WHEREAS, the World Health Organization (WHO) has declared that the Coronavirus Disease 2019 (COVID-19) is a global pandemic, which is particularly severe in high-risk populations such as people with underlying medical conditions and the elderly, and the WHO has raised the health emergency to the highest level requiring dramatic interventions to disrupt the spread of this disease; and

WHEREAS, on February 29, 2020, the Washington Governor issued Proclamation 20-05, proclaiming a state of emergency for all counties throughout the state of Washington in response to new cases of COVID-19; and

WHEREAS, in response to outbreaks of COVID-19 in Seattle, Mayor Jenny Durkan proclaimed a civil emergency exists in Seattle in the Mayoral Proclamation of Civil Emergency dated March 3, 2020; and

WHEREAS, on March 5, 2020, the City Council adopted Resolution 31937 affirming the civil emergency, modifying orders transmitted by the Mayor related to the emergency, and establishing Council’s expectations related to future orders and reporting by the Mayor during the civil emergency; and

WHEREAS, on March 23, 2020, the Governor issued a “Stay Home, Stay Healthy” order, which, combined with other measures taken to prevent the transmission of COVID-19, effectively closed many businesses in the state of Washington; and

1 WHEREAS, local companies have reported laying off employees, experiencing substantial
2 revenue losses, dealing with lost business due to fear and stigma, and seeing major declines
3 in foot traffic as tens of thousands of employees are being asked to work from home; and

4 WHEREAS, the immediate economic impacts from the COVID-19 emergency have been drastic
5 and are expected to last much longer than the civil emergency itself; and

6 WHEREAS, these impacts are being felt across all industry sectors, including retail, restaurant,
7 hospitality, transportation, logistics, arts, and culture; and

8 WHEREAS, many people in Seattle continue to struggle with the impacts of the COVID-19
9 public health emergency and the measures taken to prevent its spread, including
10 unemployment, housing insecurity, and food insecurity; and

11 WHEREAS, many of the impacts of the COVID-19 pandemic and resulting economic downturn
12 are being felt disproportionately by Black, Latinx, Indigenous, and other communities of
13 color; and

14 WHEREAS, undocumented immigrants are not eligible for unemployment insurance, health
15 insurance through the Affordable Care Act, Medicare, many Medicaid programs, or many
16 other social support programs; and

17 WHEREAS, The City of Seattle (“City”) recognizes that direct cash assistance to low-income
18 people benefits the greater economy and allows people to make decisions about
19 immediate needs; and

20 WHEREAS, there remains significant unmet need that is best addressed by providing direct cash
21 assistance to the people of Seattle; NOW, THEREFORE,

1 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

2 Section 1. In order to pay for necessary costs and expenses incurred or to be incurred in
3 2021, but for which insufficient appropriations were made due to causes that could not
4 reasonably have been foreseen at the time of the making of the 2021 Budget, appropriations for
5 the following items in the 2021 Budget are increased from the funds shown, as follows:

Item	Fund	Department	Budget Summary Level	Amount
1.1	General Fund (00100)	Executive (Office of Immigrant and Refugee Affairs)	Office of Immigrant and Refugee Affairs (BO-IA-X1N00)	\$25,000,000
Total				\$25,000,000

6 Of the funding appropriated to the Office of Immigrant and Refugee Affairs (BO-IA-
7 X1N00) Budget Summary Level in the 2021 Adopted Budget, \$25,000,000 shall be used (1) for
8 direct financial assistance to Seattle’s low-income households who have experienced the
9 economic impacts caused by the COVID-19 crisis and those disproportionately impacted by the
10 COVID-19 public health crisis, and (2) to advise potential recipients of this temporary financial
11 assistance to ensure it will not impact the recipients’ eligibility for, or result in loss of, any other
12 income-tested benefits. Prior to the expenditure of any funds for direct financial assistance, the
13 Executive will partner with Community-Based Organizations (CBOs) who have a history of trust
14 and success in reaching historically underserved communities, including immigrant and refugee
15 communities, Black, Latinx, and Indigenous communities, and other communities of color, to
16 provide such assistance, and CBOs who have experience and success in reaching artists and
17 other people who work in the creative industry. The City will prioritize partnering with CBOs
18 that are culturally relevant and historically rooted in, and founded by, communities that have
19 been disproportionately impacted by COVID-19, and have organizational leadership, staff and
20 board composition that reflect the communities they serve, for the purposes of direct grants

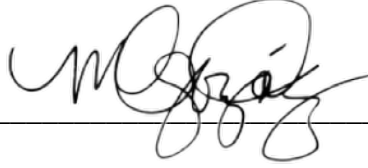

1 and/or allocation of grants to communities. CBOs will determine eligibility, including criteria to
2 confirm income eligibility, prioritizing those who experience structural or institutional barriers to
3 accessing support from the government (e.g., language barriers, risk of deportation), and those
4 communities who have been disproportionately impacted by the COVID-19 crises, including
5 artists and other people who work in the creative sector. Requests for documentation of
6 eligibility shall comply with Seattle Municipal Code Section 4.18.015, shall not impose an
7 unnecessary burden on those applying for assistance, and shall not unnecessarily delay the
8 approval and distribution process. Undocumented noncitizens and other noncitizens shall be
9 eligible to receive these funds.

10 Section 2. Any act consistent with the authority of this ordinance taken after its passage
11 and prior to its effective date is ratified and confirmed.

12 Section 3. This ordinance shall take effect and be in force 30 days after its approval by
13 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it
14 shall take effect as provided by Seattle Municipal Code Section 1.04.020.
