Seattle, WA 98101

Emily Hooper George, PE, SE, LEED AP
Principal, Structural Engineer

Emily lives with her husband Michael and two children, Porter (7) and Effie (3) in the West Edge neighborhood. They have lived in their condo for 6 years and in the same building for 11 years.

Emily has 16 years of experience working as a structural engineer for public and private clients. Her experience includes the design of steel, concrete, and timber structures, including seismic design. She specializes in project management with a focus on communication and transparency.

Emily also spends her time engaging with her community through multiple organizations. She started her volunteering career at the Junior League of Seattle in 2008. While active in the Junior League, she served on the Board of Directors as the Treasurer.

Emily was able to leverage this experience into building her own non-profit with her husband, Michael. They started Parents for a Better Downtown Seattle in 2013 to advocate for families with children in their neighborhood. Their work led to two new playgrounds being built in downtown, one will be at the new Waterfront Park and one, opening soon, will be at Westlake and Lenora. They are also key drivers in the push for a downtown public elementary school.

She can be reached at [redacted] or [redacted]
