Budget Action Description:

This Council Budget Action would impose the following proviso:
"Of the appropriations in the 2022 budget for the Seattle Department of Transportation's Mobility Operations Budget Summary Level, $2.5 million is appropriated solely for the Citywide Integrated Transportation Plan and may be spent for no other purpose. Furthermore, no more than $1 million of the money so appropriated may be spent until the Seattle Department of Transportation files a detailed workplan and community outreach plan with the City Clerk. The Council anticipates that the plan will: (1) identify and prioritize opportunities to promote pedestrian uses through woonerfs, shared spaces, traffic calming, super-blocks and other design treatments; (2) examine future right-of-way uses for future expansion of the light rail network beyond Sound Transit 3; (3) detail how the individual modal plans (Pedestrian Master Plan, Bicycle Master Plan, Freight Master Plan, and Transit Master Plan) will be integrated under the Citywide Integrated Transportation Plan; and (4) identify ways to support community engagement, community-based design, planning and visioning efforts to transform rights-of-way into vibrant public spaces."
