

Location	FAS 17-01 Hazard/Obstruction	Hazards such as moving vehicles	Criminal activity beyond illegal substance abuse	Quantities of garbage, debris, or waste	Other health hazards to occupants or surrounding neighborhood	Difficulty in extending emergency services to site	Imminent work scheduled at the site for which the encampment will pose an obstruction	Damage to the natural environment or environmentally critical areas	Proximity to uses of special concern including schools or facilities for elderly	PRIORTIZATION NOTES	Department(s) Input
12th Ave & Jackson St (behind Viet-Wah supermarket)	No	No	No	Yes	Yes	Yes	No	No	No	Encampment is on private property. Owner is granting access to Navigation Team to ensure outreach and offers of shelter are made. Encampment presents significant quantities of waste, debris, and garbage. Rats have been observed on site due to the presence of excess food waste being retrieved by campers from restaurants and grocery store dumpsters, which poses additional public health hazards to occupants and surrounding community. At last site inspection, less than a half-a-dozen living structures were observed on site.	SPD/FAS/SDOT
9th Ave S & S Bradford St	Yes	Yes	No	Yes	No	No	Yes	No	No	Encampment is near roadway and within SDOT work zone for scheduled road repair. Encampment consistently presents significant quantities of waste, debris, and garbage despite trash service provided through SPU's litter bag pilot. This site could be classified as an obstruction, but site was given more than 72-hour notice with continuous outreach. At last site inspection, less than a dozen living structures were observed on site.	SPD/FAS/SDOT
9th Ave S & Jackson St (Between 8th & 10th Ave)	No	No	Yes	Yes	No	Yes	No	No	No	Single structure encampment is in a secluded area along I-5. SPD recently made a significant narcotics arrest in connection to occupants in the structure. Large quantities of garbage and bio-waste are present on site.	SPD/FAS/WSDOT
8th Ave S & S Weller St	No	Yes	No	Yes	No	No	No	No	No	Encampment is in secluded area along I-5. Campers have been observed accessing site by crossing I-5 off-ramp, which poses risks to both occupants and vehicular traffic. Large quantities of garbage and bio-waste observed on site. Less than one-half dozen structure observed on site.	SPD/FAS/WSDOT
Kobe Terrace Park	Yes	Yes	No	Yes	Yes	Yes	No	No	No	Garbage from this single structure encampment is spilling down hillside along I-5, posing hazards to both occupants and vehicular traffic accessing emergency parking lanes. Needles and waste have been observed in the adjacent Danny Woo Community Garden, posing additional health hazards to surrounding community. This site could be classified as an obstruction, but site was given more than 72-hour notice with continuous outreach.	SPD/FAS/WSDOT
