“Build Back Better” Reconciliation Bill

- On October 29, President Biden unveiled a scaled-back “Build Back Better Framework,” pared down to \$1.75 trillion from \$3.5 trillion.

 - The Congressional Progressive Caucus has largely endorsed the latest framework, while moderate Sen. Joe Manchin (D-WV) has said he cannot fully endorse the framework without a better understanding of its economic impact.
- The House passed the BBB on November 19, by a vote of 220-213.
- The Senate is all but certain to change the legislation, meaning the House would have to vote again. Senate action is expected in 2022.
