Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests that the City Auditor conduct a review of the Seattle Municipal Court's (SMC's) probation program. This assessment should focus on the impacts of probation on people of color who are currently or have previously been under the Court's jurisdiction as part of probation and the racial proportionality of the imposition, conditions of compliance, length, and successful completion of probation, as well as early release from probation.

The audit should also identify gaps in the collection, analysis, and use of data as well as recommendations on how to fill these gaps.

Before initiating this work, the City Auditor should consult with the Chair of the committee with jurisdiction over public safety (currently Gender Equity, Safe Communities, New Americans, and Education) about the review's scope and objectives to ensure that it is informed by the Vera Institute of Justice's report on probation. The report is anticipated for completion in November 2019.
