Transportation

Our mission, vision, and core values

Mission: deliver a high-quality transportation system for Seattle

Vision: connected people, places, and products

Committed to **5 core values** to create a city that is:

- Safe
- Interconnected
- Affordable
- Vibrant
- Innovative

For **all**

Proposal

Swedish Health Services is seeking a new permit for an existing pedestrian tunnel under Minor Ave, between Columbia St and Marion St

- This pedestrian tunnel provides
 - A connection between the Swedish Medical Center at 747 Broadway and the First Hill Medical Pavilion at 1124 Columbia St
 - Movement of hospital staff, supplies, and sterile instruments between the two buildings

SDOT recommends approval of the term permit

Proposal

Pedestrian tunnel

Background

Term permit history

- Initial approval granted in December 1986 and subsequently renewed to Swedish Health Services
- This new permit updates ownership, the permit and inspection fees, insurance requirements and adjusts the bond amount

Project neighborhood

First Hill – 747 Broadway

Requested Action

- SDOT is seeking Council approval of this legislation for a new term permit Swedish Health Services
- If approved, this permit will be in place until 2026
