

**CITY OF SEATTLE**

**RESOLUTION 32026**

A RESOLUTION requesting King County and the State of Washington to increase services to address behavioral health conditions.

WHEREAS, the term “behavioral health services” is understood to incorporate mental health services and substance use disorder treatment; and

WHEREAS, King County created and operates the King County Integrated Care Network, which encompasses all behavioral health providers in King County who provide Medicaid-funded behavioral health services; and

WHEREAS, King County is the Behavioral Health Administrative Services Organization for the county, which is responsible for the provision of behavioral health services to people who are in crisis; and

WHEREAS, the State of Washington has substantial influence over the availability of services and stability of the behavioral health workforce, including through investments in the newly created 988 hotline for mental health crises, setting behavioral health Medicaid rates, and provision of non-Medicaid behavioral health resources; and

WHEREAS, the 2020 Point-in-Time Count of people experiencing homelessness in King County estimates that 54 percent of people experiencing homelessness have a psychiatric or emotional condition, 44 percent have a substance use disorder, and 47 percent have post-traumatic stress disorder; and

WHEREAS, the most recent results from the Washington State Syringe Exchange Health Survey conducted by the University of Washington found that 82 percent of respondents whose

1 main drug was heroin and 48 percent whose main drug was methamphetamine were  
2 interested in reducing or stopping their drug use; and

3 WHEREAS, the most recent National Survey on Drug Use and Health conducted by the U.S.  
4 Department of Health and Human Services estimates that 487,000 people in Washington  
5 need but do not receive treatment at a specialty facility for substance use; and

6 WHEREAS, the February 1, 2021, results of the Household Pulse Survey conducted by the  
7 Centers for Disease Control and Prevention estimated that 46.3 percent of adults in  
8 Washington reported symptoms of anxiety or depression and 30.1 percent were unable to  
9 get needed counseling or therapy; and

10 WHEREAS, the most recent National Survey on Drug Use and Health conducted by the U.S.  
11 Department of Health and Human Services estimates that 52 percent of Washingtonians  
12 ages 12 through 17 who have depression did not receive any care in the last year; and

13 WHEREAS, research published by Veronica Dupéré in the *Journal of Adolescent Health*  
14 indicates that high school students with depression are more than twice as likely to drop  
15 out of school as their peers; and

16 WHEREAS, in March 2021, Washington State Governor Jay Inslee signed an emergency  
17 proclamation declaring a children and youth mental health crisis and directed the  
18 Washington Health Care Authority and Department of Health to immediately begin work  
19 on recommendations for supporting the behavioral health needs of children and youth  
20 over the next six to 12 months and to address and triage the full spectrum of rising  
21 pediatric behavioral health needs; and

22 WHEREAS, Public Health—Seattle and King County reports a 30 percent increase in behavioral  
23 health crisis calls from January 2020 to September 2021; and

1 WHEREAS, a ranking by Mental Health America of low prevalence of mental illness and high  
2 access to care in 2020 places Washington forty-sixth out of all states and the District of  
3 Columbia; and

4 WHEREAS, King County currently funds the Crisis Solutions Center, a voluntary crisis  
5 stabilization facility that provides up to 72 hours of stabilization, monitoring, and referral  
6 services for individuals in behavioral crisis and up to 14 days of additional residential  
7 services for individuals who are homeless or at risk of homelessness; and

8 WHEREAS, the Crisis Solutions Center typically accepts referrals from first responders and  
9 designated crisis responders, not a broader range of service domains and agencies, such  
10 as behavioral health agencies, homelessness service providers, or diversion programs;  
11 and

12 WHEREAS, King County funds three Mobile Crisis Teams of mental health and substance use  
13 disorder professionals that help individuals in crisis stabilize and connect with services;  
14 and

15 WHEREAS, it is estimated that three additional Mobile Crisis Teams would be necessary to  
16 provide coverage to the entire county 24 hours per day, seven days per week; and

17 WHEREAS, the existing post-crisis follow-up teams may meet only one-sixth of the total need  
18 for these services in the county; and

19 WHEREAS, a meeting of providers and local leaders in October 2021 to discuss the behavioral  
20 health services in King County identified 18 recommendations to strengthen the system;  
21 and

22 WHEREAS, the City budget, through multiple budget actions, provides funds to expand  
23 behavioral health services, including school-based services; NOW, THEREFORE,

1 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**  
2 **MAYOR CONCURRING, THAT:**

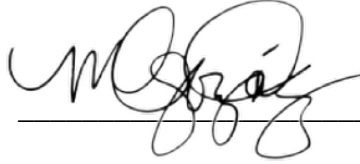

3           Section 1. The Council supports requests presented to King County’s Department of  
4 Community and Human Services to increase funding for behavioral health resources to  
5 substantially increase the availability of a mobile crisis response, post-crisis follow-up teams,  
6 crisis stabilization facilities, and other treatment programs.

7           Section 2. The Council urges the Governor, State Legislature, Washington State Health  
8 Care Authority, and U.S. federal government to provide additional support for behavioral health  
9 services, both through Medicaid and with non-Medicaid resources.

10           Section 3. The Council declares that funds provided in the 2022 Adopted Budget to  
11 expand school-based mental health services, Community Based Partnerships, and mobile  
12 behavioral health crisis services and high-acuity services for people with behavioral health  
13 conditions who also experience homelessness, are provided in acknowledgement of the shared  
14 role that all levels of government have in creating and maintaining a strong behavioral health  
15 system and with the expectation that King County is also making new investments to expand  
16 components of the behavioral health service system in the county.

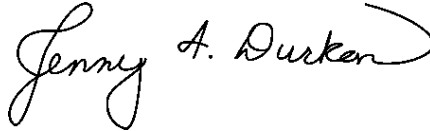

17           Section 4. The Council requests that the Office of Intergovernmental Relations  
18 communicate these positions and actions to the King County Council, King County Executive,  
19 Washington State Legislature, Governor of Washington, and the elected officials representing  
20 Seattle at the federal level.

1           Adopted by the City Council the 22nd day of November, 2021,  
2 and signed by me in open session in authentication of its adoption this 22nd day of  
3 November, 2021.

4 

5           President \_\_\_\_\_ of the City Council

6           The Mayor concurred the 2nd day of December, 2021.

7 

8           Jenny A. Durkan, Mayor

9           Filed by me this 2nd day of December, 2021.
