

Amendment A Version 1 to CB 120325 – LEG RRIO Information and Data Collection ORD

Sponsor: Councilmember Morales

Clarifying public accessibility to data

Effect: This amendment would add a recital making clear that the City believes the information property owners submit to the research university is information that should be made available to the public for transparency.

Amend the recitals of CB 120325 as follows:

* * *

WHEREAS, the Council intends that the submission of information regarding the number and size of residential rental units and rental amounts to a research university contracted to provide a report to the City will help to fill the identified data gaps and better allow the City to make policy to decrease gentrification and resulting physical, economic, and cultural displacement risks and inform updates to the City’s Comprehensive Plan update; and

WHEREAS, the Council believes that the rent and rental housing information property owners will submit to the research university should be made available to the public for transparency purposes; and

WHEREAS, the Council intends for the Office of Planning and Community Development or other executive department to enter into a contract with a research university to provide the City with reports analyzing this data and continue to hold such a contract for as long as the City requires the designated information be provided to the designated research university; NOW, THEREFORE,
