The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project is Sponsored by more than one entity, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

In this respect, the RCO will act only to confirm at a general, lay, and nontechnical level, solely for the purpose of compliance and payment and not for safety or suitability, that the project has apparently been completed as per the Agreement.

SECTION 5. INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or the negligence of the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

This provision shall be included in any agreement between Sponsor and any contractors, subcontractor and vendor, of any tier.

Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the funding board or RCO. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of RCO, a funding board or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06 or Section 30B.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

SECTION 7. CONFLICT OF INTEREST

- C. Control and Tenure.** The Sponsor must provide documentation that shows appropriate tenure (such as landowner agreement, long-term lease, easement, or fee simple ownership) for the land proposed for construction. The documentation must meet current RCO requirements identified in the appropriate grant program policy manual as of the effective date of this Agreement and determines the long-term compliance period unless otherwise approved by the board.

All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policy or unless a transfer or change in use is approved by the funding board through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon this Agreement, applicable law and RCFB/SRFB policies.

For acquisition projects that are expressly term limited in the Agreement, such as one involving a lease or a term-limited restoration, renovation or development project or easement, the restriction on conversion shall apply only for the length of the term, unless otherwise provided in this Agreement, by funding board policy, other RCO approved written documents, or required by applicable state or federal law.

This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
3. Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government Sponsors, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
4. Encourage contracting with a consortium of DBEs when an agreement is too large for one of these firms to handle individually.

This rate does not include transportation and subsistence costs for travel performed (the recipient will pay these in accordance with his/her normal travel reimbursement practices).

Subagreements with firms for services that are awarded using the procurement requirements in 40 C.F.R. Parts 30 or 31, are not affected by this limitation unless the terms of the contract provide the recipient (Sponsor) with responsibility for the selection, direction and control of the individual who will be providing services under the contract at an hourly or daily rate of compensation. See 40 C.F.R. § 30.27(b) or 40 C.F.R. § 31.369(j), as applicable, for additional information.

- P. International Travel (Including Canada).** All International Travel must be approved by the US Environmental Protection Agency's Office of International and Tribal Affairs (OITA) BEFORE travel occurs. Even a brief trip to a foreign country, for example to attend a conference, requires OITA approval. Please contact your Partnership Project manager as soon as possible if travel is planned out of the country, including Canada and/or Mexico, so that they can submit a request to the EPA Project Officer if they approve of such travel.
- Q. Unliquidated Obligations (ULO).** Sub-recipients, and all sub-awardees of Sub-Recipients, if any, should manage their agreement and subaward funding in ways that reduce the length of time that federal funds obligated and committed to subaward projects are unspent (not yet drawn down through disbursements to sub-recipients and sub-awardees).

SECTION 41. TERMINATION AND SUSPENSION

The funding board and RCO will require strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules and all funding board and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by the funding board. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

1. The funding board or the director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a. If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b. If the Sponsor fails to make progress satisfactory to the funding board or director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c. If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;

2. Prior to termination, the RCO or the funding board shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director or board approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
3. RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

1. The Sponsor was not in default; or
2. Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights of Remedies of the RCO.

1. The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
2. In the event this Agreement is terminated by the funding board or director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the funding board or director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

1. **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

If a third person cannot be agreed on, the third person shall be chosen by the funding board's chair.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the decision of the disputes panel, unless the remedy directed by that panel shall be without the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

- A.** Notwithstanding the above venue provision, if the State of Washington intends to initiate legal action against a federally recognized Indian tribe relating to the performance, breach, or enforcement of this Agreement, it shall so notify the Tribe. If the Tribe believes that a good faith basis exists for subject matter jurisdiction of such an action in federal court, the Tribe shall so notify the State within five days of receipt of such notice and state the basis for such jurisdiction. If the Tribe so notifies the State, the State shall bring such action in federal court, otherwise the State may sue the Tribe in the Thurston County Superior Court, or such other superior court where venue is proper, if not proper in Thurston County. Interpretation of the Agreement shall be according to applicable State law, except to the extent preempted by federal law. In the event suit is brought in federal court and the federal court determines that it lacks subject matter jurisdiction to resolve the dispute between the State and Tribal Party, then the State may bring suit in Thurston County Superior Court or such other superior court where venue is proper, if not proper in Thurston County.
- B.** Any judicial award, determination, order, decree or other relief, whether in law or equity or otherwise, resulting from such actions under subsection A above, shall be binding and enforceable on the parties. Any money judgment or award against a Tribe, tribal officers, or employees, or the State of Washington, its agencies, or its officers and employees may exceed the amount of funding awarded under this Agreement.
- C.** As requested by RCO, the Tribe shall provide to RCO its governing requirements and procedures for entering into Agreement with RCO and waiving its sovereign immunity. In addition, the tribe shall provide to RCO all authorizations the Tribe requires to authorize the person(s) signing the Agreement on the Tribe's behalf to bind the Tribe and waive the Tribe's sovereign immunity as provided herein .
- D.** The Tribe hereby waives its sovereign immunity for suit in federal and state court for the limited purposes of allowing the State to bring and prosecute to completion such actions relating to the performance, breach, or enforcement of this Agreement as provided in subsection A above, and to bring actions to enforce any judgment arising from such actions. This waiver is not for the benefit of any third party and shall not be enforceable by any third party or by any assignee of the parties. In any enforcement action, the parties shall bear their own enforcement costs, including attorneys' fees.

For purposes of this provision, the State includes the funding board, the RCO, and any other state agencies as the term "agency" is broadly understood to include, but not be limited to, departments, commissions, boards, divisions, bureaus, committees, offices, councils, societies, etc.

SECTION 46. SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.
