Budget Action description:

This green sheet reduces the appropriation to the Department of Finance and Administrative Services (FAS) by \$208,000 in General Fund (GF) support in 2019. The 2019-2020 Proposed Budget includes funds to replace the software system used by the Seattle Animal Shelter. The change amends a capital improvement project as

shown in Attachment A. The 2019-2020 Proposed Budget assumed that the Seattle Information Technology Department was going to carry out the project starting in 2019 on FAS' behalf; this budget action pushes back the start day by one year to 2020.
