1 A. The Council incorporates by reference the findings of fact contained in Ordinance
2 126113.

3 B. In July 2020, the City Council passed, and the Mayor signed Ordinance 126113,
4 establishing interim floodplain development regulations to maintain the City’s standing in the
5 Federal Emergency Management Agency’s National Flood Insurance Program, enabling
6 residents to continue to be eligible for flood insurance while preventing development
7 incompatible with City goals related to development in the floodplains.

8 C. Since that time, the City has proposed permanent floodplain development regulations
9 that included the amendments proposed in the interim regulations and additional code
10 amendments and published its State Environmental Policy Act (SEPA) decision on this proposal;
11 however, due to factors detailed below, the work necessary to complete the permanent
12 regulations will not be completed before the expiration of the interim regulations on February
13 17, 2023.

14 D. The City’s SEPA decision published in July 2021 was appealed to the Hearing
15 Examiner by the Port of Seattle (“Port”) and Port and City staff have been working to resolve the
16 issues raised by the Port with code amendments, Director’s Rules, Tips, and a memorandum of
17 understanding (MOU).

18 E. The City withdrew its SEPA decision in February 2022 in order to reissue an updated
19 SEPA analysis on the amended proposed permanent Floodplain Development Regulations that
20 address some or all issues raised by the Port of Seattle.

21 F. Revised Code of Washington (RCW) 36.70A.390 authorizes the City to renew interim
22 regulations by ordinance for a six-month period.

1 Section 2. Pursuant to RCW 36.70A.390, the interim regulations first set forth in
2 Ordinance 126113, and as amended by Ordinance 126536, shall be renewed for a period of six
3 months from the date this ordinance becomes effective, and shall automatically expire after the
4 six-month period unless the same is extended as provided by statute, or unless terminated sooner
5 by the City Council.

1 Section 3. This ordinance, which is not subject to referendum, shall take effect and be in
2 force after its approval by the Mayor, but if not returned and approved by the Mayor, within ten
3 days after presentation.

4 Passed by the City Council the 14th day of February, 2023,
5 and signed by me in open session in authentication of its passage this 14th day of
