# John Arthur Morefield AIA

## Current position and focus

My current role is Architect 3, I am the project architect for several multifamily projects in the greater Seattle area. I lead the design and production of modular, high density, transit-oriented, 4-8 story buildings for the firm. I manage a team of 6-12 project leads and emerging professionals. I advise on the multifamily design review board applications and presentations for multiple teams. Currently I am leading the design strategy and detail development for the firm's expanding modular building portfolio.

## Jackson|Main Architecture PS Architect 3

May 2014 - Current

Multi-disciplinary design practice focusing on diverse project sectors including multifamily including modular development, data centers, commercial development, self storage, entertainment, medical office and ambulatory surgery, and retail. Based in Pioneer Square, the diverse experience of the principals and staff allows for dynamic and innovative projects.

## J Arthur Design Corp Principal and lead designer

Oct 2008 - May 2014

Residential design firm specializing in single family home renovations and remodels. Projects included second story additions, basement retrofits, detached accessory dwelling units, single story additions, and kitchen and bath remodels.

## Architecture 5c Founder / CEO

Dec 2008 - May 2013

Innovative design outreach company based on engaging with homeowners at local farmer's markets and making the process of speaking with a design professional affordable and accessible. Led the conversation about the accessibility of design to the modern homeowner and the role of the architect in small scale residential design. The project gained nationwide media attention, drove design work to the firm, and inspired many other design professionals to engage their own communities.
