## Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) would request that the Human Services Department (HSD) provide quarterly reports to the Public Safety and Human Services Committee (PSHS) on the Public Defender Association's (PDA's) client base and client outcomes related to shelter and housing.

The quarterly reports should be submitted on April 15, July 15, and October 15 and should include: (1) the number of clients in the LEAD and CoLEAD programs and the date on which this count was taken, and, for LEAD, the number of clients in the Approved Referral, Outreach, Active, and Alumni categories; (2) for the previous quarter, the number of clients in each program who were offered a place in shelter/transitional housing and who accepted a placement in shelter/transitional housing, including in each case the names of the organizations operating that shelter/transitional housing; and (3) for the previous quarter, the number of clients in each program who accepted a placement in permanent supportive housing and, for each client placement, the category of shelter or housing, if any, that was applicable prior to that placement.

HSD should submit the reports to the Chair of the PSHS Committee and the Central Staff Director.
