Budget Action Description:

This Budget Action adds \$200,000 GF (one-time) to the Office of Economic Development (OED) to provide funding to the Central District Preservation and Development Authority (CD CPDA) for costs associated with the redevelopment of the Seattle Vocational Institute (SVI) building in the Central District.

As part of the 2019 Adopted and 2020 Endorsed Budgets, the Council adopted Green Sheet 13-4-B-1-2019, which added \$100,000 GF to Finance General to support a feasibility study for the proposed CD CPDA. The funds were used to match funding from the State of Washington and King County to conduct initial planning and outreach work for the CD CPDA that is expected to be completed at the end of December 2019. Earlier this year, the Washington State Legislature passed and the Governor signed House Bill 1918, establishing the CD CPDA.

The intended source of ongoing revenue for the CD CPDA is rental income from the building currently occupied by SVI, which is owned by Seattle Colleges. Title to the property will be transferred from Seattle Colleges to the CD CPDA following the appointment of its Board of Directors around the end of 2019. The CD CPDA is requesting \$21.5 million in capital construction funding from the State of Washington and \$2 million from King County for design, engineering, construction, and operating costs for an 18-month period before, during, and after construction. This funding will match and support these costs.
