CITY OF SEATTLE

ORDINANCE 125260

COUNCIL BILL 118910

AN ORDINANCE relating to City employment; amending Sections 4.20.055, 4.26.010, 4.27.010, 4.27.020, and 4.27.100 of the Seattle Municipal Code and adding a new Chapter 4.29 to the Seattle Municipal Code, consisting of Sections 4.29.010, 4.29.020, 4.29.030, 4.29.040, 4.29.050, 4.29.060, 4.29.070, 4.29.080, 4.29.090, and 4.29.100, all to provide additional Paid Parental Leave and a new Paid Family Care Leave benefit to eligible city employees; establishing other conditions of implementing the new leave benefits; and ratifying and confirming certain prior acts.

WHEREAS, in 2004, The City of Seattle (City) began its Race and Social Justice Initiative to end institutionalized racism and race-based discrimination, and achieve equity in opportunity for all employees in City government; and

WHEREAS, in 2015, Seattle City Council passed Ordinance 124753, authorizing four weeks of paid parental leave, making Seattle the first municipality in the region to offer such leave and serving as a model to other employers in the region; and

WHEREAS, Ordinance 124753 also required City departments to track employee use and backfill costs of the paid parental leave, which enabled the City to determine if future expansion of the program is appropriate; and

WHEREAS, in 2016, a Workforce Equity Strategic Plan and Action Plan were developed, as requested by the Mayor and City Council, recommending strategies for eliminating barriers to workforce equity; and

WHEREAS, the Strategic Plan's recommended strategies included paid family leave with a paid parental leave component; and

1 WHEREAS, the City believes that providing paid time off for working parents to care for a new
2 child allows time to create and strengthen bonds between the child and parents and foster
3 stronger families, and contributes to the social and emotional health of children; and

4 WHEREAS, the City believes that providing paid time off for employees with ill family
5 members reduces the tension between their workplace and employee care-giving
6 responsibilities, and better supports all City employees in the workplace; and

7 WHEREAS, the City believes that providing paid time off to bond with a new child or care for
8 an ill family member helps employees to become more productive and effective at their
9 work, helps the City retain and recruit talent, and helps employees to balance their
10 responsibilities between work and home; and

11 WHEREAS, when men and women are equally incentivized to take parental and family care
12 leave, the perception of women as the sole family caregiver is diminished, minimizing
13 bias against mothers and women in the workplace; and

14 WHEREAS, the City recognizes that some number of employees come to parenthood via legal
15 guardianship, and that time for those employees to bond with such new children assists
16 the family's transition process; and

17 WHEREAS, the City Council appropriated an additional \$1.5 million in General Fund resources
18 in the 2017 Adopted Budget to support the costs of a new paid family care leave and
19 enhanced paid parental leave benefit, while acknowledging that the terms and costs of
20 these benefits were still under negotiation, and that any additional costs would need to be
21 addressed in future supplemental appropriations; NOW, THEREFORE,

2 physical disability.

3 “Spouse” means husband or wife.

7 rolling 12-month period, in addition to any paid leave to which they may otherwise be entitled, to
8 care for a spouse/domestic partner, or a son or daughter, or parent of the employee or
9 spouse/domestic partner, if such spouse/domestic partner, son, daughter, or parent has a serious
10 health condition. Paid family care leave under this Chapter 4.29 runs concurrently with the
11 eligible employee’s family medical leave entitlement under Chapter 4.26, such that an employee
12 who has exhausted his or her family medical leave entitlement is not eligible to take paid family
13 care leave. To become eligible for paid family care leave, an employee must reduce his or her
14 paid leave balances as proscribed by Section 4.29.050 and have the serious health condition
15 certified by the health care provider of the son, daughter, spouse/domestic partner, or parent of
16 the employee or spouse/domestic partner.

17 B. Paid family care leave provided by the City to an employee under subsection
18 4.29.020.A but not used within a rolling 12-month period shall be forfeited and may not be
19 retained for later use by the employee.

20 **4.29.030 Notice**

21 A. In any case in which the necessity for paid family care leave is foreseeable based on
22 planned medical treatment, the employee shall:

1 1. Make a reasonable effort to schedule the treatment so as not to disrupt unduly
2 the operations of the City, subject to the approval of the health care provider of the son,
3 daughter, spouse/domestic partner, or parent, as appropriate; and

4 2. Provide the City with not less than 30 days' notice, before the date the leave
5 is to begin, of the employee's intention to take paid family care leave, except that if the date
6 of the treatment requires leave to begin in less than 30 days, the employee shall provide such
7 notice as is practicable.

8 B. Failure to provide notice as proscribed in this Section 4.29.030 shall be grounds to
9 deny the leave.

10 **4.29.040 Leave taken intermittently or on a reduced schedule**

11 A. Paid family care leave may be taken intermittently or on a reduced leave schedule
12 when medically necessary. Medical necessity shall be determined and certified by a health care
13 provider as provided in Section 4.29.070.

14 B. If an employee requests intermittent leave, or leave on a reduced leave schedule that
15 is foreseeable based on planned medical treatment, the City may require such employee to
16 transfer temporarily to an available alternative position offered by the City for which the
17 employee is qualified and that:

18 1. Has equivalent base pay and benefits; and

19 2. Better accommodates recurring periods of leave than the regular employment
20 position of the employee.

21 **4.29.050 Exhaustion of other paid leave**

1 An employee must reduce his or her accrued sick leave balances to a maximum of two
2 weeks and his or her vacation leave balances to a maximum of one week in order to become
3 eligible for the paid family care leave provided in this Chapter 4.29.

4 **4.29.060 Employment and benefit protection**

5 Eligible employees who have been granted leave under this Chapter 4.29 shall be entitled
6 to the same employment and benefit protections consistent with the protections of the City's
7 family and medical leave benefit in Section 4.26.050 and the rules promulgated pursuant thereto.

8 **4.29.070 Medical certification requirement**

9 Medical certification is required for paid family care leave. The medical certification
10 must be issued by the health care provider of the eligible son, daughter, spouse/domestic partner,
11 or parent, of the employee. Certification should include:

12 A. The date on which the serious health condition commenced;

13 B. The probable duration of the condition;

14 C. The appropriate medical facts within the knowledge of the health care provider
15 regarding the condition; and

16 D. A statement that the eligible employee is needed to care for the son, daughter,
17 spouse/domestic partner, or parent.

18 The City may require, at the expense of the City, that the eligible employee obtain the
19 opinion of a second health care provider designated or approved by the City concerning any
20 information certified as provided in this Section 4.29.070. When the second opinion differs from
21 the opinion in the original certification, the City may require, at the expense of the City, that the
22 employee obtain the opinion of a third care provider designated or approved jointly by the City
23 and the employee. The opinion of the third health care provider concerning the information

1 certified as provided in this Section 4.29.070 shall be considered to be final and shall be binding
2 on the City and the employee. The City may require that the eligible employee obtain subsequent
3 recertification on a reasonable basis.

4 **4.29.080 Failure to return to work**

5 The City may recover the value of the paid family care leave from the employee if the
6 employee fails to return to work following his or her leave of absence.

7 **4.29.090 Rulemaking**

8 The Seattle Human Resources Director is authorized and directed to promulgate rules
9 consistent with this Chapter 4.29.

10 **4.29.100 Data collection and reporting**

11 City departments, via the City's payroll system, shall track data related to employees who
12 utilize the paid family care leave provided in this Chapter 4.29. The data should include
13 employee gender, tenure with the city, hours of paid family care leave used, job title, and
14 employing City department at the time the leave was used. In addition, information on the
15 approximate backfill cost to the City, by department, should be identified.

16 An annual report containing the information in the immediately preceding paragraph shall be
17 submitted by the Seattle Department of Human Resources to the Mayor and City Council. The
18 first report is due by the end of the second quarter of 2018 and shall be submitted every year
19 thereafter unless the Mayor and Chair of the City Council's Gender Equity, Safe Communities
20 and New Americans committee, or its successor, agree an annual report is no longer necessary.

21 Such agreement shall be in writing and filed with the City Clerk.

22 Section 7. This ordinance shall apply to all eligible employees not represented by a union.
23 Subject to collective bargaining, this ordinance shall also apply to those eligible employees who

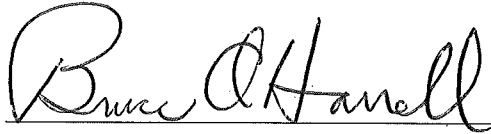

1 are represented by a union that agree with the provisions as expressed herein. This ordinance
2 applies to Seattle Public Library (SPL) employees, subject to the approval of the SPL Board of
3 Trustees and the conditions and administration of SPL's personnel system.

4 Section 8. Any act consistent with the authority and prior to the effective date of this
5 ordinance is ratified and confirmed.

6 Section 9. The additional paid parental leave employee benefits described in Sections 1,
7 3, 4, and 5 of this ordinance shall apply to the qualifying event of a birth or placement for
8 adoption, foster care, or legal guardianship that occurs on or after January 1, 2017. The new paid
9 family care leave benefits provided in Section 6 of this ordinance shall apply to employees who
10 meet the eligibility criteria set forth in Section 4.29.020 of the Seattle Municipal Code on or after
11 January 1, 2017.

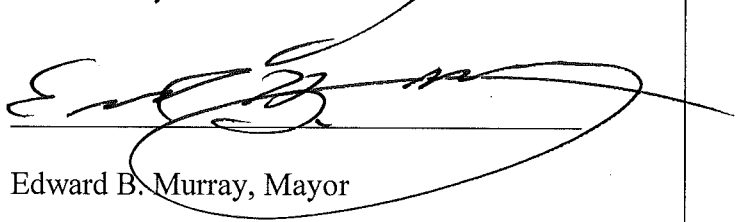

1 Section 10. This ordinance shall take effect and be in force 30 days after its approval by
2 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it
3 shall take effect as provided by Seattle Municipal Code Section 1.04.020.
