

2019 Technology Matching Fund Recommendation

Seattle's Ongoing Commitment to Digital Equity

- The Technology Matching Fund (TMF) to support community-driven efforts
- \$5 million awarded to over 300 projects since 1997
- \$320,000 of City funding will support 11 new projects in 2019; matched by \$302,000 commitment from the award recipients

2019 Grant Application Process

- Conducted outreach via email, social media, community-based workshops and 1:1 technical assistance
- Received 47 applications requesting over \$1.8 million
- Evaluation of TMF applications by 14-member reviewers:
 - Community Technology Advisory Board
 - Seattle Pacific University students
 - Community volunteers
 - Staff
