issue Future Parity Bonds only accordance with Section 17 of this
7 ordinance.

8 The Bonds shall not constitute general obligations of the City, the State, or any political
9 subdivision of the State or a charge upon any general fund or upon any money or other property
10 of the City, the State, or any political subdivision of the State not specifically pledged by this
11 ordinance.

12 Section 14. **Priority Expenditure of Gross Revenue; Flow of Funds.** Gross Revenue
13 shall be deposited as received in the Water Fund and used for the following purposes only in the
14 following order of priority:

15 (a) To pay the Operating and Maintenance Expense;

16 (b) To make all payments into the Principal and Interest Subaccount required to be made
17 in order to pay the interest on and principal of all Parity Bonds (including all net payments on
18 Parity Payment Agreements) when due, and to make payments due under any agreement with a
19 provider of a Reserve Security which agreement requires those payments to be treated on a parity
20 of lien with the Parity Bonds;

21 (c) To make all payments required to be made (i) into the Reserve Subaccount with
22 respect to Covered Parity Bonds, (ii) under any agreement with a provider of a Reserve Security,
23 which agreement requires those payments to be treated on a parity of lien with the payments

1 required to be made into the Reserve Subaccount, and (iii) *until the Reserve Covenant Date,*
2 *into a special account in the Water Fund in accordance with the second paragraph in*
3 *subsection 15(a)(ii) of this ordinance;*

4 (d) To make all payments required to be made into any revenue bond, note, warrant or
5 other revenue obligation redemption fund, debt service account, or reserve account created to
6 pay and secure the payment of the principal of and interest on any revenue bonds or short-term
7 obligations of the City having a charge and lien upon Net Revenue subordinate to the lien
8 thereon for the payment of the principal of and interest on the Parity Bonds; and

9 (e) Without priority, to any of the following purposes: to retire by redemption or purchase
10 any outstanding revenue bonds or revenue obligations of the Municipal Water System; to make
11 necessary additions, betterments, improvements or repairs to, or extensions and replacements of
12 the Municipal Water System; to pay City taxes or other payments in lieu of taxes payable from
13 Gross Revenue; to make deposits to the Rate Stabilization Account; or for any other lawful
14 Municipal Water System purposes.

15 Section 15. **Parity Bond Account.** A special account of the City known as the Parity
16 Bond Account has been previously created and shall be maintained as a separate account within
17 the Water Fund, for the sole purpose of paying the principal of and premium, if any, and interest
18 on the Parity Bonds as the same shall become due. The Parity Bond Account consists of the
19 Principal and Interest Subaccount and the Reserve Subaccount, and may additionally include
20 such subaccounts as the Director of Finance may deem necessary, so long as the maintenance of
21 such subaccounts does not conflict with the rights of the owners of Parity Bonds. Principal of,
22 premium (if any) and interest on the Parity Bonds shall be payable out of the Parity Bond
23 Account.

1 (a) **Required Payments Into the Parity Bond Account.** So long as any Parity Bonds
2 are outstanding (including amounts required under any Parity Payment Agreement), the City
3 shall set aside and pay into the Parity Bond Account all ULID Assessments on their collection
4 and, out of Net Revenue, certain fixed amounts without regard to any fixed proportion, namely:

5 (i) Into the Principal and Interest Subaccount on or before each date on which
6 interest on or principal of Parity Bonds (including Sinking Fund Requirements and net payments
7 under any Parity Payment Agreements) shall become due and payable, an amount that will be
8 sufficient, together with other money on deposit therein, to pay such principal, interest, Sinking
9 Fund Requirements, and net payments then due on Parity Payment Agreements as the same shall
10 become due; and

11 (ii) Into the Reserve Subaccount, an amount necessary to provide for the Reserve
12 Requirement within the time and in the manner required by this ordinance and the Bond Sale
13 Terms. The amount necessary, if any, to satisfy the Reserve Requirement upon the issuance of a
14 Series of the Bonds may be funded (A) on the Issue Date by a deposit of bond sale proceeds,
15 available funds of the Municipal Water System, or a Reserve Security; or (B) in annual
16 installments from Net Revenue so that the Reserve Requirement is fully funded by no later than
17 the fifth anniversary of the Issue Date of such series. The manner of funding the Reserve
18 Requirement for the Bonds shall be set forth in the Bond Sale Terms.

19 *Until the Reserve Covenant Date, the requirements of this paragraph apply:* On
20 receipt of a notice of cancellation of any Reserve Security used to satisfy all or any part of the
21 Reserve Requirement, the City shall either (A) substitute a Reserve Security in the amount
22 required to make up the deficiency created in the Reserve Subaccount, or (B) create a special
23 account in the Water Fund and deposit therein, on or before the 25th day of each of the

1 36 succeeding calendar months (commencing with the 25th day of the calendar month next
2 following the date of the notice) 1/36 of the amount sufficient, together with other money and
3 investments on deposit in the Reserve Subaccount, to equal the Reserve Requirement that will be
4 in effect as of the date the cancellation becomes effective. Amounts on deposit in that special
5 account shall not be available to pay debt service on Parity Bonds or for any other purpose of the
6 City, and shall be transferred to the Reserve Subaccount on the effective date of any cancellation
7 of a Reserve Security to make up all or part of the deficiency caused thereby. Amounts in that
8 special account or in the Reserve Subaccount may be transferred back to the Water Fund and
9 used for any purpose if and when a substitute Reserve Security is obtained. ***From and after the***
10 ***Reserve Covenant Date, the foregoing paragraph shall no longer be of any force or effect.***

11 To meet the required payments to be made into the Parity Bond Account, the Director of
12 Finance may transfer any money from any funds or accounts of the City legally available
13 therefor, except bond redemption funds, refunding escrow funds or defeasance funds. The
14 Director of Finance may provide for the purchase, redemption, or defeasance of any Parity
15 Bonds by the use of money on deposit in any subaccount in the Parity Bond Account as long as
16 the money remaining in those subaccounts is sufficient to satisfy the required deposits in those
17 subaccounts for the remaining Parity Bonds.

18 (b) **Reserve Subaccount.** The Reserve Subaccount previously has been created and
19 maintained as a subaccount within the Parity Bond Account for the purpose of securing the
20 payment of the principal of and interest on all Parity Bonds outstanding (including amounts due
21 under any Parity Payment Agreements if required under such agreement). The City covenants
22 that it will at all times, so long as any Covered Parity Bonds are outstanding, maintain the
23 Reserve Subaccount at the Reserve Requirement (taking into account scheduled payments to

1 fund the Reserve Requirement over time), as it is adjusted from time to time, except for
2 withdrawals as authorized by this ordinance. Any withdrawals authorized below from
3 subaccounts within the Reserve Subaccount shall be made on a pro rata basis except if the
4 provider of a Reserve Security requires all cash and investments in the Reserve Subaccount to be
5 withdrawn before draws on the Reserve Security, or unless the City receives an opinion of Bond
6 Counsel to the effect that such pro rata withdrawal is not required to maintain the exclusion of
7 interest on the Parity Bonds then outstanding from gross income for federal income tax purposes.

8 (i) **Use of Reserve Subaccount for Payment of Debt Service.** In the event of a
9 deficiency in the Principal and Interest Subaccount to meet current installments of either
10 principal (including Sinking Fund Requirements) or interest (including amounts payable under
11 any Parity Payment Agreement), the Director of Finance may make withdrawals of money or
12 proceeds of Reserve Security in the Reserve Subaccount. *From and after the Reserve Covenant*
13 *Date, the Reserve Subaccount shall secure the payment of principal of and interest on Covered*
14 *Parity Bonds only and the withdrawals authorized by this paragraph shall be limited to the*
15 *amounts necessary to meet maturing installments of either principal (or Sinking Fund*
16 *Requirements) or interest (including net payments under Parity Payment Agreements) with*
17 *respect only to Covered Parity Bonds.* Any deficiency created in the Reserve Subaccount by
18 reason of any such withdrawal or claim against a Reserve Security shall then be made up from
19 the ULID Assessments and Net Revenue first available after making necessary provisions for the
20 required payments into the Principal and Interest Subaccount.

21 (ii) **Application of Funds in Reserve Subaccount.** The money in the Reserve
22 Subaccount may be applied to the payment of the last outstanding Covered Parity Bonds, and
23 when the total amount in the Parity Bond Account (including investment earnings) equals the

1 total amount of principal and interest for all then-outstanding Covered Parity Bonds to the last
2 maturity thereof, no further payment need be made into the Parity Bond Account in respect of
3 the Covered Parity Bonds. Money in the Reserve Subaccount (including investment earnings) in
4 excess of the Reserve Requirement may be withdrawn and deposited in the Principal and Interest
5 Subaccount and spent for the purpose of retiring Covered Parity Bonds or may be deposited in
6 any other fund or account and spent for any other lawful Municipal Water System purpose.

7 **(c) Investment of Money in Parity Bond Account.** All money in the Parity Bond
8 Account may be kept in cash or invested in Permitted Investments maturing not later than the
9 date when needed (for investments in the Principal and Interest Subaccount) or the last maturity
10 of any outstanding Parity Bonds (for investments in the Reserve Subaccount). In no event shall
11 any money in the Parity Bond Account or any other money reasonably expected to be used to
12 pay principal of and/or interest on the Parity Bonds be invested at a yield that would cause any
13 Series issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds to be arbitrage bonds within
14 the meaning of Section 148 of the Code. Income from investments in the Principal and Interest
15 Subaccount shall be deposited in that subaccount. Income from investments in the Reserve
16 Subaccount shall be deposited in that subaccount until the amount therein is equal to the Reserve
17 Requirement for all Parity Bonds, and thereafter shall be deposited in the Principal and Interest
18 Subaccount. Notwithstanding the provisions for deposit or retention of earnings in the Parity
19 Bond Account, any earnings that are subject to a federal tax or rebate requirement may be
20 withdrawn from the Parity Bond Account for deposit in a separate fund or account for that
21 purpose. If no longer required for such rebate, money in that separate fund or account shall be
22 returned to the Parity Bond Account.

1 (d) **Failure to Deposit Money in Parity Bond Account.** If the City fails to set aside and
2 pay into the Parity Bond Account, or the subaccounts therein, the amounts set forth in this
3 ordinance, the registered owner of any of the outstanding Parity Bonds may bring action against
4 the City for failure to make the required deposits to the Parity Bond Account only in accordance
5 with Section 25 of this ordinance regarding Events of Default.

6 Section 16. **Parity Bond Covenants.** The City covenants with the Owner of each Bond
7 at any time outstanding, as follows:

8 (a) **Operation and Maintenance.** The City will pay all Operating and Maintenance
9 Expense and otherwise meet the obligations of the City under this ordinance. It will at all times
10 maintain and keep the Municipal Water System in good repair, working order and condition, and
11 will make all necessary and proper additions, betterments, renewals and repairs thereto, and
12 improvements, replacements and extensions thereof, so that at all times the business carried on in
13 connection therewith will be properly and advantageously conducted, and will at all times
14 operate or cause to be operated the Municipal Water System and the business in connection
15 therewith in an efficient manner and at a reasonable cost.

16 (b) **Establishment and Collection of Rates and Charges.** The City will establish,
17 maintain, revise as necessary, and collect rates and charges for services and facilities provided by
18 the Municipal Water System so that the Adjusted Net Revenue in each fiscal year will be at least
19 equal to the Coverage Requirement. The failure of the City to comply with this covenant shall
20 not be an Event of Default if the City promptly retains an Independent Utility Consultant to
21 recommend to the City Council adjustments in the rates of the Municipal Water System
22 necessary to meet the requirements of this covenant and if the City Council adopts the

1 recommended modifications within 180 days of the date the failure became known to the City
2 Council.

3 (c) **Sale or Disposition of the Municipal Water System.** The City may sell, transfer or
4 otherwise dispose of any of the works, plant, properties, facilities or other part of the Municipal
5 Water System or any real or personal property comprising a part of the Municipal Water System
6 consistent only with one or more of the following:

7 (i) The City in its discretion may carry out such a sale, transfer, or disposition
8 (each, a “transfer”) if the facilities or property transferred are not material to the operation of the
9 Municipal Water System, or shall have become unserviceable, inadequate, obsolete, or unfit to
10 be used in the operation of the Municipal Water System or are no longer necessary, material or
11 useful to the operation of the Municipal Water System; or

12 (ii) The City in its discretion may carry out such a transfer if the aggregate
13 depreciated cost value of the facilities or property being transferred under this subsection in any
14 fiscal year comprises no more than 5 percent of the total assets of the Municipal Water System;
15 or

16 (iii) The City in its discretion may carry out such a transfer if the proceeds from
17 such transfer are used to acquire new useful operating facilities or properties of the Municipal
18 Water System, or are used to retire outstanding Parity Bonds or other revenue obligations of the
19 Municipal Water System, if, at the time of such transfer, the City has on file a certificate of both
20 the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds
21 to substantially all of the responsibilities of either office) demonstrating that, in their opinion,
22 upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining
23 facilities of the Municipal Water System will retain their operational integrity and, based on the

1 financial statements for the most recent fiscal year available, the proposed transfer would not
2 prevent the Municipal Water System from complying with the Coverage Requirement during the
3 five fiscal years following the fiscal year in which the transfer is to occur. The certificate shall
4 take into account (A) the reduction in revenue and expenses, if any, resulting from the transfer;
5 (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the estimate
6 of revenue from customers anticipated to be served by any additions to and betterments and
7 extensions of the Municipal Water System financed in part by the proposed portion of the
8 proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a
9 certificate under subsection 17(a)(vi) of this ordinance. Before such a transfer, the City also must
10 obtain confirmation from each of the Rating Agencies to the effect that the rating then in effect
11 will not be reduced or withdrawn upon such transfer.

12 (d) **Books and Records.** The City will keep proper books, records and accounts with
13 respect to the operations, income, and expenditures of the Municipal Water System in
14 accordance with generally accepted accounting practices relating to municipal utilities and any
15 applicable rules and regulations prescribed by the State, and will cause those books, records and
16 accounts to be audited on an annual basis by the State Auditor (or, if such audit is not made by
17 the State Auditor within 270 days after the close of any fiscal year of the City, by a certified
18 public accountant selected by the City). It will prepare annual financial and operating statements
19 as soon as practicable after the close of each fiscal year showing in reasonable detail the financial
20 condition of the Municipal Water System as of the close of the previous year and the income and
21 expenses for such year, including the amounts paid into the Parity Bond Account and into any
22 and all special funds or accounts created pursuant to the provisions of this ordinance, the status
23 of all funds and accounts as of the end of such year, and the amounts expended for maintenance,

1 renewals, replacements and capital additions to the Municipal Water System. Such statements
2 shall be sent to the owner of any Parity Bond upon written request received by the City. The City
3 may charge a reasonable cost for providing such financial statements.

4 **(e) Liens Upon the Municipal Water System.** Except as otherwise provided in this
5 ordinance, it will not at any time create or permit to accrue or to exist any lien or other
6 encumbrance or indebtedness upon the Gross Revenue or any part thereof prior or superior to the
7 lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid
8 and discharged, any and all lawful claims for labor, materials or supplies that, if unpaid, might
9 become a lien or charge upon the Gross Revenue or any part thereof, prior or superior to, or on a
10 parity with, the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

11 **(f) Collection of Delinquent Accounts; No Free Service.** On at least an annual basis,
12 the City will determine all accounts that are delinquent and will take such actions as the City
13 determines are reasonably necessary to enforce payment of those delinquent accounts. Except to
14 aid the poor or infirm and for fire-fighting purposes, it will not furnish or supply or permit the
15 furnishing or supplying of any service or facility in connection with the operation of the
16 Municipal Water System free of charge to any person, firm, or corporation, public or private.

17 **(g) Maintenance of Insurance.** The City will at all times carry fire and extended
18 coverage, public liability and property damage and such other forms of insurance with
19 responsible insurers and with policies payable to the City on such of the buildings, equipment,
20 works, plants, facilities, and properties of the Municipal Water System as are ordinarily carried
21 by municipal or privately owned utilities engaged in the operation of like systems, and against
22 such claims for damages as are ordinarily carried by municipal or privately owned utilities
23 engaged in the operation of like systems, or it will self-insure or participate in an insurance pool

1 or pools with reserves adequate, in the reasonable judgment of the City, to protect the Municipal
2 Water System against loss.

3 (h) **Condemnation Awards and Insurance Proceeds.** If the City receives any
4 condemnation awards or proceeds of an insurance policy in connection with any loss of or
5 damage to any property of the Municipal Water System, it shall apply the condemnation award
6 or insurance proceeds, in the City's sole discretion, either (i) to the cost of replacing or repairing
7 the lost or damaged properties, (ii) to the payment, purchase, or redemption of Parity Bonds, or
8 (iii) to the cost of improvements to the Municipal Water System.

9 Section 17. **Future Parity Bonds**

10 (a) **Issuance of Future Parity Bonds.** The City reserves the right to issue Future Parity
11 Bonds and to enter into Parity Payment Agreements for any lawful purpose of the Municipal
12 Water System (including for the purpose of refunding a portion of the then-outstanding Parity
13 Bonds) only if, at the time of the issuance of such series of Future Parity Bonds (or upon the
14 effective date of the Parity Payment Agreement), the following conditions are satisfied:

15 (i) There must be no deficiency in the Parity Bond Account, and no Event of
16 Default with respect to any Parity Bonds shall have occurred and be continuing.

17 (ii) The Bond Documents for the proposed Future Parity Bonds must provide that
18 all ULID Assessments shall be paid directly into the Parity Bond Account.

19 (iii) The Bond Documents for the proposed Future Parity Bonds must provide for
20 the payment of the principal thereof and the interest thereon out of the Parity Bond Account.

21 (iv) The Bond Documents for the proposed Future Parity Bonds must provide for
22 the payment of any Sinking Fund Requirements from money in the Principal and Interest
23 Subaccount.

1 (v) For each series of Future Parity Bonds that is to be issued as a series of
2 Covered Parity Bonds, the Bond Documents must provide for the deposit into the Reserve
3 Subaccount of an amount, if any, necessary to fund the Reserve Requirement upon the issuance
4 of those Future Parity Bonds (if any), which requirement may be satisfied: (A) by a deposit,
5 made on the Issue Date of such series, of proceeds of that series of Future Parity Bonds or other
6 money legally available for such purpose; (B) by obtaining one or more Reserve Securities (or a
7 deposit of cash plus Reserve Securities) available to be drawn upon in specific amounts to be
8 paid into the Reserve Subaccount and credited against the deposits required to be maintained in
9 the Reserve Subaccount; or (C) by a deposit of amounts necessary to fund the Reserve
10 Requirement from ULID Assessments and Net Revenue within five years from the date of
11 issuance of those Future Parity Bonds, in five approximately equal annual payments.
12 Immediately prior to the issuance of Future Parity Bonds, amounts then deposited in the Reserve
13 Subaccount shall be valued as determined on the most recent annual financial report of the City
14 applicable to the Drainage and Wastewater System, and the additional amounts, if any, required
15 to be deposited into the Reserve Subaccount to satisfy the Reserve Requirement shall be based
16 on that valuation.

17 (vi) There must be on file with the City a Parity Certificate as described in
18 subsection (b). However, if the proposed Future Parity Bonds (or any portion thereof) are to be
19 issued for the purpose of refunding outstanding Parity Bonds (referred to as the “Refunding
20 Parity Bonds”), no Parity Certificate shall be required as to that portion issued for refunding
21 purposes if the Director of Finance finds and certifies that the Adjusted Annual Debt Service on
22 the refunding portion of the proposed Refunding Parity Bonds is not more than \$5,000 greater

1 than the Adjusted Annual Debt Service on the Parity Bonds to be refunded thereby.

2 Alternatively, Refunding Parity Bonds may be issued upon delivery of a Parity Certificate.

3 (b) **Parity Certificate.** A Parity Certificate required under subsection (a)(vi) may be
4 provided as follows:

5 (i) A certificate may be prepared and signed by the Director of Finance,
6 demonstrating that during any 12 consecutive calendar months out of the immediately preceding
7 24 calendar months Adjusted Net Revenue was at least equal to the Coverage Requirement for
8 all Parity Bonds plus the Future Parity Bonds proposed to be issued (and assuming that the debt
9 service of the proposed Future Parity Bonds for that 12-month period was the Average Annual
10 Debt Service for those proposed Future Parity Bonds); or

11 (ii) A certificate may be prepared and signed by both the Director of Finance and
12 the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the
13 responsibilities of either office), demonstrating that, in their opinion, Adjusted Net Revenue for
14 the five fiscal years next following the earlier of (A) the end of the period during which interest
15 on those Future Parity Bonds is to be capitalized or, if no interest is capitalized, the fiscal year in
16 which the Future Parity Bonds are issued, or (B) the date on which substantially all the new
17 facilities financed with those Future Parity Bonds are expected to commence operations, such
18 Adjusted Net Revenue, further adjusted as provided in paragraphs (1) through (4) below, will be
19 at least equal to the Coverage Requirement. That certificate may take into account the following
20 adjustments:

21 (1) Any changes in rates in effect and being charged, or rates
22 expected to be charged in accordance with a program of specific rates, rate levels or increases in
23 overall rate revenue approved by ordinance or resolution;

1 (2) Net revenue from customers of the Municipal Water System
2 who have become customers during the 12-consecutive-month period or thereafter, and their
3 estimate of net revenue from any customers to be connected to the Municipal Water System who
4 have paid the required connection charges, adjusted to reflect one year's net revenue from those
5 customers;

6 (3) Their estimate of net revenue from customers anticipated to be
7 served by facilities or improvements financed in substantial part by those Future Parity Bonds (or
8 additional Parity Bonds expected to be issued during the five-year period); and

9 (4) Net revenue from any person, firm, corporation, or municipal
10 corporation under any executed contract for water or other utility service, which revenue was not
11 included in historical Net Revenue of the Municipal Water System.

12 (c) **Other Provisions.** Nothing contained in this ordinance shall prevent the City from
13 issuing Future Parity Bonds to refund maturing Parity Bonds, money for the payment of which is
14 not otherwise available, or revenue bonds that are a charge or lien upon Net Revenue subordinate
15 to the charge or lien of the Parity Bonds, or from pledging to pay Net Revenue and/or
16 assessments levied for ULID improvements constructed from the proceeds of subordinate lien
17 bonds into a bond redemption fund created for the payment of the principal of and interest on
18 subordinate lien bonds.

19 (d) **Effect of Issuance of Future Parity Bonds.** If the Parity Conditions are met and
20 complied with at the time of the issuance of such Future Parity Bonds, then payments into the
21 Parity Bond Fund with respect to such Future Parity Bonds shall rank equally with the payments
22 out of the Net Revenue required to be made into the Parity Bond Fund by this ordinance.
23 Nothing set forth herein shall prevent the City from (i) issuing revenue bonds or other

1 obligations that are a charge upon the Net Revenue junior and inferior to the payments required
2 to be made therefrom into the Parity Bond Fund for the payment of the Parity Bonds, provided
3 that such subordinate bonds may not be subject to acceleration under any circumstances; or (ii)
4 issuing Refunding Parity Bonds for the purpose of refunding Outstanding Parity Bonds, upon
5 compliance with the Parity Conditions set forth in this section.

6 **(e) Reserve Requirement; Election Not to Designate Bonds as Covered Parity Bonds.**

7 Notwithstanding anything in this section to the contrary, the City may elect, by reflecting such
8 election in the Bond Sale Terms relating to the issuance or sale of a series of Future Parity
9 Bonds, that, from and after the Reserve Covenant Date, such series shall not be deemed to be a
10 series of Covered Parity Bonds, shall not be secured by the amounts in the Reserve Account, and
11 shall be excluded from the calculation of the Reserve Requirement.

12 Section 18. **Rate Stabilization Account.** The Rate Stabilization Account has been
13 created as a separate account in the Water Fund. The City may at any time, as determined by the
14 Director of Finance and consistent with the flow of funds set forth in Section 14 of this
15 ordinance, deposit in the Rate Stabilization Account Gross Revenue and any other money
16 received by the Municipal Water System and available for this purpose. The Director of Finance
17 may, upon authorization by the City Council, withdraw any or all of the money in the Rate
18 Stabilization Account for inclusion in Adjusted Gross Revenue for any fiscal year of the City.
19 Such deposits or withdrawals may be made up to and including the date 90 days after the end of
20 the fiscal year for which the deposit or withdrawal will be included as Adjusted Gross Revenue.
21 No deposit of Gross Revenue may be made into the Rate Stabilization Account to the extent that
22 such deposit would prevent the City from meeting the Coverage Requirement in the relevant
23 fiscal year.

1 Section 19. **Separate Utility Systems**. The City may create, acquire, construct, finance,
2 own or operate one or more additional systems for water supply, transmission or other
3 commodity or service relating to the Municipal Water System. The revenue of that separate
4 utility system shall not be included in Gross Revenue and may be pledged to the payment of
5 revenue obligations issued to purchase, construct, condemn or otherwise acquire or expand the
6 separate utility system. Neither Gross Revenue nor Net Revenue shall be pledged by the City to
7 the payment of any obligations of a separate utility system except (a) as a Contract Resource
8 Obligation, upon compliance with Section 20 of this ordinance, or (b) with respect to Net
9 Revenue, on a basis subordinate to the lien of the Parity Bonds on that Net Revenue.

10 Section 20. **Contract Resource Obligations**. The City may at any time enter into one or
11 more Contract Resource Obligations for the acquisition, from facilities to be constructed, of
12 water supply, transmission, or other commodity or service relating to the Municipal Water
13 System, as follows:

14 (a) The City may determine that, and may agree under a Contract Resource Obligation to
15 provide that, all payments under that Contract Resource Obligation (including payments prior to
16 the time that water supply or transmission or other commodity or service is being provided, or
17 during a suspension or after termination of supply or service) shall be an Operating and
18 Maintenance Expense if the following requirements are met at the time such a Contract Resource
19 Obligation is entered into:

20 (i) No Event of Default has occurred and is continuing; and

21 (ii) There shall be on file a certificate of an Independent Utility Consultant stating
22 that (A) the payments to be made by the City in connection with the Contract Resource
23 Obligation are reasonable for the supply or transmission rendered; (B) the source of any new

1 supply and any facilities to be constructed to provide the supply or transmission are sound from a
2 water or other supply or transmission planning standpoint, are technically and economically
3 feasible in accordance with prudent utility practice, and are likely to provide such supply or
4 transmission no later than a date set forth in the Independent Utility Consultant’s certification;
5 and (C) the Adjusted Net Revenue (further adjusted by the Independent Utility Consultant’s
6 estimate of the payments to be made in accordance with the Contract Resource Obligation) for
7 the five fiscal years following the year in which the Contract Resource Obligation is incurred, as
8 such Adjusted Net Revenue is estimated by the Independent Utility Consultant in accordance
9 with the provisions of and adjustments permitted in subsection 17(b)(ii) of this ordinance, will be
10 at least equal to the Coverage Requirement.

11 (b) Payments required to be made under Contract Resource Obligations shall not be
12 subject to acceleration.

13 (c) Nothing in this section shall be deemed to prevent the City from entering into other
14 agreements for the acquisition of water supply, transmission or other commodity or service from
15 existing facilities and from treating those payments as an Operating and Maintenance Expense.
16 Nothing in this section shall be deemed to prevent the City from entering into other agreements
17 for the acquisition of water supply, transmission, or other commodity or service from facilities to
18 be constructed and from agreeing to make payments with respect thereto, such payments
19 constituting a charge and lien on Net Revenue subordinate to that of the Parity Bonds.

20 Section 21. **Refunding and Defeasance of the Bonds.**

21 (a) **Bonds Designated as Refundable and Defeasible Bonds.** Each Series of the Bonds
22 is hereby designated as a series of “Refundable Bonds” for purposes of the Omnibus Refunding
23 Ordinance and as “Defeasible Bonds” for purposes of the Omnibus Defeasance Ordinance.

1 **(b) Refunding; Defeasance.** The City may issue Refunding Parity Bonds pursuant to the
2 laws of the State or use money available from any other lawful source (i) to pay when due the
3 principal of (including premium, if any) and interest on any Bond, or any portion thereof,
4 included in a refunding or defeasance plan (the “Defeased Bonds”); (ii) to redeem and retire,
5 release, refund, or defease the Defeased Bonds; and (iii) to pay the costs of such refunding or
6 defeasance. If money and/or Government Obligations maturing at a time or times and in an
7 amount sufficient (together with known earned income from the investment thereof) to redeem
8 and retire, release, refund, or defease the Defeased Bonds in accordance with their terms is set
9 aside in a special trust fund or escrow account irrevocably pledged to such redemption,
10 retirement, or defeasance (the “Trust Account”), then all right and interest of the Owners of the
11 Defeased Bonds in the covenants of this ordinance and in Net Revenue and the funds and
12 accounts pledged to the payment of such Defeased Bonds, other than the right to receive the
13 funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter
14 shall have the right to receive payment of the principal of and interest or redemption price on the
15 Defeased Bonds from the Trust Account. After establishing and fully funding such a Trust
16 Account, the Defeased Bonds shall be deemed to be no longer outstanding, and the Director of
17 Finance may then apply any money in any other fund or account established for the payment or
18 redemption of the Defeased Bonds to any lawful purpose.

19 **(c) Notice of Defeasance or Refunding.** Unless otherwise specified in the Bond
20 Documents, notice of refunding or defeasance shall be given, and selection of Bonds for any
21 partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for
22 the redemption of Bonds.

1 (d) **Annual Debt Service Calculation Adjustments for Defeased Bonds.** If the
2 refunding or defeasance plan provides (i) that the Defeased Bonds (or the Refunding Parity
3 Bonds issued to redeem those Defeased Bonds) are to be secured by money and/or Government
4 Obligations pending the redemption of the Defeased Bonds, and (ii) that certain money and/or
5 Government Obligations are pledged irrevocably for the redemption of the Defeased Bonds, then
6 only the debt service on such Bonds that are not Defeased Bonds (and any Refunding Parity
7 Bonds, the payment of which is not so secured by the refunding plan) shall be included in the
8 calculation of Annual Debt Service.

9 Section 22. **Provisions Relating to Federal Tax Issues.** The Bond Documents may
10 include such additional terms and covenants relating to federal tax matters as the Director of
11 Finance deems necessary or appropriate, including the following:

12 (a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds, the
13 City covenants that it will take all actions, consistent with the terms of such Series as set forth in
14 the applicable Bond Documents, that are reasonably within its power and necessary to prevent
15 interest on that Series from being included in gross income for federal income tax purposes. The
16 City further covenants that it will neither take any action nor make or permit any use of gross
17 proceeds of that Series (or other funds of the City treated as gross proceeds of that Series) at any
18 time during the term of such Series that will cause interest on such Series to be included in gross
19 income for federal income tax purposes. The City also covenants that, to the extent the arbitrage
20 rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt
21 Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that
22 requirement in connection with that Series (including the calculation and payment of any
23 penalties that the City may elect to pay as an alternative to calculating rebatable arbitrage and the

1 payment of any other penalties if required under Section 148 of the Code) to prevent interest on
2 such Series from being included in gross income for federal income tax purposes.

3 (b) **Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued as
4 Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make
5 provision in the Bonds and other Bond Documents, to execute additional written agreements, and
6 to make additional covenants on behalf of the City, all as the Director may deem necessary or
7 appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit
8 Subsidy Bonds, such additional covenants and agreement may include (without limiting the
9 generality of the foregoing) those necessary in order for the City (i) to receive from the United
10 States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit
11 Subsidy Bonds, and (ii) to ensure that such Series otherwise becomes and remains eligible for tax
12 benefits under the Code.

13 Section 23. **Official Statement; Continuing Disclosure**

14 (a) **Preliminary Official Statement.** The Director of Finance and other appropriate City
15 officials are directed to cause the preparation of and review the form of a preliminary official
16 statement in connection with each sale of one or more Series to the public. For the sole purpose
17 of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is
18 authorized to deem that preliminary official statement final as of its date, except for the omission
19 of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to
20 potential purchasers of the Bonds of a preliminary official statement that has been deemed final
21 in accordance with this subsection (a).

22 (b) **Final Official Statement.** The City approves the preparation of a final official
23 statement for each sale of one or more Series to be sold to the public in the form of the

1 preliminary official statement with such additions, modifications and amendments as the
2 Director of Finance deems necessary or desirable, and further authorizes the Director of Finance
3 to execute and deliver such final official statement to the Purchaser. The City authorizes and
4 approves the distribution by the Purchaser of that final official statement to purchasers and
5 potential purchasers of the Bonds.

6 (c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of
7 paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the
8 Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure
9 Agreement with respect to that Series, in substantially the form attached to this ordinance as
10 Exhibit B.

11 Section 24. **Supplemental or Amendatory Bond Documents.** This ordinance and the
12 other applicable Bond Documents for any particular Series of the Bonds may not be
13 supplemented or amended in any respect subsequent to the Issue Date of such Series, except in
14 accordance with and subject to the provisions of this section.

15 (a) **Amendments Without Bond Owner Consent.** From time to time and at any time,
16 without the consent of or notice to any owners of Parity Bonds, the City may supplement or
17 amend the Bond Documents applicable to any Series of the Bonds for any of the purposes set
18 forth in this subsection (a). Any such supplement or amendment may be passed, adopted, or
19 otherwise approved by the City, without requiring the consent of the registered owners of any
20 Parity Bonds, but may become effective only upon receipt by the City of an opinion of Bond
21 Counsel stating that such supplement or amendment is authorized or permitted by this ordinance
22 and, upon the effective date thereof, will be valid and binding upon the City in accordance with
23 its terms, and will not adversely affect the exclusion from gross income for federal income tax

1 purposes of interest on the affected Series of the Bonds, if such Series was issued and sold as
2 Tax-Exempt Bonds. The types of supplements and amendments permitted under this subsection
3 (a) are as follows:

4 (i) To cure any formal defect, omission, inconsistency, or ambiguity in the Bond
5 Documents for such Series in a manner not adverse to the owners of any Parity Bonds;

6 (ii) To impose upon the Bond Registrar (with its consent) for the benefit of the
7 owners of Parity Bonds any additional rights, remedies, powers, authority, security, liabilities, or
8 duties which may lawfully be granted, conferred, or imposed and which are not contrary to or
9 inconsistent with such Bond Documents as theretofore in effect;

10 (iii) To add to the covenants and agreements of, and limitations and restrictions
11 upon, the City in the Bond Documents, other covenants, agreements, limitations and restrictions
12 to be observed by the City which are not contrary to or inconsistent with such Bond Documents
13 as theretofore in effect;

14 (iv) To confirm, as further assurance, any pledge under (and the subjection to any
15 claim, lien, or pledge created or to be created by) such Bond Documents on any other money,
16 securities, or funds;

17 (v) To alter the Authorized Denominations of a Series of the Bonds and to make
18 correlative amendments and modifications to the applicable Bond Documents regarding
19 (A) exchangeability of such Bonds for Bonds of different authorized denominations,
20 (B) redemptions of portions of Bonds of particular authorized denominations, and (C) similar
21 amendments and modifications of a technical nature;

22 (vi) To comply with any future federal law or interpretation to preserve the
23 exclusion of the interest on any Series of the Bonds issued and sold as Tax-Exempt Bonds from

1 gross income for federal income tax purposes and the entitlement of the City to receive from the
2 United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series of
3 the Bonds issued and sold as Tax Credit Subsidy Bonds;

4 (vii) To modify, alter, amend, or supplement the Bond Documents in any other
5 respect which is not materially adverse to the owners of the Parity Bonds and which does not
6 involve a change described in subsection (c); and

7 (viii) To add to the covenants and agreements of (or limitations and restrictions
8 upon) the City set forth in any Bond Documents, such additional or alternative covenants,
9 agreements, limitations, or restrictions to be observed by the City as the City may determine are
10 necessary or convenient to accommodate a provider of Qualified Insurance or provider of a
11 Reserve Security and are not materially adverse to the owners of the Parity Bonds.

12 (b) **Amendments With Bond Owner Consent.** With the consent of registered owners of
13 not less than 60 percent in aggregate principal amount of the Parity Bonds then outstanding, the
14 City may pass, adopt, or otherwise approve any supplement or amendment (other than
15 amendments requiring unanimous consent as set forth in subsection (c)) to any Bond Document
16 that is deemed necessary or desirable by the City for the purpose of modifying, altering,
17 amending, supplementing, or rescinding, in any particular, any of the terms or provisions
18 contained in such Bond Document other than those terms and provisions described in subsection
19 (c).

20 (c) **Amendments Prohibited Except Upon Unanimous Consent.** Unless approved in
21 writing by or on behalf of the registered owner of each Parity Bond then outstanding, nothing
22 contained in this section shall permit, or be construed as permitting (i) a change in the times,
23 amounts, or currency of payment of the principal of or interest on any outstanding Parity Bond,

1 (ii) a reduction in the principal amount or redemption price of any outstanding Parity Bond,
2 (iii) a change in the method of determining the rate of interest thereon (other than a conversion to
3 a new interest rate made in accordance with the applicable Bond Documents), (iv) a preference
4 or priority of any Parity Bond over any other Parity Bond, or (v) a reduction in the percentage of
5 the aggregate principal amount of the then-outstanding Parity Bonds required to effect a change
6 under subsection (b).

7 (d) **Notice to Bond Owners.** If at any time the City passes, adopts, or otherwise
8 approves a supplement or amendment for any of the purposes of subsection (b) or (c), the Bond
9 Registrar shall cause notice of the proposed supplement or amendment to be given by first class
10 mail (i) to all registered owners of the then outstanding Parity Bonds, (ii) to each provider of
11 Bond Insurance or a Reserve Security, and (iii) to each Rating Agency. Such notice shall briefly
12 set forth the nature of the proposed supplement or amendment and shall state that a copy is on
13 file at the office of the City Clerk for inspection by all owners of the then outstanding Parity
14 Bonds.

15 (e) **Effective Date; Consents.** Any supplement or amendment, substantially as described
16 in the notice mailed pursuant to subsection (d), may go into effect upon delivery to the Bond
17 Registrar of (i) the required consents, in writing, of registered owners of the Parity Bonds, and
18 (ii) an opinion of Bond Counsel stating that such supplement or amendment is authorized or
19 permitted by this ordinance. Upon the effective date thereof, such supplement or amendment will
20 be valid and binding upon the City in accordance with its terms and will not adversely affect the
21 exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt
22 Bonds.

1 If registered owners of not less than the percentage of Parity Bonds required by this
2 section shall have consented to and approved such a supplement or amendment, no owner of any
3 Parity Bond shall have any right (i) to object to the passage, adoption, or approval of such
4 supplement or amendment, (ii) to object to any of the terms and provisions contained therein or
5 the operation thereof, (iii) in any manner to question the propriety of the passage, adoption, or
6 approval thereof, (iv) to enjoin or restrain the City from passing, adopting, or otherwise
7 approving the same, or (v) to enjoin or restrain the City, any authorized official thereof, or the
8 Bond Registrar from taking any action pursuant to the provisions thereof. For purposes of
9 determining whether consents representing the requisite percentage of principal amount of Parity
10 Bonds have been obtained, the Accreted Value of Capital Appreciation Bonds shall be deemed to
11 be the principal amount. It shall not be necessary to obtain approval of the particular form of any
12 proposed supplement, but it shall be sufficient if the consent shall approve the substance thereof.

13 **(f) Effect of Amendment.** Upon the effective date of any supplement or amendment,
14 this ordinance (or the relevant Bond Document, if not set forth herein) shall be deemed to be
15 modified and amended in accordance therewith, and the respective rights, duties and obligations
16 of the City and all owners of Parity Bonds then outstanding shall thereafter be determined,
17 exercised, and enforced in accordance with and subject in all respects to such modifications and
18 amendments. All the terms and conditions of any such supplement or amendment shall be
19 deemed to be a part of this ordinance and the Bond Documents for any and all purposes.

20 **(g) Special Amendments.** If and to the extent that it is determined that the written
21 consent of Registered Owners of the Bonds is required under subsection (b) or (c), the Registered
22 Owners from time to time of the Bonds, by taking and holding the same, are hereby deemed to

1 have consented to any supplement or amendment to the Bond Documents effecting any one or
2 more of the following changes:

3 (i) When calculating “Annual Debt Service” to permit or require Tax Credit
4 Subsidy Payments expected to be received by the City in any period to be credited against
5 amounts required to be paid in respect of interest on the Parity Bonds in that period or

6 (ii) To permit or require Tax Credit Subsidy Payments to be deposited into the
7 Principal and Interest Subaccount and credited against the Net Revenue otherwise required to be
8 deposited into the Principal and Interest Subaccount; and

9 (iii) To permit the reimbursement obligations of the City under any Qualified
10 Letter of Credit or Qualified Insurance (other than a Qualified Letter of Credit or Qualified
11 Insurance obtained to satisfy all or part of the Reserve Requirement) to be secured by a lien and
12 charge on Net Revenue equal in rank with the lien and charge upon such Net Revenue required
13 to be paid into the Parity Bond Account to pay and secure the payment of the principal of and
14 interest on Parity Bonds.

15 Section 25. **Defaults and Remedies**

16 (a) **Events of Default.** Each of the following shall constitute an Event of Default with
17 respect to the Bonds:

18 (i) If a default is made in the payment of the principal of or interest on any of the
19 Bonds when the same shall become due and payable; or

20 (ii) If the City defaults in the observance and performance of any other of the
21 covenants, conditions and agreements on the part of the City set forth in this ordinance or the
22 applicable Bond Documents (except as otherwise provided in this ordinance or in such Bond
23 Documents) and such default or defaults have continued for a period of six months after the City

1 has received from the Bond Owners' Trustee (as defined in this section) or from the registered
2 owners of not less than 25 percent in principal amount of the Parity Bonds a written notice
3 specifying and demanding the cure of such default. However, if the default in the observance and
4 performance of any other of the covenants, conditions and agreements is one which cannot be
5 completely remedied within the six months after written notice has been given, it shall not be an
6 Event of Default with respect to the Bonds as long as the City has taken active steps within the
7 six months after written notice has been given to remedy the default and is diligently pursuing
8 such remedy.

9 Notwithstanding anything in this section to the contrary, the failure of the City or any
10 obligated person to comply with the Continuing Disclosure Agreement shall not constitute an
11 Event of Default, and the sole remedy of any holder of a Bond shall be to seek an order of
12 specific performance from an appropriate court to compel the City to comply with the
13 Continuing Disclosure Agreement.

14 **(b) Bond Owners' Trustee.** So long as such Event of Default has not been remedied, a
15 trustee (the "Bond Owners' Trustee") may be appointed by the registered owners of 25 percent
16 in principal amount of the then outstanding Parity Bonds, by an instrument or concurrent
17 instruments in writing signed and acknowledged by such registered owners of the Parity Bonds
18 or by their attorneys-in-fact duly authorized and delivered to such Bond Owners' Trustee,
19 notification thereof being given to the City. That appointment shall become effective
20 immediately upon acceptance thereof by the Bond Owners' Trustee. Any Bond Owners' Trustee
21 appointed under the provisions of this subsection shall be a bank or trust company organized
22 under the laws of the State of Washington or the State of New York or a national banking
23 association. The bank or trust company acting as Bond Owners' Trustee may be removed at any

1 time, and a successor Bond Owners' Trustee may be appointed, by the registered owners of a
2 majority in principal amount of the Parity Bonds, by an instrument or concurrent instruments in
3 writing signed and acknowledged by such registered owners of the Parity Bonds or by their
4 attorneys-in-fact duly authorized. The Bond Owners' Trustee may require such security and
5 indemnity as may be reasonable against the costs, expenses, and liabilities that may be incurred
6 in the performance of its duties.

7 In the event that any Event of Default in the sole judgment of the Bond Owners' Trustee
8 is cured and the Bond Owners' Trustee furnishes to the City a certificate so stating, that Event of
9 Default shall be conclusively deemed to be cured and the City, the Bond Owners' Trustee and
10 the registered owners of the Parity Bonds shall be restored to the same rights and position which
11 they would have held if no Event of Default had occurred.

12 The Bond Owners' Trustee appointed in the manner herein provided, and each successor
13 thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is
14 empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

15 (c) **Suits at Law or in Equity.** Upon the occurrence of an Event of Default and during
16 the continuance thereof, the Bond Owners' Trustee may, and upon the written request of the
17 registered owners of not less than 25 percent in principal amount of the Parity Bonds outstanding
18 shall, take such steps and institute such suits, actions, or other proceedings, all as it may deem
19 appropriate for the protection and enforcement of the rights of the registered owners of the Parity
20 Bonds, to collect any amounts due and owing to or from the City, or to obtain other appropriate
21 relief, and may enforce the specific performance of any covenant, agreement, or condition
22 contained in this ordinance or set forth in any of the Parity Bond Documents.

1 Nothing contained in this section shall, in any event or under any circumstance, be
2 deemed to authorize the acceleration of the maturity of principal on the Parity Bonds, and the
3 remedy of acceleration is expressly denied to the registered owners of the Parity Bonds under
4 any circumstances including, without limitation, upon the occurrence and continuance of an
5 Event of Default.

6 Any action, suit, or other proceeding instituted by the Bond Owners' Trustee hereunder
7 shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or
8 under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond
9 Owners' Trustee without the possession of any of those Parity Bonds and without the production
10 of the same at any trial or proceedings relative thereto except where otherwise required by law.

11 Any such suit, action, or proceeding instituted by the Bond Owners' Trustee shall be brought for
12 the ratable benefit of all of the registered owners of those Parity Bonds, subject to the provisions
13 of this ordinance. The respective registered owners of the Parity Bonds, by taking and holding
14 the same, shall be conclusively deemed irrevocably to appoint the Bond Owners' Trustee the true
15 and lawful trustee of the respective registered owners of those Parity Bonds, with authority to
16 institute any such action, suit, or proceeding; to receive as trustee and deposit in trust any sums
17 becoming distributable on account of those Parity Bonds; to execute any paper or documents for
18 the receipt of money; and to do all acts with respect thereto that the registered owner might have
19 done in person. Nothing in this ordinance shall be deemed to authorize or empower the Bond
20 Owners' Trustee to consent to accept or adopt, on behalf of any owner of the Parity Bonds, any
21 plan of reorganization or adjustment affecting the Parity Bonds or any right of any registered
22 owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the

1 registered owners thereof in any receivership, insolvency, liquidation, bankruptcy,
2 reorganization, or other proceeding to which the City is a party.

3 **(d) Application of Money Collected by Bond Owners' Trustee.** Any money collected
4 by the Bond Owners' Trustee at any time pursuant to this section shall be applied in the
5 following order of priority:

6 (i) to the payment of the charges, expenses, advances, and compensation of the
7 Bond Owners' Trustee and the charges, expenses, counsel fees, disbursements, and
8 compensation of its agents and attorneys;

9 (ii) to the payment to the persons entitled thereto of all installments of interest
10 then due on the Parity Bonds in the order of maturity of such installments and, if the amount
11 available shall not be sufficient to pay in full any installment or installments maturing on the
12 same date, then to the payment thereof ratably, according to the amounts due thereon to the
13 persons entitled thereto, without any discrimination or preference; and

14 (iii) to the payment to the persons entitled thereto of the unpaid principal amounts
15 of any Parity Bonds which shall have become due (other than Parity Bonds previously called for
16 redemption for the payment of which money is held pursuant to the provisions of the applicable
17 Bond Documents), whether at maturity or by proceedings for redemption or otherwise, in the
18 order of their due dates and, if the amount available shall not be sufficient to pay in full the
19 principal amounts due on the same date, then to the payment thereof ratably, according to the
20 principal amounts due thereon to the persons entitled thereto, without any discrimination or
21 preference.

22 **(e) Duties and Obligations of Bond Owners' Trustee.** The Bond Owners' Trustee shall
23 not be liable except for the performance of such duties as are specifically set forth herein. During

1 an Event of Default, the Bond Owners' Trustee shall exercise such of the rights and powers
2 vested in it hereby, and shall use the same degree of care and skill in its exercise, as a prudent
3 person would exercise or use under the circumstances in the conduct of that person's own affairs.
4 The Bond Owners' Trustee shall have no liability for any act or omission to act hereunder except
5 for the Bond Owners' Trustee's own negligent action, its own negligent failure to act or its own
6 willful misconduct. The duties and obligations of the Bond Owners' Trustee shall be determined
7 solely by the express provisions of this ordinance, and no implied powers, duties or obligations
8 of the Bond Owners' Trustee shall be read into this ordinance.

9 The Bond Owners' Trustee shall not be required to expend or risk its own funds or
10 otherwise incur individual liability in the performance of any of its duties or in the exercise of
11 any of its rights or powers as the Bond Owners' Trustee, except as may result from its own
12 negligent action, its own negligent failure to act or its own willful misconduct.

13 The Bond Owners' Trustee shall not be bound to recognize any person as a registered
14 owner of any Parity Bond until registered ownership, if disputed, has been established to its
15 reasonable satisfaction.

16 The Bond Owners' Trustee may consult with counsel and the opinion of such counsel
17 shall be full and complete authorization and protection in respect of any action taken or suffered
18 by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond
19 Owners' Trustee shall not be answerable for any neglect or default of any person, firm or
20 corporation employed and selected by it with reasonable care.

21 **(f) Suits by Individual Parity Bond Owners Restricted.** No owner of any one or more
22 Parity Bonds shall have any right to institute any action, suit or proceeding at law or in equity for
23 the enforcement of same unless:

1 (i) an Event of Default has happened and is continuing; and

2 (ii) a Bond Owners' Trustee has been appointed; and

3 (iii) such owner previously shall have given to the Bond Owners' Trustee written
4 notice of the Event of Default on account of which such suit, action or proceeding is to be
5 instituted; and

6 (iv) the registered owners of 25 percent in principal amount of the Parity Bonds,
7 after the occurrence of such Event of Default, have made written request of the Bond Owners'
8 Trustee and have afforded the Bond Owners' Trustee a reasonable opportunity to institute such
9 suit, action or proceeding; and

10 (v) there have been offered to the Bond Owners' Trustee security and indemnity
11 satisfactory to it against the costs, expenses, and liabilities to be incurred therein or thereby; and

12 (vi) the Bond Owners' Trustee has refused or neglected to comply with such
13 request within a reasonable time.

14 No owner of any Parity Bond shall have any right in any manner whatever by action to
15 affect or impair the obligation of the City to pay from Net Revenue the principal of and interest
16 on such Parity Bonds to the respective registered owners thereof when due.

17 Section 26. **General Authorization**. In addition to the specific authorizations in this
18 ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of
19 the City are each authorized and directed to do everything such officer may judge necessary,
20 appropriate, or desirable in order to carry out the terms and provisions of, and complete the
21 transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

22 (a) The Director of Finance, in the Director's discretion and without further action by the
23 City Council, (i) may issue requests for proposals to provide underwriting services or financing

1 facilities (including, without limitation, Qualified Insurance, a Qualified Letter of Credit, or other
2 credit support or liquidity facility), and may execute engagement letters and other agreements
3 with underwriters and other financial institutions (including providers of liquidity or credit
4 support) based on responses to such requests; (ii) may select and make decisions regarding the
5 Bond Registrar, fiscal or paying agents, and any Securities Depository for each Series of the
6 Bonds; (iii) may take any and all actions necessary or convenient to provide for the conversion of
7 interest rate modes for any Series in accordance with the applicable Bond Documents; and
8 (iv) may take such actions on behalf of the City as are necessary or appropriate for the City to
9 designate, qualify, or maintain the tax-exempt treatment with respect to any Series issued as Tax-
10 Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy
11 Payments in respect of any Series issued as Tax Credit Subsidy Bonds, and to otherwise receive
12 any other federal tax benefits relating to any Series of the Bonds that are available to the City;
13 and

14 (b) The Mayor and the Director of Finance are each separately authorized to execute and
15 deliver (i) any and all contracts or other documents as are consistent with this ordinance and for
16 which the City's approval is necessary or to which the City is a party (including but not limited
17 to agreements with escrow agents, refunding trustees, liquidity or credit support providers,
18 providers of Qualified Insurance or Reserve Securities, remarketing agents, underwriters, lenders
19 or other financial institutions, fiscal or paying agents, Qualified Counterparties, custodians, and
20 the Bond Registrar); and (ii) such other contracts or documents incidental to: the issuance and
21 sale of any Series of the Bonds; the establishment of the interest rate or rates on a Bond; or the
22 conversion, tender, purchase, remarketing, or redemption of a Bond, as may in the Mayor's or
23 Director's judgment be necessary or appropriate.

1 effective date of this amendatory ordinance shall continue in effect as to such outstanding Parity
2 Bonds.

3 Section 28. **Severability**. The provisions of this ordinance are declared to be separate
4 and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection,
5 or portion of this ordinance, or the invalidity of its application to any person or circumstance,
6 does not affect the validity of the remainder of this ordinance or the validity of its application to
7 other persons or circumstances.

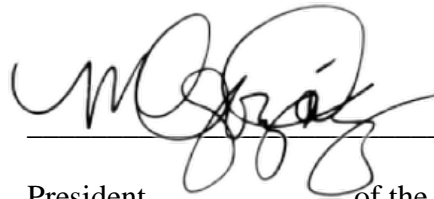

8 Section 29. **Ratification of Prior Acts**. Any action consistent with the authority of this
9 ordinance taken after its passage and prior to its effective date is ratified and confirmed.

10 Section 30. **Section Headings**. Section headings in this ordinance are nonsubstantive.

11

1 Section 31. **Effective Date.** This ordinance shall take effect and be in force 30 days after
2 its approval by the Mayor, but if not approved and returned by the Mayor within ten days after
3 presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.

4 Passed by the City Council the 22nd day of November, 2021,
5 and signed by me in open session in authentication of its passage this 22nd day of
6 November, 2021.

7 

8 President _____ of the City Council

9 Approved / returned unsigned / vetoed this 2nd day of December, 2021.

EXHIBIT B

FORM OF CONTINUING DISCLOSURE AGREEMENT

The City of Seattle, Washington (the “City”) makes the following written undertaking (the “Undertaking”) for the benefit of the Owners of the City’s Water System Revenue Bonds, [Year] [Series] (the “Bonds”), for the sole purpose of assisting the underwriter for the Bonds, in meeting the requirements of paragraph (b)(5) of Rule 15c2-12 (the “Rule”), as applicable to a participating underwriter for the Bonds. Capitalized terms used but not defined below shall have the meanings given in Ordinance _____ (the “Bond Ordinance”).

(a) Undertaking to Provide Annual Financial Information and Notice of Listed Events.

The City undertakes to provide or cause to be provided, either directly or through a designated agent, to the Municipal Securities Rulemaking Board (the “MSRB”), in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB:

(i) Annual financial information and operating data regarding the Water System (the “Water System”) of the type included in the final official statement for the Bonds and described in subsection (b) of this section (“annual financial information”). The timely filing of unaudited financial statements shall satisfy the requirements and filing deadlines pertaining to the filing of annual financial statements under subsection (b), provided that audited financial statements are to be filed if and when they are otherwise prepared and available to the City.

(ii) Timely notice (not in excess of 10 business days after the occurrence of the event) of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notice of Proposed Issue (IRS Form 5701 – TEB) or other material notices

1 or determinations with respect to the tax status of the Bonds, or other material events affecting the tax
2 status of the Bonds; (7) modifications to rights of holders of the Bonds, if material; (8) Bond calls
3 (other than scheduled mandatory redemptions of Term Bonds), if material, and tender offers;
4 (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if
5 material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar event of the City, as
6 such “Bankruptcy Events” are defined in the Rule; (13) the consummation of a merger, consolidation,
7 or acquisition involving the City or the sale of all or substantially all of the assets of the City other than
8 in the ordinary course of business, the entry into a definitive agreement to undertake such an action or
9 the termination of a definitive agreement relating to any such actions, other than pursuant to its terms,
10 if material; (14) appointment of a successor or additional trustee or the change of name of a trustee, if
11 material; (15) incurrence of a financial obligation of the City, if material, or agreement to covenants,
12 events of default, remedies, priority rights, or other similar terms of a financial obligation of the City,
13 any of which affect holders of the Bonds, if material; and (16) any default, event of acceleration,
14 termination event, modification of terms, or other similar event under the terms of a financial obligation
15 of the City, any of which reflect financial difficulties.

16 For purposes of this Undertaking, the term “financial obligation” shall mean a debt
17 obligation; derivative instrument entered into in connection with, or pledged as security or a source of
18 payment for, an existing or planned debt obligation; or a guarantee of either a debt obligation or a
19 derivative instrument entered into in connection with, or pledged as security or a source of payment
20 for, an existing or planned debt obligation. The term “financial obligation” does not include municipal
21 securities as to which a final official statement has been provided to the MSRB consistent with the
22 Rule.

23 (iii) Timely notice of a failure by the City to provide required annual financial
24 information on or before the date specified in subsection (b) of this section.

1 (b) Type of Annual Financial Information Undertaken to be Provided. The annual
2 financial information and operating data that the City undertakes to provide in subsection (a) of this
3 section:

4 (i) Shall consist of (1) annual financial statements of the Water System prepared
5 in accordance with applicable generally accepted accounting principles applicable to governmental
6 units (except as otherwise noted therein), as such principles may be changed from time to time and as
7 permitted by applicable state law; (2) a statement of outstanding bonded debt secured by Net Revenue
8 of the Water System; (3) debt service coverage ratios; (4) general customer statistics, such as number
9 and type of customers and revenues by customer class; and (5) current water rates;

10 (ii) Shall be provided not later than the last day of the ninth month after the end of
11 each fiscal year of the City (currently, a fiscal year ending December 31), as such fiscal year may be
12 changed as required or permitted by state law, commencing with the City’s fiscal year ending
13 December 31, 20__; and

14 (iii) May be provided in a single document or multiple documents, and may be
15 incorporated by specific reference to documents available to the public on the Internet website of the
16 MSRB or filed with the Securities and Exchange Commission.

17 (c) Amendment of Undertaking. This Undertaking is subject to amendment after the
18 primary offering of the Bonds without the consent of any Owner or holder of any Bond, or of any
19 broker, dealer, municipal securities dealer, participating underwriter, rating agency or the MSRB,
20 under the circumstances and in the manner permitted by the Rule, including:

21 (i) The amendment may only be made in connection with a change in
22 circumstances that arises from a change in legal requirements, change in law, or change in the identity,
23 nature, or status of the City, or type of business conducted by the City;

1 (ii) The Undertaking, as amended, would have complied with the requirements of
2 the Rule at the time of the primary offering, after taking into account any amendments or interpretations
3 of the Rule, as well as any change in circumstances; and

4 (iii) The amendment does not materially impair the interests of holders, as
5 determined either by parties unaffiliated with the City (e.g., bond counsel or other counsel familiar
6 with federal securities laws), or by an approving vote of bondholders pursuant to the terms of the Bond
7 Ordinance at the time of the amendment.

8 The City will give notice to the MSRB of the substance (or provide a copy) of any amendment
9 to this Undertaking and a brief statement of the reasons for the amendment. If the amendment changes
10 the type of annual financial information to be provided, the annual financial information containing
11 the amended financial information will include a narrative explanation of the effect of that change on
12 the type of information to be provided.

13 (d) Beneficiaries. This Undertaking shall inure to the benefit of the City and any Owner
14 of Bonds, and shall not inure to the benefit of or create any rights in any other person.

15 (e) Termination of Undertaking. The City’s obligations under this Undertaking shall
16 terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds. In
17 addition, the City’s obligations under this Undertaking shall terminate if those provisions of the Rule
18 that require the City to comply with this Undertaking become legally inapplicable in respect of the
19 Bonds for any reason, as confirmed by an opinion of nationally recognized bond counsel or other
20 counsel familiar with federal securities laws delivered to the City, and the City provides timely notice
21 of such termination to the MSRB.

22 (f) Remedy for Failure to Comply with Undertaking. As soon as practicable after the City
23 learns of any material failure to comply with this Undertaking, the City will proceed with due diligence
24 to cause such noncompliance to be corrected. No failure by the City or other obligated person to comply
25 with this Undertaking shall constitute a default in respect of the Bonds. The sole remedy of any Owner

1 of a Bond shall be to take such actions as that Owner deems necessary, including seeking an order of
2 specific performance from an appropriate court, to compel the City or other obligated person to comply
3 with this Undertaking.

4 (g) Designation of Official Responsible to Administer Undertaking. The Director of
5 Finance of the City (or such other officer of the City who may in the future perform the duties of that
6 office) or his or her designee is the person designated, in accordance with the Bond Ordinance, to carry
7 out this Undertaking of the City in respect of the Bonds set forth in this section and in accordance with
8 the Rule, including, without limitation, the following actions:

9 (i) Preparing and filing the annual financial information undertaken to be
10 provided;

11 (ii) Determining whether any event specified in subsection (a)(ii) has occurred,
12 assessing its materiality, where necessary, with respect to the Bonds, and preparing and disseminating
13 any required notice of its occurrence;

14 (iii) Determining whether any person other than the City is an “obligated person”
15 within the meaning of the Rule with respect to the Bonds, and obtaining from such person an
16 undertaking to provide any annual financial information and notice of listed events for that person in
17 accordance with the Rule;

18 (iv) Selecting, engaging and compensating designated agents and consultants,
19 including but not limited to financial advisors and legal counsel, to assist and advise the City in carrying
20 out this Undertaking; and

21 (v) Effecting any necessary amendment of the Undertaking.
