1. BILL SUMMARY

Legislation Title:

A RESOLUTION expressing the Seattle City Council’s opposition to the Trump administration’s escalation toward war with Iran and to attacks on the democratic rights of people with Iranian heritage in Washington State, and requesting the Office of Intergovernmental Relations communicate these positions to the Washington State congressional delegation.

Summary and background of the Legislation:

The Trump Administration’s policies toward Iran, including air strikes and the prominent drone assassination of Iranian Major General Qasem Soleimani in Iraq, are risking war, and have already resulted in retaliatory missile strikes on US bases in Iraq on January 7, 2020.

Ordinary people, especially women, young people, and marginalized communities, always pay the greatest price of imperialist war. The United States war in Afghanistan, beginning in 2001, and in Iraq beginning in 2003, have not expanded the freedom, democracy, standards of living, or safety for ordinary people in the middle east; and have not increased the safety of people in the United States, and instead caused massive loss of human life and ongoing suffering in Afghanistan, Iraq, and among United States soldiers.

The New York Times reported on January 5, 2020 that on Saturday January 4, 2020, Department of Homeland Security agents detained and questioned over 60 people of Iranian descent, the vast majority of whom are US citizens, at the Peace Arch Border Crossing in Blaine, Washington, including Seattle residents and families with small children. There are also reports of Iranian Americans being detained at the Seattle-Tacoma International Airport.

This resolution expresses the Seattle City Council’s opposition to the Trump administration’s escalation toward war with Iran and opposition to attacks on the democratic rights of people with Iranian heritage in Washington State, and requests the Office of Intergovernmental Relations communicate these positions to the Washington Congressional delegation.

Does this legislation amend the Adopted Budget? Yes No

Does the legislation have other financial impacts to the City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?

If so, describe the nature of the impacts. This could include increased operating and maintenance costs, for example.

No

Is there financial cost or other impacts of *not* implementing the legislation?

No

If there are no changes to appropriations, revenues, or positions, please delete sections 3.d., 3.e., and 3.f. and answer the questions in Section 4.

4. OTHER IMPLICATIONS

a. Does this legislation affect any departments besides the originating department?

If so, please list the affected department(s) and the nature of the impact (financial, operational, etc.).

No

b. Is a public hearing required for this legislation?

If yes, what public hearing(s) have been held to date, and/or what public hearing(s) are planned/required in the future?

No

c. Does this legislation require landlords or sellers of real property to provide information regarding the property to a buyer or tenant?

If yes, please describe the measures taken to comply with RCW 64.06.080.

No

d. Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

For example, legislation related to sale of surplus property, condemnation, or certain capital projects with private partners may require publication of notice. If you aren't sure, please check with your lawyer. If publication of notice is required, describe any steps taken to comply with that requirement.

No

e. Does this legislation affect a piece of property?

If yes, and if a map or other visual representation of the property is not already included as an exhibit or attachment to the legislation itself, then you must include a map and/or other visual representation of the property and its location as an attachment to the fiscal note. Place a note on the map attached to the fiscal note that indicates the map is intended for illustrative or informational purposes only and is not intended to modify anything in the legislation.

If yes, please explain how this legislation may impact vulnerable or historically disadvantaged communities. Using the racial equity toolkit is one way to help determine the legislation's impact on certain communities.

This resolution supports the democratic civil rights of people of Iranian descent who may be targeted by Border Patrol Agents.

A RESOLUTION reaffirming Seattle as a welcoming city, expressing the Seattle City Council’s solidarity with Seattle’s South Asian community regardless of religion and caste, and opposing India’s National Register of Citizens and Citizenship Amendment Act.

WHEREAS, the Seattle City Council supports democratic rights for all peoples, and opposes religious and ethnonationalist discrimination; and

WHEREAS, the far-right Bharatiya Janata Party (BJP) government of Indian Prime Minister Narendra Modi has been criticized for promoting violence against religious minorities, silencing dissent, and actions which earned Prime Minister Modi the nickname “the Butcher of Gujarat,” a reference to the 2002 massacre - when Narendra Modi was Chief Minister of the state of Gujarat - in which an estimated 2,000 people were killed in anti-Muslim violence, and many Muslim women were targeted for rape and other forms of sexual violence; and

WHEREAS, on December 11, 2019, the Indian parliament passed the Citizenship Amendment Act (CAA), which the BJP government claims will help refugees fleeing religious persecution from neighboring countries, but which blatantly discriminates, allowing the National Register of Citizens (NRC) to be updated for citizenship based on religion, favoring Hindu, Buddhist, Jain, Parsi, and Christian immigrants, while excluding Muslim people; and

WHEREAS, the CAA is the first instance of religion being used as a criterion for Indian citizenship; and

WHEREAS, in August 2019, Modi’s right-wing government published an updated NRC, requiring nearly two million people in the northeastern state of Assam to prove with documentary evidence their Indian citizenship or face detention at mass prisons and detention camps that the Indian government has begun

to build and fill; and

WHEREAS, most Indians lack documentation such as birth certificates to prove citizenship, and a nationwide expansion of the NRC could strip hundreds of millions of people (disproportionately Muslim, oppressed castes, women, indigenous and LGBT communities) left out of the CAA of their citizenship rights with no option to be re-naturalized; and

WHEREAS, the New York Times reported on December 22, 2019 that “The Indian home minister, Amit Shah, has vowed in speeches to expand the checks used in Assam to other states and then use the citizenship law to purge India of ‘infiltrators’ and ‘termites’”; and

WHEREAS, protests in India against the CAA and the NRC in December 2019 have faced repression including reports that in the state of Uttar Pradesh police fatally fired live ammunition at demonstrators and arrested thousands, and reports that police smashed up Muslim homes in in cities such as Bijnor, Muzaffarnagar, Meerut, Ghaziabad, Bulandshahr, Aligarh, Sambhal, Firozabad, and Rampur; and

WHEREAS, on January 8, 2020, ordinary people across India demonstrated against the policies of the Modi government, with protests against the CAA and NRC in conjunction with a one-day strike called by ten trade unions opposing privatizations and neoliberalism and also in conjunction with strikes and demonstrations in rural communities against the oppression and exploitation of farmers, showing that a united movement of working people has the potential power to resist and defeat authoritarianism; and

WHEREAS, the general strike in India on January 8, 2020 was the largest strike in the history of the world, with an estimated 250 million workers, farmers, and rural laborers stopping work, and joining protests against poverty, exploitation, discrimination, and authoritarianism; and

WHEREAS, in September 2019, President Trump hosted a “Howdy Modi” rally in Houston alongside Prime Minister Modi, in what the Washington Post ominously reported was, “the largest-ever gathering with a foreign political leader in the United States,” demonstrating the growing threat of far-right politics around the world; and

WHEREAS, the Seattle City Council believes it is the duty of ordinary people to oppose the dangerous rise of the far right everywhere in the world, and believes that the rapidly expanding authoritarianism of the Modi government in nuclear-armed India is of concern, not only to the millions of Muslims, oppressed castes, women, indigenous, and LGBT people in India, but also to Seattle’s South Asian immigrant community and those opposed to Trump and the right wing in the United States; and

WHEREAS, the Indian American Muslim Council, API/Chaya, Tasveer, SABAH (South Asians Building Accountability & Healing), Ambedkar Periyar Study Circle and thousands of activists and organizers have spoken out in Seattle against the CAA and NRC; and

WHEREAS, the City Council believes that the CAA and the NRC are inconsistent with Seattle being a welcoming city, for South Asian communities of all castes and religions, and proclaimed September 24, 2019 to be Stand with Kashmir Day, Clerk File 321438, in response to the Modi government stripping India’s only Muslim-majority state, Jammu and Kashmir, of its autonomy; NOW, THEREFORE,

1. BILL SUMMARY

Legislation Title:

A RESOLUTION reaffirming Seattle as a welcoming city, expressing the Seattle City Council’s solidarity with Seattle’s South Asian community regardless of religion and caste, and opposing India’s National Register of Citizens and Citizenship Amendment Act.

Summary and background of the Legislation:

The far-right Bharatiya Janata Party (BJP) government of Indian Prime Minister Narendra Modi has been criticized for promoting violence against religious minorities, silencing dissent, and actions which earned Prime Minister Modi the nickname “the Butcher of Gujarat,” a reference to the 2002 massacre - when Narendra Modi was Chief Minister of the state of Gujarat - in which an estimated 2,000 people were killed in anti-Muslim violence, and many Muslim women were targeted for rape and other forms of sexual violence.

On December 11, 2019, the Indian parliament passed the Citizenship Amendment Act (CAA), which the BJP government claims will help refugees fleeing religious persecution from neighboring countries, but which blatantly discriminates, allowing the National Register of Citizens (NRC) to be updated for citizenship based on religion, favoring Hindu, Buddhist, Jain, Parsi, and Christian immigrants, while excluding Muslim people. The CAA is the first instance of religion being used as a criterion for Indian citizenship.

In August 2019, Modi’s right-wing government published an updated NRC, requiring nearly two million people in the northeastern state of Assam to prove with documentary evidence their Indian citizenship or face detention at mass prisons and detention camps that the Indian government has begun to build and fill. Most Indians lack documentation such as birth certificates to prove citizenship, and a nationwide expansion of the NRC could strip hundreds of millions of people (disproportionately Muslim, oppressed castes, women, indigenous and LGBT communities) left out of the CAA of their citizenship rights with no option to be re-naturalized.

This resolution reaffirms Seattle as a welcoming city and expresses solidarity with Seattle’s South Asian community regardless of religion and caste. It also resolves that the Seattle City Council opposes the National Register of Citizens and the Citizenship Amendment Act in India, and finds these policies to be discriminatory to Muslims, oppressed castes, women, indigenous, and LGBT people. This resolution urges the Parliament of India to uphold the Indian constitution by repealing the Citizenship Amendment Act, and to stop the National Register of Citizens, and take steps towards helping refugees by ratifying various UN treaties on refugees.
