1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the Department of Parks and Recreation; authorizing the execution of an amendment to the existing one-year pilot Activation and Programming Agreement for Westlake Park and Occidental Square Park with DBIA Services; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This legislation authorizes the Superintendent of Parks and Recreation to execute an amendment to the one-year Pilot Agreement with DBIA Services, originally authorized by Ordinance 124865, extending the end date of the Agreement from April 30, 2016 to July 30, 2016.

The Department of Parks and Recreation (DPR) is negotiating a new, 5-year agreement with DBIA following their successful response to a Request for Proposal process for activation of Westlake Park and Occidental Square. The negotiations will not be completed before the one-year term of the pilot agreement expires on April 30, 2016. In order to avoid disruption of the on-going activation, DPR is proposing to extend the term of the pilot agreement by three months.
