Budget Action description:

This green sheet recommends passage of C.B. 119371, known as the "short" property tax ordinance. This bill is one of the two ordinances required to levy property taxes for collection in 2019.

Since the approval of Referendum 47 in November 1997, state law requires that a taxing jurisdiction adopt, by a majority of its legislative body, a "separate ordinance" stating the property tax increase (if there is an increase), in terms of both dollars and percentage.

In 2019 the City will collect an additional \$41 million, attributable in part to approval of the Families, Education, Pre-school, and Promise Levy. This represents an 8.69 percent increase over 2018.
