## Private Communication Conduits

City Council Transportation Committee

Amy Gray

May 16, 2017

**Seattle**  
Department of  
Transportation

# Our mission, vision, and core values

**Mission:** deliver a high-quality transportation system for Seattle

**Vision:** connected people, places, and products

Committed to **5 core values** to create a city that is:

- Safe
- Interconnected
- Affordable
- Vibrant
- Innovative

For **all**

# Presentation overview

- Project area-South Lake Union
- Proposal –seeking conceptual approval of private communication conduits
- Next steps

# Project area

## *South Lake Union*

# Project area

609-625 Boren Ave N

# Proposal

- Seeking conceptual approval of private communication conduits under Boren Ave N and an alley north of Mercer St, as part of the term permit process
  - Provides secure data transmission between the buildings
  - Allows high level of security for tenant's intellectual property and customer data
  - This method of connectivity has become standard operations for technology companies

# Next steps

Date	Activity/action
Fall 2017	Applicant obtains technical permit approval for construction
Late 2017	Final term permit ordinance transmitted
January 2019	Project completion date
