

# Swedish Health Services Pedestrian Tunnel Term Permit Council Sustainability and Transportation Committee

8/7/18

Seattle Department of Transportation

City of Seattle

# Presentation Overview

- Swedish Health Services is seeking a new permit for an existing pedestrian tunnel under Cherry St, between Minor Ave and Broadway
- This pedestrian tunnel provides:
  - A connection between the Swedish Medical Center at 747 Broadway and the Swedish Orthopedic Institute at 601 Broadway
  - Movement of hospital staff, supplies, and sterile instruments between the two buildings
- SDOT recommends approval of the term permit

# Proposal - pedestrian tunnel

# Background

- Term permit history
- Initial approval granted in July 1985 and subsequently renewed to Swedish Health Services
- This new permit updates ownership, the permit and inspection fees, insurance requirements and adjusts the bond amount

# Project neighborhood - First Hill

## 747 Broadway

# Requested Action

- SDOT is seeking Council approval of this legislation for a new term permit Swedish Health Services
- If approved, this permit will be in place until 2025
