

# Seattle Transportation Plan

## A Vision for the Future of Transportation in Seattle

# Agenda

- STP planning process overview
- Update on community engagement activities
- Upcoming milestones

# STP Overview

**The Seattle Transportation Plan (STP) is our commitment to building a transportation system that provides everyone with access to safe, efficient, and affordable options to reach places and opportunities.**

The STP is the vision for the future of transportation in Seattle.

# Plan Ambitions

*The plan will:*

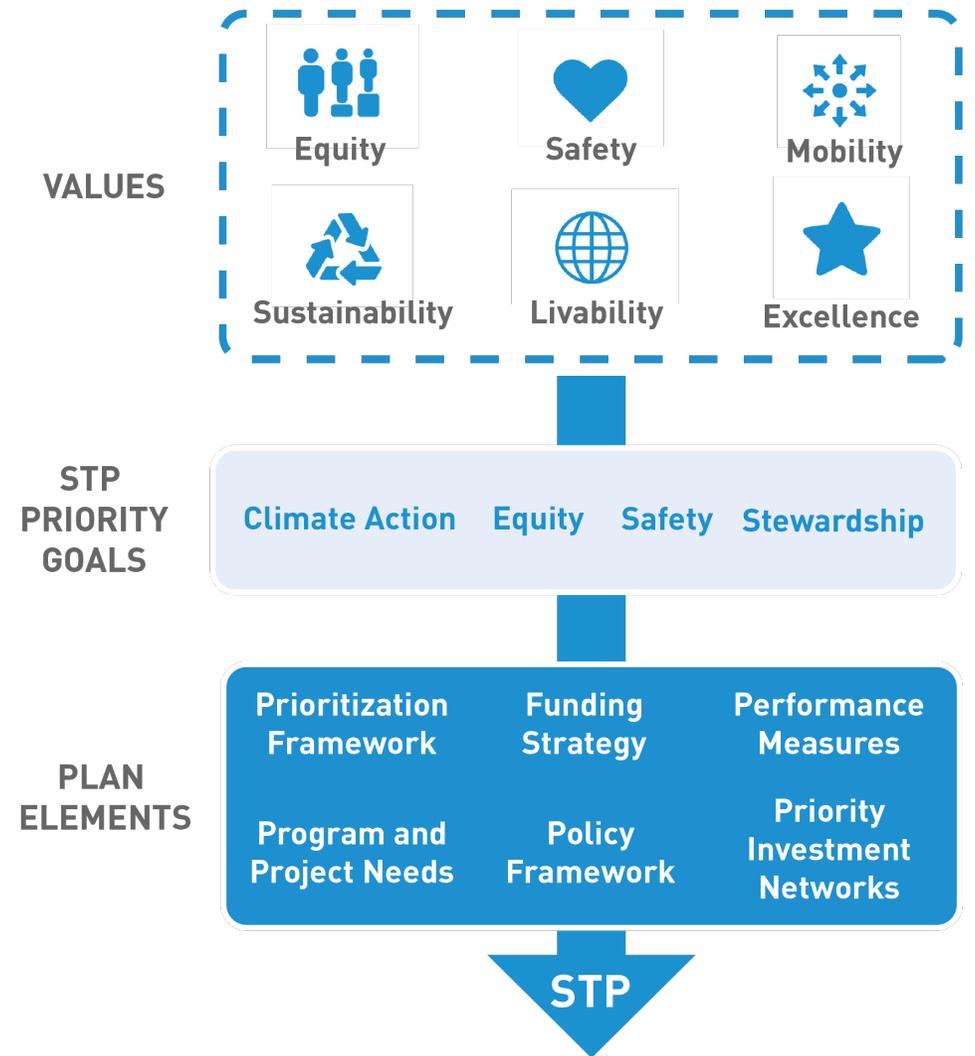

1. Collectively reimagine our transportation vision
2. Plan for people first, connecting them to the places that matter most to them
3. Remain grounded in our steadfast values
4. Meet the moment with inclusive engagement

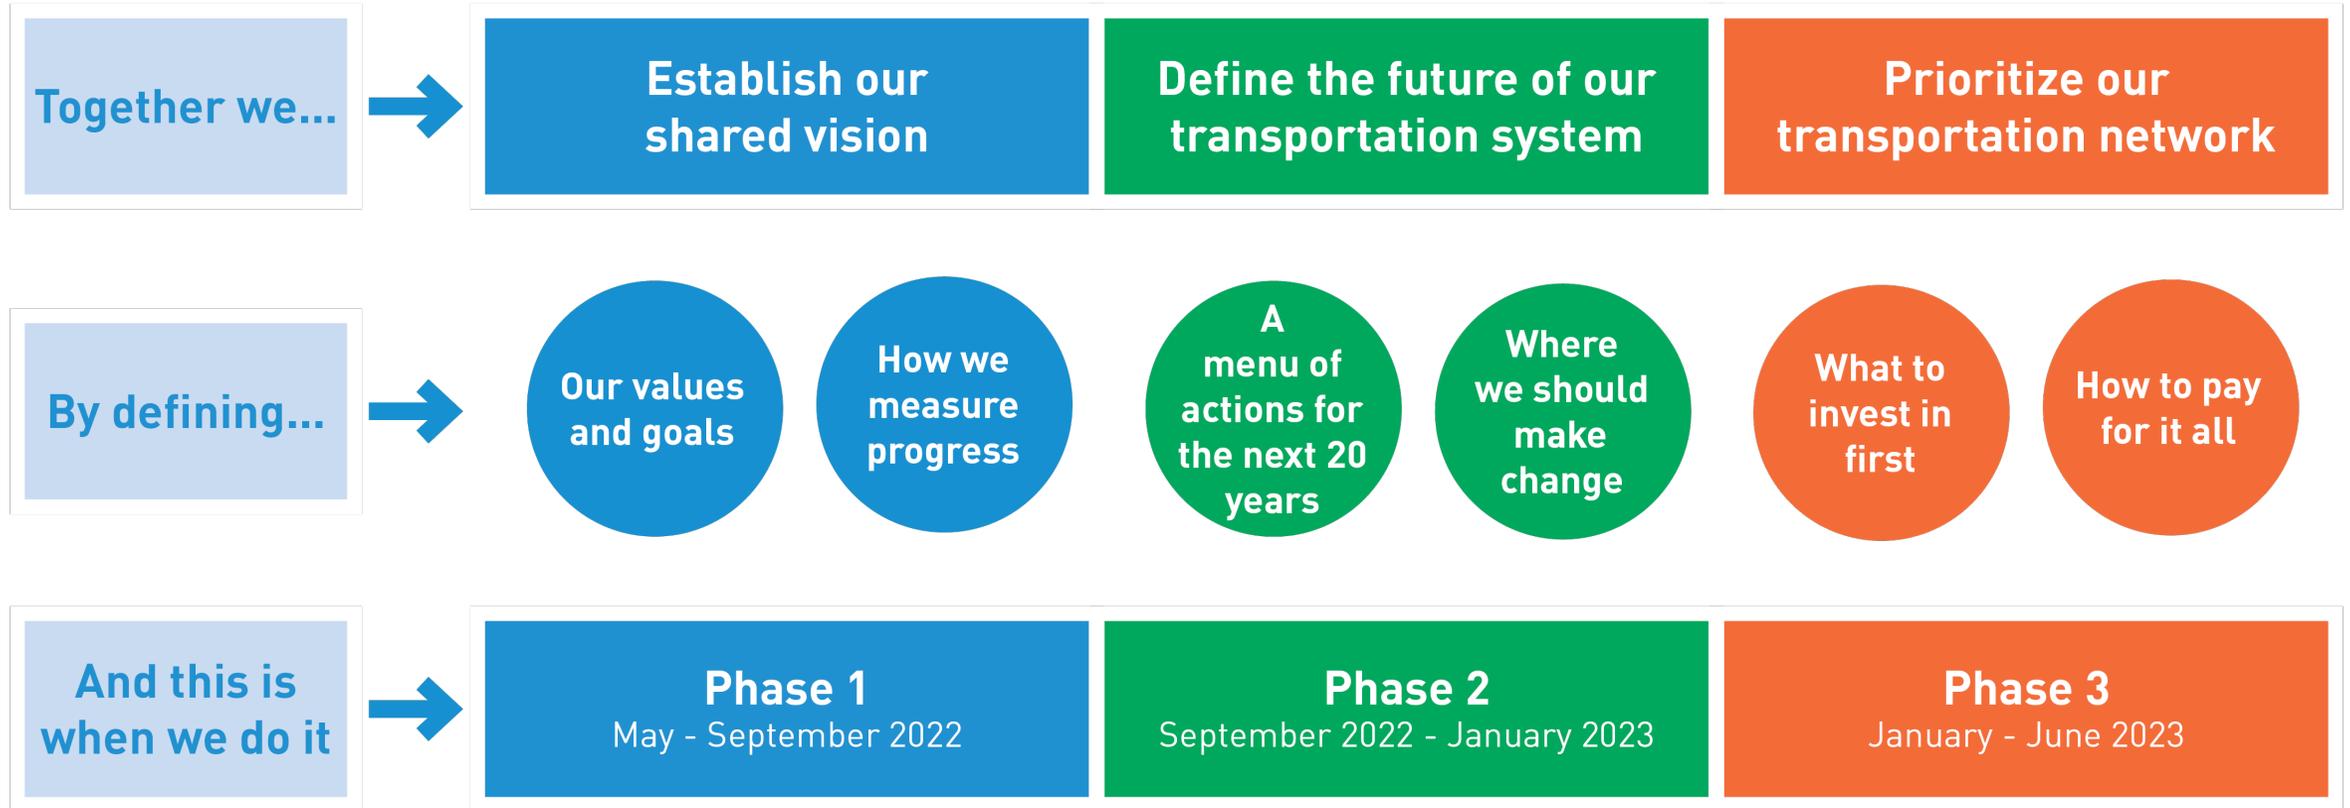

# Values Drive Plan Development

Our organizational values feed the STP's goals and technical elements.

Community engagement informed the STP priority goals and will influence all plan elements.

# Creating the Plan with Community

# Phase 1 Engagement: Establish a Shared Vision

- Community-based organizations (CBOs) and Community Liaisons (CLs) are being compensated for collaboration and participation
  - Khmer Community of Seattle King County/*Noio Pathways/ KIMYUNITY*
  - Asian Pacific American Labor Alliance
  - Central Area Collaborative
  - Duwamish Valley Sustainability Association
  - Smash the Box
  - Estelita's Library
  - Legacy of Equality Leadership and Organizing
  - Department of Neighborhood Community Liaisons
- Example engagement activities led by CBOs and CLs:
  - Targeted opportunities for youth and elders
  - Custom surveys
  - Neighborhood events with flyers and giveaways
  - Interviews with community members

## Comments emphasized...

- Safety and comfort for all ages and abilities
- Investment in sidewalks, bike lanes, and transit
- Maintenance
- Emissions reduction
- Connectivity, reliability, and ease of use
- De-prioritizing the automobile
- Traffic calming
- Equitable infrastructure

## Interactive Map Comments

# Phase 2 Engagement: Define our Future Transportation System

- Seek input on draft plan goals and objectives developed in response to initial community feedback
- Engage on potential strategic directions and trade-offs to achieve our plan goals and objectives
- Build on engagement efforts to reach underrepresented communities

# Upcoming Milestones

## 2022

- **September:** Launch phase 2 of community engagement
- **Fall:** Complete our internal technical analysis, including modal network integration and modernization tasks

## 2023

- **April:** Publish the draft plan for public review
- **April:** Launch phase 3 of community engagement
- **Summer:** Transmit Mayor's recommended plan to City Council
