Dear Chris:

I am writing to express my interest in serving on the Seattle Freight Advisory Board as the CFO/CFO of Merlino Foods. Freight mobility is an issue of key importance for my company as well as the industry we serve.

I have been on the SODO BIA Ratepayer Advisory Board since inception and through my work there have learned a basic understanding of how the thought and decision processes of SDOT and the other coordinating agencies work. Beyond my business and industry that are directly involved with moving goods, it is important for the citizens of Seattle to understand that the efficient movement of freight is directly related to our economy, quality of life, and environmental health of our community. As the only major foodservice distributor located in the City of Seattle we tangle with mobility issues both at our distribution center *and* at our customer sites. I believe that my many of years of "hands on" experience in this area qualifies me for a position on the Board.

I look forward to sharing my experience and understanding of freight mobility issues.

Best regards,

Todd V. Biesold

Seattle Freight Advisory Board
