1. BILL SUMMARY

Legislation Title: AN ORDINANCE amending Ordinance 126237, which adopted the 2021 Budget, including the 2021-2026 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and background of the Legislation: This legislation appropriates unexpended non-capital appropriations from the 2020 Budget to the 2021 Budget.

RCW 35.32A.080 states: “The whole or any part of any appropriation provided in the budget for operating and maintenance expenses remaining unexpended or unencumbered at the close of the fiscal year shall automatically lapse, except any such appropriation as the city council shall continue by ordinance.” This legislation requests continuances for unexpended 2020 appropriations for non-capital purposes in the amount of \$84.6 million. Appropriations were made in the 2020 Budget for these expenditures but for various reasons, spending was not initiated or completed during the 2020 fiscal year. This ordinance re-appropriates these funds, which lapsed at the end of 2020, in most cases for the same purposes that the funds were dedicated to in 2020.

In addition, the 2021 budget process resulted in an Office of Emergency Management that is independent from the Seattle Police Department. This bill transfers the responsibility of administering seven grants from the Seattle Police Department to the Office of Emergency Management. Section 2 of this legislation abandons the automatic carry forward appropriation from the Seattle Police Department budget and Section 1 appropriates those grants in the Office of Emergency Management.
