Budget Action Description:

This Budget Action adds \$159,291 GF in ongoing support to the Office of Sustainability and Environment (OSE). In September 2019, the Council passed Ordinance 125926, establishing the Green New Deal Oversight Board (Board) and creating an interdepartmental team (IDT) to implement climate actions. The legislation anticipated that both entities would be staffed by OSE, which does not currently have sufficient staff capacity to support either. This action provides staff support for the Board and IDT by adding \$116,291 GF for 1.0 FTE Strategic Advisor 1. It also adds \$40,000 GF to compensate Board members for whom participating on the Board presents a financial hardship; this amount assumes all 19 members qualify.

The Strategic Advisor position will provide administrative support for the Board and coordinate the efforts of the IDT, which will be comprised of representatives from the Department of Parks and Recreation,
