No temporary interruption or failure of such services incident to the making of repairs, alterations or improvements or due to accident, strike or conditions or events beyond City's reasonable control shall be deemed to be an eviction of WPLBC, or to relieve WPLBC from any of WPLBC's obligations hereunder, or to give WPLBC a right of action against City for damages. WPLBC acknowledges that there may be City-planned utility outages affecting the Premises and that such outages may interfere,

from time to time, with WPLBC’s use of the Premises. The City shall make best efforts to provide WPLBC with not less than forty-eight (48) hours prior written notice of any City-planned electricity outage in the Premises. The City has no obligation to provide emergency or backup power to WPLBC. The provision of emergency or backup power to the Premises or to enable the equipment therein to properly function shall be the sole responsibility of WPLBC. If utilities are interrupted at the Premises so as to render them unfit for their permitted uses, then the rent for the year shall be abated for the duration of the disruption in the proportion that the number of days of the disruption bears to the number of days of the year.

9. CARE OF PREMISES

- 9.1. Routine Maintenance and Repair.** WPLBC shall arrange and pay all costs for routine maintenance and minor repairs to the Premises and all building systems, including but not limited to electrical and mechanical systems, glass, heating and plumbing systems, furniture, fixtures, and equipment; provided, however, that WPLBC shall not be obligated to perform any of the Major Maintenance items referenced in Section 9.2 below. All work shall be performed in a lien-free, professional manner and comply with this Agreement and all applicable permits, laws, rules, and regulations.
- 9.2. Major Maintenance.** DPR shall provide and be responsible for, at no cost to WPLBC, all necessary maintenance and repairs and replacements due to failure or otherwise of the electrical and mechanical systems (including heating, ventilating and plumbing), roof, exterior shell, elevated greens lighting, and exterior doors located on the Premises (“Major Maintenance”). DPR's Major Maintenance responsibilities will be limited to repairs that in the sole discretion of the Superintendent are necessary, reasonable and provided for within the existing DPR staffing and budget. DPR shall provide WPLBC with the requisite notice pursuant to Section 5.3 prior to conducting Major Maintenance.

WPLBC shall keep the greens and beds in a neat, orderly and safe condition at a level meeting with the Superintendent's reasonable satisfaction, which includes routine greens keeping, mowing, fertilizing, sprinkler maintenance, weed control, shrubbery maintenance, and trash removal. DPR shall be responsible for the maintenance of the grounds outside the fenced area as described in this section and in Exhibit C, including the parking area, and outdoor lighting. Such maintenance shall be performed at the sole discretion of DPR, but will generally include lawn mowing and trimming, removal of plants when required, control of noxious weeds, and clearing of leaves and other natural debris and shall be to the same standard, and generally with the same frequency, as maintenance of grounds at other City parks.

- 9.8. City Remedy for Failure to Maintain Premises.** If WPLBC fails to maintain the Premises, within a reasonable time after delivery of a written notice of non-compliance, DPR shall have the right, at its option and in addition to all other remedies, to undertake such work and to invoice WPLBC for the costs. DPR shall have no liability to WPLBC for any damage, inconvenience, or interference with WPLBC's use of the Premises as a result of the City's performing any such work.
- 9.9. Security.** WPLBC shall be responsible for security for the Premises.

10. INDEMNIFICATION AND INSURANCE

10.1. Indemnification and Hold Harmless. To the fullest extent permitted by law, WPLBC shall indemnify and hold harmless the City, its officers, agents, employees, volunteers and contractors, from and against any and all liability, claims, suits, actions, damages, costs or expenses (including reasonable attorney's fees and costs and all other litigation expenses when incurred and whether incurred in defense of actual litigation or in reasonable anticipation of litigation) for bodily injury or damage to property arising from or relating to the use and occupancy of the Premises by WPLBC or any of its officers, employees, agents, contractors, or volunteers, or use and occupancy of the Premises by renters, or from any violation of law. WPLBC shall also require all Permitted Use participants to sign indemnification agreements holding the City, its employees, officers, officials, volunteers, and agents harmless from all claims related to or resulting from the participant's activities and resulting injuries or death. If any such claim, suit, or action is brought against the City, its officers, agents, employees, volunteers or contractors, WPLBC, upon notice of the commencement thereof, shall defend the same, at no cost and expense to the City, and promptly satisfy any final judgment adverse to the City or the City and WPLBC jointly; provided, that if the City determines that one or more principles of governmental or public law are involved, the City retains the right to participate in such action.

The above indemnity shall not apply to the extent the death, injury, damage, loss, cost, or expense was caused by or resulted from the sole negligence of the City or its officers, employees, agents or contractors.

10.2. Survival of Indemnification Obligation. The indemnification and hold harmless obligations of WPLBC hereunder shall survive the expiration or earlier termination of this Agreement.

10.3. Insurance To Be Secured By WPLBC. At all times during the Term, WPLBC shall maintain, at no expense to the City, a policy or policies of insurance as described in Exhibit D.

11. CITY CONTROL OF PREMISES AND VICINITY

11.1. City Control of Premises. Woodland Park and the parking areas surrounding the Premises are under the City's exclusive control and management. Accordingly, the City may do any and all of the following (among other activities in support of Parks

and Recreation or other municipal objectives), all without incurring any liability whatsoever to WPLBC:

- **Change of Vicinity.** Increase, reduce, or change in any manner whatsoever the number, dimensions, and locations of the walks, buildings, and parking areas in the vicinity of the Premises.
- **Traffic Regulation.** Regulate all traffic within and adjacent to the Premises, including the operation and parking of vehicles of WPLBC and its invitees, employees, and patrons.
- **Display of Promotional Materials.** Erect, display, and remove promotional exhibits and materials and permit special events on property adjacent to the Premises.
- **Promulgation of Rules.** Promulgate, from time to time, reasonable rules and regulations regarding the use and occupancy of any DPR property, including but not limited to the Premises.

11.2. DPR Use. DPR shall have access to the Premises at no charge for small community hearings and other DPR staff meetings on an as-available basis by contacting WPLBC at least two (2) weeks in advance of the proposed use date. DPR designated staff will be responsible for opening and closing the Premises in such circumstances.

12. ALTERATIONS OR IMPROVEMENTS

WPLBC shall improve the Premises during the term(s) of the Agreement and shall allocate a minimum of \$3,000 annually toward any major alterations, additions, renovations, or improvements in or to the Premises (“Improvements”), which may be funded by WPLBC, matching grants, corporate sponsorships, and/or any combination thereof. WPLBC and DPR shall mutually agree on the Improvements to be completed during a term of the Agreement, but WPLBC shall not make Improvements without the Superintendent's prior written approval of plans and specifications. The Superintendent may impose restrictions or conditions on any proposed work, including requiring payment and performance bonds in the amount of the work. Actual expenditures on Improvements may vary annually and annual project funding may be combined over multiple years within a term toward one or more projects, but a term's collective minimum total (\$15,000) must be spent within the respective term. Any Improvement investment exceeding \$20,000 that is spent during a term of the

Agreement may be credited toward WPLBC's minimum improvement obligations for the following term if the Agreement is extended. All DPR-approved alterations, additions, renovations, or improvements that are made by WPLBC shall be completed (a) at the sole cost and expense of WPLBC; (b) in accordance with applicable laws (including but not limited to all standards and requirements mandated by the federal Americans with Disabilities Act (ADA) at the time of the improvement), rules, regulations, and permits; (c) in a lien-free, professional and safe manner; and (d) with due diligence to minimize interference or disturbance of use of the Premises. Notwithstanding the foregoing, DPR and not WPLBC shall be responsible for updating the Premises to comply with any new ADA standards or requirements occurring outside the scope of WPLBC's Improvements or after WPLBC's completion of any Improvements. Improvements shall remain in and be surrendered with the Premises at the expiration or earlier termination of this Agreement, or at the sole discretion of DPR be removed from the Premises at the expiration or earlier termination of this Agreement, unless DPR otherwise agrees in writing. At the time WPLBC proposes to make a capital improvement, WPLBC may request DPR to notify WPLBC whether such Improvement may or must be removed upon expiration or termination of this Agreement.

13. DAMAGE OR DESTRUCTION

If the Premises are partially or wholly destroyed or damaged by fire, earthquake, or other casualty, the City at its sole discretion may elect to repair, restore, or rebuild the Premises or any portion thereof, in which event the City shall promptly commence such repairs as will restore the Premises to the condition immediately preceding the casualty as nearly as reasonably possible. Notwithstanding the foregoing, if (i) more than fifty percent (50%) of the Premises are damaged as a result of the casualty; or (ii) repair and restoration cannot reasonably be completed within eighteen (18) months from the date of the casualty; (iii) the casualty occurs during the final two (2) years of the Term; or (iv) the insurance proceeds plus the deductible and any funds contributed by WPLBC are insufficient to restore the Premises; or (v) the City fails to notify WPLBC of the City's election to restore the Premises within 30 days after such casualty, then either WPLBC or the City may terminate this Agreement upon 30 days' written notice to other specifying the effective date of such termination, and in such

event, WPLBC shall promptly deliver to the City all insurance proceeds payable on account of the damage to the building in which the Premises are located.

From the date of the casualty through completion of repairs (or termination of this Agreement, if applicable), the Use Fee shall be abated in the same proportion that the unusable portion bears to the whole of the Premises, as the City may reasonably determine, unless WPLBC's negligence or that of its agents, invitees, or guests, or WPLBC's breach of this Agreement caused or contributed to the casualty, in which event there shall be no abatement.

The City shall not be liable to WPLBC for damages, compensation, or other sums for inconvenience, loss of business, or disruption resulting from any repairs to or restoration of any portion of the Premises. In no event shall the City be required to repair or replace any equipment, inventory, fixture, or other personal property located on the Premises and owned or maintained by WPLBC or other users of the Premises.

14. CONDEMNATION

If any part of the Premises is taken or condemned, and a part thereof remains susceptible of occupation hereunder, this Agreement shall, as to the part so taken, terminate as of that date and title shall vest in the condemning authority. The Use Fee payable by WPLBC to the City shall be adjusted so that WPLBC shall pay only for that useable portion of square feet remaining after the condemnation, but in such event the City shall have the option to terminate this Agreement by notice to WPLBC within thirty (30) days of the date when title to the part so condemned vests in the condemning authority. If part or all of the Premises is taken or condemned, all compensation awarded upon such condemnation or taking shall go to the City, and WPLBC shall have no claim, and shall irrevocably assign and transfer to the City any right to compensation or damages payable by reason of the condemnation.

15. COMPLIANCE WITH LAW

15.1. General Requirements. WPLBC shall comply with all applicable laws of the United States and the State of Washington; the Charter and Ordinances of the City of Seattle; and rules, regulations, orders and directives of their administrative agencies and officers thereof now existing or hereafter enacted or promulgated. Whenever WPLBC is informed of any violation of any such law, ordinance, rule, regulation, license,

permit, or authorization committed by it or any of its officers, employees, contractors, subcontractors, agents, or invitees, WPLBC shall immediately desist from and/or prevent or correct such violation.

- 15.2. Licenses and Other Authorizations.** WPLBC, at no cost to the City, shall secure and maintain in full force and effect during the term of this Agreement, all required licenses, permits, and similar legal authorizations, and comply with all requirements thereof. WPLBC shall submit to DPR such evidence as may be required by DPR prior to the modification of the Premises. WPLBC shall be responsible for payment of all fees and charges incurred in obtaining any required permits or other governmental approvals and for obtaining a certificate of occupancy prior to the use or occupancy of any modified portion of the Premises.
- 15.3. Equality of Treatment.** WPLBC shall conduct its business in a manner that assures fair, equal, and nondiscriminatory treatment at all times, in all respects, to all persons in accordance with all applicable laws, ordinances, resolutions, rules, and regulations. Any failure to comply with this provision shall be a material breach of this Agreement.
- 15.4. Nondiscrimination.** WPLBC shall comply with all applicable equal employment opportunity and nondiscrimination laws of the United States, the State of Washington, and the City of Seattle, including but not limited to Chapters 14.04, 14.10, and 20.42 of the Seattle Municipal Code (SMC), as they may be amended; and rules, regulations, orders, and directives of the associated administrative agencies and their officers.
- 15.5. Prevailing Wages.** WPLBC agrees that the undertaking of any construction, alteration, improvement, enlargement, repair, demolition, maintenance, and the performance of janitorial service activity by janitors, rug shampooers, floor waxers, and window cleaners is subject to the requirements of RCW Ch. 39.12 (Prevailing Wages on Public Works), as amended or supplemented. WPLBC agrees to meet all such requirements of RCW 39.12.

16. ENVIRONMENTAL STANDARDS.

- 16.1. General.** WPLBC shall not commit or suffer any waste to be dumped upon the Premises and will not do or permit to be done in or about the Premises anything that is inconsistent with this Agreement or the Seattle Municipal Code, or any City

department rule or regulation as now existing or hereafter amended or any activity that is inconsistent with the use authorized or that will be dangerous to life or limb, or that will increase any insurance rate upon the Premises.

- 16.2. Hazardous Substances.** WPLBC shall not cause to occur upon the Premises or permit the Premises to be used to generate, produce, manufacture, refine, transport, treat, store, handle, dispose, transfer, or process any hazardous substances, as defined by any state or federal law, except in compliance with all applicable laws and regulations. If requested WPLBC shall maintain and provide the City with a (USEPA) waste generator number, and with copies of all Material Safety Data Sheets (MSDS), and annual dangerous waste reports, environmentally related regulatory permits or approvals and any correspondence WPLBC receives from, or provides to, any governmental unit or agency in connection with the handling of hazardous substances or the presence, or possible presence, of any hazardous substance.
- 16.3. Environmental Testing and Annual Inspection.** WPLBC shall permit the City access to the Premises upon reasonable notice for the purpose of conducting annual inspections and environmental testing at the City's expense. WPLBC shall not conduct, or permit others to conduct, environmental testing on the Premises without the Superintendent's prior written approval. WPLBC shall provide a copy of all test results to the City upon receipt.
- 16.4. Violation of Environmental Standards.** City's Remedial Rights. If WPLBC violates any of the conditions concerning the presence or use of hazardous substances or the handling or storing of hazardous wastes, WPLBC shall promptly take such action as is necessary to mitigate and correct the violation. If WPLBC does not act in a prudent and prompt manner, the City reserves the right, but not the obligation, to come onto the Premises and to take such action as deemed necessary to ensure compliance or to mitigate the violation. In addition, the City shall be entitled to full reimbursement from WPLBC for any costs resulting from the violation including, but not limited to, costs of clean-up or other remedial activities, fines, penalties assessed directly against the City, injuries to third persons or other properties, and loss of revenues resulting from an inability to allow other persons or entities to use or occupy the Premises due to its environmental condition as the result of WPLBC's violation (even if such loss of revenue occurs after the expiration or earlier termination of this Agreement).

17. LIENS AND ENCUMBRANCES

WPLBC shall keep the Premises free and clear of any liens and encumbrances arising or growing out of its use and occupancy of the Premises. At the City's request, WPLBC shall furnish the City written proof of payment of any item that would or might constitute the basis for such a lien on the Premises if not paid.

18. RECORDS, BOOKS AND DOCUMENTS/REPORTING

- 18.1. Accounting Records.** WPLBC shall maintain books, records, documents and other evidence of accounting procedures and practices, which sufficiently and properly reflect all revenue as well as direct and indirect costs of any nature expended in the performance of this Agreement. These records shall be subject at all reasonable times to inspection, review, or audit in King County by personnel duly authorized by DPR, City, the Office of the State Auditor, and other officials so authorized by law, rule, regulation, or contract.
- 18.2. Annual Financial Report.** WPLBC shall submit to DPR an annual financial report of operations prepared by a reputable accounting firm or bookkeeper within ninety (90) days after the end of each of its fiscal years during the Term. Such annual report shall cover WPLBC's fiscal year and include all tests, findings and financial reports in accordance with generally accepted accounting procedures (GAAP). If DPR in its sole discretion is not satisfied in any way with the financial report provided by WPLBC, DPR may require, by not less than 90 days' prior notice to WPLBC, that such financial report be compiled by an independent Certified Public Accountant.
- 18.3. Over and Under-payments.** If, through any audit or otherwise, WPLBC is found to have made any overpayment or underpayment hereunder, the Superintendent shall notify WPLBC of the amount of the over- or underpayment. Any overpayment shall be a credit against any fees and charges subsequently due or shall be refunded to WPLBC, at its option; under-payments shall be immediately due and payable and shall be delinquent if not paid within ten (10) days after the date of such notice.
- 18.4. Retention of Records.** WPLBC shall retain all books, records, documents, and other material relevant for six (6) years after the expiration or termination of this Agreement, and make them available for inspection by persons authorized under this Agreement at such times and on such forms as the City may require. The provisions of this Article shall survive the expiration or earlier termination of this Agreement.

19. ENTRY & INSPECTION OF PREMISES

DPR or its agents shall have the right to inspect and to show the Premises to other prospective users at all reasonable times, and to enter the same for purposes of cleaning, repairing, altering, or improving the Premises but this right shall impose no obligation on DPR to make any inspection, repair, or improvement.

20. SIGNS AND ADVERTISING

- 20.1. Signs, Generally.** Except for existing signs and except on one or more existing exterior bulletin boards, WPLBC shall not inscribe, post, place, or in any manner display any sign, notice, picture, poster, or any advertising matter whatsoever anywhere in or about the Premises without the Superintendent's prior written consent. WPLBC shall remove all signage at the expiration or earlier termination of this Agreement and repair any resulting damage or injury to the Premises.
- 20.2. On-Premises Signs.** WPLBC may install permanent exterior signage subject to the Superintendent's advance approval.
- 20.3. Temporary Signs or Banners.** Temporary signs or banners not more than 24 square feet in size may be displayed on or about the Premises to advertise a special event beginning no earlier than two weeks immediately before the event advertised, and shall be removed no later than immediately after the conclusion of such event.
- 20.4. Recognition.** When applicable, WPLBC shall include a statement in its printed materials stating, "We would like to thank the Department of Parks and Recreation for providing a location for Woodland Park Lawn Bowling Club." WPLBC shall also list DPR and the DPR logo in the "Thanks to our sponsors" section of its quarterly or other event schedule(s).

21. INSOLVENCY

If (i) WPLBC becomes insolvent and a receiver takes possession of all or any part of WPLBC's assets, or (ii) WPLBC makes a general assignment for the benefit of creditors, or (iii) WPLBC takes any action under any insolvency or bankruptcy act, and, if such action continues for a period of thirty (30) days, WPLBC shall be in breach of this Agreement, and DPR may, at its election and without notice, terminate this Agreement. In that event, DPR shall be entitled to immediate possession of the Premises.

22. MORTGAGING, TRANSFERRING, SUBLEASING, ASSIGNMENT OR SALE OF INTEREST

22.1. Interests not Transferable. WPLBC shall not transfer, assign, mortgage, hypothecate or convey this Agreement or any interest therein, in whole or in part, nor lease or license use or occupancy of the Premises or any part thereof to any other person, firm or corporation (except rentals for productions and programs permitted under this Agreement) without the Superintendent's prior written approval, which approval may be granted, withheld, or conditioned in each instance in the Superintendent's sole discretion. Any assignee or transferee approved by DPR must accept and assume, in writing, all the terms and conditions of this Agreement. Any transfer of this Agreement by merger, consolidation, transfer of assets, or liquidation shall constitute an assignment hereunder.

22.2. No Waiver. The Superintendent's consent to any assignment or transfer shall not waive the need for consent to any subsequent assignment or transfer.

23. TERMINATION

23.1. Process for Termination of Agreement.

- **For Cause.** Either party may terminate this Agreement if the other party has materially breached the Agreement and such breach has not been corrected to the reasonable satisfaction of the dissatisfied party within the time stated in this Agreement or, if no time is stated, then within thirty (30) days after notice of breach has been provided to such other party. If, however, the nature of such party's obligation is such that more than thirty (30) days are required for performance, then such party shall not be in default if it commences performance within such thirty day (30-day) period and diligently seeks to remedy the default or deficiency.
- **For Reasons beyond the Control of the Parties.** Either party may terminate this Agreement without recourse by the other party where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as but not limited to: acts of Nature; war or warlike operations; civil commotion; riot; labor dispute including strike, walkout, or lockout; sabotage; or superior governmental regulation or control.

- **For DPR's Convenience.** If DPR determines at any time that the Premises should no longer be available for use by WPLBC, it may terminate upon ninety (90) days' written notice to WPLBC.
- **For WPLBC's Convenience.** If WPLBC determines, at any time, that the Premises are no longer required for its use, it may terminate Agreement upon ninety (90) days' written notice to DPR.

24. NOTICE OF TERMINATION

24.1. Notice of Termination. Notice of termination, other than conveniences of either party as mentioned in Section 23 above, shall be given, in writing, by the party terminating this Agreement to the other party not less than five (5) days prior to the effective date of termination.

24.2. City Remedies for Material Breach. If the City terminates this Agreement for cause, DPR, in addition to other rights or remedies that it may have, shall have the right to re-enter said Premises and to make necessary alterations and repairs to restore the Premises to the condition desired by DPR, and authorize others to temporarily use and occupy the Premises, all at WPLBC's cost and expense. No temporary use or relating of the Premises following WPLBC's material breach of this Agreement shall relieve WPLBC from liability for the Use Fees WPLBC is required to pay hereunder unless the Superintendent determines otherwise.

25. VACATING OF PREMISES

Upon the expiration or earlier termination of this Agreement, WPLBC shall return the Premises, together with all DPR-approved capital improvements made thereto and fixtures installed therein, in good condition, except for normal wear and tear, unless the City consents otherwise. All right, title and interest of WPLBC in the Premises including but not limited to the Improvements installed therein shall vest in the City without the need for any action by either party hereto except that WPLBC shall provide the City with a deed or bill of sale for the same at the City's request.

WPLBC shall remove any portable personal property that is easily removed and confirmed as WPLBC's and if there is damage to the Premises as a result of the removal, then WPLBC shall restore them to their pre-existing condition. If WPLBC

fails to remove its personal property from the Premises, DPR shall have the right, but not the obligation, to remove the same and may store it in any place selected by DPR, including but not limited to a public warehouse, at WPLBC's sole expense and risk and such property shall be subject to sale, without notice to WPLBC, after it has been stored for a period of thirty (30) days or more. The proceeds of such sale shall be applied first, to the cost of such sale; second, to the payment of the charges for storage, if any; and third, to the payment of any other sums of money that may be due from WPLBC to the City. The balance, if any, shall be paid to WPLBC.

26. VISUAL ARTIST RIGHTS ACT

26.1. Installation or Integration of Any Work of Visual Art on Premises

- a. **Reservation of Rights by City; Prohibition Against Installation or Integration of Any Work of Visual Art on Premises Without Superintendent's Prior Express Written Consent.** The City reserves to and for itself the right to approve or disapprove of the installation or integration on or into the Premises of any "work of visual art," as that term is defined in the Visual Artists Rights Act of 1990, as now existing or as later amended, and to approve or disapprove of each and every agreement regarding any such installation or integration on or into the Premises of a work of visual art. WPLBC shall not, without the prior, express, written consent of the Superintendent, install on or integrate into, or permit any other person or entity to install on or integrate into, any portion of the Premises any "work of visual art." The Superintendent's consent to the installation of any such artwork may be granted upon one or more conditions, or withheld in the Superintendent's discretion.
- b. **WPLBC's Indemnification of City Against Liability under Visual Artists Rights Act of 1990.** If the Superintendent has not given such official consent to the installation or integration of any work of visual art on or into the Premises, WPLBC shall protect, defend, and hold the City harmless from and against any and all claims, suits, actions or causes of action, damages and expenses (including attorneys' fees and costs) arising as a consequence of the installation or integration during the term of this Agreement of that work of visual art on or into any portion of the Premises. This Indemnification

obligation shall exist regardless of whether WPLBC has consented to or has prior knowledge of such installation or integration. The indemnification obligation of this section shall survive the expiration or earlier termination of this Agreement.

EXHIBIT “D” INSURANCE

1. **Furnished Coverages and Limits of Liability:** WPLBC shall, at no expense to the City, maintain in full force and effect the following minimum limits of insurance, and adhere to all terms and conditions below, at all times during the term of this Agreement:

Commercial General Liability (CGL) written on an occurrence form at least as broad as ISO CG 00 01, with Minimum Limits of Liability:

\$1,000,000 per Occurrence

\$2,000,000 General Aggregate

\$2,000,000 Products/Completed Operations Aggregate

\$1,000,000 Personal/Advertising Injury Liability

\$1,000,000 Damage to Premises Rented to You

Employers Liability / Washington Stop

\$1,000,000 Each Accident/Each Disease/Policy Limit

Alternatively, may be evidenced as Employer’s Liability insurance under Part B of a Workers Compensation insurance policy.

Coverage shall include: Premises and Operations; Broad Form Property Damage (including Completed Operations); Liability assumed under an Insured Contract (including tort liability of another assumed in a business contract); Personal Injury and Advertising Liability; Independent Contractors; Severability of Interest Clause; Waiver of Subrogation endorsement in favor of Owner as required by contract; General Aggregate Limits of Insurance shall apply separately; “Claims Made” and “Modified Occurrence” policy forms are not acceptable.

The limits of liability described above are minimum limits of liability only. Regardless of provisions to the contrary under the terms of any insurance policy maintained by WPLBC, the specification of any such minimum limits shall neither be (1) intended to establish a maximum limit of liability to be maintained by WPLBC regarding this Agreement, nor (2) construed as limiting the liability of any of

WPLBC’s insurers, which must continue to be governed by the stated limits of liability of the relevant insurance policies.

Automobile Liability insurance at least as broad as ISO CA 00 01 including coverage for owned, non-owned, leased or hired vehicles as applicable, with a minimum limit of \$1,000,000 each accident for bodily injury and property damage.

Workers’ Compensation insurance securing WPLBC’s liability for industrial injury to its employees in accordance with the provisions of Title 51 of the Revised Code of Washington.

Property Insurance under which the Woodland Park Lawn Bowling Facility buildings and the WPLBC’s furniture, trade fixtures, equipment and inventory (“Business Personal Property”) and all alterations, additions and improvements that WPLBC makes to the Premises are insured throughout the Term in an amount not less than the replacement cost new thereof, against the following hazards: (i) loss from the perils of fire and other risks of direct physical loss (including earthquake for the buildings), not less broad than provided by the insurance industry standard “Causes of Loss - Special Form” (ISO form CP 1030 or equivalent); (ii) loss or damage from water leakage or sprinkler systems now or hereafter installed in or on the Premises; (iii) loss or damage by explosion of steam boilers, pressure vessels, or above-ground oil or gasoline storage tanks or similar apparatus now or hereafter installed on the Premises; (iv) loss from business interruption or extra expense, with sufficient coverage to provide for the payment of Rent and Additional Charge and other fixed costs during any interruption of WPLBC’s business. Coverage shall contain a waiver of coinsurance or agreed amount endorsement(s). City shall be named as a loss payee, as its interest may appear, as respects property insurance covering the buildings and alterations, additions and improvements under such policy.

Crime Insurance: Crime Fidelity, Theft, Disappearance & Destruction Liability (to include employee theft, wire transfer, forgery and mail coverage, and client coverage): with minimum limit \$250,000 per occurrence and in the aggregate. The policy shall cover “client’s property,” not just when legally liable and shall have a Joint Loss Payee Endorsement in favor of the City of Seattle.

In the event that the City deems insurance to be inadequate to protect WPLBC and the City, WPLBC shall increase coverages and/or liability limits as the City shall deem reasonably adequate within sixty (60) days after the date of written notice.

2. Terms and Conditions for WPLBC’s Insurance.

The City of Seattle as Additional Insured: “The City of Seattle” shall be named as an additional insured under each policy required by this Agreement, using ISO form #CG 20 12, CG 20 26 or equivalent, and shall be given at least forty-five (45) days' prior notice of any change, cancellation, expiration or renewal of the policy. WPLBC’s insurance shall be primary and non-contributory to any insurance maintained by or available to the City. The term “insurance” in this paragraph shall include insurance, self-insurance (whether funded or unfunded), alternative risk transfer techniques, capital market solutions or any other form of risk financing.

Endorsements Prohibited: WPLBC’s insurance policy shall include a “separation of insureds” or “severability” clause that applies coverage separately to each insured and additional insured, except with respect to the limits of the insurer’s liability. WPLBC’s insurance policy shall not contain any provision, exclusion or endorsement that limits, bars, or effectively precludes the City of Seattle from coverage or asserting a claim under the WPLBC’s insurance policy on the basis that the coverage or claim is brought by an insured or additional insured against an insured or additional insured under the policy. WPLBC’s CGL policy shall NOT include any of the following endorsements (or their equivalent endorsement or exclusions): (a) Contractual Liability Limitation, (CGL Form 21 39 or equivalent), b) Amendment Of Insured Contract Definition, (CGL Form 24 26 or equivalent), (c) Limitation of Coverage to Designated Premises or Project, (CGL Form 21 44 or equivalent), (d) any endorsement modifying or deleting the exception to the Employer’s Liability exclusion, (e) any “Insured vs. Insured” or “cross-liability” exclusion, and (f) any type of punitive, exemplary or multiplied damages exclusion. WPLBC’s failure to comply with any of the requisite insurance provisions shall be a material breach of, and grounds for, the immediate termination of the Agreement with the City of Seattle; or if applicable, and at the discretion of the City of Seattle, shall serve as grounds for the City to procure or renew insurance coverage with any related costs of premiums to be repaid by WPLBC or reduced and/or offset against the Agreement.

Cancellation Notice: Coverage shall not be cancelled without forty-five (45) days' written notice of such cancellation, except ten (10) days' written notice as respects cancellation for non-payment of premium, to the City at its notice address except as may otherwise be specified in Revised Code of Washington (RCW) 48.18.290 (Cancellation by insurer). The City and WPLBC mutually agree that for the purpose of RCW 48.18.290 (1) (b), for both liability and property insurance the City is deemed to be a "mortgagee, pledge, or other person shown by (the required insurance policies) to have an interest in any loss which may occur thereunder."

Minimum Security Requirements: Each insurance policy required hereunder shall be (1) subject to reasonable approval by City that it conforms with the requirements of this section, and (2) be issued by an insurer rated A-:VIII or higher in the then-current A. M. Best's Key Rating Guide and licensed to do business in the state of Washington unless procured under the provisions of chapter 48.15 RCW (Unauthorized insurers).

Deductible or Self-Insured Retention: Any deductible or self-insured retention ("S.I.R.") must be disclosed to, and shall be subject to reasonable approval by the City. WPLBC shall cooperate to provide such information as the City may reasonably deem to be necessary to assess the risk bearing capacity of the WPLBC to sustain such deductible or S.I.R. The cost of any claim falling within a deductible or S.I.R. shall be the responsibility of WPLBC. If a deductible or S.I.R. for CGL or equivalent insurance is not "fronted" by an insurer but is funded and/or administered by WPLBC or a contracted third-party claims administrator, WPLBC agrees to defend and indemnify the City to the same extent as the City would be protected as an additional insured for primary and non-contributory limits of liability as required herein by an insurer.

WPLBC's Fire/Legal Liability insurance: During such time as WPLBC is engaged in the performance of the Improvements or other renovation of the Premises, the WPLBC shall maintain in full force and effect "All Risks" Builder's Risk Property insurance or equivalent for the portion of the Premises under renovation, including fire and flood, on a replacement cost new basis subject to a deductible of no more than \$50,000 each loss. In the event of a claim under the builder's risk policy, WPLBC or its contractor(s) shall be responsible for paying any deductible under the policy if WPLBC or any of its agents, employees, or contractors is responsible for the loss or damage. It shall be WPLBC's responsibility to properly coordinate with the City's Risk Management Division the

placement of Builder's Risk Property insurance prior to any new construction on, or structural alteration of, the Premises.

Waiver of Subrogation: Unless such waiver would void the property insurance coverage to be provided pursuant to this section, the City and WPLBC waive all subrogation rights each may have against the other, or any subtenant, for damages caused by fire or other perils to the extent covered by property insurance obtained pursuant to this section or other property insurance applicable to the Premises, except such rights as they have to proceeds of such insurance held by the City or the WPLBC or both as fiduciary. This waiver of subrogation shall be effective to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, whether or not the person or entity paid the insurance premium directly or indirectly, and whether or not the person or entity has an insurable interest in the property damaged.

Evidence of Insurance: On or before the Commencement Date, and thereafter not later than the last business day prior to the expiration date of each such policy, the following documents must be delivered to City at its notice address as evidence of the insurance coverage required to be maintained by WPLBC:

Certification of insurance documenting compliance with the coverage, minimum limits and general requirements specified herein; and

- A copy of all policies' declarations pages, showing the insuring company, policy effective dates, limits of liability and the Schedule of Forms and Endorsements specifying all endorsements listed on the policy including any company-specific or manuscript endorsements;
- A copy of the CGL insurance policy provision(s) and endorsements expressly including the City of Seattle and its officers, elected officials, employees, agents and volunteers as additional insureds (whether on ISO Form CG 20 26 or an equivalent additional insured or blanket additional insured policy wording), showing the policy number, and the original signature and printed name of the representative of the insurance company authorized to sign such endorsement;

Pending receipt of the documentation specified in this Section. WPLBC may provide a copy of a current complete binder. An ACORD certificate of insurance will not be accepted in lieu thereof.

Evidence of Insurance as set forth above, shall be issued to:

The certificate holder shall be:

The City of Seattle c/o Seattle Parks and Recreation
800 Maynard Avenue South, #300
Seattle, WA 98134

with an electronic copy to terri.burns@seattle.gov

Assumption of Property Risk: The placement and storage of WPLBC’s Business Personal Property in or about the Premises shall be the responsibility, and at the sole risk, of WPLBC.

Adjustments of Claims: The WPLBC shall provide for the prompt and efficient handling of all claims for bodily injury, property damage or theft arising out of the activities of the WPLBC under this Agreement.

WPLBC’s Responsibility: The procuring of the policies of insurance required by this Agreement shall not be construed to limit the WPLBC’s liability hereunder. Notwithstanding said insurance, the WPLBC shall be obligated for the full and total amount of any damage, injury or loss caused by negligence of the WPLBC, or any of its agents, officers and employees or through use or occupancy of the Premises.

EXHIBIT “E – PUBLIC BENEFITS”

Woodland Park Lawn Bowling Clubhouse and Green is managed by Woodland Park Lawn Bowling Club (WPLBC) through a long-term agreement with Seattle Parks and Recreation (DPR). The mutually beneficial relationship between DPR and the WPLBC aligns with DPR’s mission to create “healthy people, healthy environment and strong communities.”

WPLBC maintains the clubhouse and green as well as promotes active recreation within the community by managing opportunities to participate and enjoy lawn sports and access to the clubhouse.

The partnership with WPLBC saves the City approximately \$330,149 annually in grounds maintenance and facility management cost. In exchange, the city provides the space to WPLBC for a lower rent and requires that WPLBC provide additional public benefits to the community.

Public Benefits

WPLBC Public Benefits are to provide free access to the facility and greens, community outreach, lessons, rentals, and to maintain and make improvements to the clubhouse and greens. WPLBC can use paid or volunteer time to provide these services to the community. The service labor, either paid or volunteer, to provide these services to the community can be counted towards their annual public benefits. The service value for all volunteer hours will be calculated using the National Value of Volunteer Time (Volunteer Rate) as reported on the Independent Sector. The Independent Sector will be used to determine the hourly value for each hour submitted on the public benefit report. The Volunteer Rate for 2017 is \$24.14 which is being used to demonstrate the monetary value of service that the volunteers provide.

Listed below is the public benefit provided by WPLBC and the minimum commitment per year that WPLBC and DPR agreed would be appropriate value for the use of the Woodland Park Lawn Bowling Green and Facility.

1) Public Drop-in Access to the Greens and Clubhouse:

WPLBC will provide drop-in access to the greens and clubhouse for the public to play bocce, lawn bowling and croquet which includes lessons, if needed. The days and times for public access will be consistent and predictable. The public drop-in hours will be posted on their website. WPLBC will provide a minimum of 150 drop-in hours per year which will require a minimum of 300 hours of paid or volunteer support. Service Value for drop-in access is determined by the annual cost to operate the facility divided by public access hours to determine hourly value. In 2017 the hourly amount calculated to provide service is \$20.26 per hour. The Volunteer Value is calculated using the 2017 rate of \$24.14 per hour.

Service Value: \$3039.00

Volunteer Value: \$7242.00

2) Community Outreach:

Woodland Park Lawn Bowling Club will provide outreach to organizations whose mission is to serve low-income youth, underrepresented communities, seniors, including low-income housing providers and/or other nonprofits (~~Target Audience~~) to promote bocce, croquet and/or lawn bowling.
