

CITY OF SEATTLE

RESOLUTION 32034

A RESOLUTION relating to Seattle Parks and Recreation; authorizing the Superintendent of Parks and Recreation to act as the authorized representative/agent on behalf of The City of Seattle and to legally bind The City of Seattle with respect to certain projects for which the City seeks grant funding assistance managed through the State Recreation and Conservation Office (RCO).

WHEREAS, state grant assistance is requested by The City of Seattle to aid in financing the cost of the following projects to be administered by Seattle Parks and Recreation: Be'er Sheva Phase 2, and the Garfield Super Block; and

WHEREAS, on August 18, 2017, the Seattle City Council passed Resolution 31763, adopting The City of Seattle's 2017 Parks and Open Space Plan; and

WHEREAS, the projects are included in The City of Seattle's 2016-2021 Capital Improvement Program and the Seattle Park District Major Maintenance Plan; and

WHEREAS, state grant assistance is requested by Seattle Parks and Recreation to aid in financing the cost of the projects referenced above; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR CONCURRING, THAT:

Section 1. The City of Seattle (for the purposes of this resolution, "the City" and "we/us/our") has applied for or intends to apply to the State of Washington for funding assistance managed by the State Recreation and Conservation Office (RCO) for two Capital Improvement Program projects ("Proposed CIP Projects" or "Project(s)") in the amount set forth in the "Grant Request" column below:

Proposed CIP Projects	RCO Category / Project #	Grant Request	Match	Total
Be'er Sheva Phase 2	Land and Water Conservation Fund (LWCF) Legacy Program / 21-1304	\$472,000	\$472,000	\$944,000
Garfield Super Block	LWCF - Legacy Program / 21-1305	\$2,085,000	\$2,085,000	\$4,170,000
Total		\$2,557,000	\$2,557,000	\$5,114,000

1 Section 2. The Superintendent of Parks and Recreation (“Superintendent”), or the
 2 Superintendent’s designee, is authorized to act as the authorized representative/agent for the
 3 City, who has or will have by the time any project agreement is executed full authority to bind
 4 the City regarding all matters related to the Project(s), including but not limited to full authority
 5 to: (1) approve submittal of a grant application to the RCO; (2) enter into a project agreement(s)
 6 on behalf of the City; (3) sign any amendments thereto on behalf of the City; (4) make any
 7 decisions and submissions required with respect to the Project(s); and (5) designate a project
 8 contact(s) to implement the day-to-day management of the grant(s).

9 Section 3. The City has reviewed the sample project agreement, which is attached to this
 10 resolution as Attachment 1. The City understands and acknowledges that, if offered a project
 11 agreement to sign in the future, it will contain an indemnification and legal venue stipulation
 12 (applicable to any sponsor) and a waiver of sovereign immunity (applicable to tribes) and other
 13 terms and conditions substantially in the form contained in the sample project agreement, and
 14 that such terms and conditions of any signed project agreement shall be legally binding, to the
 15 extent allowed by law, on the City if the Superintendent or the authorized representative/agent
 16 enters into a project agreement on our behalf. The City’s obligations under any indemnity
 17 provision authorized by this resolution are subject to any limitations imposed by state law.
 18 Appropriated funds that are subject to this indemnity obligation include, but are not limited to,
 19 funds in the Licensee’s self-insurance program and in the Judgment/Claims Fund (00126)

1 established by Ordinance 124088, and future moneys appropriated for the same purposes. The
2 City understands that the RCO reserves the right to revise the project agreement prior to
3 execution and shall communicate any such revisions with the above-authorized
4 representative/agent before execution.

5 Section 4. The City acknowledges and warrants that the Superintendent will have full
6 legal authority to enter on its behalf into a project agreement(s) that include indemnification,
7 waiver of sovereign immunity (as may apply to Tribes), and stipulated legal venue for lawsuits
8 and other terms substantially in the form contained in the sample project agreement to the
9 maximum extent allowed by law or as may be revised prior to execution.

10 Section 5. Grant assistance is contingent on a signed project agreement. Entering into any
11 project agreement with the RCO is purely voluntary on the part of the City.

12 Section 6. The City understands that grant policies and requirements vary depending on
13 the grant program applied to, the grant program and source of funding in the project agreement,
14 the characteristics of the project, and the characteristics of the City.

15 Section 7. The City further understands that prior to executing the project agreement(s),
16 the RCO may make revisions to its sample project agreement and that such revisions could
17 include the indemnification, the waiver of sovereign immunity, and the legal venue stipulation.
18 The City accepts the legal obligation that prior to execution of the project agreement(s), the
19 Superintendent shall inform the City Council of any revisions to the project agreement from that
20 of the sample project agreement and obtain required authority to enter the agreement on behalf of
21 the City. The City also acknowledges and accepts that the Superintendent will not execute the
22 project agreement(s) without required authorizing legislation and that after execution any such
23 revisions, all terms and conditions of the executed project agreement (including but not limited

1 to the indemnification, the waiver of sovereign immunity, and the legal venue stipulation) may
2 be deemed to be executed with the authorization of the City and apply to the maximum extent
3 allowed by law.

4 Section 8. Any grant assistance received will be used for only direct eligible and
5 allowable costs that are reasonable and necessary to implement the Project(s) referenced above.

6 Section 9. [Reserved from State template due to City legislative requirements.]

7 Section 10. If match is required for the grant, we understand the City must certify the
8 availability of match at least one month before funding approval. In addition, the City
9 understands it is responsible for supporting all non-cash matching share commitments to this
10 project should they not materialize.

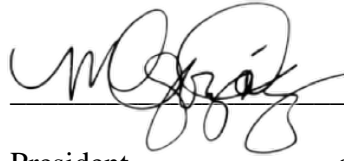

11 Section 11. The City acknowledges that if it receives grant funds managed by the RCO,
12 the RCO will pay us on a reimbursement basis. We understand “reimbursement basis” means
13 that we will only request payment from the RCO after we incur grant-eligible and allowable
14 costs and pay them. The RCO may also determine an amount of retainage and hold that amount
15 until the Project(s) are complete.

16 Section 12. The City acknowledges that any property owned by the City that is
17 developed, renovated, enhanced, or restored with grant assistance must be dedicated for the
18 purpose of the grant in perpetuity unless otherwise allowed by grant program policy, or by the
19 RCO in writing and per the project agreement or an amendment thereto. Our organization
20 acknowledges that any property not owned by our organization that is developed, renovated,
21 enhanced, or restored with grant assistance must be dedicated for the purpose of the grant as
22 required by grant program policies unless otherwise provided for pursuant to the project
23 agreement or an amendment thereto.

1 Section 13. The City passes this resolution with the understanding that it shall be deemed
2 to be part of the formal grant application to the RCO.

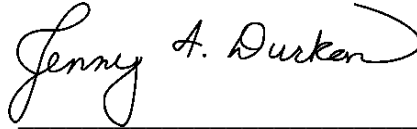

3 Section 14. By adopting this resolution, the City warrants and certifies that it has full
4 legal authority to commit the City to the warranties, certifications, promises, and obligations set
5 forth in this resolution.

1 Adopted by the City Council the 13th day of December, 2021,

All Sponsors are equally and independently subject to all the conditions of this Agreement except those conditions that expressly apply only to the primary Sponsor.

Prior to and during the Period of Performance, per the Applicant Resolution/Authorizations submitted by all sponsors (and on file with the RCO), the identified Authorized Representative(s)/Agent(s) have full authority to legally bind the Sponsor(s) regarding all matters related to the project, including but not limited to, full authority to: (1) sign a grant application for grant assistance, (2) enter into this project agreement on behalf of the Sponsor(s) including indemnification, as provided therein, (3) enter any amendments thereto on behalf of Sponsor(s), and (4) make any decisions and submissions required with respect to the project. During the Period of Performance, in order for a Sponsor to change its Authorized Representative/Agent as identified on the original signed Applicant Resolution/Authorization the Sponsor must provide the RCO a new Applicant Resolution/Authorization signed by its governing body or a written delegation of authority to sign in lieu of originally authorized Representative/Agency(s). Unless a new Applicant Resolution/Authorization has been provided, the RCO shall proceed on the basis that the person who is listed as the Authorized Representative in the last Resolution/Authorization that RCO has received is the person with authority to bind the Sponsor to the Agreement (including any amendments thereto) and decisions related to implementation of the Agreement.
- B. Amendments After the Period of Performance. RCO reserves the right to request and Sponsor has the obligation to provide, authorizations and documents that demonstrate any signatory to an amendment has the authority to legally bind the Sponsor as described in the above Sections.

For the purposes of this Agreement, as well as for grant management purposes with RCO, only the primary Sponsor may act as a fiscal agent to obtain reimbursements (See PROJECT REIMBURSEMENTS Section).

No allowable cost incurred before or after this period is eligible for reimbursement unless specifically provided for by written amendment or addendum to this Agreement, or specifically provided for by applicable RCWs, WACs, and any applicable RCO manuals as of the effective date of this Agreement.

The RCO reserves the right to summarily dismiss any request to amend this Agreement if not made at least 60 days before the project end date.

This exception does not apply to a federal government Sponsor or a Sponsor that requests and enters into a formal amendment for extensions or minor scope adjustments.

It is the responsibility of a Sponsor to ensure that any person who signs an amendment on its behalf is duly authorized to do so.

Unless otherwise expressly stated in an amendment, any amendment to this Agreement shall be deemed to include all current federal, state, and local government laws and rules, and policies applicable and active and published in the applicable RCO manuals or on the RCO website in effect as of the effective date of the amendment, without limitation to the subject matter of the amendment. Provided, any update in law, rule, policy or a manual that is incorporated as a result of an amendment shall apply only prospectively and shall not require that an act previously done in compliance with existing requirements be redone. However, any such amendment, unless expressly stated, shall not extend or reduce the long-term obligation term.

SPECIAL CONDITIONS

#1: Cultural Resources-Survey Required

Funding for this project is partially derived through the National Park Service's Land and Water Conservation fund; therefore it is subject to review under Section 106 of the National Historic Preservation Act. The lead agency has completed the initial consultation for this project and a cultural resources survey is required. The survey must include archaeological testing and an evaluation of the eligibility of the community center for National Register inclusion (including completing of required Historic Property Inventory forms). The Sponsor must submit to RCO the completed cultural resources survey, meeting federal standards, and receive from RCO a Notice to Proceed before any ground disturbing activities can begin. Please insure that your project milestones provide ample time for the Agencies to coordinate review with the consulting parties. Construction started without a Notice to Proceed will be considered a breach of contract. In the event that archaeological or historic materials are discovered while conducting ground disturbing activities, work in the immediate vicinity must stop and the Sponsor must ensure compliance with the provisions found in this agreement. All cultural resources work must meet reporting guidelines outlined by the Department of Archaeology and Historic Preservation and Section 106 of the National Historic Preservation Act.

#2: Final Boundary Map

Prior to award close-out and finalization of the LWCF protected boundary map, the Sponsor shall submit a Proposal for a Public Facility in a Section 6(f) Area for the South Park Community Center, so the NPS can make a determination about whether it should be included or excluded from the new boundary.

#3: The following language replaces the Indemnification section within the Standard Terms and Conditions of the Recreation and Conservation Office:

INDEMNIFICATION

To the maximum extent allowed by State law, the Sponsor shall defend, indemnify, and hold the State and its officers and

employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor is legally liable, and (b) the State its employees and agents for whom it is vicariously liable, the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or the negligence of the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

This provision shall be included in any agreement between Sponsor and any contractors, subcontractor and vendor, of any tier and such terms and conditions shall be legally binding to the extent allowed by law.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

2. In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 2 CFR 200.318 apply.

b) Requirements.

1. Non-Federal entities must avoid prohibited conflicts of interest, including any significant financial interests that could cause a reasonable person to question the recipient's ability to provide impartial, technically sound, and objective performance under or with respect to a Federal financial assistance agreement.
2. In addition to any other prohibitions that may apply with respect to conflicts of interest, no key official of an actual or proposed recipient or subrecipient, who is substantially involved in the proposal or project, may have been a former Federal employee who, within the last one (1) year, participated personally and substantially in the evaluation, award, or administration of an award with respect to that recipient or subrecipient or in development of the requirement leading to the funding announcement.
3. No actual or prospective recipient or subrecipient may solicit, obtain, or use non-public information regarding the evaluation, award, or administration of an award to that recipient or subrecipient or the development of a Federal financial assistance opportunity that may be of competitive interest to that recipient or subrecipient.

13) Minimum Wages Under Executive Order 13658 (January 2015)

a) Definitions. As used in this clause—

“United States” means the 50 states and the District of Columbia.

“Worker”—

1. Means any person engaged in performing work on, or in connection with, an agreement covered by Executive Order 13658, and
 - i. Whose wages under such agreements are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the Service Contract Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (Construction) statute (40 U.S.C. chapter 31, subchapter IV),
 - ii. Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 C.F.R. § 541,
 - iii. Regardless of the contractual relationship alleged to exist between the individual and the employer.
 2. Includes workers performing on, or in connection with, the agreement whose wages are calculated pursuant to special certificates issued under 29 U.S.C. § 214(c).
 3. Also includes any person working on, or in connection with, the agreement and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.
- b) Executive Order Minimum Wage rate.
1. The non-Federal entity shall pay to workers, while performing in the United States, and performing on, or in connection with, this agreement, a minimum hourly wage rate determined by the Secretary of the Department of Labor on an annual basis (currently \$10.20 per hour as of January 1, 2017).
 2. The non-Federal entity shall adjust the minimum wage paid, if necessary, annually thereafter, to meet the Secretary of Labor's annual E.O. minimum wage. The Administrator of the Department of Labor's Wage and Hour Division (the Administrator) will publish annual determinations in the Federal Register no later than 90 days before the effective date of the new E.O. minimum wage rate. The Administrator will also publish the applicable E.O. minimum wage on www.wdol.gov (or any successor Web site) and on all wage determinations issued under the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute. The applicable published E.O. minimum wage is incorporated by reference into this agreement.
 3.
 - i. The non-Federal entity may request a price adjustment only after the effective date of the new annual E.O. minimum wage determination. Prices will be adjusted only if labor costs increase as a result of an increase in the annual E.O. minimum wage, and for associated labor costs and relevant subaward costs. Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.
 - ii. Subrecipients may be entitled to adjustments due to the new minimum wage, pursuant to paragraph (b)(2). Non-Federal entities shall consider any Subrecipient requests for such price adjustment.
 - iii. The Financial Assistance Awarding Officer will not adjust the agreement price under this clause for any costs other than those identified in paragraph (b)(3)(i) of this clause, and will not provide duplicate price adjustments with any price adjustment under clauses implementing the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute.
 4. The non-Federal entity warrants that the prices in this agreement do not include allowance for any contingency to cover increased costs for which adjustment is provided under this clause.
 5. The non-Federal entity shall pay, unconditionally to each worker, all wages due free and clear without subsequent rebate or kickback. The non-Federal entity may make deductions that reduce a worker's wages below the E.O. minimum wage rate only if done in accordance with 29 C.F.R. § 10.23, Deductions.

6. The non-Federal entity shall not discharge any part of its minimum wage obligation under this clause by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards statute, the cash equivalent thereof.
7. Nothing in this clause shall excuse the non-Federal entity from compliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the E.O. minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.
8. The non-Federal entity shall pay the E.O. minimum wage rate whenever it is higher than any applicable collective bargaining agreement(s) wage rate.
9. The non-Federal entity shall follow the policies and procedures in 29 C.F.R. § 10.24(b) and 10.28 for treatment of workers engaged in an occupation in which they customarily and regularly receive more than \$30 a month in tips.

c)

1. This clause applies to workers as defined in paragraph (a). As provided in that definition—
 - i. Workers are covered regardless of the contractual relationship alleged to exist between the non-Federal entity or subrecipient and the worker;
 - ii. Workers with disabilities whose wages are calculated pursuant to special certificates issued under 29 U.S.C. § 214(c) are covered; and
 - iii. Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.
2. This clause does not apply to—
 - i. Fair Labor Standards Act (FLSA) – covered individuals performing in connection with contracts covered by the E.O., i.e. those individuals who perform duties necessary to the performance of the agreement, but who are not directly engaged in performing the specific work called for by the agreement, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such agreements;
 - ii. Individuals exempted from the minimum wage requirements of the FLSA under 29 U.S.C. § 213(a) and 214(a) and (b), unless otherwise covered by the Service Contract Labor Standards statute, or the Wage Rate Requirements (Construction) statute. These individuals include but are not limited to—
 - a. Learners, apprentices, or messengers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. § 214(a).
 - b. Students whose wages are calculated pursuant to special certificates issued under 29 U.S.C. § 214(b).
 - c. Those employed in a bona fide executive, administrative, or professional capacity (29 U.S.C. § 213(a)(1) and 29 C.F.R. § part 541).
- d) *Notice.* The non-Federal entity shall notify all workers performing work on, or in connection with, this agreement of the applicable E.O. minimum wage rate under this clause. With respect to workers covered by the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, the Contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers whose wages are governed by the FLSA, the non-Federal entity shall post notice, utilizing the poster provided by the Administrator, which can be obtained at www.dol.gov/whd/govcontracts, in a prominent and accessible place at the worksite. Non-Federal entities that customarily post notices to workers electronically may post the notice electronically provided the electronic posting is displayed prominently on any Web site that is maintained by the non-Federal entity, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

e) Payroll Records.

1. The non-Federal entity shall make and maintain records, for three years after completion of the work, containing the following information for each worker:
 - i. Name, address, and social security number;
 - ii. The worker's occupation(s) or classification(s);
 - iii. The rate or rates of wages paid;
 - iv. The number of daily and weekly hours worked by each worker;
 - v. Any deductions made; and
 - vi. Total wages paid.
2. The non-Federal entity shall make records pursuant to paragraph (e) (1) of this clause available for inspection and transcription by authorized representatives of the Administrator. The non-Federal entity shall also make such records available upon request of the Contracting Officer.
3. The non-Federal entity shall make a copy of the agreement available, as applicable, for inspection or transcription by authorized representatives of the Administrator.
4. Failure to comply with this paragraph (e) shall be a violation of 29 C.F.R. § 10.26 and this agreement. Upon direction of the Administrator or upon the Financial Assistance Awarding Officer's own action, payment shall be withheld until such time as the noncompliance is corrected.
5. Nothing in this clause limits or otherwise modifies the non-Federal entity's payroll and recordkeeping obligations, if any, under the Service Contract Labor Standards statute, the Wage Rate Requirements (Construction) statute, the Fair Labor Standards Act, or any other applicable law.

- f) *Access.* The non-Federal entity shall permit authorized representatives of the Administrator to conduct investigations, including interviewing workers at the worksite during normal working hours.
- g) *Withholding.* The Financial Assistance Awarding Officer, upon his or her own action or upon written request of the Administrator, will withhold funds or cause funds to be withheld, from the non-Federal entity under this or any other Federal agreement with the same non-Federal entity, sufficient to pay workers the full amount of wages required by this clause.
- h) *Disputes.* Department of Labor has set forth in 29 C.F.R. § 10.51, Disputes concerning non-Federal entity compliance, the procedures for resolving disputes concerning a non-Federal entity's compliance with Department of Labor regulations at 29 C.F.R. § 10. Such disputes shall be resolved in accordance with those. This includes disputes between the non-Federal entity (or any of its Subrecipients) and the contracting agency, the Department of Labor, or the workers or their representatives.
- i) *Antiretaliation.* The non-Federal entity shall not discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to compliance with the E.O. or this clause, or has testified or is about to testify in any such proceeding.
- j) *Subcontractor compliance.* The non-Federal entity is responsible for Subrecipient compliance with the requirements of this clause and may be held liable for unpaid wages due Subrecipient workers.
- k) *Subawards.* The non-Federal entity shall include the substance of this clause, including this paragraph (k) in all subawards, regardless of dollar value, that are subject to the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, and are to be performed in whole or in part in the United States.

- 14) **Prohibition on Issuing Financial Assistance Awards to Entities that Require Certain Internal Confidentiality Agreements:** Section 743 of Division E, Title VII of the Consolidated and Further Continuing Resolution Appropriations Act of 2015 (Pub. L. 113-235) prohibits the use of funds appropriated or otherwise made available under that or any other Act for grants or cooperative agreements to an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors

from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

Recipients must not require their employees or contractors seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

Recipients must notify their employees or contractors that existing internal confidentiality agreements covered by this condition are no longer in effect.

- c) **Availability of Data.** The recipient shall make the data produced under this award and any subaward(s) available to the Government for public release, consistent with applicable law, to allow meaningful third party evaluation and reproduction of the following:
 - i. The scientific data relied upon;

ATTACHMENT A – LWCF GENERAL PROVISIONS - PART II

Continuing Assurances

The parties to the project agreement specifically recognize that the Land and Water Conservation Fund project creates an obligation to maintain the property described in the project agreement and supporting application documentation consistent with the Land and Water Conservation Fund Act and the following requirements.

Further, it is the acknowledged intent of the parties hereto that recipients of assistance will use monies granted hereunder for the purposes of this program, and that assistance granted from the Fund will result in a net increase, commensurate at least with the Federal cost-share, in a participant's outdoor recreation.

It is intended by both parties hereto that assistance from the Fund will be added to, rather than replace or be substituted for, State and local outdoor recreation funds.

- A. The State agrees, as recipient of this assistance, that it will meet the general, special, and LWCF provisions outlined in this award agreement and that it will further impose these provisions, and the terms of the project agreement, upon any political subdivision or public agency to which funds are transferred pursuant to the project agreement. The State also agrees that it shall be responsible for compliance with the terms of the project agreement by such a political subdivision or public agency and that failure by such political subdivision or public agency to so comply shall be deemed a failure by the State to comply with the terms of this agreement.
- B. The State agrees that the property described in the project agreement and the signed and dated project boundary map made part of that agreement is being acquired or developed with Land and Water Conservation Fund assistance, or is integral to such acquisition or development, and that, without the approval of the Secretary, it shall not be converted to other than public outdoor recreation use but shall be maintained in public outdoor recreation in perpetuity or for the term of the lease in the case of leased property. The Secretary shall approve such conversion only if it is found to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions deemed necessary to assure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location pursuant to Title 36 Part 59.3 of the Code of Federal Regulations. This replacement land then becomes subject to LWCF protection. The approval of a conversion shall be at the sole discretion of the Secretary, or his/her designee.

Prior to the completion of this project, the State and the Director may mutually alter the area described and shown in the project agreement and the signed and dated project boundary map to provide the most satisfactory public outdoor recreation unit, except that acquired parcels are afforded LWCF protection as Fund reimbursement is provided.

In the event the NPS provides Land and Water Conservation Fund assistance for the acquisition and/or development of property with full knowledge that the project is subject to reversionary rights and outstanding interests, conversion of said property to other than public outdoor recreation uses as a result of such right or interest being exercised will occur. In receipt of this approval, the State agrees to notify the Service of the potential conversion as soon as possible and to seek approval of replacement property in accord with the conditions set forth in these provisions and program regulations. The provisions of this paragraph are also applicable to: leased properties developed with Fund assistance where such lease is terminated prior to its full term due to the existence of provisions in such lease known and agreed to by the Service; and properties subject to other outstanding rights and interests that may result in a conversion when known and agreed to by the Service.

- C. The State agrees that the benefit to be derived by the United States from the full compliance by the State with the terms of this agreement is the preservation, protection, and the net increase in the quality of public outdoor recreation facilities and resources which are available to the people of the State and of the United States, and such benefit exceeds to an immeasurable and unascertainable extent the amount of money furnished by the United States by way of assistance under the terms of this agreement. The State agrees that payment by the State to the United States of an amount equal to the amount of assistance extended under this agreement by the United States would be inadequate compensation to the United States for any breach by the State of this agreement.

The State further agrees, therefore, that the appropriate remedy in the event of a breach by the State of this agreement shall be the specific performance of this agreement or the submission and approval of a conversion-of-use request as described in Part II.B above.

- D. The State agrees to comply with the policies and procedures set forth in the Manual. Provisions of said Manual are incorporated into and made a part of the project agreement.
- E. The State agrees that the property and facilities described in the project agreement shall be operated and maintained as prescribed by Manual requirements and published post-completion compliance regulations (Title 36 Part 59 of the *Code of Federal Regulations*).

F. The State agrees that a notice of the grant agreement shall be recorded in the public property records (e.g., registry of deeds or similar) of the jurisdiction in which the property is located, to the effect that the property described and shown in the scope of the project agreement and the signed and dated project boundary map made part of that agreement, has been acquired or developed with Land and Water Conservation Fund assistance and that it cannot be converted to other than public outdoor recreation use without the written approval of the Secretary of the Interior.

G. Nondiscrimination

- 1) By signing the LWCF agreement, the State certifies that it will comply with all Federal laws relating to nondiscrimination as outlined in the Civil Rights Assurance appearing at Article XVII.A.2 of the Grant Agreement to which these terms are attached.
- 2) The State shall not discriminate against any person on the basis of residence, except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence as set forth in the Manual.

ATTACHMENT A – LWCF GENERAL PROVISIONS - PART III

- 2) The State will cause work on the project to start within a reasonable time after receipt of notification that funds have been approved and assure that the project will be implemented to completion with reasonable diligence.
- 3) The State will require the facility to be designed to comply with the Architectural Barriers Act of 1968 (Public Law 90-480) and DOI Section 504 Regulations (43 CFR Part 17). The State will be responsible for conducting inspections to insure compliance with these specifications by the contractor.
- 4) The State shall secure completion of the work in accordance with approved construction plans and specifications, and shall secure compliance with all applicable Federal, State, and local laws and regulations.
- 5) In the event the project covered by the project agreement, cannot be completed in accordance with the plans and specifications for the project, the State shall bring the project to a point of recreational usefulness agreed upon by the State and the Director or his designee in accord with Section C below.
- 6) The State will provide for and maintain competent and adequate architectural/engineering supervision and inspection at the construction site to insure that the completed work conforms with the approved plans and specifications; that it will furnish progress reports and such other information as the NPS may require.
- 7) The State will comply with the terms of Title II and Title III, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646), 94 Stat. 1894 (1970), and the applicable regulations and procedures implementing such Act for all real property acquisitions and where applicable shall assure that the Act has been complied with for property to be developed with assistance under the project agreement.

Section 102(a) requires the purchase of flood insurance in communities where such insurance is available, as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes, for use in any area that has been identified as an area having special flood hazards by the Flood Insurance Administration of the Federal Emergency Management Agency. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance.
- 10) The State will assist the NPS in its compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), Executive Order 11593, and the Archaeological and Historic Preservation Act of 1966 (16 U.S.C. 469a-1 et seq.) by (a) consulting with the State Historic Preservation Officer on the conduct of investigations, as necessary, to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to effects (see CFR Part 800.8) by the activity, and notifying the Federal grantor agency of the existence of any such properties, and by (b) complying with all requirements established by the Federal grantor agency to avoid or mitigate adverse effects upon such properties.

C. Project Termination

- 1) The Director may temporarily suspend Federal assistance under the project pending corrective action by the State or pending a decision to terminate the grant by the Service.
- 2) The State may unilaterally terminate the project at any time prior to the first payment on the project. After the initial payment, the project may be terminated, modified, or amended by the State only by mutual agreement.
- 3) The Director may terminate the project in whole, or in part, at any time before the date of completion, whenever it is determined that the grantee has failed to comply with the conditions of the grant. The Director will promptly notify the State in writing of the determination and the reasons for the termination, together with the effective date. Payments made to States or recoveries by the Service under projects terminated for cause shall be in accord with the legal rights and liabilities of the parties.
- 4) The Director or State may terminate grants in whole, or in part at any time before the date of completion, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated. The grantee shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. The NPS may allow full credit to the State for the Federal share of the non-cancelable obligations, properly incurred by the grantee prior to termination.
- 5) Termination either for cause or for convenience requires that the project in question be brought to a state of recreational usefulness agreed upon by the State and the Director or that all funds provided by the National Park Service be returned.

- 3) After review, including any adjustments, and approval from the NPS, the State will request through ASAP the final allowable reimbursable costs. Upon completion of an electronic payment, the State will submit a completed "LWCF Record of Electronic Payment" form to the NPS.
- 4) The NPS retains the right to disallow costs and recover funds on the basis of later audit or other review within the record retention period.

PERFORMANCE BY THE SPONSOR

All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written approval of the RCO.

RESPONSIBILITY FOR PROJECT

While RCO administers the grant that is the subject of this Agreement, the project itself remains the sole responsibility of the Sponsor. The RCO and Funding Entity (if different from the RCO) undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project has more than one Sponsor, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO, its employees, assigns, consultants and contractors, and members of any funding board or advisory committee or other RCO grant review individual or body, have no responsibility for reviewing, approving, overseeing or supervising design, construction, or safety of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO, its employees, assigns, consultants and contractors, and any funding board or advisory committee or other RCO grant review individual or body will act only to confirm at a general, lay person, and nontechnical level, solely for the purpose of project eligibility and payment and not for safety or suitability, that the project apparently is proceeding or has been completed as per the Agreement.

INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents or employees, and (b) the State, or its employees or agents the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or its agents, or employees.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51. Sponsor's waiver of immunity under this provision extends only to claims against Sponsor by Indemnitee RCO, and does not include, or extend to, any claims by Sponsor's employees directly against Sponsor.

Sponsor shall ensure that any agreement relating to this project involving any contractors, subcontractors and/or vendors of any tier shall require that the contracting entity indemnify, defend, waive RCW 51 immunity, and otherwise protect the State as provided herein as if it were the Sponsor. This shall not apply to a contractor or subcontractor is solely donating its services to the project without compensation or other substantial consideration.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not

apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the Sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the Sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

COMPLIANCE WITH APPLICABLE LAW

In implementing the Agreement, the Sponsor shall comply with all applicable federal, state, and local laws (including without limitation all applicable ordinances, codes, rules, and regulations). Such compliance includes, without any limitation as to other applicable laws, the following laws:

In the event of the Sponsor's noncompliance or refusal to comply with any nondiscrimination law or policy, the Agreement may be rescinded, cancelled, or terminated in whole or in part, and the Sponsor may be declared ineligible for further grant awards from the RCO or Funding Entity. The Sponsor is responsible for any and all costs or liability arising from the Sponsor's failure to so comply with applicable law. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project: "During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."
- B. **Secular Use of Funds.** No funds awarded under this grant may be used to pay for any religious activities, worship, or instruction, or for lands and facilities for religious activities, worship, or instruction. The Sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.40. The Sponsor also agrees to comply with the provisions of the rules and regulations of the Washington State Department of Labor and Industries.
 - 1) Pursuant to RCW 39.12.040(1)(a), all contractors and subcontractors shall submit to Sponsor a statement of intent to pay prevailing wages if the need to pay prevailing wages is required by law. If a contractor or subcontractor intends to pay other than prevailing wages, it must provide the Sponsor with an affirmative statement of the contractor's or subcontractor's intent. Unless required by law, the Sponsor is not required to investigate a statement regarding prevailing wage provided by a contractor or subcontractor.
 - 2) Exception, Service Organizations of Trail and Environmental Projects (RCW 79A.35.130). If allowed by state and federal law and rules, participants in conservation corps programs offered by a nonprofit organization affiliated with a national service organization established under the authority of the national and community

service trust act of 1993, P.L. 103-82, are exempt from provisions related to rates of compensation while performing environmental and trail maintenance work provided: (1) The nonprofit organization must be registered as a nonprofit corporation pursuant to RCW 24.03; (2) The nonprofit organization's management and administrative headquarters must be located in Washington; (3) Participants in the program must spend at least fifteen percent of their time in the program on education and training activities; and (4) Participants in the program must receive a stipend or living allowance as authorized by federal or state law. Participants are exempt from provisions related to rates of compensation only for environmental and trail maintenance work conducted pursuant to the conservation corps program.

- D. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature. No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.
- E. **Debarment and Certification.** By signing the Agreement with RCO, the Sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the Sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on Washington State Department of Labor and Industries' "Debarred Contractor List."

The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

- D. **Davis-Bacon Act, as amended (40 U.S.C. 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities (Sponsors) must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”).

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity (Sponsor) must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity (Sponsor) must report all suspected or reported violations to the federal awarding agency identified in the Federal Fund Information Section.

The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U. S. C. 3145), as supplemented by Department of Labor regulations (29 C.F.R Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient (Sponsor) must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity (Sponsor) must report all suspected or reported violations to the Federal awarding agency identified in Section H: Federal Fund Information.

- E. **Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-federal entity (Sponsor) in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- F. **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 C.F.R § 401.2(a) and the recipient or subrecipient (Sponsor) wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient (Sponsor) must comply with the requirements of 37 C.F.R Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- G. **Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as Amended.** Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency identified in Section H: Federal Fund Information and the Regional Office of the Environmental Protection Agency (EPA).

- H. **Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).** By signing this Agreement, the Sponsor certifies (per the certification requirements of 31 U.S.C.) that none of the funds that the Sponsor has (directly or indirectly) received or will receive for this project from the United States or any agency thereof, have been used or shall be used to engage in the lobbying of the Federal Government or in litigation against the United States. Such lobbying includes any influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this project. Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award.
- I. **Procurement of Recovered Materials.** A non-federal entity (Sponsor) that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
- J. **Required Insurance.** The non-federal entity (Sponsor) must, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired or improved with federal funds as provided to property owned by the non-federal entity. Federally-owned property need not be insured unless required by the terms and conditions of the Federal award (2 C.F.R § 200.310 (2013)).
- K. **Debarment and Suspension (Executive Orders 12549 and 12689).** The Sponsor must not award a contract to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the Office of Management and Budget (OMB) guidelines at 2 C.F.R § 180 that implement Executive Orders 12549 (3 C.F.R part 1986 Comp., p. 189) and 12689 (3 C.F.R part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- L. **Conflict of Interest.** Sponsor agrees to abide by the conflict of interest policy and requirements of the federal funding agency established pursuant to 2 C.F.R 200.

PROVISIONS FOR LAND AND WATER CONSERVATION FUND PROJECTS

This project has been approved by the National Park Service, US Department of the Interior, for funding assistance from the federal Land and Water Conservation Fund (LWCF), therefore the "Land and Water Conservation Fund General Provisions" are made part of this Agreement and incorporated herein. The Sponsor shall abide by these LWCF General Provisions, in addition to this Agreement, as they now exist or are hereafter amended. Further, the Sponsor agrees to provide RCO with reports or documents needed to meet the requirements of the LWCF General Provisions.

ORDER OF PRECEDENCE

This Agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the Agreement shall be construed to conform to those laws. In the event of a direct and irreconcilable conflict between the terms of this Agreement and any applicable statute, rule, or policy or procedure, the conflict shall be resolved by giving precedence in the following order:

- A. Federal law and binding executive orders;
- B. Code of federal regulations;
- C. Terms and conditions of a grant award to the state from the federal government;
- D. Federal grant program policies and procedures adopted by a federal agency that are required to be applied by federal law;
- E. State Constitution, RCW, and WAC;
- F. Agreement Terms and Conditions and Applicable Manuals;

- G. Applicable deed restrictions, and/or governing documents.

LIMITATION OF AUTHORITY

Only RCO's Director or RCO's delegate authorized in writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH

The Funding Entity (if different from RCO) and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SPECIFIC PERFORMANCE

RCO may enforce this Agreement by the remedy of specific performance, which means Sponsors' completion of the project and/or its completion of long-term obligations as described in this Agreement. However, the remedy of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the RCO shall be deemed exclusive. The RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

TERMINATION AND SUSPENSION

The RCO requires strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200.340.

A. For Cause.

- 1) The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a) If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b) If the Sponsor fails to make progress satisfactory to the RCO director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c) If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
- 2) Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
- 3) RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

- B. For Convenience.** Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

- 1) The Sponsor was not in default; or
- 2) Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights of Remedies of the RCO.

- 1) The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
- 2) In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent it would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

- 1) **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.
- 2) **No Waiver.** The failure or neglect of RCO to require strict compliance with any term of this Agreement or to pursue a remedy provided by this Agreement or by law shall not act as or be construed as a waiver of any right to fully enforce all rights and obligations set forth in this Agreement and in applicable state or federal law and regulations.

DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the majority decision of the dispute panelists, unless the remedy directed by that panel is beyond the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own attorney fees and costs.

GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in the Superior Court of a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington.

SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

END OF AGREEMENT

This is the end of the agreement.
