Q10

Describe one topic you would like SPU's Customer Review Panel to address.

I would like SPU's Customer Review Panel to continue to address issues surrounding those living in mobile RVs (as their primary residence) and available services for them to safely (without judgement) dispose of human waste. Also what measures are in place to ensure those using RVs for leisure activities are following the laws in place regarding human waste disposal.

Q11

Seattle Public Utilities actively seeks CRP members who represent the diverse experiences of SPU customers. Please describe how your experience as a SPU customer might lend a unique perspective to the CRP.

My experience as a SPU customer will lend a unique perspective to the CRP because I am aware of the various programs that are in place for customers and often share information to those who do not have access (or use) email, social media, etc., and may need assistance. I help seniors and low income customers understand their bills and direct them to agencies or programs for assistance. I'm often the go to for my network when they have complaints about SPU. I have an open mind and my goal is to be the voice for those who are not able to be at the "table". Assumptions are not facts and I think about impacts for all customers and not only those who know how the navigate the system in place. I will ask the questions some may avoid.
