Background: <p>Alex Rouse works on federal policy on physical infrastructure issues, but her passion is ensuring Seattle is an inclusive, vibrant city. She is eager to make Seattle a more accessible City and is an asset to the Transit Advisory Board. Having lived in 8 different neighborhoods throughout Seattle as a multi-modal commuter, Alex brings a valuable perspective.</p> <p>We are pleased to reappoint Alex for a second term to the Transit Advisory Board.</p>		
Authorizing Signature (original signature): 		Appointing Signatory: <i>Jenny A. Durkan</i> <i>Mayor of Seattle</i>

FILED
 CITY OF SEATTLE
 19 SEP - 4 PM 4:44
 CITY CLERK

*Term begin and end date is fixed and tied to the position and not the appointment date.

ALEX WAKEMAN ROUSE

WORK EXPERIENCE

U.S. GOVERNMENT
ACCOUNTABILITY
OFFICE
SEATTLE, WA

*Analyst, Physical
Infrastructure Team*
5/2015 – current

*Analyst Intern,
Homeland Security &
Justice Team*
6/2014 – 9/2014

- Performs audit, evaluations and investigations on U.S. infrastructure-related issues, such as aviation, maritime and surface transportation, and makes recommendations to federal agencies and Congress to address challenges.
- Contributes to the design of a study, including developing study or project plan, defining outcome of work assignments, developing researchable questions, and determining evaluation criteria.
- Conducts data collection efforts, which includes developing data collection plans, methodologies, instruments and determining the accuracy and reliability of data collected by others in accordance with applicable professional standards.
- Coordinates interviews with federal, state and local government officials, experts knowledgeable in the study area, and interest group stakeholders to obtain relevant information. Cultivates and maintains strong working relationship with these groups.
- Collects additional qualitative information to inform study, such as information from written reports, other studies, and news articles.
- Analyzes and evaluates data and qualitative information to aid in developing findings and preliminary recommendations to improve the efficiency, effectiveness, and productivity of programs and/or processes in the Physical Infrastructure subject area.
- Prepares project papers and reports, and delivers verbal and written briefings to internal and external stakeholders, including Congressional clients and federal agency officials.
- Contributes to building an inclusive work environment through serving on Diversity & Inclusion initiatives agency-wide and within the Seattle office, such as founding and chairing the Seattle Social & Inclusiveness Committee.

EVANS SCHOOL OF
PUBLIC POLICY &
GOVERNANCE,
UNIVERSITY OF
WASHINGTON
SEATTLE, WA

*Research & Teaching
Assistant*
9/2014 – 3/2015

- Co-authored and published third and final annual evaluation of the City of Seattle's HUD-funded Community Cornerstones program with Professor Dan Carlson, documenting the processes involved in planning and implementing Community Cornerstones strategies in communities along the Light Rail route in Southeast Seattle.
- Co-authored and published Case Study on the Community Cornerstones program, which provided recommendations for replicable strategies for future community development efforts to provide stability to anchor residents and businesses vulnerable to displacement due to pressures of private investment.
- Developed and analyzed data to identify baseline scores for "Equitable Development Measures", which are measures of residential, transportation, commercial and cultural change using a variety of data sources.
- Analyzed results of the City of Seattle's resident survey for

Southeast Seattle residents living near Light Rail and incorporated the findings into the final evaluation of the Community Cornerstones program.

- Presented data analyses, including results of the resident survey and other population and economic data, to stakeholders at a community town hall event.
- Acted as Teaching Assistant for a class titled “Infrastructure Planning & Management’s Strategic Planning and Policy Analysis” for Professor Dan Carlson.

SUMMER SEARCH
SEATTLE, WA

*Outreach & Events
Director*
9/2012 – 9/2013

Outreach Coordinator
9/2010 – 9/2012

Program Associate
6/2008 – 9/2010

- Created and maintained positive, collaborative relationships with school staff and administrators in 17 partnering schools in South Seattle and south King County to recruit talented low-income high school students.
- Led and supervised team of seven staff in implementing school recruitment and interview plans for six months of each school year. Designed master recruitment and interview schedule, recruitment shirts and posters, and application and interview materials.
- Analyzed school district and demographic data and strategically assessed locations for increasing student numbers. Wrote five-year Strategic Plan based on this data to double number of students served. In year one of Strategic Plan student application numbers rose more than 15%.
- Annually evaluated key quantitative student recruitment and demographic data tracked in Efforts to Outcomes (ETO) platform. Collaborated with national Outreach cohort to propose recruitment innovations or changes based on collective data findings.
- Maintained mentor and ETO data entry responsibilities while providing weekly mentoring services to up to 35 high school students. Helped students develop leadership skills through reflective mentoring. Helped students apply for summer experiential trips, scholarships, and postsecondary education.
- Prepared data and prose for funding requests, mandatory follow-up reports, and renewal applications for recruitment related grants.
- Used ETO database to generate a quantitative data analysis report to propose targeted spending cuts related to student summer travel. Created a cost- saving strategy for staff and reduced costs by 11%.
- Managed internship program. Led resume review, intern interviews, and on-boarding. Supervised interns in operations, event planning, and data entry. Led performance review process.
- Managed staff and volunteers in execution of program and fundraising events. Created and maintained Summer Search’s event planning timeline and event planning template suite. Coordinated inaugural fundraising auction October 2012, raising over \$125,000.
- Developed social media accounts, generating hundreds of followers, effectively driving brand awareness and engagement with the broader community.
- Earned promotions following superior performance and demonstrated ability to quickly learn and master complex project

management skills.

INDIANOLA SCHOOL
DISTRICT
INDIANOLA, MS

*Secondary Math
Teacher*
6/2006 – 6/2008

- Taught two subjects, Algebra I (a state-tested subject) and Geometry to over 130 students as a Teach for America corps member.
- Used “Teaching as Leadership” rubric to evaluate effectiveness and prioritize growth every quarter. Tracked student learning through bi-weekly quizzes, and used excel to demonstrate mastery of skills.
- Designed and managed Algebra I State Testing exam preparation curriculum for school in 2007-2008 for new 2007 State Math Curriculum. Created easy- to-read planning and testing guides from multiple sources, and trained math staff to use them.
- Co-coached men’s and women’s cross country teams. Coordinated meets, bus trips, and uniform purchasing.
- Acted as a faculty advisor for the National Honor Society. Coordinated meetings, provided organizational support, and helped teach students leadership skills through various school and community service projects.
- Led a support group for sophomore girls to provide a safe place for discussion, support, and female empowerment.
- Attended monthly professional development workshops and training meetings. Collaborated with other math teachers to advance knowledge base of teaching high school math.
- Served as Mentor Coordinator and Assistant Regional Director for United Female Empowerment Workshops, a series of workshops geared toward empowering girls in Sunflower County.
