**1. BILL SUMMARY**

**Legislation Title:** A RESOLUTION supporting Washington Initiative Measure 735, and urging Seattle voters to vote “Yes” on Initiative 735 on the November 8, 2016, general election ballot.

**Summary and background of the Legislation:** This resolution supports Washington Initiative Measure 735, and urges Seattle voters to vote “Yes” on Initiative 735 on the November 8, 2016, general election ballot. The Seattle City Council passed Resolution 31380 in 2012 calling on the United States Congress to “initiate steps to amend the United States Constitution with provisions that clearly state that:

- (1) Corporations are not human beings, and only human beings are endowed with Constitutional rights.
- (2) Contributions and expenditures for political purposes are not Constitutionally-protected speech, and that, therefore regulating political contributions and spending is not equivalent to limiting political speech.
- (3) Congress and the States shall have the power to regulate contributions and expenditures for campaigns and ballot measures, and to require public disclosure of the sources of such contributions and expenditures.”

Washington State Initiative 735, which will be on the November 2016 ballot, is consistent with Resolution 31380, stating:

1. The rights listed and acknowledged in The Constitution of the United States are the rights of individual human beings only.
2. The judiciary shall not construe the spending of money to be free speech under the First Amendment of The Constitution of the United States. Federal, state, and local governments shall be fully empowered to regulate political contributions and expenditures to ensure that no person or artificial legal entity gains undue influence over government and the political process.
3. All political contributions and expenditures shall be disclosed promptly and in a manner accessible to voters prior to elections.
