## Budget Action Description:

This Council Budget Action would reduce proposed funding for planned media purchases by \$500,000 GF in 2023 (one-time) from the Seattle Police Department (SPD) and add \$500,000 GF in 2023 (one-time) to the Office of Arts and Culture (ARTS) for organizations showcasing African American art, history and culture in the Pacific Northwest, such as the Northwest (NW) African American Museum. Many cultural organizations, including the Northwest (NW) African American Museum, were closed during the pandemic and are gradually reopening. The NW African American Museum anticipates reopening in February 2023.

The 2023-2024 Proposed Budget includes \$1.5 million in 2023 for SPD's planned media expenditures in support of recruitment and retention. CBA 903-A-002-2023 in the initial balancing package scaled this amount to \$750,000 to help address decreased City revenues and support other Council priorities. The

remaining \$750,000 in scaled funding was to fund a marketing consultant who would create a detailed marketing plan and manage remaining resources, building on \$170,000 authorized in 2022 in ORD 126654 for literature, web design, and production. This CBA would reduce the remaining \$750,000 by \$500,000, leaving \$250,000 of the initially proposed \$1.5 million for SPD media expenditures.
