<b>Total Budget Balance Effect</b>	<b>\$(111,535)</b>	

### Budget Action Description:

This Budget Action adds 1.0 term-limited FTE Electrical Inspector and \$111,535 GF to the Seattle Department of Construction and Inspections to enforce state laws and regulations applicable to electrical contractors. The GF appropriation includes \$35,000 for a one-time vehicle purchase for the inspector. The position would start mid-2020 and run through the end of 2021.

In 2018 the Washington State Legislature passed ESHB 1952. That bill authorizes cities and towns that administer locally adopted electrical codes, like the City of Seattle, to enforce state laws and regulations that are intended to combat the use of unlicensed electrical contractors and uncertified electricians. State law allows local governments enforcing state regulations to pursue civil penalties of \$50 - \$10,000 for violations of state licensing regulations and \$50 - \$500 for hiring electricians who are not certified or for a contractor failing to maintain minimum supervision ratios between trainees and apprentices and

more experienced electricians.

Electrical inspectors at the Washington State Department of Labor and Industries' Electrical Compliance, Outreach, Regulation, and Education (E-CORE) Team currently enforce these regulations. King County has one assigned E-CORE inspector. In 2019, E-CORE issued 6,050 citations, a 19 percent increase over the previous year. Most citations were associated with work involving out-of-state, unlicensed electrical contractors.
