### **Summary Statement**

---

I am a dedicated and knowledgeable Tribal Governance professional with a strong background in Executive Management and Human Resources who has dedicated my career and professional development to help further the success and sovereignty of Tribal communities and serving people. I have had the unique opportunity to develop from entry level of employment beginning 23 years ago, through recruited Executive Management/ Director-level experience within Tribal Government and Tribal Gaming. Most recently in 2017, I have also been fortunate enough to have received the overwhelming support of my Tribal community and been elected as a top-level leader of the Muckleshoot Indian Tribe as a Tribal Council Member and Vice Chairman. The sum of this experience, along with my education and professional certifications, combine to provide me a unique ability and insight regarding the successful navigation of issues, programs and personnel in Indian Country, Tribal Government and organizational development in general which is extremely valuable. I am passionate about the continued growth and development of opportunity within Indian Country and Tribes. It is truly a transitional period in the history of Native American people; as a professional, I believe I have the ability to make a positive difference and impact in this setting daily and to watch those positive influences play out both immediately and for the Seventh Generation and beyond.
