**Julian R Weber, AIA**

**Julian Weber Architecture + Design, LLC** Founder & Principal

October 2009 - Present

The firm was formed in 2009 to work with developers and homeowners to create progressive design solutions. In four years, JWA+D has completed a series of exceptional residential projects. These homes have been recognized by industry groups and homeowners alike for their ability to deliver high value in a challenging marketplace, without sacrificing comfort and livability.

JWA+D pursues sustainable objectives with a special focus on energy usage. JWA+D projects are consistently chosen as case studies for the MBA Built-Green Program. Unit 13 in New Rainier Vista was a Department of Energy Challenge Home Innovation Award Winner in 2013.

Architect & Construction Manager

February 2007 - September 2009

Sole designer responsible for all phases of design from site selection to landscape design and interior finish selection. Designed, detailed and oversaw installation of many custom elements including steel stairs, screens and guardrails. Communicated with subcontractors and consultants and resolve coordination issues.

Responsible for establishing brand identity. Communicated extensively with real estate professionals, developers, architects and builders to achieve differentiation in marketplace. Managed design and implementation of website: www.dwelldevelopment.net

**Pb elemental, LLC** (no longer in business)

Project Designer

April 2005 - January 2007

During my tenure, Pb grew from a startup to mid-size design firm. Managed a team of designers, drafters and model builders. Our studio was responsible for modern multi-family projects including Pb's development projects and projects for other developers. Designed mixed-use buildings, multi-family residential, single family residential and commercial tenant improvements. A number of these projects were published locally.
