1. BILL SUMMARY

Legislation Title:

A RESOLUTION adopting the Statements of Legislative Intent for the 2022 Adopted Budget and 2022-2027 Adopted Capital Improvement Program.

Summary and background of the Legislation:

This resolution formally adopts the Statements of Legislative Intent (SLIs) the City Council approved during its review of the 2022 Proposed Budget and 2022-2027 Proposed Capital Improvement Program (CIP). The SLIs reflect the Council’s policy intent as it applies to the 2022 Adopted Budget and 2022-2027 Adopted CIP.

SLI committee assignments and due dates are reviewed by Central Staff at the beginning of each calendar year. Any changes are reflected in Attachment 1 to the resolution.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ___ Yes X No

3. SUMMARY OF FINANCIAL IMPLICATIONS

a. Does this legislation amend the Adopted Budget? ___ Yes X No

If there are no changes to appropriations, revenues, or positions, please delete the table below.

b. Does the legislation have other financial impacts to the City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?

This resolution, in and of itself, does not have any financial implications. The City Council expects that the analyses requested through this resolution and the responses requested from the Executive will require significant city staff time and resources for which no specific or additional appropriation was made in the 2022 Adopted Budget.

c. Is there financial cost or other impacts of *not* implementing the legislation?

No

If there are no changes to appropriations, revenues, or positions, please delete sections 3.a., 3.b., and 3.c. and answer the questions in Section 4.

4. OTHER IMPLICATIONS

a. Does this legislation affect any departments besides the originating department?

Yes. This resolution requires the cooperation of the Mayor’s Office, the City Budget Office and many other City departments, which are already aware of their responsibilities.

b. Is a public hearing required for this legislation?

No

c. Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No

d. Does this legislation affect a piece of property?

No

e. Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities? What is the Language Access plan for any communications to the public?

This legislation establishes the Council's intent to explore a variety of programs and policies, many of which are intended to address the effects of institutionalized racism and increase opportunities for vulnerable or historically disadvantaged communities. However, the legislation, in and of itself, does not establish new programs or policies. Those programs and policies would need to be established through future legislation or budget appropriations that would be subject to the legislative process.

f. Climate Change Implications

1. Emissions: Is this legislation likely to increase or decrease carbon emissions in a material way?

No

2. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.

This legislation establishes the Council's intent to explore a variety of programs and policies, many of which may address Seattle's resiliency to climate change in a material way. However, the legislation, in and of itself, does not establish new programs or policies. Those programs and policies would need to be established through future legislation or budget appropriations that would be subject to the legislative process.

g. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s).
